# Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

The new i10 breaks the conventions of its class. It's bold, roomy, fun to drive, impressively equipped and comes with superior levels of connectivity.

# Small car, big impression.

The established design of the i10 has been given a sporty new attitude that really catches the eye.

Cascading grille. The expressive shape of the new cascading grille emphasises the confident character of the i10.

LED daytime running lights. The new round LED daytime running lights add an extra touch of sportiness to the front of the i10\*.

Wheels. The sporty 15" alloy wheel contributes to the bold new attitude of the i10\*.

From back to front, the i10 showcases our fluidic design philosophy. There's a totally new sculpted front bumper that's also home to the new cascading grille and prominent LED daytime running lights. New wheels, a contrasting rear bumper insert and redesigned rear combination lamps complete the picture\*.

# Luxurious interior with a touch of class.

Every part of the i10 exudes quality, from the fine detailing to the polished surfaces and tactile materials.

The i10 provides levels of connectivity that exceed expectations in this class. The new, high-resolution 7" display is your easy interface with the new navigation system, Apple CarPlay™ and Android Auto™\*. The stylish new black and dark grey interior is available on all trims and exterior colours. The quality of materials and the attention to detail make the i10 the perfect place to enjoy the ride.

# Stay connected on the open road.

Advanced connectivity is just one of the qualities that position the i10 at amongst the best in its class.

Navigation with LIVE Services\*. Route guidance is augmented by live traffic information, speed camera alerts\*\*, weather conditions and point of interest data. Standard on Premium SE models.

Apple CarPlay™ and Android Auto™. The 7" touchscreen provides you with the safest way to access the potential of your compatible iPhone or compatible Android smartphone on the move. Standard on Premium SE models.

To help you on your way, there's a new navigation system with LIVE Services, while Apple CarPlay™ and Android Auto™ connects with compatible iPhones and Android smartphones. It's ideal for avoiding traffic – helping you to stay informed, in touch and entertained along the way.

# High performance, impressively efficient.

Refined engines and transmissions provide all the performance you need, combined with low fuel consumption and low emissions for the best of both worlds.

5-speed manual. Precise manual gearshifts bring extra driving pleasure, especially on country roads.

4-speed automatic. The smooth-shifting automatic takes the stress out of busy city driving.

Choose between a 67PS 1.0 litre 3-cylinder petrol engine, or an 87PS 1.2 litre 4-cylinder unit. The engines are designed to deliver a precise 5-speed manual transmission, or a smooth-shifting 4-speed automatic experience on the 1.2 litre. The gearshift is located conveniently high up for easy operation, so you can shift through the gears and glide from street to street.

# Plenty of room to get comfortable.

It's amazing how much space you'll find in the i10. Its boot is one of the largest in the class and there's plenty of room for your friends in the back.

Boot space. Together with class-leading cabin space, i10 boasts one of the largest boots in its class, with a capacity of up to 252 litres.

Rear power windows. Unusual in this class, the windows in the rear doors can be raised and lowered at the touch of a button. Available from SE models.

Inside the i10, there's room for five to sit in comfort, so you and your passengers can enjoy each trip. With a heated steering wheel, automatic air conditioning, heated front seats and many practical storage possibilities, the i10 is one of the best-equipped cars in its class<sup>†</sup>.

# Putting your safety first.

Every journey you make, no matter how short or how long, is made safer by advanced active safety technologies.

Lane Departure Warning System (LDWS). Warns you audibly and visibly of unintended departure from the traffic lane, when detected by the multi-function camera\*.

Front Collision Warning System (FCWS). Peace of mind on the move is provided by FCWS that provides a warning of a potential collision with the vehicle in front\*.

Innovative safety features include Front Collision Warning System (FCWS), Lane Departure Warning System (LDWS), Cruise Control system with speed limiter and Tyre Pressure Monitoring System (TPMS). If you need to stop in a hurry, you'll benefit from its Emergency Stop Signal (ESS), Electronic Stability Programme (ESP), while Hill-start Assist Control (HAC) makes driving that little bit easier. ## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

## 5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty\* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

### HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

### 5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

### ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit [hyundai.co.uk/warranty](https://hyundai.co.uk/warranty) for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer.
