## WHO SAYS YOU CAN'T HAVE IT ALL AND TAKE IT ALL WITH YOU?

The new 1988 Honda Accord epitomizes the Honda commitment to highly advanced engineering, classic design, and human-fitting technology. The Accord is an almost magical blend of roominess, luxury and sports-car-like performance and fun.

## ROOM WITH A VIEW.

"Posh" best describes the comfort and elegance inherent in the Accord's stern cabin. From the plush upholstery to the extra spaciousness, even a formal evening gown will find ample legroom to make entry and exit more graceful. You'll definitely know that you're travelling first class. And so will everyone else.

The look is elegant, but the watchword is comfort. Contoured seats encourage you to relax and ease into long distance travel. Other comforting features include height adjustable head rests, adjustable steering column, and fully reclining seats. And for 1988 we've added front seat belt shoulder anchors that adjust to your height.

## THE ACCORD LX.

"Outside in" or "inside out," you'll be more than impressed by the room and comfort and style.

Of course, we don't expect you to take all of this style and comfort standing still. When the open road calls, the Accord answers with phenomenally quick performance and handling. In fact, the Accord's 4-wheel double wishbone suspension and single overhead camshaft engine are direct inspirations from Honda's Formula 1 winning race cars.

## THE ACCORD HATCH.

For those who take their Accord sportiness and excitement in a different shape. This year the Honda engineers further refined the front mask to accentuate the sporty character of the Accord "wedge." The lowness of the hood, the new grill, and the stylish new contoured bumper all add up to a look that will turn heads as quickly as the Accord Hatch turns corners. Which is quick, indeed, thanks to the Accord's 4-wheel double wishbone suspension and more powerful new engine.

