

ix20

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

The ix20 doesn't do boxy. Its dynamic design, spacious interior and efficient drive are enhanced by all the clever little extras inside. It's the stand-out car in its class.

Car shown ix20 Premium Nav in Platinum Silver metallic paint. Headlights shown not to UK specification.

The perfect blend of form and function.

The ix20 delivers style without a hint of compromise. It's both sophisticated and practical – another prime example of our fluidic design philosophy. A striking exterior that'll make you want to explore the inside.

Chiselled tail lights step out despite its attractive appearance, from the bodywork to give it a contemporary feel and elegant curved lines run through the wraparound headlights and underline the hexagonal front grille. But

despite its attractive appearance, we didn't choose style over substance. We opted for both. As well as looking the part, its sculpted door mirrors reduce drag, while you'll appreciate stylish 16-inch alloys to top it all off.

Make the most of an entertaining, intuitive experience.

Admire the ix20's tactile surfaces and enjoy a host of technologies that'll make every journey a genuine pleasure. With everything at your fingertips, it's easy to relax and enjoy the ride.

You'll quickly notice the cool blue illumination of the instrument panel, while the soft touch feel of the dashboard adds to the smart ergonomics and quality design. Once you're sitting comfortably you'll be able to find the perfect temperature thanks to air conditioning. USB and AUX connections allow you to plug in your compatible phone or MP3 player and listen to all your favourite songs. Enjoy a range of impressive features as standard,

including Bluetooth® connectivity with voice recognition. Steering wheel audio controls also mean you can keep your ears trained on the music, and your eyes focused on the road ahead. On SE Nav and Premium Nav models, arrive with ease using Touchscreen Satellite Navigation which feeds back real-time traffic information. And when you finish your journey, the rear view camera will help you to fit into the tightest of gaps.

Car shown ix20 SE.

Sit back, relax and enjoy the journey.

With a flexible layout, you can tailor your ix20 experience so it perfectly suits your needs – resulting in comfort and convenience on every trip.

The driver's seat is fully adjustable in the back. Sliding and reclining and you'll appreciate a height and reach adjustable steering wheel, so you can get yourself into the perfect driving position. There's plenty of leg, shoulder and head room for you and your front passenger, and we've given just as much consideration to those in the back. Sliding and reclining rear seats can be independently adjusted for all-round convenience. On Premium models you'll also enjoy a sophisticated panoramic sunroof that creates the feel of space and light, as well as privacy glass to add an extra touch of style and security.

Intelligent technologies help you go further between stops.

Feel free to express yourself on the road, knowing that your ix20 is making the most of every last drop. It's all down to clever Blue Drive technologies on manual models, designed to save you time between stops and money at the pumps.

The ix20 manual models include Intelligent Stop and Go (ISG), which automatically stops the engine when you come to a halt, and restarts it again when you de-press the clutch. It also has low rolling resistance tyres and electric power assisted steering, which is quieter, lighter and saves energy - ultimately reducing emissions. As well as the 1.6 diesel Blue Drive, you can opt for a 1.6 petrol

automatic or a 1.4 petrol manual. If you select manual transmission you'll also benefit from an eco-drive indicator which suggests the optimum time to change gear for maximum efficiency. It's our way of giving you more influence over your fuel consumption. With a range of high-tech engines optimised for greater economy, the ix20 is a perfect example of our fuel-saving philosophy.

Car shown ix20 Premium Nav in Platinum Silver metallic paint. Headlights shown not to UK specification.

You'll know we're looking after you, every step of the way.

The ix20 has it all - style, space, efficiency and versatility. But above all else, it's also extremely safe and secure. We're delighted to say that total peace of mind comes as standard.

There are front, front seat side and curtain airbags, as well as head restraints, seatbelt reminders and front seatbelt pre-tensioners. Hill-start Assist Control (HAC) stops the car rolling back for the first few moments of a hill start, and ISOfix child seat anchorage points will help you keep your young ones safe and sound. The Electronic Stability Programme (ESP) will help bring the car safely under control if you skid, so you'll be able to drive with extra security. Everything is encased by a high tensile steel body shell which offers maximum protection to you and your passengers.

SE Stylish features and intuitive technologies make ix20 the place to be.

- * Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.
- † Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.
- ‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.
- ** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.
- †† The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.
- ‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai-Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer-backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an even more enjoyable experience, and with a Hyundai Service Plan you can relax, knowing your Hyundai's scheduled servicing is taken care of for up to 5 years*.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered for your choice of 2, 3 or 5 years*
- Payment can be upfront, spread monthly or included in your finance agreement**
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Time and mileage restrictions apply.

** Price varies according to model, fuel type and plan duration and includes VAT where applicable. Excludes seasonal checks. Terms and conditions apply.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
