AVAILABLE

TOWING**2721** KG*

Those who aspire to truly do more now have the means to make it happen. Bring along your family camper, loaded-up trailer or nice-sized boat. Go anywhere, do it all and, most importantly, have fun out there.

AVAILABLE

PAYLOAD**181** KG

This versatile truck bed is built to carry most everything to every place you dream of reaching. Its 3-position tailgate, available spray-in bedliner, tonneau cover and spray-in bedliner and tonneau cover all add more function to your fun.

**PUT IT TO BED**

Lower the gate and take advantage of a 1531-mm long bed length that accommodates most anything you can't live without. The easy-open/close tailgate, well-positioned tie-downs and LED bed lighting help take a load off while loading up.

RAMPED UP

If you load it, fun will come – with lightweight aluminum cargo ramps available from Jeep® Performance Parts, featuring a rubberized non-slip tailgate protector and jackknife-style folding for easy storage. Individual ramps sold separately.

JJT20BL4_049

OR OPT FOR THE SPORT PLUS GROUP (SHOWN) AND GET A BUNDLE OF POPULAR FEATURES, INCLUDING 17-INCH ALUMINUM TECH SILVER WHEELS.

WHEN THINGS GET TECHNICAL

SELEC-SPEED® CONTROL

During off-road maneuvers, Selec-Speed® Control helps drivers maintain a targeted speed of 1 to 8 kph while traveling in 4-LD. Drivers are not required to control the throttle or the brake, so they can better focus on their line. Included with automatic transmissions.

HILL START ASSIST

Travel uphill with confidence, knowing this standard feature will help keep Jeep® Gladiator from rolling backward when starting on an uphill gradient.

JJT20BL4_005

OFF-ROAD PAGES

Access real-time performance data and in-depth diagnostics. See how the Jeep® Gladiator is performing during challenging situations. Stats include data on axle lockers, pitch/roll angles, transfer case, coolant and oil temps, and much more. Available.

JJT20US4_064

NEW!
FORWARD-FACING
OFF-ROAD TRAILCAM¹

See what lies directly ahead of your vehicle with this front-facing camera.¹ The image displays dynamic tire path lines on your radio screen, helping to navigate bolder boulders in time to react. A washing nozzle helps keep the lens clean and the view clear. Available.

OFF-ROAD+

The available Off-Road+ button activates the technology that extends the Jeep Brand's legendary 4WD capability. When engaged, Off-Road+ automatically deciphers the type of terrain Jeep Gladiator is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, Off-Road+ tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling maneuvers.

JJT20US4_065

OFF-ROAD ELECTRONICS

The Gladiator Rubicon® gives you optimal control when you ride the trails. Its Electronic Front Sway Bar Disconnect System operates with the flip of a switch, allowing the front suspension to articulate up to 30 percent more at speeds below 28 kph. Tru-Lok® Locking Differentials in the front and rear help maintain forward momentum on challenging terrain.

CURB APPEAL

THIS GLADIATOR OVERLAND® TRUCK EARNs SECOND GLANCES WITH BODY-COLOR FENDER FLARES, SIDE STEPS, AND BRIGHT GRILLE AND BUMPER ACCENTS. ADD THE AVAILABLE BODY-COLOR FREEDOM TOP® 3-PIECE MODULAR HARDTOP® AND CRUISE THE SUMMER NIGHT IN COORDINATED STYLE.

ESSENTIALS

Every Jeep® Gladiator comes equipped with integrated LED lights in the cargo bed, along with tie-down rings located at each corner.

CARGO ACCESSORIES INCLUDE:

- DECKED CARGO SYSTEM
- CARGO RAMPS
- BED CROSSRAILS
- BIKE CARRIERS
- KAYAK CARRIER
- SKI AND SNOWBOARD CARRIER
- CARGO BASKET AND NET

UTILITY

JJT20US4_184

JJT20US4_181

JJT20US4_085

NEVER AGAIN BE LIMITED BY
WHAT YOU CAN BRING ALONG.
EVERY CARGO-CARRYING
DETAIL HAS BEEN DESIGNED
TO MAXIMIZE CONVENIENCE,
SIMPLICITY AND POSSIBILITY.

