Limited in Redline Pearl Coat

THE VERY BEST DIRECTION

COMPASS SHINES WITH AUTHENTIC JEEP® BRAND STYLE, immediately recognized all around the world. Iconic design features, like its 7-slot grille, are given special treatment within each trim level. Compass Limited stands at the front of the lineup with upscale additions to its classic profile, including eye-catching chrome on grille surrounds, badging, roof rail inserts, fog lamp bezels and unique door trim accent moulding. A standard Black roof adds impressive distinction. As for the cabin, Compass invites you to enjoy a rich selection of interior options tailored to keep you comfortable and connected.

DESIGNED TO IMPRESS

THIS LUXURY SEAT GROUP SERVES UP INSPIRED INTERIOR FINERY, including premium leather-faced cushioned seats that are generously padded, providing welcome, comfortable support. New ventilated power 8-way driver's and front-passenger seats with driver's-seat memory and a power 4-way lumbar adjust keep fatigue at bay, no matter how long or short the trip. Available on Limited, Trailhawk® and High Altitude models. An available two-tone interior colour palette is dramatic and especially elegant on Limited models.

Limited with Black/Ski Grey perforated leather-faced seating and Ruby Red accent stitching

NAVIGATION¹⁰ Dinner reservations at the new place in town? Uconnect® employs GPS Navigation for audible turn-by-turn directions, and detailed 3-D maps help to ensure you arrive on time. Use Voice Command³ and say the complete address to get directions quickly. Available.

PHONE/TEXT Make hands-free³ phone calls or use your voice to send a text.³ Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply.

4G WI-FI¹¹ HOTSPOT All along the way, you can upload and download, post, and search. Uconnect with available Wi-Fi links compatible devices to the Web so passengers can stay connected. Available.

TOUCHSCREEN CONTROLS Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu bar allows you to highlight your top six favourite features and services so they're always in sight on your 7- or 8.4-inch Uconnect touchscreen display.

North in Jazz Blue Pearl

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹² to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your journey.² Standard.

Designed with safety and convenience in mind, Android Auto^{TM2} gives you the right information for the road ahead. Easily access your favourite music with Google Play Music, and get where you need to go with Google Maps. With your Google Assistant on Android Auto,² you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google." Standard.

SIRIUSXM GUARDIAN SERVICES⁵

SIRIUSXM GUARDIAN⁵ Drive worry-free with SiriusXM Guardian — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect® App. Includes a one-year trial.⁵ Available.

SIRIUSXM GUARDIAN SERVICES + UCONNECT® APP

- > **SOS CALL!¹³** In the event of an incident, push the SOS button. You'll be connected to a SiriusXM Guardian agent who contacts emergency services, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL!¹⁴** puts you in touch with an agent who can get you help while you're out on the road.
- > **SIRIUSXM GUARDIAN ASSISTANCE.** For help with the service itself, this feature will put you in touch with a Customer Care agent.
- > **LOCK/UNLOCK YOUR CAR** from virtually anywhere.
- > **START YOUR CAR REMOTELY!¹⁵**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > Locate your car on a map using **VEHICLE FINDER!¹⁶**
- > Send destinations to your navigation system using **SEND & GO!¹⁰**
- > Receive alerts with **THEFT ALARM NOTIFICATION!¹⁷**
- > **STOLEN VEHICLE ASSISTANCE!¹⁸** If the unexpected happens and your vehicle is stolen, Stolen Vehicle Assistance will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS.** Boundary Alert notifies you when Compass travels outside of a set geographic area. Curfew Alert notifies you when Compass is driven outside a specific time frame. Speed Alert lets you set speed parameters, notifying you if exceeded. Valet Alert notifies you if Jeep® Compass is driven outside a 0.40-km (0.25-mile) radius of a valet drop-off zone.

FINGERTIP CONTROLS ON THE STEERING

WHEEL instantly scroll you through a selection of vehicle data displayed front and centre on your instrument panel. Set your cruising speed, or with the available Adaptive Cruise Control with Stop & Go⁷, you'll configure your speed and how much space to keep between you and the car ahead. Brakes are automatically applied and speed adjusted should the car ahead slow down. The system can also bring the vehicle to a complete stop without driver intervention to help avoid a collision.

