

The Power to Surprise

The New Kia

picanto LPGi

LPGi

Go further, go greener

Designed for economy and the environment

The Picanto LPGi offers serious performance while reducing emissions and your fuel bill. And with a 35 litre gasoline tank in addition to a 27 litre LPG tank, you can rest assured that you’re always getting maximum mileage and efficiency.

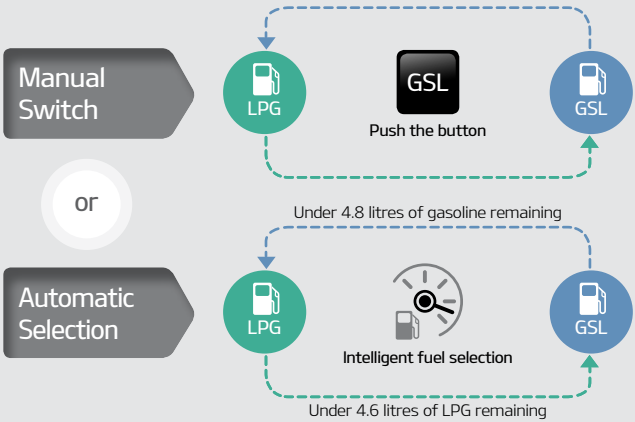

Kappa 1.0 LPGi

This lightweight 3-cylinder unit not only enhances fuel economy but also is no slouch when it comes to providing power. Around town and on the open road, it’s an engine that always performs.

Engine type	Inline 3-cylinder
Displacement (cc)	998
Max. Power (ps/rpm)	67/6,200
Max. Torque (kg-m/rpm)	9.2/3,500
CO ₂ Emissions (g/km)	100(w/ISG 97)

Fuel selection

The Picanto LPGi’s innovative fuel selection system provides flexible control of which type of fuel powers your vehicle by allowing you to manually switch back and forth between gasoline and LPG. The system also incorporates an automatic selection function that switches from gasoline to LPG, or vice versa, depending on the amount of remaining fuel in each tank to ensure maximum driving range and efficiency at all times.

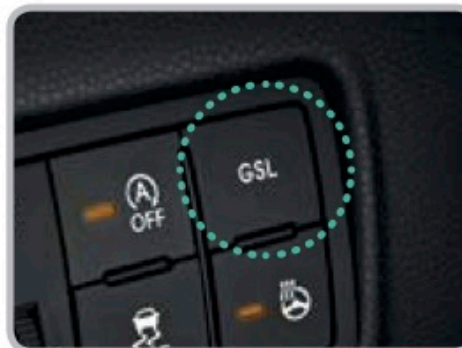

Kia’s EcoDynamics range of fuel-saving and emissions-reducing vehicles is a clear sign of our commitment to advancing people’s lives through innovative mobility solutions while remaining focused on ensuring a sustainable environment. With the ultimate goal of zero emissions, we strive to produce cars that not only bring happiness to people, but also protect the well-being of the planet.

LPGi equipment

Information at a glance

A series of displays on the gauge cluster give you an accurate reading of fuel level status.

1. LPG gauge
2. Gasoline gauge
3. Gasoline running lamp

Fuel selector

Conveniently located on the dashboard, you can switch between different fuels at the touch of a button.

LPG connector

Filling up with LPG has never been so simple thanks to the convenient location of the connector right next to the gasoline filler.

Rear parcel shelf cover

The rear parcel shelf integrates with the rest of the high-grade trim to provide both practicality and a touch of elegance.

Luggage under floor box

The handy storage box located underneath the floor of the boot is ideal for packing away those essential items.

The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Mohave, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com) - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 2.7 million Kia vehicles a year are produced in 9 manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers covering around 150 countries. Kia today has over 47,000 employees worldwide and annual revenues of US\$42 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan - "The Power to Surprise" - represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.