MORE THAN TOUGH ENOUGH

A traditional steel bed utilizes steel crossmembers to reinforce the load floor while the aluminum tailgate is damped. Utility and versatility are maximized with strong, integrated tie-downs and under-rail bed lighting.

SPRAY-IN BEDLINER

This durable and attractive liner is available from the factory, helping to protect the cargo bed from whatever you throw at it. Available.

CARGO MANAGEMENT GROUP WITH TRAIL RAIL™ SYSTEM

Keep cargo organized, secure and easily at hand. Three embedded rails with adjustable tie-down sliders run along the inside of the truck bed and behind the cab. This Group also includes a lockable rear underseat storage compartment. Available.

ROLL-UP TONNEAU COVER

Keep the valuables stored in your truck bed covered and protected. Made of extremely durable, water-resistant material, this cover rolls out from the cab and secures at the tailgate. You can flip back the last section to allow loading of longer items while keeping the rest of the tonneau and tailgate closed and secure. Durable straps secure the tonneau in its rolled position. Available.

FREEDOM TOP® 3-PIECE MODULAR HARDTOP³

Lightweight and easy to take off, you can remove³ just the two front panels or all three sections. The rear glass incorporates a rear defroster and manual-sliding window. Also comes with a Freedom Panel storage bag and can be optioned with insulating headliner panels. Available in Black on all trim levels or in body-color on Overland® and Rubicon® Available.

JJT20US4_092

JJT20RD4_091

REMOVABLE³ DOORS

The side doors on Jeep® Gladiator are made of lightweight aluminum, which makes them extremely easy to remove.³ A special tool is provided that you'll use to remove³ the door hinge pins. A built-in handle makes them easy to remove³ and carry too. Now, you're truly experiencing freedom.

JEEP® PERFORMANCE PARTS Add even more open-air options with a variety of accessories at mopar.com

OPEN-AIR ACCESSORIES INCLUDE:

- TUBE DOORS³
- SUN BONNET
- MESH SUN BONNET
- WINDSHIELD TIE-DOWN STRAPS

JJT20RD4_093

JJT20RD4_088

JJT20RD4_089

JJT20RD4_090

NO OTHER TRUCK SHEDS ITS INHIBITIONS LIKE JEEP® GLADIATOR. IT HAS AN IMPRESSIVE LIST OF FEATURES THAT BRING THE OUTSIDE IN, PROVING THAT THIS PICKUP TRUCK TRULY IS OPEN FOR ANYTHING.

JJT20US4_058

PREMIUM SUNRIDER® SOFT TOP Choose your mood: remove³ just the rear window to retain shade from the sun, flip back the upper section for a fully open roof, or remove³ the entire top altogether. With a spring-assisted and zipperless design, Sunrider® allows you to become one with the sun or stars. Crafted from heavy-duty waterproof cloth material and available in Black. Premium fabric that is thick, rich in color and easy to clean.

FOLDING WINDSHIELD³ Feel the wind on your face and get a clearer view of the trail by removing³ just four bolts, folding the windshield down and securing it with straps available from Mopar®.

DESIGNED FOR EASY TRANSFORMATIONS Every open-air feature was developed with ease and convenience in mind so you can spend more time enjoying fresh air. That's why the windshield only requires four bolts to lower³ and why the doors have the size of the required Torx® bit debossed into the hinges. Jeep® Gladiator includes a tool kit and storage for all bolts under the rear seat. When you get the available Freedom Top®, a storage bag is included for the removable³ panels.

LET'S BE HONEST ... SOME FUN THINGS CAN'T FIT IN ANY TRUCK BED. SO PUT WHEELS ON THEM, OR UNDER THEM, AND TOW WITH STYLE AND CONFIDENCE IN A MADE-TO-PULL GLADIATOR TRUCK.

PARKVIEW® REAR BACK-UP CAMERA¹

Helps you align your hitch and see what you're doing while hooking up a trailer. You can also keep an eye on anything in tow while in motion. Standard.

