CRX 1990

A shot in the dark.

And a shot with magnum force, at that. The new CRX Si is propelled by a 16-valve overhead cam 108-horsepower engine with aluminum block and head and Honda's unique multi-point programmed fuel injection.

The ballistics are extremely impressive, to say the least. Zero to 100 kph (60 mph) takes just a bit over eight seconds. Stopping power is accomplished by special power-assisted four-wheel disc brakes.

People stopping power is accomplished by one of the most stunningly unique aerodynamic body designs ever. And inside the cockpit behind the controls of the CRX Si you'll feel like you're about to be cleared for take off. So, take off in a shot. The 1990 Honda CRX Si.

THINK OF IT AS A
FOUR-WHEELED VERSION OF THE
SIDEWINDER MISSILE.

The CRX harnesses all of its magnificent force with a five-speed manual transmission or optional four-speed automatic with lock-up torque converter. Honda's double wishbone suspension, developed after years of running away with the formula circuit, adds an inspired road sense. As does Honda's rack and pinion steering. All of this Honda excitement is way more than just a shot in the dark. It's a concrete commitment to bringing a pure pulse-pounding thrill back to driving.

THE HONDA NO SMALL PRINT WARRANTY

The Honda No Small Print Warranty takes the incredible value of any Honda you invest in. And increases it.

For 5 long years, or 100,000 km, (whichever comes first) the major component warranty covers a veritable catalogue of parts that many other manufacturers simply wouldn't consider. Everything from engine blocks to doorlocks.

There's no deductible for each repair covered by warranty. It's completely transferable with minimal charge. You're covered for surface corrosion for 3 years, perforation for 5 years. The Honda No Small Print Warranty. It lets you stay proud of your Honda for a long, long time.

HONDA GENUINE PARTS AND SERVICE

Don't Open Your Hood to Strangers.

At Honda our theory on the value of genuine parts is quite simple. Just remember why you bought your Honda in the first place – the unsurpassed quality, fit and finish. Our replacement parts are made to the same exacting standards and are guaranteed by our genuine Honda warranty.

Although many replacement parts are designed to perform more or less the same function, there really is no substitute for a genuine Honda part.

What's more, Honda technicians take pride in the fact that they work on Hondas.

And of course, they've had an extensive training

program covering every part of your Honda. But the training doesn't end there. Our technicians continually receive new product updates, so they are best able to keep your Honda humming as sweetly as the day you bought it.

If you want to keep your Honda in perfect shape, get the perfect parts and don't open your hood to strangers. Bring your Honda to your Honda Dealer, because your pride and joy couldn't be in better hands.

HONDA LEASE IS TODAY'S ANSWER TO YOUR LEASING NEEDS

As an option to buying, leasing is becoming more and more appealing. For a variety of reasons.

No Down Payment.

If you do not have cash available for a down payment leasing may be an attractive option for you.

Lower Monthly Payments.

Because you pay only for the use of your vehicle, monthly payments are usually much lower.

Leasing Offers Simple, Documented Expenses for Income Tax Purposes.

Leasing your new Honda for business purposes offers you a simple documented form at income tax time. Consult with your Honda dealer for further information on leasing your new Honda for business purposes.

No-Hassles at Trade-In Time.

Leasing can offer you the time saving advantage of not having to sell your Honda or having to trade it in.

Flexibility.

Another advantage of leasing is that you can upgrade to a new vehicle easily.

Whether you require your car for business or pleasure, your Honda dealer can provide you with all the information you need on leasing and its many advantages.
