

THE ALL-NEW 2006 SEDONA

2006 SEDONA

KIA
KIA MOTORS
*The Power to Surprise*TM

KIA. THE POWER TO SURPRISE.

THE KIA STORY. At Kia, our goal is to keep you moving ahead in fun, exciting ways. As the fastest growing automaker in the world, we surprised everyone by selling our first 100,000 vehicles in Canada in just 5 years — faster than BMW, Mercedes, Toyota or Mazda.* How did we do it? By delivering more of what you want.

* According to Ward's Automotive Yearbook.

ADVANCED TECHNOLOGY. We're constantly working to put the safest, most innovative technology into the most affordable cars. And there's more to come, thanks to our new 90,000-square-foot North American Design and Technology Centre in California.

**INTRODUCING THE ALL-NEW
2006 SEDONA**

Your family never slows down, so neither do we. That's why at Kia we've completely redesigned our 2006 Sedona to be roomier, more stylish and packed with a wealth of luxurious and convenient new features to meet everyone's needs. And although last year's Sedona earned the NHTSA's highest 5-star crash-test rating,* this year we've added even more advanced safety features. Plus the Kia Total Care Ownership Coverage, which includes the most comprehensive warranty of any other minivan out there. The result is the best minivan on the road. And the perfect vehicle to keep you and your family happily rolling along.

* Government star ratings are part of the National Highway Traffic Safety Administration (NHTSA) New Car Assessment Program (NCAP).

UNBEATABLE PROTECTION. From award-winning SUVs and minivans to stylish sedans and sporty compacts, all our vehicles come with The Kia Total Protection Package, which includes a 10-year/100,000-mile warranty program and 5 years/60,000 miles of 24-hour Roadside Assistance.** So you'll not only get more style and more features, you'll also get more peace of mind.

**See back cover for complete details.

KIA.CA Our website makes it easy to check performance details, features, specifications and more. You can also work out your potential monthly payment and find which of the over 150 dealers across Canada is nearest you. Or, if you prefer, simply call us at 1-800-542-2886.

STANDARD STOPPING POWER. The foundation of Sedona's advanced active safety program is the standard 4-wheel disc brakes. They come with an Anti-lock Braking System (ABS), which provides greater vehicle control when stopping in difficult conditions, like wet or slick roads.

SMARTER BRAKING SYSTEM. Electronic Brake Distribution is another important safety feature. During braking, it takes into account the load the vehicle is carrying and its distribution, and makes sure that the appropriate stopping force is used. Heavy luggage in the cargo area, for instance, will mean more braking force is needed at the rear for a more controlled stop.

EXTRA ASSISTANCE. For those rare times when you need to slam on your brakes, the Sedona has a useful ally: Brake Assist. During an emergency stop, it recognizes the force you apply to the brake pedal and applies the appropriate level of braking pressure for a more controlled stop.

BETTER STABILITY. To maintain greater control of your Sedona in the event of a severe skid, there's Electronic Stability Control (ESC). This monitors and controls key vehicle functions such as brake-force pressure, the speed you're traveling at and the direction of the vehicle, then brakes individual wheels and reduces engine power accordingly to help bring the vehicle back on its intended course.

