

New i10

Not big, but great.

The new i10 is the car that breaks the conventions of its class. It's bold, roomy, fun to drive, impressively equipped and comes with superior levels of connectivity. Proof that, to be great, you don't have to be big.

A bold new attitude.

The established design of the i10 has been given a sporty new attitude that really catches the eye. There's a totally new sculpted front bumper that's also home to the new cascading grille and prominent LED daytime running lights. New wheels, a contrasting rear bumper insert and redesigned rear combination lamps complete the picture*.

Cascading grille. The expressive shape of the new cascading grille emphasises the confident character of the i10.

LED daytime running lights. The new round LED daytime running lights add an extra touch of sportiness to the front of the i10*.

Wheels. The sporty 14" alloy wheel contributes to the bold new attitude of the i10*.

A great place to start any journey.

The i10 provides levels of connectivity that exceed expectations in this class. The new, high-resolution 7" display is your easy interface with the new navigation system, Apple CarPlay™ and Android™ Auto*. Shown here is the new black and dark grey interior trim, available on all trims and exterior colours.

* Please contact your dealer for a list of compatible phones. Apple CarPlay™ is a registered trademark of Apple Inc. Android™ Auto is a registered trademark of Google Inc.

Your truly connected car.

Advanced connectivity is just one of the qualities that position the i10 at amongst the best in its segment. There's a new navigation system with LIVE Services, while Apple CarPlay™ and Android™ Auto connects with compatible iPhones and Android smart-phones. So you can always be informed, in touch and entertained.

Navigation with LIVE Services*. Route guidance is augmented by live traffic information, speed camera alerts**, weather conditions and point of interest data. Standard on Premium SE models.

Apple CarPlay™ and Android™ Auto. The 7" touchscreen provides you with the safest way to access the potential of your compatible iPhone or compatible Android smartphone on the move. Standard on Premium SE models.

Smartphone docking station. Safely holds your compatible smartphone in the perfect location for navigating or playing your favourite music while charging its battery. Standard on Premium models.

* LIVE Services includes a 7 year subscription. A compatible smartphone with data plan required to activate services. Please contact your dealer for full details.
 ** Where local legislation allows.

Bring the streets to life.

Refined engines and transmissions provide all the performance you need combined with low fuel consumption and low emissions. Choose between a 66PS 1.0 litre 3-cylinder petrol engine, or an 87PS 1.2 litre 4-cylinder unit. The engines are mated to either a precise 5-speed manual transmission or a smooth-shifting 4-speed automatic on 1.2 litre. The gearshift is located conveniently high up for easy operation.

5-speed manual. Precise manual gearshifts bring extra driving pleasure, especially on country roads.

4-speed automatic. The smooth-shifting automatic takes the stress out of busy city driving.

As much room as you need.

It's amazing how much space you'll find in the i10. Its boot is one of the largest in the class, and there's room for five* to sit in comfort. With a heated steering wheel, automatic air conditioning, heated front seats and many practical storage possibilities, the i10 is one of the best-equipped cars in its class†.

Boot space. Together with class-leading cabin space, i10 boasts one of the largest boots in its class, with a capacity of up to 252 litres.

Rear power windows. Unusual in this class, the windows in the rear doors can be raised and lowered at the touch of a button. Available from SE models.

* The i10 SE Blue seats four.

† Specification varies according to trim, please refer to the specification listing on page 20-21 for full details. Interior images shown with new red interior trim, available with selected trims and exterior colours. See page 19 for details.

Making the city safer.

Every journey you make, no matter how short or how long, is made safer by advanced active safety technologies, including Front Collision Warning System (FCWS), Lane Departure Warning System (LDWS), Cruise Control system with speed limiter, Tyre Pressure Monitoring System (TPMS), Emergency Stop Signal (ESS), Electronic Stability Programme (ESP) and Hill-start Assist Control (HAC). Available on selected trims, see pages 20-21.

Lane Departure Warning System (LDWS). Warns you audibly and visibly of unintended departure from the traffic lane, when detected by the multi-function camera*.

Front Collision Warning System (FCWS). Peace of mind on the move is provided by FCWS that provides a warning of a potential collision with the vehicle in front*.

* Available as part of the optional Driver Assist Pack on SE, Premium and Premium SE trims.

Concentrated greatness.

With its bold street presence and superior connectivity, the latest i10 proves that good things really do come in small packages.

The choice is yours.

Combine your selection of exterior colour, wheels and interior fabrics to create your ideal new i10.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.
Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3-year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