COMPASS PUTS NAVIGATION UP FRONT

with available Uconnect[®] 4C NAV¹⁰, including a Largest-in-Class 8.4-inch touchscreen display²⁵ and pinch-to-zoom capability. Every Compass arrives with a Media Hub, including 12-volt power outlets, an auxiliary input jack and USB port, and a second USB port for second-row passengers, along with Apple CarPlay² compatibility and Android Auto^{TM2} integration.

NEW! ALPINE[®] 9-SPEAKER PREMIUM SOUND SYSTEM

ADD THE PERFECT AUDIOSCAPE TO EVERY ROAD TRIP. COMPASS HANDS OVER A LISTENING EXPERIENCE WITHIN ITS HUSHED CABIN THAT'S DESIGNED TO CREATE LUSH, CONCERT-QUALITY SOUND.

ALPINE

All of your travels are enhanced by this inspired audio experience. This new system is engineered in tandem with Alpine[®], the leading manufacturer of high-performance mobile electronics. It features a 12-channel, 506-watt amplifier, nine perfectly placed speakers and a dual-voice coil 8-inch subwoofer that work together in perfect harmony. Available.

**THE 7-INCH FULL-COLOUR DRIVER
INFORMATION DISPLAY IS
ACCESSED VIA CONTROLS ON
THE STEERING WHEEL**

Instantly, you'll scroll through a selection of vehicle data displayed front and centre on your instrument panel in living colour. You'll quickly access vehicle performance stats, vehicle alerts and fuel consumption data. Important navigation¹⁰ details and media information such as song, artist and station, plus Selec-Terrain[®] Traction Management System data, and more, can be accessed via your fingertips.² Standard on Trailhawk[®] and Limited models and available on North and Sport models. A 3.5-inch monochrome, high-resolution display is standard on Sport and North models.

Limited in Velvet Red Pearl

INTUITIVE TECHNOLOGY | 9

BRILLIANCE IN MOTION

THE COLD WEATHER GROUP gathers welcome comforts, designed to quickly chase away the cold. This group makes winter more wonderful with a leather-wrapped, heated steering wheel, heated front seats, all-season floor mats, a windshield wiper de-icer, reversible carpet/vinyl cargo mat and the Remote Start System¹. Available.

WHETHER YOUR ADVENTURES CALL FOR SPORTS EQUIPMENT OR CAMPING GEAR, you've got all kinds of room to fill thanks to a generous cargo area. Flip the second-row seats forward to reveal 1693 L (59.8 cu ft) of room to carry along everything you need. With multiple cup holders, cubbies and storage areas, Compass helps keep trips organized and uncluttered.

LOADING IS EASIER WITH THIS CONVENIENT POWER LIFTGATE. Open the rear cargo area by using your key fob, and you'll put struggling with armfuls of packages in the past. Available.

THE HEIGHT-ADJUSTABLE CARGO FLOOR adjusts up to three levels to accommodate the variety of items you need to carry. Keep the floor level for easy loading. Available.

Trailhawk[®] with Black perforated leather-faced seating

Properly secure all cargo.

CARGO | 10

PLENTY OF ROOM TO BE TRUE TO YOURSELF

Limited with Black leather-faced seats

A PERFECT FIT The configurable 60/40 split-folding rear seats give you plenty of options. Rear passengers can adjust them to their liking. Two cup holders are revealed by folding down the centre armrest. Flip down one or both of the split seats to accommodate people along with their gear of choice. Standard.

FOLD-FORWARD FRONT-PASSENGER SEAT Flip the seat forward to enhance your cargo-carrying capabilities. Standard. (Not available with the power 8-way front-passenger seat.)

EVERYTHING IN ITS PLACE Keep your cabin neatly organized with the many storage options throughout. The glove box opens to accept larger items, while the centre console can carry devices, phones, cameras and snacks. A netted side pocket holds even more. Handy cup holders are situated in the doors, centre console and rear-passenger area. Standard.

Properly secure all cargo.

IT TAKES A LEGEND TO TAKE YOU THERE

THE DUAL-PANE PANORAMIC POWER SUNROOF, with its power sunshade, is more than an amazing way of looking at the world — it can take you to a new world of fresh-
aired freedom altogether. Compass is as eye-catching as it is functional, with an
available Gloss Black roof. It seamlessly integrates with the panoramic power
sunroof, conveying a design of contemporary sophistication. Available.

