

25 GRAND CHEROKEE

BUYER'S GUIDE

Jeep®

WHETHER YOU'RE HEADING INTO THE WILD
or crossing over to take in bright city lights, there's a
2025 Jeep® Grand Cherokee perfect for you. Every trip is
elevated with offerings that make it the Most Luxurious
Vehicle in Its Class.^{1*} While delivering legendary off-road,
4x4 and 4xe capability, there's no denying its status
as the Most Awarded SUV Ever.²

EXPAND AND EXPLORE

We deliver comfort on your terms. Two rows, three rows — you decide. Either way, both Jeep® Grand Cherokee and Grand Cherokee L serve it on a luxurious platter. The available 16-way-adjustable front seats offer a massage feature, while passengers in the rear ride with heating and cooling vents in very close proximity for a more tailored climate. Available on select three-row models, Rear-Seat Video Group I with Amazon Fire TV Built-in³ on two separate screens offers streaming capabilities for customized viewing.

Uconnect®

THE UCONNECT® 5 SYSTEM offers more connected services and features for unmatched ease of use for both novice and expert users alike. This robust system delivers rich content and personalization at lightning-fast operating speeds. Uconnect® 5 helps to make every road trip fun and informed.

Jeep® CONNECT

JEEP® CONNECT⁴ FEATURES INCLUDE:

- Remote Vehicle Operations⁵ (lock/unlock doors, start engine and horn/lights)
- Vehicle Health Reports and Alerts⁶
- Vehicle Theft Alerts⁷
- Drive Alerts⁸ (speed, boundary and location alerts)
- Send Destination to Vehicle⁹

- SOS Call¹⁰

- SiriusXM® Radio¹¹ (six-month trial subscription). Available
- Jeep® Connect⁴ (three-month trial subscription). Available
- Standard wireless Apple CarPlay¹² support

- Standard wireless Android Auto™¹² compatibility
- GPS Navigation¹³ Available
- Google Assistant compatibility. Available

- Amazon Alexa Built-in¹⁴ Available
- SiriusXM with 360L¹¹ (six-month trial subscription). Available
- High-Definition (HD) radio. Available

AMPLIFY ON- AND OFF- ROAD EFFICIENCIES

Mile after mile, climb after climb, all in near silence with reduced emissions — that's the beauty of innovation. Plug-in hybrid technology allows Jeep® Grand Cherokee 4xe to easily transition from gasoline to all-electric travel, or a combination of both.

PLUG INTO A
GRAND ADVENTURE

READY, SET, CHARGE! Charging your plug-in hybrid vehicle can be simple and quick.

The available Jeep® Brand Level II Plug-in Hybrid Electric Vehicle (PHEV) Home Charging Station¹⁹ powers you up fast.

Choose to set up a charging schedule during low-rate times using Uconnect® to help reduce energy costs.

PERFORMANCE PROWESSION

THREE SYSTEMS ENABLE

ON-DEMAND CAPABILITY, while a fast-acting front-axle disconnect optimizes driveline efficiencies and fuel economies. The first system is Quadra-Trac I® with an active single-speed transfer case. The second system, Quadra-Trac II®, features a two-speed 4-HI and 4-LO transfer case for exceptional off-road confidence and manoeuvring. Quadra-Drive® II is the third system, and it utilizes a rear electronic Limited-Slip Differential (eLSD).

TRACTION

ARTICULATION

GROUND CLEARANCE

MANOEUVRABILITY

WATER FORDING²⁰

ARTICULATION High levels of articulation on the Jeep® Grand Cherokee help keep all four tires on the ground to help the vehicle remain stable and engaged.

WATER FORDING²⁰ High air intakes and special water sealing, combined with the available Quadra-Lift® Suspension System, help you power through up to 60.9 cm (24 in) of water. A special water seal on 4xe models protects the battery from water damage.

Grand Cherokee Overland® in Silver Zynith

HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM²¹

DROWSY-DRIVER DETECTION²¹

HEAD-UP DISPLAY

GO ANYWHERE,
DO ANYTHING®

PEACE OF MIND

HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM²¹ Helping to make travelling easier than ever, this system enables hands-free driving on select highways while keeping safety and security top of mind. While simultaneously monitoring driver attentiveness, it can perform lane changes, maintain prescribed distances between vehicles, slow and stop the vehicle, and more. Available.

360° SURROUND-VIEW CAMERA SYSTEM²² Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide a top view, rear view and panorama view to assist you when parking, either manually or automatically. An automatic washer keeps the rear camera's lens clean. Available.

DROWSY-DRIVER DETECTION²¹ Monitors steering wheel movement and provides an audible alert if the system detects the driver is not correctly handling the wheel or the vehicle is off track. Available.

HEAD-UP DISPLAY Drivers can maintain focus on the road ahead with the help of this full-colour, 10-inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

FRONT-FACING OFF-ROAD CAMERA²¹ Mounted within the grille, the Off-Road Camera²¹ provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING²¹ Sensors detect when the vehicle may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active braking assistance if the driver does not react in time. The system also includes Pedestrian / Cyclist Detection with Automatic Emergency Braking.²³ Standard.

