

THE ALL-NEW
MERIDIAN

UNTAMED SOPHISTICATION

Jeep[®]

REDEFINE YOUR WORLD

What happens when best-in-class sophistication meets unmatched capability? Presenting the new Jeep Meridian - an SUV built to give you the best of both worlds - sophisticated luxury and unmatched capability. With a host of first-in-segment and best-in-class features, you can now combine thrilling adventures and utmost comfort in an SUV that's built for it.

AN ICONIC LEGACY

What started as a quest to create history has now become a legacy known to every adventurer. For over 80 years, the Jeep brand has been synonymous with its 4 pillars, namely, adventure, freedom, authenticity and passion. These values aren't just embodied in all our SUVs. They are a way of life for Jeep owners. The new Jeep Meridian manifests this DNA with a touch of sophistication.

DESIGN REIMAGINED

The new Jeep Meridian is the epitome of sophistication and capability. This 7-seater SUV has been designed with utmost attention-to-detail, leaving no stone unturned in making it a masterpiece.

The image shows the front interior of a Jeep Meridian SUV. The dashboard is a wide, dark horizontal bar with a large, vertically-oriented infotainment screen in the center. The screen displays a navigation map and various vehicle settings. Below the screen are physical buttons and knobs for climate control. The center console features a leather-wrapped gear shifter and handbrake. The seats are upholstered in a rich brown leather with a quilted pattern on the lower backrests. The steering wheel is also wrapped in leather and has the Jeep logo in the center. The overall design is modern and luxurious, with a focus on high-quality materials and a clean, minimalist aesthetic. The background shows a rugged, rocky landscape under a clear sky, suggesting an off-road or adventure setting.

SOPHISTICATION REIMAGINED

The new Jeep Meridian makes a bold statement with its premium brown leather interiors and striking stance, making the SUV truly a sight to behold.

LED PROJECTOR HEADLAMPS WITH INTEGRATED DAYTIME RUNNING LAMPS

Light up your adventures in style with the LED Projector Headlamps on the new Jeep Meridian. The integrated daytime running lamps accentuate the look of the SUV, ensuring its presence is noticed, even in bright daylight.

DIAMOND-CUT DUAL TONE 45.72 CM (R18) ALLOY WHEELS

The diamond-cut design and glossy black paint on the 18-inch tyres of the new Jeep Meridian complement its sophisticated on-road presence.

DUAL-PANE SUNROOF WITH TWO TONE ROOF

Now, enjoy the scenic view on all your adventures. The SUV sports a dual-pane sunroof with two-tone roof, for an impressive and sophisticated look, and a clear, unobstructed view on your drives.

The image shows the interior of a Jeep Meridian SUV. The view is from the passenger side looking towards the driver's seat. The seats are upholstered in brown leather with a quilted diamond pattern on the shoulder and lower back areas. The word "Jeep" is embossed in a classic script font on the upper backrest of both the front seats. The sunroof is open, revealing a dense forest of tall, thin trees. The interior trim is a light grey color, and the overall atmosphere is one of luxury and natural beauty.

LUXURY REIMAGINED

The new Jeep Meridian is a blend of new-age technology and contemporary design. Every detail of the SUV has been thoughtfully crafted to exude sophistication.

BROWN LEATHER UPHOLSTERY

The emperador brown leather interiors elevate the cabin space and give it a distinctly premium look, making every adventure feel luxurious.

VENTILATED PLUSH LEATHER SEATS

The new Jeep Meridian features ventilated seats to keep you cool and comfortable on every adventure and in all kinds of weather conditions.

8-WAY POWERED FRONT SEATS - WITH DRIVER MEMORY FUNCTION

The front seats of the new Jeep Meridian are ergonomically designed to make all your adventures comfortable - be it a short drive in the city or a trail into the unknown. The front seats can be adjusted electronically in 8 ways, with the driver's seat also offering a memory function, allowing you to save up to two driving positions which can be recalled at the press of a button.

THIRD ROW SEAT - FOLD FLAT

Now, there's space for everything you need and more. The third row seats fold flat, giving you extra space for your adventure gear.

ALL THREE ROWS RECLINE FUNCTION - WITH SECOND ROW TUMBLE AND FOLD

The new Jeep Meridian keeps you nestled in absolute comfort with the easy recline function available in all three rows. The easy fold and tumble feature of the second row gives you and your loved ones ample space to enjoy every adventure in comfort.

MAKE EVERY ADVENTURE COMFORTABLE

The new Jeep Meridian is here to redefine your adventures with multiple first-in-segment and best-in-class features to give you a smooth and comfortable ride. So, no matter the weather, your comfort will never take the back seat on your adventures with the new Jeep Meridian.

DUAL ZONE AUTOMATIC CLIMATE CONTROL

Dual zone automatic climate control regulates the airflow and temperature inside the cabin efficiently. It also allows you to create customised environments, keeping all passengers happy and comfortable in the new Jeep Meridian.

