**HONDA**

Developed from racing pedigree, NSX offers a luxurious specification with a host of technical innovations. Of mid engine design, driven by a powerful 3.0 litre V6 engine the NSX features variable valve timing and control system (V-TEC) to maximise engine performance.

Aluminium bodywork reduces the weight of the car for better economy yet, the NSX is lavishly equipped including, amongst other features, leather seats, cruise control and 4-channel ABS.

The NSX sets standards of performance, luxury and technical innovation that are hard to match.

*An inspirational model that says everything about your values and lifestyle.*

# legend coupé/saloon

Powered by an extremely responsive, all new 3.2 litre V6 engine with PGM-Fi the Legend captures a blend of elegance, performance and safety.

The 4 wheel double wishbone suspension helps reduce noise and vibration, giving a smooth all-round ride whilst they achieve a responsive performance and strong low to mid-range power.

New safety features include crumple zones at the front and rear of the car to absorb impact energy, a driver's side supplemental restraint system (air bag), and digitally controlled anti-lock braking with large capacity disc brakes all-round. The Coupé has the added safety feature of passenger seatbelt pre-tensioners.

With a luxurious specification including power steering, air conditioning and cruise control, the Legend clearly represents a new level of luxury driving.

*Performance,  
safety and design  
gives a certain  
distinctive  
presence.*

EX, 2.0i-16, 2.0i-16 Special Edition

Honda's classic sports coupé, the Prelude, has been subtly yet strikingly refined for the 90's. The new look incorporates stylish new front and rear bumpers, elegant interior trim and a new instrument binnacle to add a further touch of class to the Prelude. Moreover, all models now feature a rear wash/wipe system while the 2.0i-16 and (S.E.) now incorporate cruise control for effortless motorway driving.

Race-bred two litre engines, advanced Double-Wishbone Suspension and exceptionally sleek styling for aerodynamic efficiency come as standard. A multi-valve cylinder head design enables the Prelude EX to deliver 114PS at 5,800 rpm. And for greater vehicle control while braking, the 2.0i-16 and 2.0i-16(S.E.) feature Honda's advanced 4-wheel Anti-Lock Braking System with discs all round.

Inside, there is a superb driving

environment. Standard features include power steering, electric sunroof, electric windows and the option of 4-speed automatic transmission. For extra convenience and security all Preludes have central locking as standard, while the (S.E.) model provides additional luxury and style with its leather interior, air conditioning and alloy wheels.

*A classic sports coupé, subtly refined for the 90s to add a further touch of class.*

2.2i

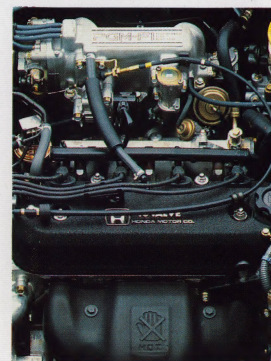

Take the elegant design of the Accord and add a 2.2 litre engine equipped with programmed fuel injection. The result is the 2.2i - a car with an engine capable of developing 150PS at 5,900 rpm.

This top of the range Accord boasts a number of special features including Honda's 4WS steer angle dependent system. 4WS permits smoother, tighter turns and offers new levels of manoeuvrability and stability.

Matching its superior performance, the 2.2i also includes 195/60R15 87V tyres on alloy wheels, four-wheel disc brakes and spoilers front and rear for improved aerodynamics. The 2.2i also has a catalytic convertor fitted as standard.

Inside you'll find a superb leather interior plus an electric, smoked glass sunroof, power steering, air conditioning, sports seating and a leather covered steering wheel. All told, the 2.2i offers uncompromised driving performance.

*The Accord  
2.2i offers  
uncompromised  
driving  
performance with  
its 2.2 litre engine  
and 4WS.*

2.0, 2.0i

From the elegant curves of the exterior, to the sumptuous interior the Accord has been designed to appeal to your higher senses.