TRAILER SWAY CONTROL (TSC)⁴

When you're towing valuable toys, it's critical to keep things under control. TSC⁴ helps improve handling should crosswinds or traffic become challenging. The system continuously monitors vehicle movement and adjusts brake pressure to individual wheels until you're moving safely forward once again. Standard.

TRAILER BRAKE CONTROL Raise or lower the brake pressure of your trailer brakes with the turn of a dial. Available. Restrictions apply.

3.6 PENTASTAR® V6 ENGINE

Load up, set your waypoint, and confidently take on every adventure over mountains, hills and valleys. This award-winning engine is designed to deliver powerful pull with welcome efficiency. Economies are realized via enhancements, including a two-step variable-valve lift system specifically designed to remain predominantly in low-lift mode until more power is demanded, when it will quickly move into high-lift mode for improved combustion. Its cooled exhaust-gas recirculation and innovative weight-reduction strategies also aid efficiencies and power output while maintaining the smooth performance that's a recognized hallmark of the Pentastar® brand.

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Gladiator. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades and full-time 4WD gears. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Standard.

WEATHERPROOF PUSH-BUTTON START

The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out even if the weather outside accidentally comes inside.

REMOTE START⁵ Climb into a pleasantly pre-heated or pre-cooled Jeep Gladiator – 91-m range. Available.

REMOTE PROXIMITY ENTRY Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out. Available.

JJT20RD4_099

JJL18US4_154

JJT20US4_100

JJL18US4_081

JJT20RD4_004

RUBICON®

THESE OFF-ROAD FEATURES ARE EXCLUSIVE TO THE ICONIC RUBICON® MODEL, MAKING IT ONE OF THE MOST WELL-EQUIPPED FACTORY 4x4 VEHICLES ON THE PLANET.

ROCK-TRAC® HEAVY-DUTY FULL-TIME 4WD SYSTEM

Rubicon® models ride with this extreme 4WD system. Its 4:1 low-gear ratio transfer case allows every Gladiator Rubicon model to crawl at a low speed for greater control, and increases the amount of torque available at the wheels. Standard only on Rubicon models.

JJT20BL4_101

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 percent. It automatically reconnects at speeds above the 28-kph optimum level. Standard only on Rubicon models.

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4WD traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. Paired with Rock-Trac® 4WD system on Rubicon models.

OFF-ROAD+ This advanced system automatically adjusts performance parameters for the terrain, whether you're driving in 4-HI (Sand/Mud) or 4-LO (Rock Crawling). Standard only on Rubicon models.

FOX® SHOCKS With a 50-mm-diameter aluminum body, the race-proven and factory-tuned precision valving provides a comfortable on-road ride and predictable off-road handling in even the toughest conditions. Available only on Rubicon models.

JJB20US4_030

SELECTABLE TIRE-FILL ALERT

When removing air from tires for off-road situations, the system will chirp the horn when a pre-selected air-down pressure is reached. When adding air back in, it chirps the horn upon reaching the recommended pressure. Available on Rubicon models.

FORWARD-FACING OFF-ROAD TRAILCAM¹

Mounted within the grille, provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available on Rubicon models.

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help maneuver through tight spots. Available on Rubicon models.

MJL19US4_016

JJT20US4_102

SELEC-TRAC® FULL-TIME 4WD SYSTEM

For off-road and all-weather capability, this full-time system divides torque between front and rear axles for tough traction. The transfer case shifts smoothly. For serious rock-crawling, its 2.72:1 low range ensures confidence. Standard on Sport and Overland® models.

OFF-ROAD PAGES

Access real-time performance data, like suspension travel or keeping an eye on your pitch and roll. In-depth vehicle diagnostics, including wheel turn and transmission temperature, all help to provide an optimized experience. Available.

HILL START ASSIST Works to prevent Gladiator from rolling when starting on an uphill gradient. Standard.

UNDER ARMOR Heavy-gauge steel rock rails provide additional rocker panel and bed protection on every Rubicon® model, while up to four skid plates/bars, made from lightweight high-strength steel, protect the underbody. Standard.

