

New Generation i30

Progress never stops. Move on.

Rarely does a new car come along that looks so right, that feels so now. The New Generation Hyundai i30 does all that in style. It holds appeal for everyone, from singles and families to the young and “young at heart”. Timeless design, advanced connectivity features and the most comprehensive package of Hyundai safety technologies add to the potent attraction. Enjoy a driving experience that delivers on every level.

Move on in timeless style.

The confident design concept of the New Generation i30 shines through every detail. Precisely sculpted surfaces, a tapering silhouette and expressive design details establish an air of sleek, simple sophistication. The new cascading grille is inspired by the flowing descent of molten steel, creating a powerful impression of both strength and movement. Striking new full LED headlamps and eye-catching LED daytime running lights complete the allure.

Move on with an exhilarating drive.

New turbocharged petrol engines invigorate the performance of the New Generation i30. The highlight is the new 1.4 T-GDi, delivering 140PS. There's also a new 1.0 T-GDi with 120PS and a 1.6 CRDi Diesel Engine, available with a 110PS power output. Together with a 7-speed Dual-Clutch Transmission, sharper steering and more agile handling, it all adds up to a thoroughly rewarding driving experience.

Move on and stay connected.

In the New Generation i30 you'll enjoy seamless access to the integrated connectivity, navigation and infotainment systems via the floating 8" touchscreen. LIVE Services*, Apple CarPlay™ and Android™ Auto* functionality are standard on the i30 SE Nav upwards and will keep you in touch, informed and entertained throughout every journey. It's all presented in an elegant style and quality that embodies the timeless character of the New Generation i30.

Apple CarPlay™

8" Floating Touchscreen

Wireless Smartphone Charging*

Car shown not to UK specification.

* Compatible smartphone required. Please see pages 20-21 for full specification list. Apple CarPlay™ is a registered trademark of Apple Inc. Android™ is a registered trademark of Google Inc.

Move on in relaxing comfort.

The calm sophistication of the cabin enhances the feeling of elegance, quality and space. In fact, the New Generation i30 is among the roomiest in its class. The large panoramic sunroof adds to this impression, and the button-operated electric parking brake frees up space between the front seats, which are available with heating.

Heated Front Seats

Dual-Zone Climate Control

Move on in calm confidence.

Few cars have ever offered occupants so much peace of mind. The New Generation i30 is the first Hyundai to be equipped with Driver Attention Alert (DAA). It monitors driving patterns to detect fatigue and help avoid potential accidents. Among other advanced active safety technologies is Autonomous Emergency Braking (AEB).

Driver Attention Alert (DAA) detects the onset of driver fatigue and provides both acoustic and visual alerts.

Blind-Spot Detection (BSD) warns of the presence of vehicles hidden in blind spots by means of visual and acoustic alerts.

Lane Keep Assist System (LKAS) recognises lane markings and can apply corrective steering through long motorway journeys.

Autonomous Emergency Braking (AEB) automatically applies partial or maximum braking force if a potential collision is detected.

Car shown in Stargazing Blue metallic paint. Not to UK specification.

Move on with intelligent efficiency.

Reducing weight boosts both performance and fuel efficiency. So Hyundai developed the structure of the New Generation i30 using weight-saving Ultra High Strength Steel. And the new turbocharged engines have been ingeniously engineered not only for enhanced throttle response and low-end torque, but also for lightness.

More strength, less weight. 53% of the load-bearing structure is assembled from Ultra High Strength Steel. Compared with its predecessor, the New Generation i30 saves 28kg in body weight.

Time to move on.

Time flies. Nothing stands still. And for you, yesterday's rules no longer apply. These are the thoughts that inspired the creation of the New Generation i30. It's the car that will fit naturally into your own progressive lifestyle, because it's got exactly what it takes to tick all your personal boxes. Move on to the New Generation i30.

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.

** Our vehicles are homologated according to the current European legislation on the basis of the New European Driving Cycle (NEDC). The results of the tests are published for comparison purposes. Real fuel consumptions, emissions and electric range will be different and will vary according to driving conditions, driving styles, types of routes and the standard of maintenance of the vehicle.

†† g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide.

i30 DIMENSIONS

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.
Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit **www.motability.co.uk**

Hyundai Service Plans

For the school runs and the shopping trips.
The multi-storeys and the motorways.
Holidays, the commute, the appointment you simply can't be late for.
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances.
So you're simply free to live your driving life knowing your servicing costs are already covered.

With payment options to suit you and no interest or credit checks.
Just the certainty that your Hyundai is always in great hands.

For more information visit **hyundai.co.uk/owning**, contact your local dealer or call us on **0800 981 981**.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at **www.hyundai.co.uk**
