CAPABILITY

RISE TO THE TOP

Whether you're moving up mountains in a snowstorm or transitioning from rugged off-road trails to smooth highway pavement, these systems help tailor your driving experience.

Properly secure all cargo.

Always off-road responsibly in approved areas.

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

Adjust your capability, from moment to moment, to meet your immediate traction needs on any terrain. Standard.

QUADRA-LIFT® AIR SUSPENSION SYSTEM WITH SEMI-ACTIVE DAMPING

Vehicle height is adjustable for easier access, smooth on-road handling and a maximum ground clearance of 25 cm (10 inches). Available on Wagoneer and standard on Grand Wagoneer.

OFF-ROAD PAGES

Access real-time data, like suspension articulation, transfer case status, pitch/roll angles, wheel turn, oil pressure, transmission temperature, GPS coordinates and more, for an optimized off-road experience. Standard.

CAPABILITY

ALWAYS MOVING FORWARD

Let nothing hold you back. These Four-Wheel-Drive (4WD) systems are proven to deliver on- and off-road mastery.

All-weather capability always has your back. For the ambitious and driven, you've got the capability to keep moving ahead.

QUADRA-TRAC I®

Let this fully automatic 4WD system do the thinking for you. It can adjust traction without need for driver input, so you can keep moving forward with an optimal balance of torque distribution. Standard on Wagoneer.

QUADRA-TRAC II®

All-Speed Traction Control quickly distributes power to the axle with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Standard on Wagoneer Series III and available on Wagoneer and Wagoneer Series II.

QUADRA-DRIVE® II

With the rear Electronic Limited-Slip Differential, you can gain ultimate traction by transferring up to 100 percent of torque to the rear wheel(s) with the best grip. Available on Wagoneer and standard on Grand Wagoneer.

TOWING

CONFIDENCE TO TOW UP TO 9,850 LB

Extend the playing field by bringing along the toys you like best. The powerful Wagoneer is engineered to hand over the rights to pull up to 4,467 kg (9,850 lb) with ease, when properly equipped. Grand Wagoneer and Grand Wagoneer L can tow up to 4,468 kg (9,850 lb) and 4,286 kg (9,450 lb) respectively, when properly equipped.

AVAILABLE SAFETY &
SECURITY FEATURES

Grand Wagoneer Series III in Midnight Sky

HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM¹²

Helping to make travelling easier than ever, this system enables hands-free driving on select highways while keeping safety and security top of mind. While simultaneously monitoring driver attentiveness, it can perform lane changes, maintain prescribed distances between vehicles, slow and stop the vehicle, and more. Available on Grand Wagoneer.

ACTIVE DRIVING ASSIST SYSTEM¹²

Helps you simultaneously keep your vehicle centred in its lane, on straightaways and curved roads alike, and maintain a safe distance from others while cruising at a desired speed on divided highways. Available exclusively on Grand Wagoneer.

Grand Wagoneer Series III in Diamond Black

SAFETY & SECURITY

CAREFUL INSIGHT

Today, safety systems employ an array of sensors and cameras to help drivers stay aware and in control. Wagoneer and Grand Wagoneer stand at the forefront of these developments.

HEAD-UP DISPLAY

Customized vehicle data is projected onto a safe viewing area on the windshield. Standard on Grand Wagoneer and Wagoneer Series III and available on Wagoneer Series II.

NIGHT-VISION CAMERA WITH PEDESTRIAN AND ANIMAL DETECTION¹³

Utilizes an infrared eye to detect people and animals on the road ahead and notifies you via your Driver Information Display. Available exclusively on Grand Wagoneer.

PARK-SENSE® AUTOMATED PARKING SYSTEM¹²

Ultrasonic sensors help detect a parking spot, then the system steers your vehicle into the spot using advanced brake and throttle control. Standard exclusively on Grand Wagoneer.

INTERSECTION COLLISION ASSIST SYSTEM¹³

Detects the risk of collision with intersection cross-traffic, warns the driver of any oncoming risks and applies automatic braking when appropriate. Available.