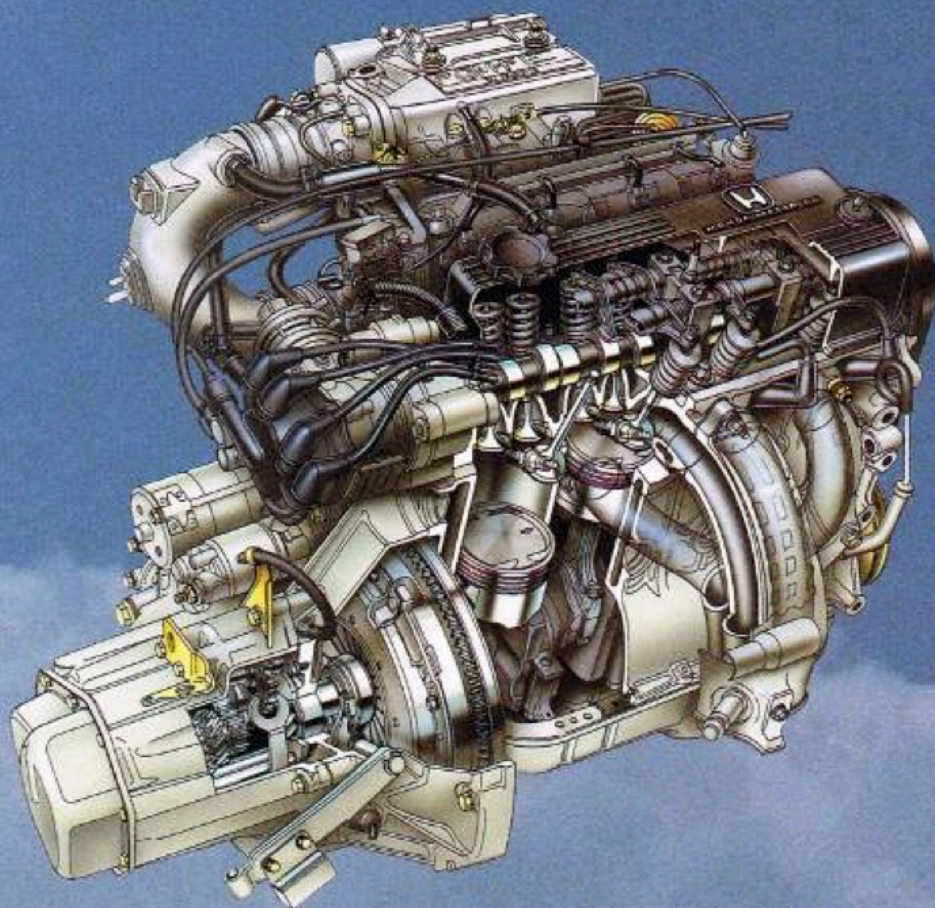

The first production front wheel drive, 4-wheel double wishbone suspension system. It's even firmer this year for even more outstanding feats of handling.

Programmed fuel injection computes the precise amount of fuel that the engine needs for optimum energy and efficiency.

The EXi's 1955 cc overhead cam fuel injected engine is for people who order their luxury and comfort by express delivery. This year the Honda engineers have managed to squeeze an extra eleven percent more power out of the Accord EXi's already impressive engine.

## EVERYONE WINS.

The race bred performance and handling of the Honda Accord is at once apparent. What we learn from our winning Formula 1 Grand Prix cars we adapt to our production automobiles. You'll sometimes wonder where the race track stopped and the highway started.

## NOTABLE STANDARD FEATURES.

- 1) Retractable Headlights. Improves aerodynamics, by reducing wind resistance. Also protects headlights from stones and road debris when not in use. Headlights are halogen for superior visibility.
- 2) Electric Sunroof. An extra luxury option on most cars comes as standard equipment on the Accord EXi.
- 3) Reclining Front Bucket Seats. With adjustable headrests for increased comfort and convenience.
- 4) Remote Fuel Filler Door, Hatch/Trunk Release. For added convenience and extra security (Lockable on Sedans only).
- 5) Electric Mirrors. Adjustable at the touch of your finger, the control panel is conveniently located on the dash to the left of your steering wheel. (EXi only)
- 6) Electronic Instrument Panel. Monitors the vehicle operation alerting the driver to things such as door ajar, trunk open or a burned out brake light.
- 7) Drivers Control Panel. Convenient power control for windows and door locks. (EXi only)
- 8) Child-Proof Rear Door Locks. A thoughtful safety feature designed so children cannot accidentally open rear doors. (Sedan models only).

## ACCORD ACCESSORIES FOR 1988.

The following is just a sampling of the accessories available for your 1988 Accord. In fact, there are dozens of ways to dress up your new Honda. For the complete range of accessories just ask your Honda Sales Representative.

- 1) Equalizer and Compact Disc Center. A complete "studio quality" entertainment console.
- 2) Air Conditioning. Designed for year-round comfort for you and your passengers.
- 3) Arm Rest Kit. For convenient storage and added comfort.

- 4) Floor Mats. Front and rear carpets provide protection from dirt and grime.
- 5) Right Hand Mirror. For the optimum in rear view visibility.
- 6) Fog Lights. For increased all weather visibility even under conditions of thick fog.
- 7) Door Visors. Provide additional wind protection as well as aerodynamic styling.
- 8) Luggage Rack. A sporty way to increase the Accord's already plentiful luggage space.

## THE HONDA NO SMALL PRINT WARRANTY.

The Honda No Small Print Warranty takes the incredible value of any Honda you invest in. And increases it.

For 5 long years, or 80,000 km, (whichever comes first) the major component warranty covers a veritable catalogue of parts that many other manufacturers simply wouldn't consider. Everything from engine blocks to doorlocks.

There's no deductible for each repair covered by warranty. It's completely transferable with minimal charge.

You're covered for surface corrosion for 2 years, perforation for 5 years. Emission control devices are covered for 5 years, or 80,000 km (whichever comes first). The Honda No Small Print Warranty. It lets you stay proud of your Honda for a long, long time.