The 2.0i and 2.0 both use 16-valve engines, with catalytic converters, for consistent high power output, enabling the 2.0i to develop 133PS at 5,300 rpm. For optimum power output and efficiency, the 2.0i features Programmed Fuel-Injection which precisely controls fuel/air ratios.

Each model has variable-assistance power steering and optional automatic transmissions. Other features include sunroof (2.0i), electric windows, central locking, tilt-adjustable steering wheel, remote boot lock and rear heater ducts. The new Accord has a longer wheelbase and larger passenger compartment, providing generous head and leg room and offering a superb level of refined saloon driving.

*Elegant and spacious, the Accord offers a superb driving experience in supreme comfort.*

This elegant newcomer represents all that is best in luxurious estate car design. Available in manual or automatic form, the Accord Aerodeck combines a powerful engine for responsive performance with a spacious and comfortable interior.

The potent 2.2 litre SOHC 16-valve power plant features programmed electronic fuel injection and can produce an impressive 150PS in manual form. With fully independent double wishbone suspension and four-wheel disc brakes, it delivers an excellent mixture of performance and agility.

Inside, there is outstanding head and leg room, while the large glass area, low bonnet line and adjustable seats give a commanding view of the road ahead. In the rear, the Accord Aerodeck offers a large carpeted luggage area with a tonneau cover to keep valuables out of sight and a side box for additional storage room. It also comes with a useful

adjustable cargo net to keep luggage secure.

The folding rear seat back can be split independently for versatile storage, or for maximum carrying capacity, both seats can be folded forward. Although, the Accord Aerodeck has an impressive capacity of 1828.2 litres (with rear seat back down).

Standard features on this exciting new estate car include an advanced 5-speaker audio system, electric aerial, electric windows, central locking, electric door mirrors, electric glass sunroof and power steering.

*Luxurious and spacious with sports car performance - the new Accord Aerodeck.*

1.5i, 1.6i, 1.6i-16, 1.6i-16SE (5-door) 1.6i, 1.6i-16, 1.6i-16SE (Saloon)

## *concerto 5-door/saloon*

---

Performance, comfort, refinement and flair - that's the stunning new Honda Concerto. The 5-door hatchback has a choice of four models (1.5i, 1.6i, 1.6i-16 and 1.6i-16SE) whilst the 4-door saloon has a choice of three (1.6i, 1.6i-16 and 1.6i-16SE). All models run on unleaded petrol and incorporate catalytic convertor and race bred programmed fuel injection (PGM-Fi).

Powerful in performance, yet quiet and smooth on the road, within the range, the Concerto features a standard of advanced technology including power assisted steering, 4-wheel anti-lock braking system and fully independent suspension featuring McPherson type strut at the front and double wishbone at the rear.

Inside it is both practical and convenient with a large glass area for excellent visibility, an advanced ventilation and bi-level cooling system,

and ergonomically positioned driving controls for easy operation.

Standard equipment on the Concerto includes power steering, an electrically operated tilt and slide sunroof and central locking. In addition, the higher specification models feature 4-speaker radio cassette, ABS, and the top of the range 1.6i-16SE boasts a leather interior and alloy wheels.

*The Concerto  
combines  
performance with  
refinement - in  
style.*

With the introduction of the CRX 1.6i-VT featuring Honda's revolutionary new VTEC engine, the "hot hatchback" now boasts more power and acceleration. The revolutionary DOHC VTEC engine incorporates Honda's variable valve timing and lift mechanism featuring two valve settings instead of the normal one. This optimises valve timing and lift to provide a better spread of power throughout the rev range. The result is a remarkable 150PS @ 7600 rpm. Moreover, a catalytic convertor is fitted as standard.

To complement the VTEC's impressive power, the CRX 1.6i-VT features a refined suspension system and high-performance tyres as well as larger diameter front disc brakes (14"). The new body-coloured rear spoiler adds to the sports car appeal and increases the car's aerodynamic efficiency, while inside the leather-faced seats give body-hugging

comfort and support.

