

i40

 HYUNDAI

Welcome to Hyundai. Welcome to candoism.

Innovation is at the heart of what we do. We call it our 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

i40 exudes quality. Both the Saloon and Tourer radiate elegant style, refined luxury and a host of cutting-edge technologies. Relaxing, spacious and enjoyable to drive, it belongs to a class of its own.

Striking style makes the ultimate first impression.

Bold styling and distinctive curves create an aura of quiet confidence which runs through i40's design. It carries itself with elegance and purpose - a car you'll always be proud to drive.

Seamless style combines subtle curves and sharp creases together, giving i40 a sense of dynamism. Its redesigned signature hexagonal grille is a striking centrepiece, which is enhanced by a variety of complementary features. LED daytime running lights add to its eye-catching appearance, while stylish new alloy wheel designs complete its sophisticated look. With stand-out features and a real presence, it's easy to imagine yourself behind the wheel.

The ultimate driving companion.

Designed with safety in mind, Apple CarPlay™ and Android™ Auto offer smart, safe ways to use your phone whilst driving. Simply connect your device and see your phone's interface appear onto the i40's built-in display screen.

Enjoy maximum connectivity while staying focused on the road ahead. Both Apple CarPlay™ and Android™ Auto let you do all the things you want to do with your phone and control them from your car's display instead. You can get directions, make calls, receive and send messages and control your music, all from your car's intuitive interface and integrated steering wheel controls. It's one less distraction, and another way to stay connected to your friends and family.

Car shown i40 Saloon Premium.

Apple CarPlay™ is a trademark of Apple Inc. Android™ is a trademark of Google Inc.

Enter true business class luxury.

Surround yourself with luxury from the moment you step inside. With fine fabrics, premium materials and a driver-oriented position, you'll feel comfortable and composed when you reach your destination.

Elegant and luxurious with everything at your fingertips, i40's interior is a calming oasis away from the noise outside. Its premium materials result in a peaceful driving experience. High-quality upholstery and soft finish surfaces are pleasing on the eye and easy to the touch, while the ergonomic layout places everything exactly where you need it. Leather seat facings on SE Nav Business and Premium models add an extra touch of refinement to your surroundings. Find the perfect temperature thanks to air conditioning as standard, while SE Nav and above features dual zone climate control. SE Nav and above also arrives with cruise control with speed limiter for a relaxing drive, plus a 10-way electrically adjustable driver's seat to help you find your ideal driving position. Stay warm during those winter months thanks to heated steering wheel and heated front seats, and stay cool and fresh during the summer with ventilated front seats on SE Nav Business and Premium. On the Premium model, you'll even get heated rear seats for your grateful passengers. i40's well-appointed interior and quality finish lives up to all your expectations.

Its versatile interior leaves no room for improvement.

i40 provides accommodating space, perfect for long commutes or weekend trips away with the family. It's a luxurious sanctuary from the world outside.

Travel in total comfort on every journey thanks to generous head, shoulder and leg room for 5 adults. If you've got luggage, rest assured that it's easier than you think thanks to rear seats that fold flat for simple loading. In fact, 1,719 litres of maximum boot space (Tourer) and 525 litres (Saloon) ensure there's plenty of room for every occasion, whether that's a business trip or a welcome

getaway. With the smart electric tailgate on Tourer Premium models, the boot will open automatically when you stand behind the car — ideal when you've got your hands full. Once on the road, you'll enjoy the panoramic sunroof which floods the cabin with light, creating the illusion of extra space and giving your passengers a clear view of the world outside.

Car shown i40 Saloon Premium. Car shown not to UK specification.

Smooth and serene, with power in all the right places.

Welcome to a rare blend of relaxation and exhilaration. Its advanced engines and driving options make it a master of every type of journey.

Pick the engine option that's perfect for you. A 1.7 CRDi 115PS Blue Drive diesel engine is available with manual transmission, ideal for the driving purist. Alternatively, opt for a potent 141PS engine which comes with either a 6-speed manual or new 7-speed Dual Clutch Transmission (DCT) for lightning-fast gear changes and the perfect blend of power and efficiency. Tailor your drive thanks to an advanced Drive Mode selection, where Normal mode helps you negotiate the city with light, agile steering and Sport mode will add an extra thrill to your drive. On i40's with Dual Clutch Transmission, you'll also be able to access Eco mode, for even better fuel economy. No matter how you adapt your experience, you can always rely on a smooth and rewarding drive.

In a technologically advanced world, i40 helps you move with the times.

Thoughtful and innovative features take care of everything. Nothing should detract from your experience, which is why i40 is equipped with clever technology to make life easier.

Keyless entry with engine start/stop on SE Nav Business and above will ensure you start each journey quickly and easily without fumbling around for keys. Stay connected thanks to Bluetooth® connectivity, and enjoy DAB Digital radio on SE Nav upwards — giving you crystal clear sound quality. Satellite navigation with Traffic Messaging Channel will guide you to your destination in double-quick time, and if

there happens to be a delay on your route you have the option to select a detour to ensure you get to your destination on time. When you do come to a stop, park with confidence and ease thanks to the parking sensors and rear view parking camera, guiding you into the tightest of gaps with minimum fuss. It all means that by the time you arrive at your destination you'll be ready to tackle the day.

Car shown i40 Tourer Premium with optional Visibility Pack in Phantom Black pearl paint.

Fuel-saving economy, without compromising your drive.

