

NEW JEEP® RENEGADE

MAKE A STATEMENT.

The distinctive restyling of the legendary seven-slot grille, embedded front head lights and middle and low fascia all form a part of the bold and unmistakable styling of a Jeep®. Don't go unnoticed and make a statement in the city with the New Renegade.

A dynamic, low-angle shot of the front of a blue Jeep Renegade SUV. The vehicle is in motion, as indicated by the blurred background. The focus is on the front grille, which features the iconic seven-slot design with a black mesh pattern. The word "Jeep" is centered above the grille in its signature white script font. On either side of the grille are large, illuminated headlights. Below the grille is a dark, textured bumper with a fog light on the left and a small, illuminated circular light on the right. The hood of the car is visible, showing the "J" logo. The overall image conveys a sense of speed and ruggedness.

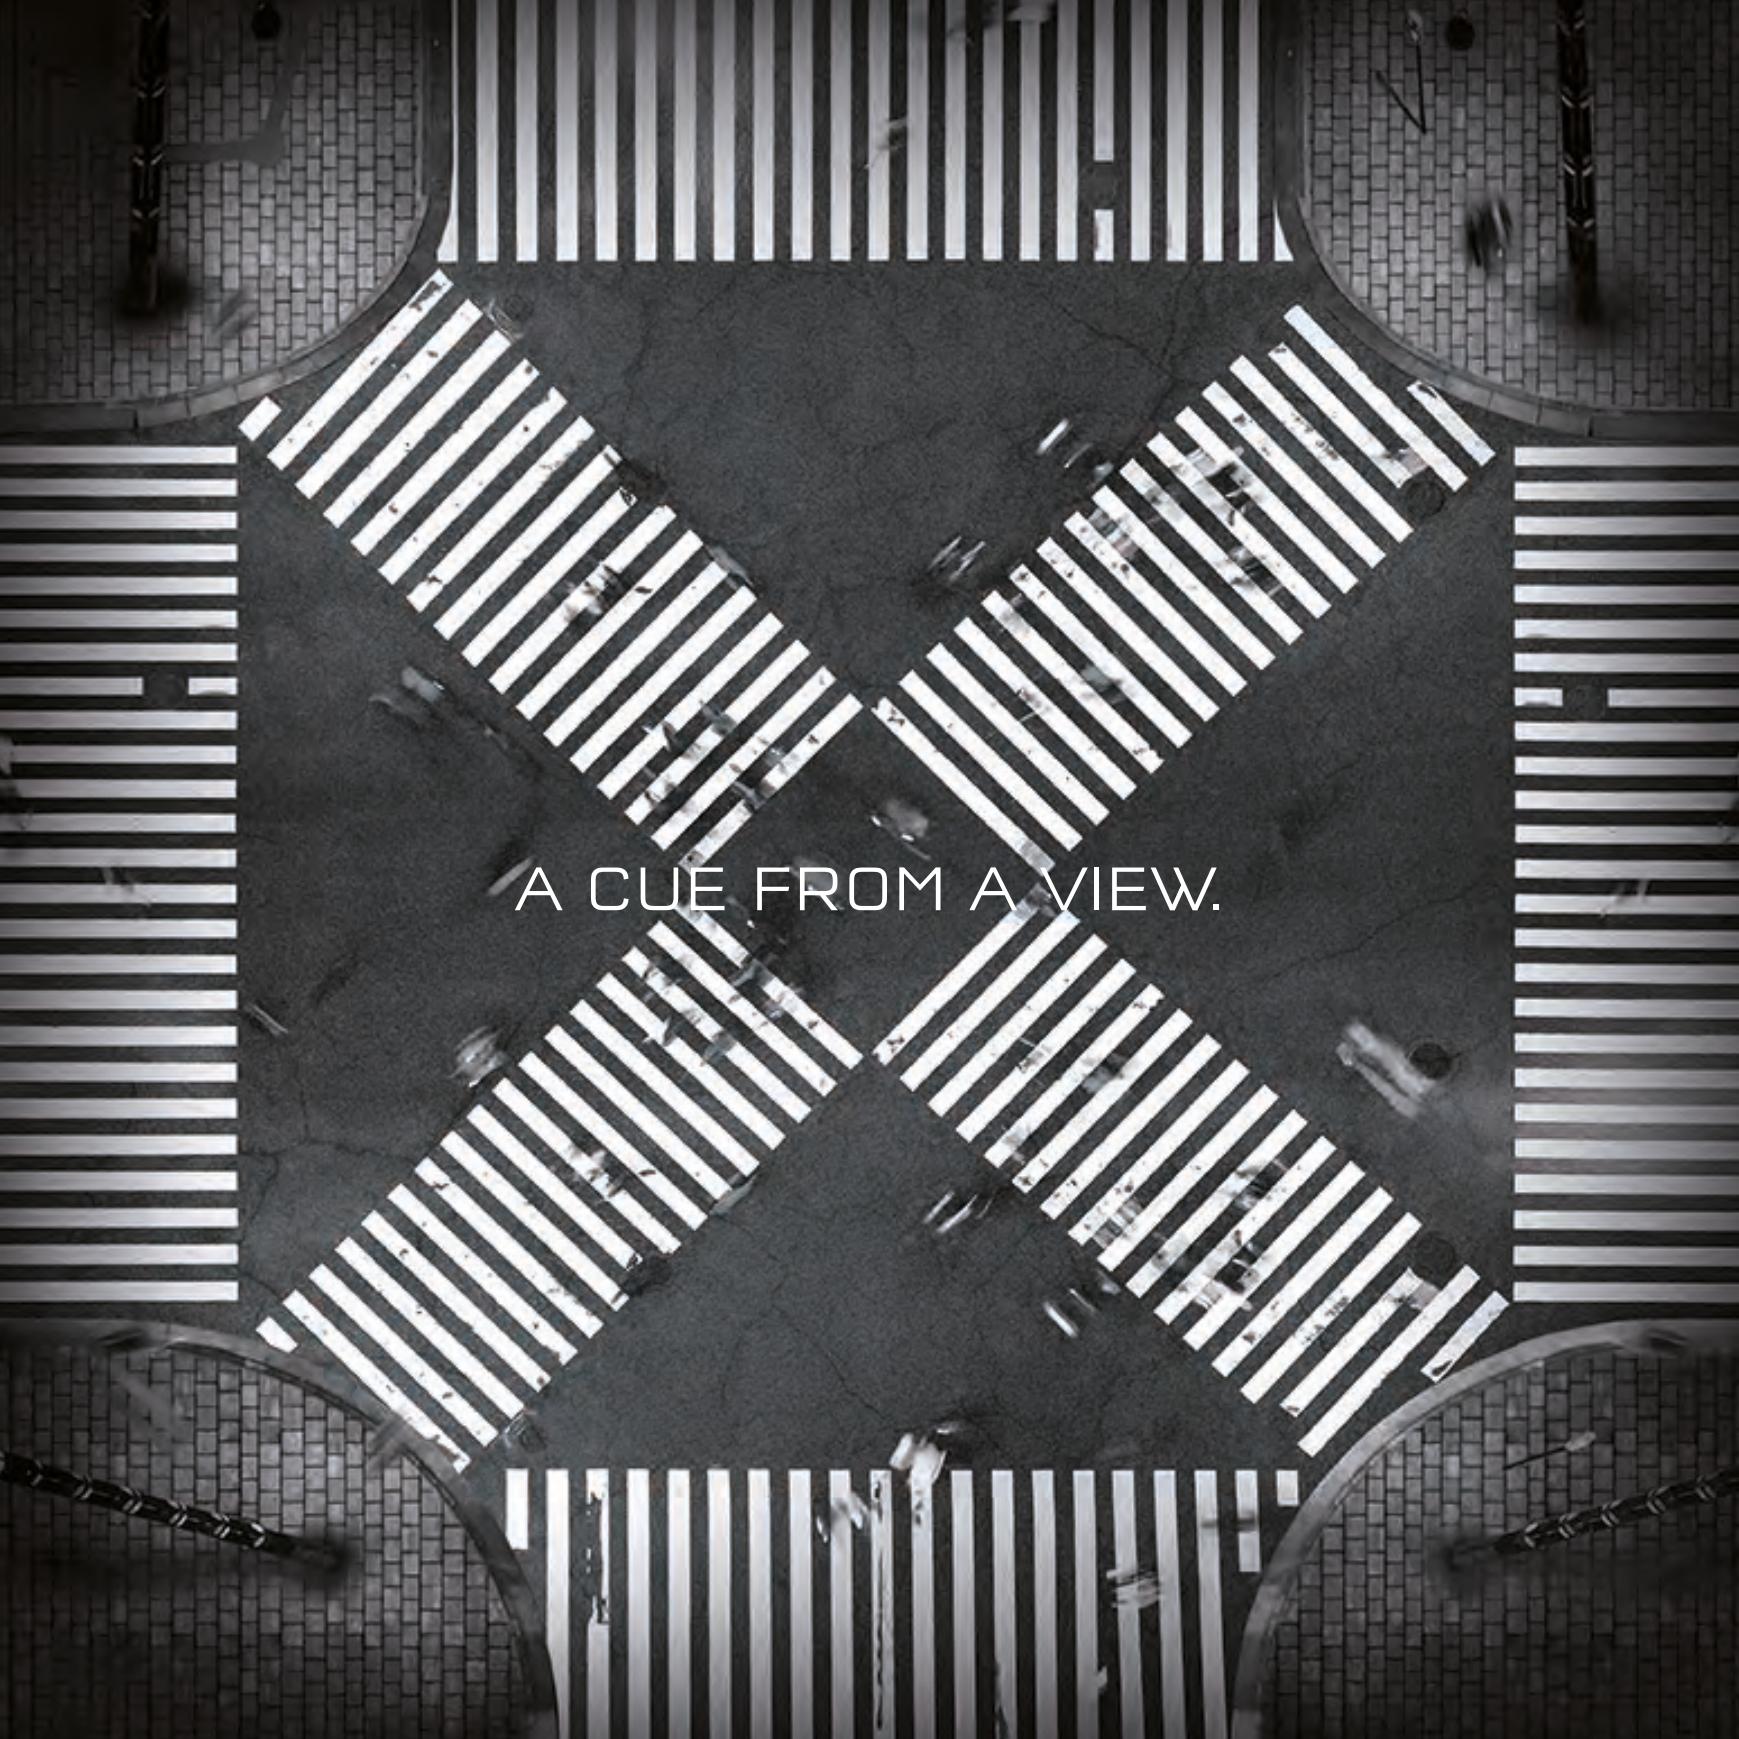

Jeep

A woman with long, dark, curly hair is standing on a blue skateboard. She is wearing a blue button-down shirt and blue jeans. She is smiling and has her arms outstretched to her sides. The background is a large, light-colored wall with a large, blue, textured mural of a sailboat on the water. The mural has a grid pattern and some white lines. The overall scene is bright and airy.

OUT OF THE BLUE.

The attraction to the unexpected is what leads to the extraordinary, and the New Jeep Renegade is your ideal catalyst. Its renewed lower fascia and new LED lighting give its pronounced look a breath of fresh air. So expect the unexpected.

A CUE FROM A VIEW.

To be seen is simple, but to get noticed lies in the detail. The Renegade is full of details and legendary Jeep design cues. Built upon the Wrangler's powerful stance to the new fresh LED light design and the exclusive X -which is inspired by the design of vintage gas cans.

ALWAYS IN YOUR ELEMENT.

Conquer any adventure in comfort and style. It's roomy from front to back with ingenious storage spaces around the vehicle including the centre console. New Renegade offers a number of interior choices including the stylish two-tone leather in Polar Plunge available on the Limited version and Black Leather with Ruby Red stitching and embroidered logo on the Trailhawk version.