Limited in Billet Silver Metallic

Spanning the full length of the roof, this dual-pane sliding-glass ceiling includes a power-controlled sunshade, glass panel with vents in front and a fixed-glass window in the rear. Pinch protection keeps hands and fingers safe. Available.

REDEFINE THE WAY HOME

TAKE THE LONGER WAY HOME Efficiency co-stars with power to craft an impressive performance on Compass. You'll make fewer stops to refuel, thanks to a fuel-tank range of up to 692 highway km (430 mi)¹⁹ between fill-ups. You'll also be empowered with the strength to pull and pass when the need arises. All in all, you'll find that Compass makes a notable and exciting entrance, and will continue to earn high marks of approval, whether you're driving around the corner to the market or taking a road trip across the country.

JEEP® COMPASS POWERTRAINS

2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. A fuel-efficient workhorse. Standard.

ENGINE STOP/START (ESS) TECHNOLOGY This welcome feature helps reduce emissions while improving efficiency. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged. Standard on automatic transmissions.

9-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK™

Smooth gear transitions through all nine gearshifts deliver a ride that feels luxurious and confident. Economies are maximized, and performance is optimal at all times. Standard on Trailhawk®, North 4x4 and Limited 4x4 models. Available on Sport 4x4 model.

6-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK

This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer that helps realize economies thanks to its next-generation electronics. Standard on North FWD model. Available on Sport FWD model.

6-SPEED MANUAL TRANSMISSION With its swift acceleration due to high maximum torque values, plus smooth, precise shifting, this transmission offers a fun-to-drive factor that's paired with welcome economies. Its transverse 3-shaft design is compact, delivering a welcome reduction in cabin noise, especially at highway speeds. Allows for flat towing in Neutral. Standard on Sport model.

Limited in Redline Pearl Coat

BEST-IN-CLASS 4x4 ALL-WEATHER CAPABILITY²¹

THE TRAIL RATED® COMPASS TRAILHAWK® RAISES YOUR CONFIDENCE to go out and boldly conquer the most challenging road conditions out there. With Trailhawk®, you're equipped to experience everything the road has to offer. You're sure-footed thanks to authentic Trail Rated® Jeep® Brand DNA. The Trail Rated badge of honour tells the world your Compass is fully equipped to Go Anywhere, Do Anything and perform with exceptional Four-Wheel-Drive (4WD) capability. Every Trail Rated vehicle must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording²² Standard on Trailhawk model.

Trailhawk® in White

JEEP® COMPASS 4x4 SYSTEMS

JEEP ACTIVE DRIVE You'll automatically enjoy seamless operations in and out of 4x4 mode at any speed with the rear-axle disconnect. Yaw correction helps to keep Jeep Compass stable at all times. Jeep Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability. Standard on Sport, North and Limited 4x4 models.

JEEP ACTIVE DRIVE LOW When you need to follow the off-road less travelled, climbing hills and rocks along the way, count on Trailhawk with its standard Jeep Active Drive Low. Follow where adventure leads, supported by a standard single-speed Power Transfer Unit (PTU) that delivers exceptional torque management and a 4WD Low mode. With added power at low speeds, and a 2.5-cm (1-inch) increase in ride height, you're good to go... anywhere. Exclusive on Trailhawk model.

HILL DESCENT CONTROL Assisting Jeep Active Drive Low, this system monitors throttle, speed and braking when gravity's pull wants to take over. Brakes are automatically applied for a smooth descent. Exclusive on Trailhawk model.

EVERY 4x4 COMPASS CAN FORGE STREAMS UP TO 40 CM (16 IN) DEEP What's more, Trailhawk can safely tackle up to 48 cm (19 in) of water²² with its standard Jeep Active Drive Low 4x4 system.

ALL-WEATHER 4x4 POWER

Every Compass equipped with available 4x4 capability arrives with a Jeep® Selec-Terrain® Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your Jeep Brand 4x4 system to help adapt traction performance. Its selectable dial features Auto, Snow, Sand and Mud settings and, exclusive to Trailhawk®, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. Selec-Terrain effectively coordinates 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).⁸

AUTO In this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SAND Converts to a uniquely calibrated Sand Mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

ROCK Delivers Trail Rated® Four-Wheel-Drive (4WD) Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Exclusive on Trailhawk.