Controlled economy comes as standard, while extra-fast efficient gear changes will boost your experience. Fewer fuel stops mean there's more time to enjoy the open road.

i40 arrives with impressive fuel-saving capabilities. Intelligent Stop & Go on manual models turns off the engine when you come to a standstill before starting it again when you press down on the clutch, while on automatic models it engages the engine when you release the brake. Gear shift indicator lets you know the optimum time to switch gears, while dual clutch transmission is more efficient than a standard automatic transmission by allowing the next gear to be preselected in advance as you accelerate or decelerate, for ultra-fast changes. The result of these clever technologies is an output of up to 67.3 miles per gallon on the combined cycle on the 1.7 CRDi 115PS Blue Drive manual model, meaning you'll get Benefit In Kind taxation from 22% and Insurance Group from 13E. It all adds up to some impressive numbers, leaving you with more money to spend on the finer things in life.

Total reassurance for you and your passengers.

i40 is equipped with an abundance of features, including ones that'll keep you safe. In fact, we've gone above and beyond to ensure you can drive with peace of mind in all conditions.

i40 is constructed from advanced high-strength steel, with high-performance special steel alloy applied to critical areas. Hopefully this won't be called into action thanks to safety technologies such as the Lane Departure Warning System on Premium models, which alerts you if you veer off course. Automatic headlights come as standard and will assist you by coming on when visibility reduces, while the Tyre Pressure Monitoring System lets you know if your tyres are not at the optimum level, ensuring you can drive with maximum grip. Brake Assist applies

the correct amount of braking force to bring your car to a stop in the shortest distance possible and Hill-start Assist ensures you won't roll backwards when you start on steep slopes. The Electronic Stability Programme senses if you're about to skid and applies the brakes to individual wheels to avoid it. If you do have an accident, there's another level of security in the form of up to 9 airbags in all the key areas for you and your passengers, or 7 on S, SE Nav and SE Nav Business models. In i40, you'll drive with confidence 100% of the time.

16" alloy wheels shown

S An impressive array of features to keep you relaxed on every trip.

S OFFERS THE FOLLOWING FEATURES AS STANDARD:

- 16" alloy wheels
- 6 speakers - 2 tweeters, 2 front door, 2 rear door
- 7 airbags - front, front side, driver's knee and full length curtain
- Adjustable intermittent front windscreen wipers with aero blade
- Air conditioning
- Automatic headlights with dusk sensor
- Bluetooth® connectivity
- Cloth seat trim
- Dash trim - black gloss
- Door mirrors - electric adjustment and heated
- Drive mode selection
- Driver's seat with manual height adjustment and electric lumbar support
- Electric parking brake with automatic hold function
- Electric windows - front and rear with anti-trap mechanism for all windows and one touch controls
- Exterior door handles - body coloured
- Intelligent Stop & Go (ISG)
- Leather-wrapped steering wheel and gear knob
- LED brake light - high mounted
- Projection headlights with LED daytime running lights
- Radiator grille - black matt finish
- Remote central locking with alarm
- Steering wheel audio and phone controls
- Stereo RDS
- Tyre Pressure Monitoring System (TPMS) with individual tyre pressure display
- USB & aux connections
- Window surrounds - chrome effect

TOURER FEATURES OVER SALOON

- Retractable load cover
- Silver-coloured roof rails

16" alloy wheels shown

SE Nav Packed with extra features to enhance your driving experience.

SE NAV OFFERS THE FOLLOWING FEATURES OVER S:

- 17" alloy wheels (1.7 CRDi 141PS DCT Blue Drive only)
- Automatic-dimming rear view mirror
- Front passenger's seat with manual height adjustment
- Climate control - dual zone with auto de-fog system for front windscreen
- Front windscreen wiper de-icer
- Heated front seats
- Heated steering wheel
- Interior door handles - chrome effect
- Door mirrors - electric adjustment and heated with power folding
- LED fog lights - front
- Luggage net
- Door sill - stainless steel
- Parking sensors - front and rear (acoustic only)
- Driver's seat with electric adjustment and lumbar support
- Exterior door handles - body coloured with chrome inserts
- Solar glass with sunshade bar
- Touchscreen satellite navigation system with rear view parking camera and parking guidance system

TOURER FEATURES OVER SALOON

- Rear seat - easy folding system
- Retractable load cover
- Silver-coloured roof rails

SE Nav Business

The perfect car for effortless driving, mile after mile.

SE NAV BUSINESS OFFERS THE FOLLOWING FEATURES OVER SE NAV:

S Saloon **T** Tourer
^a Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.
^b Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.
^c Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.
^{**} The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.
^{††} Our vehicles are homologated according to the current European legislation on the basis of the New European Driving Cycle (NEDC). The results of the tests are published for comparison purposes. Real fuel consumptions, emissions and electric range will be different and will vary according to driving conditions, driving styles, types of routes and the standard of maintenance of the vehicle.
^{‡‡} g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.
Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips.
The multi-storeys and the motorways.
Holidays, the commute, the appointment you simply can't be late for.
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances. So you're simply free to live your driving life knowing your servicing costs are already covered. With payment options to suit you and no interest or credit checks. Just the certainty that your Hyundai is always in great hands.

For more information visit hyundai.co.uk/owning, contact your local dealer or call us on 0800 981 981.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on 0800 981 981 or visit our website at www.hyundai.co.uk