BLIND-SPOT MONITORING (BSM) AND REAR CROSS-PATH DETECTION²¹ SYSTEM Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

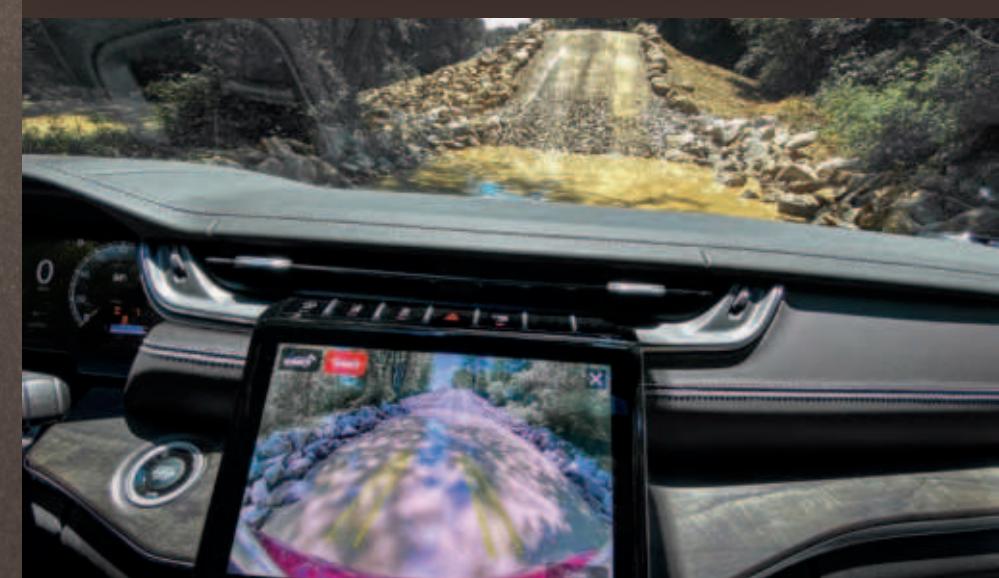

PARALLEL AND PERPENDICULAR PARK ASSIST²¹ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense® Front Park Assist²¹ sensors. Available.

360° SURROUND-VIEW CAMERA SYSTEM²²

PARALLEL AND PERPENDICULAR PARK ASSIST²¹

FRONT-FACING OFF-ROAD CAMERA²¹

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge or Ram retailer or call (800) 465-2001.

WARRANTIES. 2025 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. *The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

(1) Based on Summit model offerings and latest Ward's Middle / Sport Utility Vehicle Segment — excludes other FCA US LLC vehicles. Based on the latest available competitive information. (2) Jeep Grand Cherokee has received more awards in its lifetime than any other SUV. Based on the latest available competitive information. (3) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Video Group I. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. 9GB of user-available storage is included. Services are subject to change or withdrawal at any time, may not be available in all languages and may require separate subscriptions. (4) All vehicles properly equipped to receive Uconnect services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (5) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with remote features. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. See Terms of Service for service limitations. (6) Vehicle must be enrolled in an active subscription with Jeep Connect. If you have concerns about the operation, function or performance of your vehicle, take it to an authorized Jeep retailer. This alert does not replace regularly scheduled maintenance. (7) Vehicle must be enrolled in an active subscription with Jeep Connect and be in an active and usable cellular range. Vehicle Theft Alert is only available on factory-installed alarms. (8) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. (9) Vehicle must be properly equipped with Navigation, be enrolled in an active subscription with Jeep Connect, be in an active and usable cellular range, and have the Jeep Brand App installed on a compatible smartphone. (10) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. SOS Customer Care agent directs emergency assistance to your vehicle's location. (11) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. (12) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. (13) Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. (14) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (15) Based on the latest available competitive information and Ward's Middle / Sport Utility Vehicle Segment — excludes other FCA US LLC vehicles. (16) Based on *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for *EnerGuide* information. When properly equipped, specific model and optional equipment are required to achieve the maximum ratings shown. See your retailer for full details. (17) Requires the available Level II charger to achieve two-hour charging time. (18) Driving range based on manufacturer's estimates with a fully charged battery and a full tank of gas. Actual kilometres may vary. (19) Installation and configuration requirements may apply. Before purchasing or installing the in-home Level II Home Charging Station, customer should ensure that the system is compatible with their home's electrical system. Electrical system upgrade may be necessary to ensure compliance with all applicable codes and regulations. Please consult a professional installer for full details. (20) Do not attempt water fording unless depth is known to be less than 60.9 cm (24 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (21) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (22) Always check exterior surroundings visually before proceeding. (23) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (24) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (25) Vehicle must be locked and system activated for alarm to sound. (26) Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so. (27) Not compatible with all garage door openers. (28) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. (29) No system can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions.