SELEC-SPEED® CONTROL

Manages vehicle speeds of 1 to 8 kph in 4-LD while traversing off-road without requiring the driver to control the throttle or the brake, allowing the driver to focus on steering the vehicle in off-road situations. Included with 8-speed automatic transmission.

TOW HOOKS Every Gladiator truck gets at least one in back. Rubicon model hooks are painted Red.

TRAIL RATED® Every Gladiator truck rolls off the line with the goods to roll over just about any terrain you may encounter. Each one carries the Trail Rated® designation as proof of rigorous design specs and testing while offering an unmatched list of standard and available 4x4 gear.

JJT20US4_104

JJT20RD4_070

Uconnect® 4 NAV WITH 8.4-INCH DISPLAY

A large high-definition touchscreen offers smartphone integration, navigation and real-time stats with Off-Road Pages. Available.

7-INCH DRIVER INFORMATION DISPLAY

Front and center in the gauge cluster, you'll find a wealth of scrollable vehicle data in full color that you safely control via steering-wheel buttons. Standard on Overland® and Rubicon® models. Available on Sport with Sport Plus Group.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

Constantly adjusts air temperature inside the cabin to create separate customized environments for driver and front passenger. Standard on Overland and Rubicon models. Available on Sport with Sport Plus Group.

INSPIRED BY JEEP® BRAND HERITAGE, THIS INTERIOR IS ALSO INSPIRED BY MODERN DESIGN, FILLED WITH PREMIUM MATERIALS AND CREATURE COMFORTS AND INFUSED WITH THE LATEST LEAPS IN MUST-HAVE TECHNOLOGY.

JJT20US4_180

HEATED FRONT SEATS

You have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference. Available.

HEATED STEERING WHEEL

Set this optional feature to automatically warm the full 360° circumference of the wheel when temps dip below 4°C. Available.

HEATED MIRRORS

Keep ice from building up and blocking your view with the safety and security of heated side mirrors. Standard.

ALPINE® PREMIUM AUDIO SYSTEM

Experience immersive sound with nine speakers that include an overhead sound bar, a rear subwoofer and a 552-watt amplifier. Available.

**PORTABLE BLUETOOTH® SPEAKER**

Tucked behind the rear seat is a removable, weather-resistant, 254 x 139 x 69-mm Bluetooth® speaker you can take outside the cabin. Control buttons allow volume control, play/pause and pairing. A USB charging port and auxiliary cable input extend functionality. Resists dust as well as water (for up to 30 minutes in up to 1 m of depth). Great for tailgating and camping. Available.

WASH-OUT INTERIOR

Not only is the carpet weather-resistant, but it can be removed to reveal drain plugs that, when removed, allow the floor to be easily hosed out. Standard.

LOCKABLE GLOVE BOX AND CENTER CONSOLE

These locking compartments are large and provide essential peace of mind. Standard.

LOCKABLE BEHIND-SEAT STORAGE

The rear seatbacks can be locked upright using the vehicle key, providing secure and illuminated storage behind the seat, especially helpful when the top is off and the doors are removed.³ Standard.

LOCKABLE REAR UNDER-SEAT STORAGE BIN

Hidden under the rear seat, this lockable and removable box offers out-of-sight storage for plenty of gear. It includes two independently locking doors, movable dividers and a carry handle. Available.

JEEP® UTILITY GRID SYSTEM

Built into the seatbacks of Rubicon® are exclusive grids that support the addition of flexible storage. Strong nylon-woven straps will accommodate standard MOLLE-style bags. Standard on Rubicon models.

JJT20RD4_116

JJT20RD4_118

JJT20RD4_117

JEEP® GLADIATOR ENVELOPS YOU WITH MORE THAN 80 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. REMAIN CONFIDENT DRIVING IN ALL WEATHER CONDITIONS, THANKS TO THE STRENGTH OF A DESIGN THAT EMPLOYS BOTH PASSIVE AND ACTIVE SYSTEMS.