ACCEPT THE INVITATION

EXPAND YOUR WISH LIST OF ADVENTUROUS DESTINATIONS WITH COMPASS TRAILHAWK.®

Designed to nurture your curious nature, Trailhawk® fortifies you with Best-in-Class 4x4 capability;²¹ so you can go to places others only dream of reaching, in comfort and style. It presents a unique profile, with a 2.5-cm (1-in) increase in height; rugged lower, front and rear cladding; a Black-painted roof and Black anti-glare hood detail; unique 17-inch wheels and tires; skid plates; and front and rear signature Ruby Red tow hooks and badging. The standard Jeep® Active Drive Low full-time 4x4 system, equipped with standard Selec-Terrain® with Rock Mode, operates to safely usher you up, over and across the most challenging roads.

Trailhawk in Spitfire Orange

Always off-road responsibly in approved areas.

FORTIFIED FOR ADVENTURE

THE SPORTY INTERIOR OF TRAILHAWK MERGES COMFORT AND STYLE WITH DURABILITY. Red accent stitching stands out on the cushioned seating, with Ruby Red bezels offering additional enhancements. The Trailhawk logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA.

Trailhawk with available Black leather-faced seats

PARK-SENSE® REAR PARK ASSIST⁷

PARK-SENSE® REAR PARK ASSIST SYSTEM⁷

This system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display and an audible warning notify the driver of rear object proximity. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)⁷

Sensors detect when Compass may be approaching another vehicle too rapidly. They may send an audible and visual alert to the driver and may provide braking if necessary. Available.

ADAPTIVE CRUISE CONTROL WITH STOP & GO (ACC STOP)⁷ Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Compass to a complete stop without driver intervention to help avoid a collision. Available.

ADAPTIVE CRUISE CONTROL⁷

LANE DEPARTURE WARNING PLUS

(LDW+)⁷ Provides a visual warning and steering-wheel movement should the system detect the vehicle is drifting outside of lane boundaries. Available.

ELECTRONIC STABILITY CONTROL (ESC)⁸

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC⁸ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control, and Trailer Sway Control (TSC), sending them into action when needed. Standard.

PARKVIEW® REAR BACK-UP CAMERA⁷

WITH ACTIVE GRID LINES Back out safely with grace. This system helps bring previously hidden rear objects to your attention, on-screen, in good time to react. Standard.

BLIND-SPOT MONITORING⁷ AND REAR CROSS-PATH DETECTION⁷

These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via an audible warning and helpful icons illuminated on sideview mirrors. Available.

BLIND-SPOT MONITORING⁷

ACTIVELY ON GUARD

AN ARRAY OF SENSORS KEEPS WATCH OF YOUR PERIMETER AND WILL NOTIFY YOU WITH AUDIBLE AND VISUAL SIGNALS SHOULD ANOTHER VEHICLE OR OBJECT ENCROACH YOUR SAFETY ZONES.

IT'S THE LATEST TECHNOLOGY TO HELP COMPASS ACTIVELY STAND GUARD EVERY SINGLE MOMENT YOU'RE BEHIND THE WHEEL.

Jeep.

(1) Only available with automatic transmissions. (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. (3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. (4) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at www.siriusxm.ca. (5) All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (6) SiriusXM Traffic and SiriusXM Travel Link requires a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast. Current Conditions may not be available in all locations. (7) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. (8) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (9) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (10) Never program while driving. GPS mapping and available 3-D navigation may not be detailed or available in all areas or reflect current road regulations. (11) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (12) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (13) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (14) Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (15) Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect wherever you operate your vehicle. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (16) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (17) Theft Alarm Notification is compatible with factory-installed alarms only. (18) Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (19) Driving range based on 2020 *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. (20) Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 10.4 L/100 km (27 mpg) highway and 7.3 L/100 km (39 mpg) city on Jeep Compass 4x2 models equipped with the 2.4L Tigershark MultiAir engine and 6-speed manual transmission. Miles per gallon (MPG) ratings based on imperial gallon. (21) Based on Jeep's sub-segmentation based on compact sport and cross-utility vehicles, including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. Best-in-Class 4x4 capability based on Jeep Active Drive Low 4x4 system and Best-in-Class approach angle, departure angle and breakover angle. (22) Do not attempt water fording unless depth is known to be less than 51 cm (20 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (23) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (24) Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years 2013 to 2017 and CYTD August 2018 in all Brands and SUV segments. (25) Based on Jeep's sub-segmentation based on compact sport and cross-utility vehicles, including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan.