25.9 CM (10.2) DIGITAL INSTRUMENT CLUSTER

The 25.9 cm (10.2) digital instrument cluster can be customised to keep all the important details about your Jeep Meridian, right in front of your eyes.

KNOW NO LIMITS

The new Jeep Meridian has the off-roading and adventure prowess you expect from a Jeep SUV. Be it long drives in the city or trails into the wilderness, the new Jeep Meridian will always inspire you to go further in your adventures.

With its best-in-class off-roading capability, the SUV can confidently conquer any terrain you set out on.

ALL-SEASON TYRES

The new Jeep Meridian comes equipped with all-season tyres that promise a smooth and safe ride in all seasons. The tyres offer maximum traction in all kinds of driving conditions, whether on or off the road.

FREQUENCY SELECTIVE DAMPING SUSPENSION

The Frequency Selective Damping Suspension gives you a smooth ride on all kinds of terrain, making all your adventures comfortable and enjoyable.

JEEP 4X4 SYSTEM WITH SELEC-TERRAIN®

The Selec-Terrain traction management system in the new Jeep Meridian offers multiple terrain optimisation options, namely, Auto, Mud/Sand and Snow, allowing you to drive and conquer every terrain, just at the press of a button.

TECHNOLOGY THAT DRIVES ADVENTURES

The new Jeep Meridian offers an array of advanced features that you can control wirelessly with just a touch of a button or through your smartphone. The SUV comes equipped with multiple state-of-the-art tech features to help you redefine your adventures.

25.6 CM UCONNECT (10.1) SCREEN WITH ANDROID AUTO AND APPLE CAR PLAY

With a 25.6 cm (10.1) immersive touchscreen, the Uconnect Infotainment System in the new Jeep Meridian offers a variety of entertainment and communication services at your fingertips. The Uconnect system also features wireless Apple Carplay and Android Auto, for a seamless interactive experience. From your maps to your music and much more, you can now control your phone from here, wirelessly.

INTEGRATED NAVIGATION

Navigate through your adventures with ease in the new Jeep Meridian. The integrated navigation system in the SUV is ready to guide you on all your journeys.

INTEGRATED VOICE COMMANDS

With the integrated voice command in the new Jeep Meridian, controlling the radio, media options, phone calls and messages, climate control, and navigation, can all be done hands-free. Just give the voice command and the SUV will make it happen.

NINE HIGH-PERFORMANCE ALPINE SPEAKERS

The new Jeep Meridian features nine high-performance Alpine speakers with a high-power external amplifier, to get you grooving with your favourite beats on every journey. Now, you won't need to worry about a dull moment anywhere.

WIRELESS CHARGING

Now charge your smartphone without the hassle of wires. Simply place a compatible smartphone on the wireless charging pad to stay powered up on your adventures.

BUILT FOR THE FEARLESS

Enjoy your adventures without worry in the new Jeep Meridian. The SUV is equipped with multiple best-in-class and state-of-the-art safety features to keep you and your loved ones protected on every journey. The various safety features of the SUV work in coordination to tackle any unforeseen situations, both on and off the road.