A dark blue Jeep Grand Cherokee is shown from a front-three-quarter view, towing a silver Airstream travel trailer. They are driving on a two-lane asphalt road that curves through a mountainous landscape with rocky cliffs and evergreen trees. The scene is captured with a slight motion blur, suggesting movement. A semi-transparent gold-colored box with a white geometric pattern is overlaid on the right side of the image, containing the title and feature descriptions.

THE PULL OF THE NATURAL WORLD

TRAILER BRAKE CONTROL

Raise or lower the brake pressure of your trailer brakes with the turn of a dial. Available.

TRAILER SWAY CONTROL (TSC)

Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control (ESC),¹⁴ TSC helps keep you and the toys you tow safely on course. Standard.

Properly secure all cargo. Always tow within the vehicle's capacity.

360° SURROUND-VIEW
CAMERA SYSTEM¹⁵

The vehicle's perimeter is displayed on the Uconnect® touchscreen to assist the driver when manoeuvring tight spaces. Available on Wagoneer and standard on Grand Wagoneer.

BLIND-SPOT MONITORING WITH
REAR CROSS-PATH DETECTION¹²

Detects other vehicles in your blind-spot zones or crossing behind you, monitoring the space between you and other drivers and notifying you when a side or rear blind spot is encroached. Standard.

FULL-SPEED FORWARD
COLLISION WARNING PLUS WITH
ADVANCED BRAKE ASSIST¹²

Detects when the vehicle is approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active brake assistance if the driver does not react in time. Standard.

ADAPTIVE CRUISE CONTROL
WITH STOP & GO¹²

Automatically maintain desired vehicle speed and distance from vehicles in front of you. The system can bring the vehicle to a full stop without driver intervention to help avoid a collision. Available on Wagoneer and standard on Grand Wagoneer.

SAFETY & SECURITY

THIS SENTRY NEVER SLEEPS

Advancements in active safety features utilize sensors and cameras to help keep Wagoneer and Grand Wagoneer on a secure path forward.

RAIN-SENSING WINDSHIELD WIPERS

Rain showers are never a showstopper with front wipers that activate when raindrops are detected. Available on Wagoneer and standard on Grand Wagoneer.

ACTIVE LANE MANAGEMENT SYSTEM¹²

Helps you safely stay in your lane. Available on Wagoneer and standard on Grand Wagoneer.

SAFETY & SECURITY

ACTIVE AND ON GUARD

Advancements in technology help to give Wagoneer and Grand Wagoneer the ability to actively monitor roadways and drivers, helping all stay safe and secure.

ELECTRONIC STABILITY CONTROL (ESC)¹⁴

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. Standard.

Grand Wagoneer Series III in Midnight Sky with Tupelo and Global Black interior

DROWSY-DRIVER DETECTION¹²

Monitors vehicle movement and steering-wheel input, providing an audible and/or visual alert if the system detects the driver is not correctly handling the wheel or if the vehicle is off track. Available.

TRAFFIC SIGN RECOGNITION¹⁷

Detects road signs via a forward-facing camera and provides visual reminders on both your multi-view and Head-Up Displays. Available.

COMPREHENSIVE AIR BAG¹⁶ PROTECTION

Eight air bags, including side-curtain, front-seat-mounted side thorax, advanced multistage front, and driver and passenger inflatable knee bolster air bags, all work together to help provide protection. Standard.

(1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. (2) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Package. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. (3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires a compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. (4) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (5) All vehicles properly equipped to receive Wagoneer Connect services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), up to five years of Vehicle Performance Package, and up to 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (6) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. (7) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (8) Vehicle must be enrolled with Wagoneer Connect, be in an active and usable cellular range, have an active subscription, and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology. (9) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. (10) Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so. (11) Based on *Ward's* Large Sport/Utility vehicle segmentation, excludes other FCA US LLC vehicles. Based on the latest available competitive information. (12) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (13) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (14) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (15) Always check entire surroundings visually before proceeding. (16) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. (17) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. (18) Vehicle must be locked and system activated for alarm to sound. (19) Not compatible with all garage door openers. (20) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