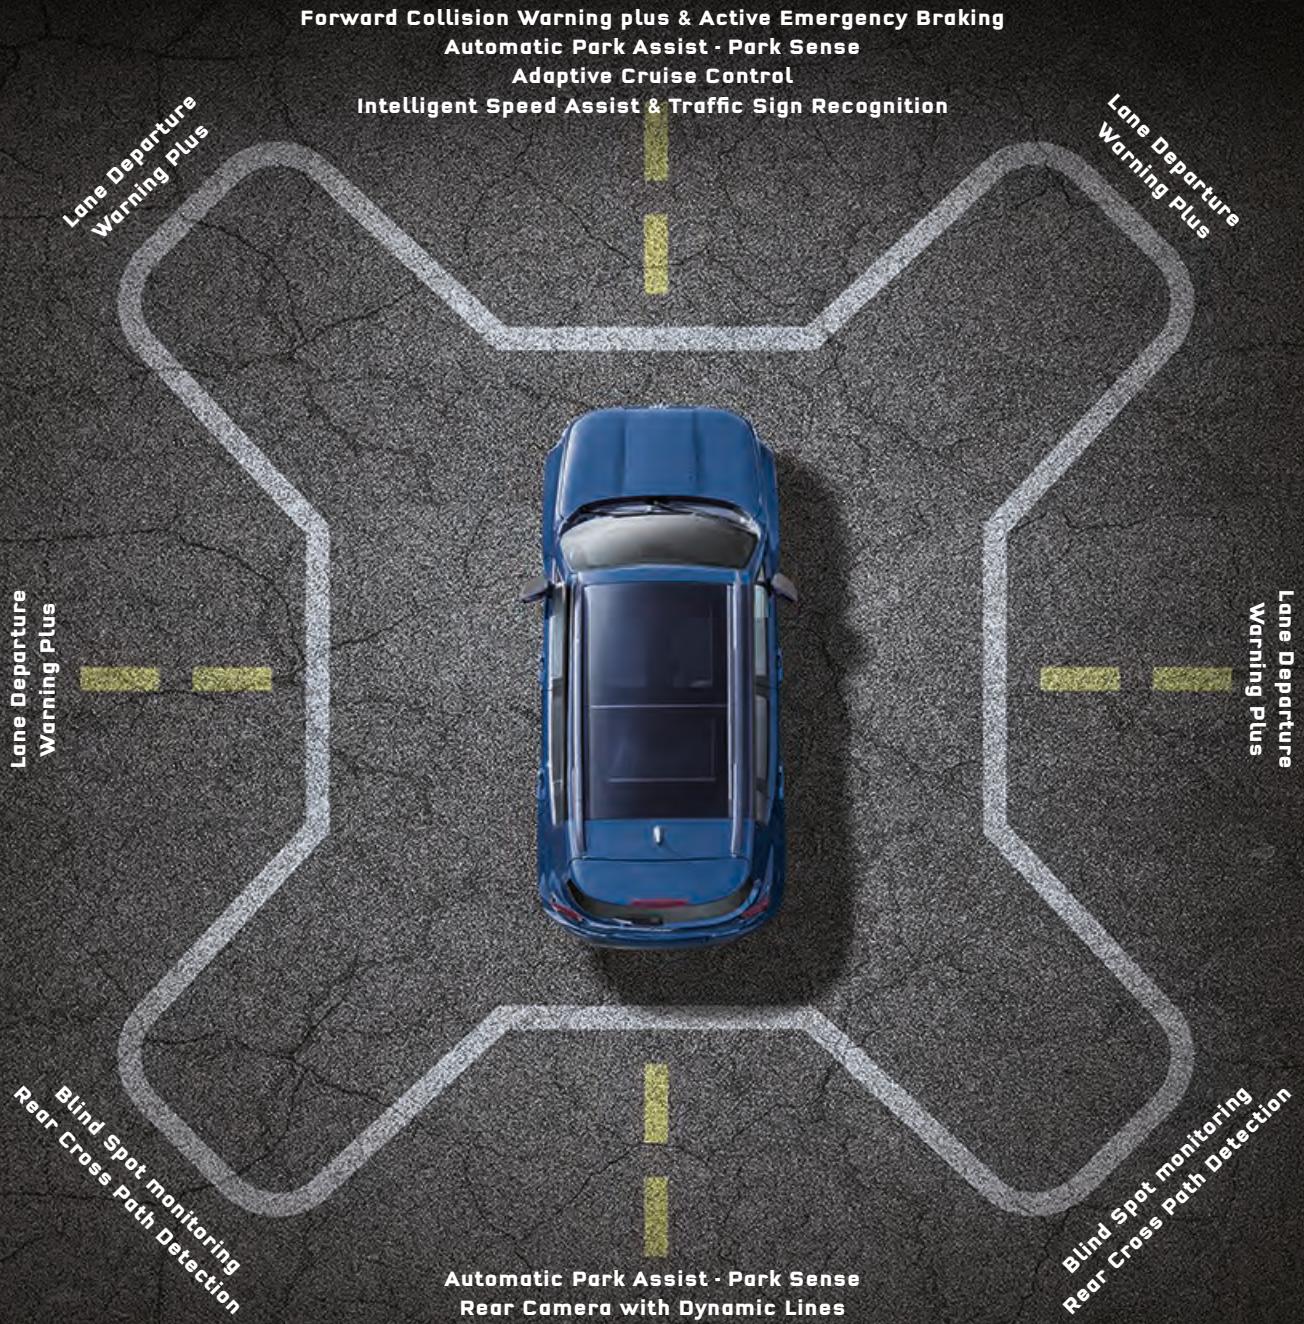

YOUR WHOLE WORLD, HANDS-FREE.

