## THE POWER TO SURPRISE™

Kia Motors Corporation - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 2.1 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia has over 44 000 employees worldwide and annual revenues of over US\$20 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan - "The Power to Surprise™" - represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.

## SPACE TO THINK

The Sedona is an engineering marvel: the result of our designers thinking carefully about what you and your family need. First we made sure that they'd be safe and secure. We also made sure there was ample space and comfort, because the family that's squashed in together does not stay together. That's the practical part; the pretty part is that the Sedona also incorporates stylish finishes and striking design.

## BIG IS BEAUTIFUL

Based on classic design themes, the Sedona nonetheless exhibits contemporary visual ideas. The wide body and sturdy bumpers denote power, while the contoured bonnet, split-level radiator grille and side mirror housings emphasise the sleekness required for aerodynamic efficiency.

These features translate into reduced wind turbulence, lowered wind noise and improved fuel economy. Even the air intake grille has clean lines, housing the advanced intercooler system for maximum engine performance.

Large dual front headlights have a sharp and distinctive look, the rear optical groups incorporate advanced reflectors and lenses. Along with discreet fog lamps set within the bumper, this increases visibility and night-time driving safety.

The rear of the Sedona is purposeful and rugged, with a semi-spoiler above the high-level LED brake light. With families come things. That's why a neat cut-away bumper with step plate provides maximum loading efficiency.

## ROOM TO MOVE

This vehicle is not just about getting from A to B, it's also about fitting in everything from A to Z. One-touch double folding seats on the second row create easier access to third row seating, or will expand the rear cargo space. Third-row seats can be double folded, removed and easily moved back and forth on the sliding rail. There is also an abundance of storage areas to make sure liquids, ink, food and the like stay in their containers, not on the leather seats.

Images shown may contain vehicles, specifications or colours that may not be available in this country, or may be fitted with optional extras. For exact information, please consult your nearest Kia dealership.

# CONVENIENCE FEATURES

**DUAL POWER SLIDING DOORS** The rear dual power sliding doors can be operated with the remote key or via the overhead console. A manual override and obstacle detection ensures complete safety.

**POWER TAILGATE** To every shopper's delight, the tailgate is power-operated with the remote key, overhead console switch in the cabin or buttons on the actual tailgate handle.

**REAR PARKING ASSIST SYSTEM** The length of an MPV can make distances hard to judge, while its bulk can make children and low obstacles difficult to see. Sensors within the bumper alert you to the distance to objects with a variable audio tone.

**AUTOMATIC CLIMATE CONTROL SYSTEM** The fully automatic climate control system comes with air quality control to reduce dust, pollen and pollutants in the cabin. At the touch of a button the interior adjusts to your preferred temperature.

**REAR MANUAL CLIMATE CONTROL** For the comfort of second row passengers, there's a rear manual climate control for controlling temperature and fan settings. The air vents can be adjusted independently to achieve the preferred ventilation.

**BLUETOOTH** To keep distractions to a minimum, Bluetooth allows the driver to make and receive hands-free phone calls.

**SUNROOF** As spacious as the Sedona is, there's an even bigger world out there. The Sedona lets you experience this with an electric-powered sliding sunroof.

**ELECTRIC CHROMIC MIRROR/ REAR VIEW CAMERA** The rear view mirror utilises electric chromic technology to automatically dim the glare from a car's headlights. The rear view camera shows any obstacles behind you, making reversing even easier.

**CONVERSATION MIRROR** Having a family means keeping an eye out for them at all times. The conversation mirror allows the driver to see everything that's going on in the back without taking his eyes off the road.

**CRUISE CONTROL** Give your right foot a break. Cruise control is easily activated and deactivated to take the effort out of long distance driving.

**POWERED DRIVER & PASSENGER SEAT** Every shape and size is catered for in the Sedona with 6-way driver's seat adjustment and 4-way passenger seat adjustment.

**KEYLESS ENTRY SYSTEM** Not just to lock and unlock the doors - it also opens and closes the dual power sliding doors. A separate button opens and closes the tailgate.

## WHAT MOVES THE PEOPLE MOVER?

The Sedona is powered by a 2.2 litre CRDi diesel engine. It has the perfect combination of power and fuel economy. The powerplant is mated with a 6-speed automatic, Tiptronic transmission that features neuro-fuzzy artificial intelligence. Neuro-fuzzy artificial intelligence processes information on driving styles and conditions, and accurately predicts the engine response you prefer. An advanced Powertrain Control Unit makes for smoother gear shifting.

The result of these various technological advancements to the engine and transmission is an efficient engine that delivers the right power and torque while remaining quiet and environmentally-friendly.