Standard features on this remarkable driving machine include 4-wheel anti-lock braking, alloy wheels, an electric tilt and slide sunroof, a leather bound tilt-adjustable steering wheel, electric windows and a rear wash/wipe system.

*Featuring Honda's new VTEC engine, the "hot hatchback" now boasts more power and acceleration.*

At Honda, our commitment to you, our customers, extends beyond designing and manufacturing cars of the highest quality. We believe that in establishing a lasting relationship, our service support has to be of the highest standards. So, we begin by ensuring that when you purchase a new Honda, you have a comprehensive knowledge of all the services offered by your local Honda Dealership. Services like...

## *pride*

### *PRestige Introduction DELivery.*

The PRIDE scheme has been specifically designed to help you get to know everything about your new Honda.

PRIDE begins before you take possession of your car, with a Pre-Delivery Inspection (PDI). A copy of the check sheet detailing this inspection will be given to you, and your Vehicle Service Book will be stamped to show that PDI has been carried out.

When you pick up your car, you will be personally shown the interior to ensure that you are completely familiar with all the controls and their function. Your dealer will then give you a guided tour of the premises, including the workshops, and introduce you to the key personnel who will look after you and your Honda in the years to come.

He will also give you a full explanation

of the three Honda warranties; the 2 Year Unlimited Mileage Mechanical Warranty, 3 Year Surface Corrosion and 6 Year Rust Through Warranty. In addition, he will provide you with your owner's manual, a

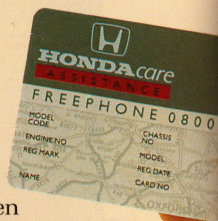

map of Honda dealers in the UK and of course, your Vehicle Service Book.

HONDA PRIDE will, we trust, be the first step in a lasting relationship.

## *hondacare assistance*

Hondacare Assistance has been developed in association with the AA, and is your route to complete peace of mind motoring. It gives you important reassurance in the unlikely event of a breakdown and is available 24 hours a day, at roadside freephones, at home, or in Europe. In fact, whenever and wherever you need it.

The service is free to any Honda model

registered on or after 1st June 1990 and is valid for two years. And, because the cover is vehicle based, any driver who is legally entitled to drive your car may take advantage of this important service.

The range of services covered by Hondacare Assistance are as follows:

- Roadside Assistance
- Recovery
- Onward Travel
- Hotel Accommodation
- Message Service
- Vehicle Collection/Delivery
- Rush Part Delivery
- Alternative Driver
- Legal Protection
- Customs Duty
- Emergency Credit
- Emergency Repatriation

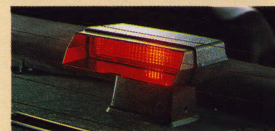

Honda owners can also take advantage of an Extended Warranty scheme with 12-36 month options, and a special Insurance plan at competitive rates. For businesses, a Contract Hire agreement can be arranged through Chartered Trust.

## *a c c e s s o r i e s*

Yet another service to our customers, is the extensive range of Honda Accessories. Naturally, we have designed a variety of accessories to cater for the many different tastes of Honda owners and you can be assured that every single item is made to the highest standard.

The Accessories cover all facets of motoring including safety and security; so, amongst other things your dealer can supply emergency bulb kits, a warning triangle and a handbrake lock. Other accessories add a more sporting touch to your Honda, like alloy wheels or styling kits. And there are practical attachments like a roof rack or trailer hitch. In fact, the full range has been designed to enhance your Honda, both inside and out. And to round it off, there is a range of specially designed Honda leisure wear and useful luxury items.

If you would like more details about the Honda Accessories range, please see our separate leaflet.

**Trade Descriptions Act (1968)**

Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with their supplying dealer especially if your model selection is dependent upon one of the features advertised.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specification, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult the Dealer with whom your order is placed for details of the specification of any particular product. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from him on request. This publicity material applies to the U.K. only.
