IRVM with Blue Link

Blue Link - Your Connected Friend on the Go.

Blue Link is a personal mobility assistant, which works proactively for your safety, convenience and security. It comes with a responsive and dynamic telematics platform that acts as a communication channel between you and your car. It's a voice-response AI enabled technology, with GPS and Blue Link Connect Centre, which helps you build a special bond with your car.

blueLink with 33 Connected Features
