

ALL-NEW 2011

**OPTIMA**

# WE CHANGED THE GAME. NOW YOU GET TO PLAY IT.

The all-new 2011 Kia Optima takes everything about a mid-size sedan and flips it on its head. It starts with breathtaking design, recognized with a string of prestigious awards from the world's leading design forums.<sup>1</sup> Reviewers have called it "striking, yet restrained"<sup>2</sup> and "close to show-stopping."<sup>3</sup> Optima is sophistication in motion.

Optima's game-changing qualities go beyond design to deliver class-leading horsepower, torque and fuel economy.<sup>4</sup> Plus top-rated safety in both NHTSA and IIHS crash tests.<sup>5</sup>

It's a new game now. Play it in the 2011 Kia Optima.

Optima SX shown in Ebony Black.

**Exceptional performance.** Optima is available with either of two exceptional 4-cylinder engines. LX and EX models come with a 2.4-litre gasoline direct injection (GDI) engine that delivers a class-leading 200 horsepower and best-in-class fuel economy.<sup>4</sup> For stirring V6-calibre performance with 4-cylinder fuel efficiency, look to the exciting 274-horsepower, 2.0-litre turbocharged GDI engine in the Optima SX.

**Keyless Convenience.** Kia's Smart Key system lets you start your Optima with the push of a button – you never have to search through your pocket or purse for the key. It's a standard convenience on Optima EX, EX Luxury and SX models.

**Paddle Shifters.** Optima SX is equipped with steering wheel-mounted paddle shifters to let you take manual control of the 6-speed Steptronic automatic transmission for a sportier driving experience.

**Entertaining and Informing.** Kia's exclusive UVO Powered by Microsoft<sup>®7</sup> is an available, cutting-edge entertainment, communication and information system that gives you voice-activated control over Optima's audio system, your MP3 player and your Bluetooth<sup>®</sup>-enabled cell phone.

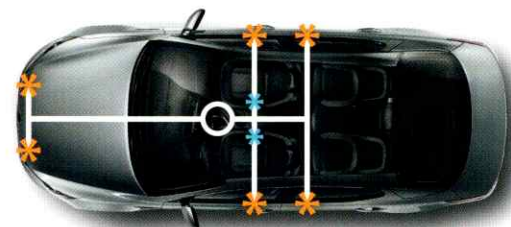

Optima SX interior.

**The 2011 Optima's award-winning interior package includes comfortable seating for five** – in cloth or available leather trim – with standard heated front seats, a tilt-and-telescoping steering wheel that adjusts to suit your height and comfort preferences, and voice-activated Bluetooth<sup>®</sup> hands-free cell phone connectivity<sup>6</sup> for safer driving. Optima EX Luxury and SX models add further luxury to the spacious cabin, including standard ventilated and cooled front seats, heated rear seats and a premium eight-speaker Infinity<sup>™</sup> audio system.

reddot design award

**Advanced Sensing.** Electronic sensors help Optima's airbag system determine the severity of a crash impact, the presence of a front passenger and whether or not the front seat occupants are wearing their seat belts. Then it controls airbag inflation accordingly for optimal protection.<sup>8</sup>

## Reward Yourself.

Kia Member Rewards is an exclusive rewards program for Kia Customers. As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia

dealer. Those Reward Points can be redeemed for discounts on future purchases – including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

### Kia Member Rewards No-Charge Benefits include:

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service
- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/100,000-km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events – a great way to earn Reward Points and save on future purchases

**Become a Kia Premium Rewards Member:** Ask your Kia Dealer how you can enjoy even more benefits.

**Enroll Today.** Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit [rewards.kia.ca](http://rewards.kia.ca) for full terms and conditions.

### Drive change.

It's about making things better. It's about thinking big, no matter how small you start. It's what took us from our first bicycle in 1952 to the vehicles we make today. It's what Kia Motors Corporation has always been about.

Kia builds quality vehicles for the young-at-heart, led by world-class design and adherence to the highest standards of corporate responsibility. Together, these commitments drive our ongoing development of state-of-the-art, eco-friendly cars to meet the global demand for compact, fuel-efficient vehicles. They also guide our community relations efforts around the world, including a unique, made-in-Canada program promoting multi-cultural understanding through Kia's active support of sports, environmental issues, health initiatives and education projects across Canada.
