

Ahead of its class

ALL-NEW
OPTIMA K5

MORE | stylish stance

The All-New Optima K5 radiates an air of confidence with its muscular proportions and the elegant simplicity of its coupe-like roofline. HID Xenon headlamps with static bending lights not only look good, but increase visibility while driving at night. Daytime running lights add a touch of luxury, while the LED rear combination lamps reinforce the All-New Optima K5's sporty and high-tech image.

Static Bending Lights
Increases your night visibility when cornering by synchronizing your headlights and steering wheel when you make a turn.
