## A SPECIAL EDITION 5 DOOR HATCHBACK THAT ADDS SPORTING STYLE TO VALUE FOR MONEY

**The Honda Concerto 1.5i and 1.6i-16, two of the smoothest performers in their class.**

Add some special touches - lowered suspension, alloy wheels, sports steering wheel, chromed tailpipes, and fine pinstriping.

What do you get? The Concerto Blaise!

This special edition actually *feels* more like a sports car. That's because Honda's innovative double-wishbone suspension has been lowered to provide even more surefooted grip.

The Concerto Blaise is powered by a deep-breathing 16-valve engine derived from Honda's Formula One-winning experience, with dual-point Programmed Fuel Injection for responsive power.

The comprehensive Blaise specification includes power-assisted steering and catalytic converter, with luxury touches like an electric tilt and slide sunroof.

Only a small number of these extra-special Concertos are available. They will quickly find owners who want Honda's legendary standards of reliability and performance, with that extra dash of sporting style for their money.

It's time to discover the Blaise difference for yourself. See your Honda dealer - now!
