# SUPER 4WD NATURAL.

SERIOUS OFF-ROAD ADVENTURERS NOW HAVE AN OPPORTUNITY TO GO ANYWHERE AND DO ANYTHING WITH THE CAPABLE ALL-NEW COMPASS. IT IS AN ALL-WEATHER TRAVELLER THAT FEARS NO RAIN, MUD OR SAND. WHETHER IT IS A CRUISE IN THE CITY STREETS OR TRAVELLING OFF-ROAD, COMPASS WILL ALWAYS REMAIN TRUE TO IT'S AUTHENTIC JEEP BRAND ROOTS.

## 2.4-LITRE DOHC 16V ENGINE

This powerhouse zooms off to achieve an estimated fuel efficiency of 7.1-litres/100 km Extra Urban Cycle with manual transmission while delivering 125 kW of power supported by 220 N.m. of torque. The engine's dual Variable Valve Timing electronically controls both intake and exhaust valves, four valves per cylinder (16V total), helping to improve power and encourage an economic performance.

## 2.0-LITRE DOHC 16V ENGINE

Efficient and capable of delivering up to 6.1-litres/100 km Extra Urban Cycle, the 2.0-litre four-cylinder engine cranks out a healthy 115 kW of power and 190 N.m of torque resulting in an impressive performance for an engine this size. It's matched to a 5-speed manual 2WD transaxle or the automatic Constantly Variable Transmission (CVT).

## FREEDOM DRIVE™

Freedom Drive™ active, full-time 4WD capability with LOCK mode, features Electronically Controlled Coupling (ECC), which constantly monitors wheel slippage and transfers torque to the axle that can use it most. In tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control.

## CONSTANTLY VARIABLE TRANSMISSION (CVT)

The Constantly Variable Automatic Transmission (CVT) with AutoStick uses a 30-mm high-strength multi-layer steel drive belt and two active V-pulleys to vary vehicle speed, resulting in a smooth and quiet ride. The AutoStick shifter puts optimal vehicle performance under your command.

# GUARDIAN HERO.

**P**EACE OF MIND TAKES YOU FAR. HEAD OUT WITH CONFIDENCE, KNOWING THAT A ROBUST SET OF MORE THAN 30 AVAILABLE SAFETY AND SECURITY FEATURES ARE IN PLACE, KEEPING WATCH ON THE TRAIL AND ON THE ROAD. A JEEP® ENGINEERED SAFETY CAGE STRUCTURE CONTAINS A FRONT CRUMPLE ZONE SPECIFICALLY DESIGNED TO ABSORB ENERGY DURING A FRONTAL IMPACT.

#### TYRE PRESSURE MONITORING SYSTEMS.

Embedded sensors continuously monitor the pressure in tyres and will notify the driver immediately when the levels drop below the minimum acceptable level. (Packaged in Safety & Comfort Group).

#### ELECTRONIC STABILITY CONTROL (ESC).<sup>(2)</sup>

ESC is designed to assist drivers in maintaining control of their vehicle at all times. It integrates a four-wheel Anti-lock Brake System (ABS) with hydraulic Brake Assist, All-speed Traction Control (ASTC) and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle's actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

#### ADVANCED MULTI-STAGE FRONT AND SIDE-CURTAIN AIR BAGS.<sup>(4)</sup>

These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

#### SUPPLEMENTAL SEAT-MOUNTED SIDE

**AIR BAGS.**<sup>(3)</sup> These deploy from the outboard side of each front seat to enhance protection of the driver and front passenger in certain impacts. Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs (Packaged in Safety & Comfort Group).

#### HALOGEN HEADLAMPS AND FOG LAMPS.

These bright sources of light improve down-road visibility at night or during inclement weather.

**HILL START ASSIST (HSA).** This system works to prevent Compass from rolling away when starting the vehicle on an up or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the accelerator (Available on manual transmission models only).

#### FRONT SEAT ACTIVE HEAD RESTRAINTS.<sup>(4)</sup>

In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the head restraint and occupant's head, thereby helping to reduce the chance of injury.

(1) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (2) Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the Occupant Classification System (OCS) is appropriate. Children 12 and under should always be in the backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

# INFORMED AND WELL-CONNECTED.

---

**S**TAY IN TOUCH WITH THE PEOPLE, MUSIC AND DEVICES THAT MATTER MOST. UCONNECT IS AN INTUITIVE HUB FOR ALL OF YOUR MEDIA I.E. MOBILE PHONE, NAVIGATION SYSTEM AND MP3 PLAYER. IT IS DESIGNED TO MAKE YOUR LIFE EASIER, WHEREVER YOU GO.

