

2011

SORENTO

Sorento EX-V6 Luxury shown in Titanium Silver metallic.

READY FOR YOUR WORLD

CROSSOVER REFINEMENT, SUV CAPABILITY. The refinement of a European-inspired crossover and the back-roads-ready performance of an SUV come together as one in the all-new 2011 Sorento.

Sorento's new unibody architecture and four-wheel independent suspension perform with smooth, quiet assurance. Potholes and rough pavement can't upset it; darting traffic and sudden stops won't rattle its composure or yours. When the roads end or the weather turns wild, Sorento helps you advance with confidence, thanks to the availability of full-time all-wheel drive (AWD) with an electronic locking differential.

Sorento also offers a choice of powertrains – including four-cylinder and V6 engines, and new six-speed manual and Steptronic gated automatic transmissions – for a perfect blend of performance and fuel efficiency.

Comfort meets flexibility.

The all-new Sorento shapes itself to your needs in so many ways. For those times when you crave comfort, Sorento obliges with standard heated front seats, available leather seating with an eight-way power driver's seat, and an available, glare-reducing electrochromic rearview mirror.

The comfort extends to everyone aboard. There's more interior space than ever before and a new, optional third-row seat on Sorento LX-V6 and EX-V6 Luxury models. For easy cargo hauling, the second- and third-row seats fold down to give you plenty of room for big loads.

Panoramic Sunroof.

Drive with a cabin full of light with Sorento's available panoramic sunroof, featuring a power tilt and sliding front panel and fixed rear glass.

Keyless Entry.

Sorento features a standard keyless entry system with a security-enhancing panic button.

A DYNAMIC DRIVING EXPERIENCE

ENJOY THE EXPERIENCE. The emotion and sophistication of Sorento's new design carry over into the driving experience: it's a seamless and dynamic integration of convenience and control.

The sporty gauge cluster comes with Kia's ECO-Minder™ indicator¹ to help you get the most out of every litre of gasoline by letting you know when you're driving at your fuel-efficient best. Intuitive controls enhance the whole driving experience and include standard steering wheel-mounted audio and cruise controls, and Bluetooth® hands-free cell phone capability² that helps you keep your attention focused on the road.

With Sorento, you're in charge. Enjoy the experience.

1 Push-Button Start. The luxury of a keyless, push-button ignition switch is standard on Sorento LX-V6 and EX models.

2 Your Music Your Way. Sorento features standard AUX and USB audio ports, and an iPod®-compatible audio cable for your listening enjoyment.

3 Dazzling Sound. Sorento's AM/FM/CD/MP3/Satellite audio system is available in six- and ten-speaker configurations for exceptional sound quality. In addition, all models come with a three-month trial subscription to SIRIUS® satellite radio³.

4 Built-In Navigation. The Sorento EX-V6 Luxury includes a standard in-dash navigation⁴ system that gives you turn-by-turn directions to virtually any destination in North America. Just let the system be your guide.

5 Set-and-Forget Comfort. All Sorento EX models feature standard dual-zone automatic temperature control and an ionized air filtration system for superior comfort.

¹ Automatic transmission only. ² Bluetooth® technology-enabled cell phone required. ³ Service available in the 10 provinces and 3 territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after 3 trial months. ⁴ Bluetooth® and navigation technology only recognizes English voice prompts, with the navigation system. Vehicle may not be exactly as shown. ⁵ As of March 2010 production.

SAFER BY DESIGN

CONFIDENCE AND PROTECTION. The 2011 Sorento is designed and engineered for safety – exceptional safety.

With a body structure featuring more high tensile steel than ever before; front and side-impact airbags; side curtain airbags with rollover protection; and active anti-whiplash front headrests, the all-new Sorento is built to protect you and your loved ones.

Perhaps more importantly, Sorento is also equipped with advanced features to help you maintain control and avoid trouble in potentially dangerous situations.

1 Rearview Display Sorento's available rearview camera includes a mirror-integrated display to help you see what's behind the vehicle when you're backing up. On the EX-V6 Luxury models, view the camera display on the standard in-dash navigation system.

2 Parking Assist Bumper-mounted sensors in Sorento's available rear parking sonar system trigger an in-cabin warning to alert you to potential obstacles behind the vehicle.

3 Braking and Stability Control Sorento's standard four-wheel-disc anti-lock braking system (ABS) is augmented with electronic brake-force distribution (EBD) for optimal braking performance. ABS is also integrated with Sorento's traction control system and standard, stability-enhancing electronic stability control and Rollover Prevention systems to provide you with even greater driving confidence and safety.

4 Added Safety on Hills To help prevent rollback on uphill grades, the 2011 Sorento comes with standard Hill Assist Control (HAC) – a great peace-of-mind feature, especially when you have a trailer in tow. Sorento also features a standard driver-activated Downhill Brake Control (DBC) function that helps you better control your descent on steep roads and terrain.

Reward Yourself.

Kia Member Rewards is an exclusive rewards program for Kia Customers. As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia

dealer. Those Reward Points can be redeemed for discounts on future purchases – including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

Kia Member Rewards No-Charge Benefits include:

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service
- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/100,000-km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events – a great way to earn Reward Points and save on future purchases

Become a Kia Premium Rewards Member: Ask your Kia Dealer how you can enjoy even more benefits.

Enroll Today. Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit rewards.kia.ca for full terms and conditions.

Drive change.

It's about making things better. It's about thinking big, no matter how small you start. It's what took us from our first bicycle in 1952 to the vehicles we make today. It's what Kia Motors Corporation has always been about.

Kia builds quality vehicles for the young-at-heart, led by world-class design and adherence to the highest standards of corporate responsibility. Together, these commitments drive our ongoing development of state-of-the-art, eco-friendly cars to meet the global demand for compact, fuel-efficient vehicles. They also guide our community relations efforts around the world, including a unique, made-in-Canada program promoting multi-cultural understanding through Kia's active support of sports, environmental issues, health initiatives and education projects across Canada.