### TRANSMISSION

6-speed automatic with  
Tiptronic function

### POWER

143kW / 3 800rpm

### TORQUE

436Nm / 1 800 - 2 500rpm

# SAFETY IS ABOUT PEOPLE, & PEOPLE ARE OUR PRIORITY

Safety has been a primary consideration in the development of the Sedona. We've focused our efforts on providing the most secure vehicle ever. Active safety features such as ESP (Electronic Stability Programme), which incorporates TCS (all-speed Traction Control System), help maintain control under unexpected road conditions. The BAS (Brake Assist System) enhances the ABS to give you maximum stopping power without skidding. VRS (Variable Rack Stroke) technology ensures the Sedona will automatically adjust the wheels' turning radius to account for the use of snow chains.

Passive safety begins with the Sedona's sturdy steel frame that creates a safety cell to absorb impact energy. This includes front and side collision protection at every important point. A second line of protection is offered by six state-of-the-art wraparound airbags. Front dual airbags protect the driver and passenger from head-on collisions, while side airbags and roof-based, curtain airbags provide protection for the head, chest and pelvis.

## SPECIFICATIONS

ENGINE	
Type	In-line 4-cylinder, 16-valve Common Rail Turbo Diesel
Displacement (cc)	2 199
Fuel supply system	Common Rail with Piezo multi-stage injection system
Max power (kW/rpm)	143 / 3 800
Max torque (Nm/rpm)	436 / 1 800-2 500
Compression ratio	16 : 1
Bore x stroke (mm)	85.4 x 96
Fuel type	50ppm diesel (ULS)
TRANSMISSION	
Transmission	6-speed automatic
PERFORMANCE	
Acceleration (0-100km/h)	12.3 seconds
Maximum speed (km/h)	196
Fuel consumption (l/100km) - combined*	7.4
CO <sub>2</sub> emissions (g/km) - combined	199
DIMENSIONS	
Overall length x width x height (mm)	4 810 x 1 985 x 1 760 (1 805 with roof rails)
Wheelbase (mm)	2 890
Wheel tread - front/rear (mm)	1 685 / 1 685
Overhang - front/rear (mm)	975 / 945
Minimum ground clearance (mm)	167
CAPACITIES	
Curb weight (min-max kg)	2 025 - 2 212
Gross vehicle mass (GVM) (kg)	2 810
Tow mass (kg) - trailer with/without brakes	2 000/750
Fuel tank capacity (l)	70
Seating capacity	7
Cargo area capacity (l) (VDA) - Seats up	172
- 3rd row seats removed	1 263
- 2nd and 3rd row seats removed	2 840
STEERING	
Type	Hydraulic Power Assisted, Rack & Pinion
Minimum turning radius	5.82 (5.51 with VRS)
BRAKES	
Front brakes	Ventilated discs
Rear brakes	Solid discs
SUSPENSION	
Front	MacPherson struts, coil springs, anti-roll bar
Rear	Multi-link, coil spring
WHEELS & TYRES	
Wheels	17" alloy
Tyres	235/60R17
Temporary spare	X
SAFETY	
ABS (Anti-lock Braking System)	X
EBD (Electronic Brake-force Distribution)	X
BAS (Brake Assist System)	X
ESP (Electronic Stability Programme)	X
TCS (Traction Control System)	X
Airbags	Driver, Passenger, Side & Curtain
Passenger airbag cut-off switch	X
Child safety anchors (ISOFIX)	X
FEATURES	
Transmission	Auto
Armrests - front	X
Auto light control	X
Bluetooth	X
Console storage trays	X
Cruise control	X
Dual power sliding door and power tailgate	X
Electric chromic mirror	X
Electric/heated mirrors + electric folding	X
Fog lights	X
Leather seats	X
Leather-wrapped steering wheel & gear knob	X
Luggage cover (retractable)	X
Map lights + sunglasses case	X
Power driver seat (6-way) + passenger seat (4-way)	X
Privacy glass	X
Radio/CD front loader, MP3 & iPod/USB connectivity	6 CD changer
Rain-sensing wipers	X
Rear view camera	X
Rear parking assist system	X
Remote steering controls	X
Roof rails	X
Room lamps (1st/2nd/3rd row)	X
Side mirror indicators	X
Speakers	6
Sunroof	X
Tri-zone auto climate control (front/rear) + cluster ioniser	X
Trip computer	X
Variable Rack-Stroke System (VRS)	X
7-seater: 2 (bucket) + 3 (3:3:3 split bench) + 2 (bucket)	X
OPTIONAL	
Metallic paint	

## EXTERIOR COLOURS

Clear White

Crystal Blue

Bright Silver

17" Alloy Wheels

**WARRANTY, MAINTENANCE & ROADSIDE ASSISTANCE** • 5-year/100 000km warranty • 5-year/100 000km maintenance plan • 3-year/unlimited km Roadside Assistance.

\*Combined fuel consumption figures are calculated according to an ECE directive. Actual fuel consumption achieved may vary based on factors including (but not only) vehicle load, ambient temperature, traffic conditions, driving style and altitude.

Kia Motors South Africa (Pty) Ltd. reserves the right to modify its vehicles without notice, likewise their characteristics, equipment and accessories.