BLIND SPOT MONITORING¹⁰ AND REAR CROSS-PATH DETECTION¹ Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARKVIEW® REAR BACK-UP CAMERA¹ When the vehicle is in Reverse, the Uconnect® screen displays a wide-angle view of what's immediately behind your vehicle. On-screen dynamic grid lines help you see your back-up path. Standard.

PARKSENSE® REAR PARK ASSIST SYSTEM¹ Works in tandem with ParkView® Rear Back-Up Camera¹ to bring previously hidden objects to your attention with an audible warning so you have time to react. Standard.

ELECTRONIC STABILITY CONTROL (ESC)⁴ A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you veering off your intended path. ESC⁴ coordinates a range of safety systems, sending them into action when needed. Standard.

TRAILER SWAY CONTROL (TSC)⁴

Crosswinds and traffic hold no sway over you and your payload. As part of ESC⁴, TSC⁴ helps keep you and the toys you tow safely on course. Standard.

NEXT-GENERATION AIR BAGS¹¹ When a crash is detected, these air bags¹¹ deploy nearly instantaneously, providing occupant protection that's matched to crash severity. Standard.

SUPPLEMENTAL FRONT SEAT-MOUNTED SIDE AIR BAGS¹¹ Deploying from the outboard side of each front seat, these air bags¹¹ enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

FORWARD COLLISION WARNING PLUS¹² Uses radar and sensors to video-detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given, or the system assists the driver in mitigating a potential collision. Available.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS) This system makes it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bag¹¹ deployment. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP¹³

The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring your Gladiator to a complete stop without driver intervention to help avoid a collision. Available.

LED LIGHTING GROUP

Maintain a unique – and safe – presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daylight running lamps (DRLs), and the Group's LED headlamps, taillamps and front LED fog lamps help enhance visibility during inclement weather. Standard on Overland® Optional on Rubicon®

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM

The alarm is activated by virtually any unauthorized movement, such as wheel removal or towing; illegal opening of a door, hood or swing gate; ignition start; cutting of battery leads; or motion inside the cabin. Available.

SENTRY KEY® ENGINE IMMOBILIZER

A unique, embedded key code matched only to your vehicle helps keep your Jeep® Gladiator safe and secure where you parked it. Standard.

BODY STRENGTH

The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, making every Gladiator lighter in weight while still providing a very strong chassis. Standard.

FORWARD-FACING OFF-ROAD TRAILCAM¹

This front-mounted camera gives you a close-up view of the trail directly in front of your Gladiator truck so you can spot challenging objects in time to outmaneuver them. A "Clean Camera" soft key in the radio activates a wiper that helps keep the lens free of dirt. Available.

HILL START ASSIST (HSA)

Take to the hills fully loaded with confidence and a bed filled with goods. HSA works to prevent your vehicle from rolling when starting on an uphill gradient. Standard.

UCONNECT® INTEGRATED VOICE COMMAND WITH BLUETOOTH®

Multitasking is the way of today's world, even when you're on the road. This important safety and security feature allows drivers to safely send, reply or listen to a text, take or make phone calls, request detailed information and more while keeping both hands on the wheel. Standard.

JJT20RD4_119

ANTILOCK BRAKE SYSTEM (ABS) WITH HEAVY-DUTY BRAKES

Senses and helps prevent wheel lockup while braking, offering improved steering control in slippery conditions. When rough road is detected, ABS adjusts to maximize braking on a loose surface. Standard.

BRAKE-LOCK DIFFERENTIAL SYSTEM

Allows the vehicle to maintain forward motion if up to three wheels lose traction by selectively and aggressively applying brakes to the spinning wheels. Standard.

JJT20US4_102

JJT20BL4_120

IN THE NAME OF
ADVENTURE

Jeep®

(1) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (2) When properly equipped. (3) Be sure to follow all instructions in the Owner's Manual for removal of top and doors and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (4) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (5) Check state and local laws regarding the use of remote start systems. (6) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (7) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (8) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Android and Android Auto are trademarks of Google LLC. (9) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (10) Always check visually for vehicles prior to changing lanes. (11) Always sit properly in designated seating positions with seat belts securely fastened at all times. (12) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (13) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions.
