

2017
COMPASS

Jeep

ONE OF THE MOST AFFORDABLE 4x4s IN CANADA^{(1)*}

Sport Smart value makes playing with Compass Sport a whole lot of fun. You'll score with an interior lined in premium cloth with soft-touch surfaces. The performance from the standard 2.0L Variable Valve Timing (VVT) I-4 engine paired with a 5-speed manual transmission is impressive, delivering up to 7.9 L/100 km** for efficient highway travel and smooth handling. Projector fog lamps and 16-inch aluminum wheels add to the natural good looks of Sport. Safety comes standard with the Electronic Stability Control (ESC)⁽²⁾ System with Electronic Roll Mitigation and Brake Assist, plus six standard air bags.⁽³⁾

North Edition A well-chosen selection of standard amenities make it easy to climb into Compass North Edition and drive into the sunset. You'll find comfort with a height-adjustable driver's seat, sport mesh cloth seats, hands-free communication⁽⁴⁾ with Bluetooth® streaming audio, and air conditioning. An exceptionally distinctive appearance will turn heads, thanks to 17-inch wheels, a bright grille, body-colour exterior mirrors, a "North Edition" liftgate badge and deep-tint sunscreen glass. Best-in-class rear-seat legroom⁽⁵⁾ and 60/40 split-reclining rear seats allow for impressive cargo- and passenger-carrying versatility. SiriusXM satellite radio,⁽⁶⁾ including a one-year subscription, also comes standard.

High Altitude® With stratospheric levels of standard equipment, Compass High Altitude invites you to travel in premium comfort and style. Plenty of standard luxuries indulge you, including heated front seats, leather-faced seating, a leather-wrapped steering wheel with cruise and audio controls, and a 6-way power driver's seat with manual lumbar adjust. A standard sunroof, with express-open/close, brings in fresh air with the touch of a button.

75th Anniversary Edition Celebrate the Jeep® Brand with this special Compass 75th Anniversary Edition that stands out with unique badging and Bronze-finish exterior accents on the grille surround, roof rails and tow hooks (4x4 only). An upscale interior includes an embossed Jeep logo and Ombré mesh cloth inserts on the leather-faced seats. A leather-wrapped steering wheel with audio controls, power sunroof and remote start system are all standard.

COMPASS NORTH EDITION 4x4 SHOWN IN BLACK WITH FREEDOM DRIVE II® OFF-ROAD GROUP

75 YEARS

DESIGNED TO INSPIRE ADVENTURES FOR THE NEXT 75 YEARS

BADGE OF HONOUR The available Trail Rated® fortitude of Jeep® Compass gives you the ability to courageously take on the road, trail or stream with confidence. This badge of honour is only bestowed after the vehicle masters a series of gruelling tests on the toughest terrain in five distinct categories: traction, articulation, water fording,⁽⁷⁾ manoeuvrability and ground clearance.

SINCE 1941 After virtually creating the 4x4 segment in 1941, Jeep vehicles have spent the following 75 years marrying capability to comfort. Today, these advanced vehicles fuel the dreams of adventurers around the globe.

* All disclaimers and disclosures can be found on page 4.
** See page 4 for full fuel economy details.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection® offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road – for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Dodge, Jeep and Ram retailer or call (800) 465-2001.

WARRANTIES. 2016 Chrysler, Dodge, Jeep and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance! SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance!

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS. 1) Based on *WardsAuto* Sport and Cross/Utility segmentations and MSRP of base models. 2) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 3) The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 5) Based on *WardsAuto* Small Cross/Utility segmentation. 6) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 7) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 8) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 9) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 10) Not compatible with all garage door openers. 11) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
