

New Generation i30 Tourer

Beauty. Redefined.

At first glance it's the beautiful proportions that really stand out. The New Generation Hyundai i30 Tourer combines a stylish design with all the space and versatility that you are looking for. You also benefit from the kind of advanced connectivity features and stand-out safety technologies that make the New Generation i30 Tourer such an attractive proposition.

Designed to move you.

The body language of the New Generation i30 Tourer is unmistakable. Its shape and proportions bring new levels of design flair to the class, while offering all the convenience of a Tourer. The tapering roofline is emphasised by the slender silver roof rails creating a sleek sporty silhouette. The new cascading grille, striking headlights and eye-catching LED daytime running lights complete the allure.

Drives as beautifully as it looks.

New turbocharged petrol engines and a 7-speed Dual-Clutch Transmission invigorate the performance of the New Generation i30 Tourer. The highlight is the new 1.4 T-GDi, delivering a powerful 140PS. There's also a new 1.0 T-GDi with 120PS and a 1.6 Turbo-Diesel, available with power outputs of 110PS or 136PS (DCT only). Together with sharper steering, agile handling and the extensive use of weight-saving Ultra High Strength Steel, it all adds up to a thoroughly rewarding driving experience.

Peace of mind is assured for everyone on board the New Generation i30 Tourer. Its Driver Attention Alert technology monitors driver behaviour and detects any tendency of the driver to lose focus on driving safely. Among other advanced safety technologies are Autonomous Emergency Braking and Lane Keeping Assist System.

Blind-Spot Detection (BSD) warns of the presence of vehicles hidden in blind spots by means of visual and acoustic alerts (Premium and Premium SE).

Autonomous Emergency Braking (AEB) can apply partial or maximum braking force if a potential collision is detected.

Driver Attention Alert (DAA) detects the onset of driver fatigue and provides both acoustic and visual alerts.

Life isn't all about rational decisions.

Happily, life also brings many rewards. That's why choosing a Tourer that supports your multifaceted lifestyle, and has all the versatility to manage the demands of family life, makes so much sense. Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3-year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts