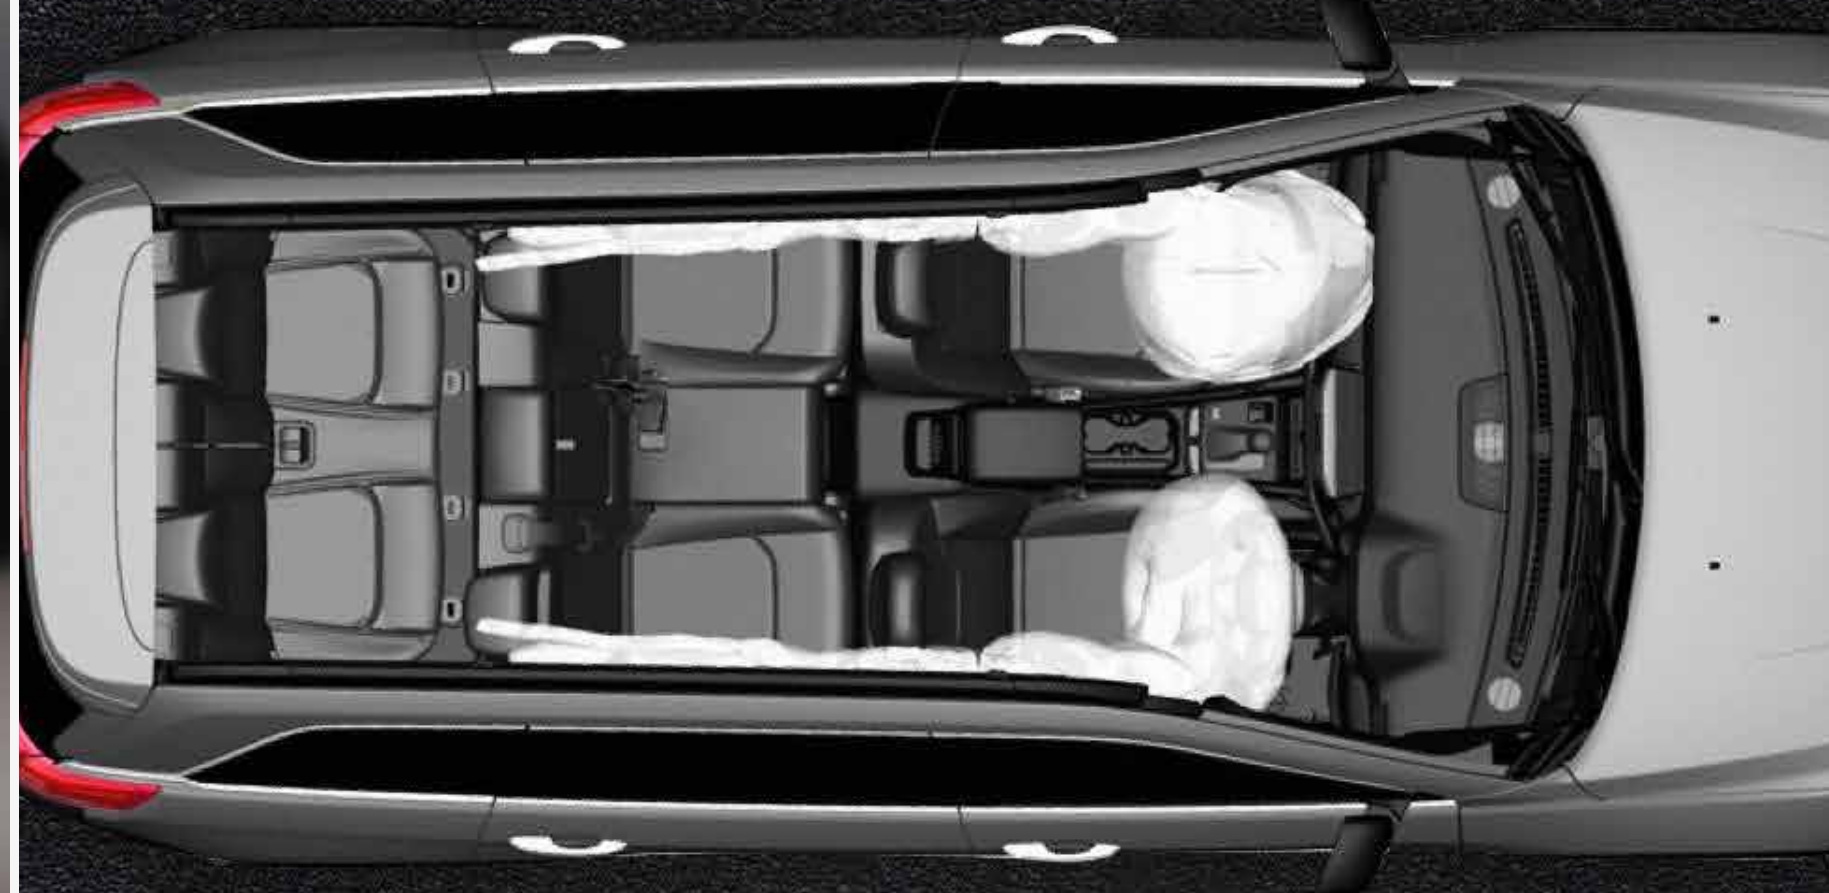

ELECTRONIC PARKING BRAKE (EPB)

The Electronic Parking Brake works in conjunction with the driver's actions. The automatic drive away release system disengages once the SUV is ready to drive. It also engages automatically in case the doors are not completely closed, the seatbelts are not buckled in, or in case the driver exits the vehicle without applying the parking brakes.

360-DEGREE VIEW CAMERA

The 360-degree camera in the new Jeep Meridian helps you navigate through jam-packed traffic and tight parking spots by giving you a bird's eye view of the vehicle. It enhances your driving experience by giving you complete situational awareness. The 360-degree camera also flags off previously hidden blind spots, either on the screen or through audio warnings.

TYRE PRESSURE MONITORING SYSTEM (TPMS)

The Tyre Pressure Monitoring System displays the tyre pressure in the digital instrument cluster, keeping you informed of the pressure in each tyre and helping to prevent any surprises on your journeys.

ELECTRONIC ROLL MITIGATION

The Electronic Roll Mitigation system helps prevent body roll at high speeds and also protects the SUV against rollovers during sharp turns.

SIX AIRBAGS

The new Jeep Meridian features six airbags in the front and rear seats to keep you and your passengers protected in case of any mishaps.

TRACTION CONTROL SYSTEM (TCS)

The Traction Control System ensures that the tyres have optimum grip, providing total control and safety for you and your passengers at all times.

ELECTRONIC STABILITY CONTROL (ESC)

The Electronic Stability Control system helps keep the SUV feeling steady and in control, even with a sudden turn of the steering wheel at high speed.
