HEAD UP DISPLAY

Project the most essential driver information directly on the windshield, so you can keep your eyes forward and on the road.

DIGITAL REAR VIEW MIRROR

Becomes a secondary screen conveniently showing what's in the rear of the vehicle without the obstruction of the second and third row inside the vehicle.

SURROUND VIEW CAMERA

Allows the driver to view the perimeter of the vehicle, most importantly when parking in tight space.

WIRELESS CHARGING PAD

No wires, no fumbling around, no fuss. Just place your compatible smartphone on the available wireless charging pad and power up along your ride.
