Hairs on end, restless, a smile that's hard to shift
– the GT does wonders for your state of mind.

The trigger? The all-new 204 PS 1.6 Turbo GDI engine

It produces 265 Nm via the sophisticated 6-speed manual transmission, reaching 0 to 100 km/h in just 7.7 seconds. Top speed is a solid 230 km/h. Enticing figures matched only by the satisfyingly rich sound, emitted by the bold dual exhaust pipes. As you'd expect from a car with these athletic credentials, the powerful GT engine is paired with a sporty suspension, ensuring the chassis stays glued to the road wherever you're headed.