The interactive Uconnect™ Nav and infotainment system comes with an integrated full colour HD touch screen of up to 8.4". You can touch, tap and talk your way through its features without taking your eyes off the road ahead.

Liberate your smartphone when you're behind the wheel. It works with Apple CarPlay™ and Android Auto™, giving you full access via touch controls or Siri voice command to everything from your maps to messages.

Image refers to Apple CarPlay™

ALWAYS IN CONTROL

INTELLIGENT AWARENESS.

With the state-of-the-art Traffic Sign Recognition system (TSR) you are alerted about overtaking, speed limit changes and possible restrictions all directly on the 3.5" or 7" TFT display. Combined with the Intelligent Speed Assist (ISA), you can accept increases or decreases to speed and activate or deactivate the system, all via intuitive steering wheel controls.

PETROL	1.0 Turbo 3-cylinder	120 HP	4X2	6 speed	MT
	1.3 Turbo 4-cylinder	150 HP	4X2	6 speed	DDCT

MAKE YOUR OWN WAVE.

And Renegade will make sure it is a smooth ride. Choose from three transmissions: the class-leading 9-speed automatic which offers seamless gear changes for perfect fluidity and a comfortable driving experience, or the advanced 6-speed dual clutch that combines the performance of a manual transmission with the easy-to-use nature of an automatic, or the classic 6-speed manual. Complete with a choice of 4X2 or 4X4 configuration, featuring rear-axle disconnect for maximum efficiency.

DIESEL	1.6 MultiJet II	120 HP	4X2	6 speed	MT
					DDCT
		140 HP	4X4	6 speed	MT
	2.0 MultiJet II	140 HP	4X4 LOW	9 speed	AT
		170 HP			

CHOOSE WHEN TO CROSS PATHS.

The legendary off-road capability of Renegade is highlighted by the incomparable Jeep® Active Drive and Jeep® Active Drive Low 4X4 systems that assure Jeep® performance when and how you need it most. The rear-axle drive disconnect switches from four-wheel drive to front-wheel drive without driver intervention guaranteeing the efficiency and the right amount of power and traction needed to drive in any condition. Both systems feature the Selec-Terrain™ traction system that allows the driver up to five specifically calibrated settings for various road conditions: Auto, Mud, Sand, Snow and Rock exclusively for the Trailhawk.

SNOW Adds stability and minimises oversteer for security and performance on snow and ice covered roads. Major systems are managed to guarantee a smooth ride.

AUTO The default selection that is perfect for everyday driving and automatically disconnects the rear driveline to create optimal fuel efficiency when 4X4 traction is not needed.

SAND Aggressive throttle and up-shift points generate stability and power to better handle loose and covered surfaces.

MUD Grants additional wheel slip to increase traction at low speeds, implementing specific chassis controls, differentials and transmission ratios to conquer the mud.

ROCK Exclusive to Trailhawk, this mode delivers skillful low-speed 4x4 capability due to its rear-differential locking mechanism, allowing Renegade to overpower the most challenging terrain.

INCLINED TO BE AT EASE.

Jeep® Renegade Trailhawk has the power to rise to any occasion. The Trail Rated badge represents the indisputable ability to conquer any terrain, passing five fundamental tests for traction, ground clearance, manoeuvrability, articulation and water fording. Not to mention its unique front and rear fascias that deliver class-leading 30° approach, 24° breakover and 34° departures angles. Its Jeep® Active Drive Low 4X4 system with Rock mode, exclusive to the Trailhawk trim, combined with its 170 HP turbo diesel engine, 9-speed automatic transmission and Hill Descent Control for improved traction, deliver best-in-class capabilities with an impressive 20:1 crawl ratio to put you at ease on any terrain.

SPORT

STANDARD EQUIPMENT:

- Traffic Sign Recognition
- Intelligent Speed Assist
- Lane Departure Warning Plus
- Cruise control

Official fuel consumption figures for the New Jeep, Renegade range mpg (L:100km): combined from 7.5 to 4.8 l/100Km. CO₂ emission from 173 to 127 g/Km. The homologation values of CO₂ and fuel consumption are provided for comparative purposes and may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, as well as the condition, use and equipment of the vehicle and/or size of tyres selected. CO₂ and fuel consumption values are determined on the basis of the measurement/correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1153.