**PHONE.** Talking on the phone while driving has never been easier, or more responsible. Uconnect Phone<sup>(1)</sup> is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth<sup>®</sup> compatible phone virtually hands-free. This clever system is also smart enough to synchronise with your Bluetooth compatible phone's address book with up to 1,000 entries.

---

**VOICE COMMAND.** It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select radio stations, make and receive calls, select navigation<sup>(2)</sup> destinations and record voice memos. This smart system technology can also be trained to better recognise your voice and can understand commands in English, Dutch, French, German, Italian and Spanish.

---

**ENTERTAINMENT.** Manage all of your media and access your audio in six different ways. Get the sound going via CDs/DVDs, MP3s, remote USB port, auxiliary input jack, hard disc storage, Voice Command<sup>(3)</sup> and Bluetooth streaming audio.

---

**NAVIGATION.** Enjoy safe travels with the available GPS Navigation,<sup>(2)</sup> providing voice guidance and visual display. It can also locate nearby petrol stations, restaurants, shopping, hospitals or points of local interest.

(1) Must use Bluetooth compatible phone. (2) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See dealer for details. (3) Requires Uconnect Phone.

**MEDIA CENTRE 730 CD/DVD/HDD/NAV RADIO.** Go anywhere, hear everything with this advanced multimedia system. Hands-free communication lets you talk safely on the phone, text, or operate the radio. It arrives loaded with a hard drive to store your media.

PEAK PERFORMANCE  
ON EVERY TERRAIN.

- 1 **FOR THE LOVE OF SPORT.** + Play to win with Sport's 17-inch aluminium wheels, bright side roof rails, LED taillamps, and body-color rear spoiler, exterior door handles and liftgate brow.
- 2 **BRIGHT IDEAS.** + Standard illuminated cup holders help beverages land securely in the centre console. A removable and rechargeable light is another convenient feature that helps you find your way.
- 3 **CARGO CAPABLE.** + The rear liftgate opens up to reveal 1,269-litres of cargo room when the standard 60/40 split-folding rear seats are laid down flat.
- 4 **HANDLE WITH PRIDE.** + The four-wheel independent touring-tuned suspension on Compass improves on-road handling and cornering and helps to provide a smooth and even ride.

COMPASS

- 1 **FOUR-WHEEL ANTI-LOCK BRAKES (ABS).** This system includes Brake Assist and All-speed Traction Control (ASTC) to help maintain vehicle control during emergency braking. Special off-road calibration provides sustained lockup on surfaces like mud or gravel for improved braking, as well as helping to securely navigate off-road trails when driving in 4WD.
- 2 **GRABS UNLIMITED ATTENTION.** Upscale styling adds to Limited's appeal with ultra-brite 18-inch aluminum wheels, a bright exhaust tip and bright accent on the rear fascia.
- 3 **INNER SANCTUARY.** Limited's cabin includes standard luxury features like a leather-wrapped steering wheel with cruise and audio controls, six-way power adjustable driver's seat, heated front seats and the Media Centre 431 radio.
- 4 **AUTOMATIC TEMPERATURE CONTROL (ATC).** Preset the desired temperature and the airflow is automatically adjusted and dehumidified. An air filtration system helps remove pollen, mould spores and dust.

Overseas model shown.

# GENUINE JEEP® ACCESSORIES.

THERE'S NO BETTER WAY TO PERSONALISE YOUR COMPASS THAN TO ADD GENUINE JEEP ACCESSORIES BY MOPAR. DON'T SETTLE FOR ANYTHING OTHER THAN GENUINE AS ALL ACCESSORIES FEATURE THE FIT, FINISH AND FUNCTIONALITY SPECIFICALLY DESIGNED FOR YOUR VEHICLE.

## GENUINE JEEP® ACCESSORIES BY MOPAR

**SPORT.** + No matter what adventure you seek, you'll want to add to the sport of it all with durable and convenient Mopar carriers.

**PROTECTION.** + Safeguard your vehicle with parts and accessories made precisely for the protection and security of your ride.

**STYLE.** + Select from a palate of attractive accessories designed to enhance your vehicle's appearance and express your individual taste.

**PRACTICAL.** + No matter where you travel or the gear you're carrying, Mopar offers an abundance of practical solutions wherever you go.