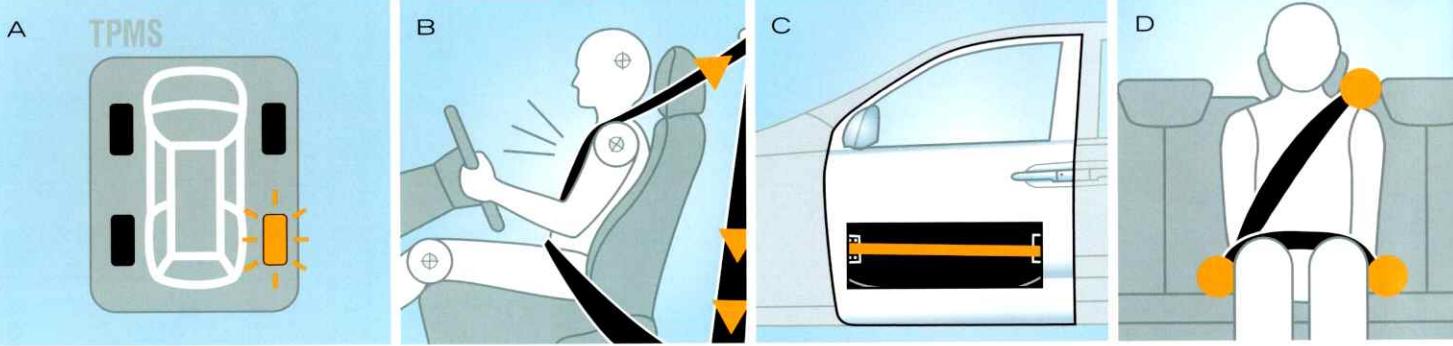

IMPROVED TRACTION. The Traction Control System (TCS) uses speed sensors on each wheel to detect tire slippage when starting out or accelerating. If slippage is detected, the engine power is reduced and/or the brakes are applied until traction returns.

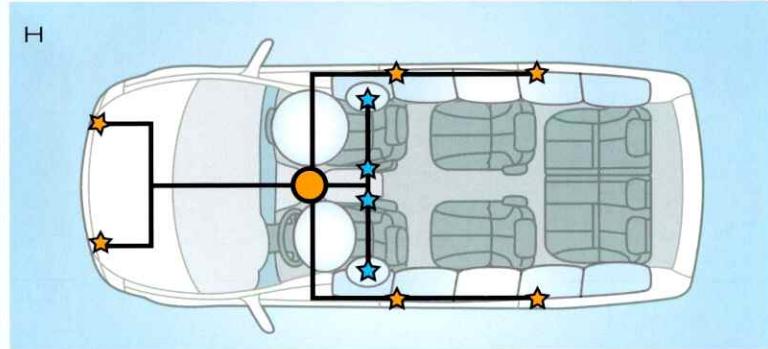

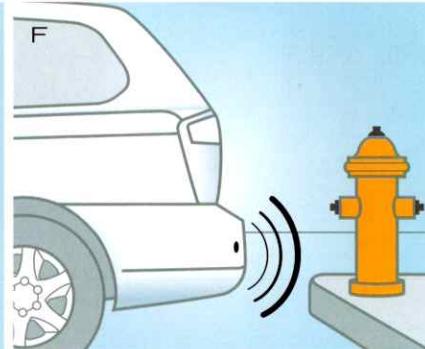

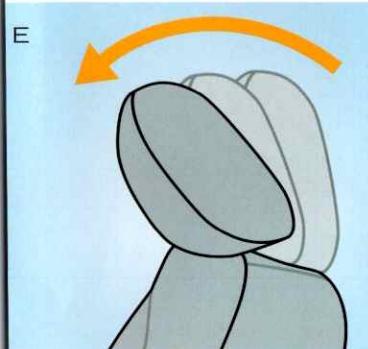

WE MAKE IT EASY TO DRIVE SAFELY.

PROTECTION WHERE YOU NEED IT MOST.

- Dual front advanced airbags
- Tire-Pressure Monitoring System (TPMS) (A)
- Dual front seat-mounted side airbags
- Full-length side curtain airbags
- Front seat-belt pretensioners with force limiters (B)
- Side-impact door beams (C)
- Front & rear 3-point seat belts (D)
- Front active headrests (E)
- Backup warning system (F)
- Lower anchors & tethers for children (LATCH) (G)
- Heated outside mirrors
- Airbag and seat-belt LATCH sensors (H)
- Engine immobilizer
- Front & rear crumple zones
- Energy-absorbing steering column
- 24-hour roadside assistance

SIX AIRBAGS FOR ZERO WORRIES. Sedona comes standard with six airbags placed throughout the vehicle. They include dual advanced front, dual front seat-mounted side and, for all three seating rows, full-length side curtains, all to help protect you and your family.

ENHANCED PROTECTION. The advanced Supplement Restraint System (SRS) is an airbag system that monitors the severity of an impact, the seating position of the occupants and seat-belt use, and then controls airbag inflation accordingly.*

ACTIVE SAFETY. Also standard in the Sedona are active front headrests. The headrests move forward and up to help reduce neck injuries to front occupants in the event of a rear-impact collision.

EXTRA CONFIDENCE. To help you navigate safely in reverse, Sedona is equipped with a Back-up Warning System that chimes if you approach objects within a distance of 120 cm while backing up.

TIRE CHECK. A tire-pressure monitoring system alerts you if one or more of your tires is underinflated so corrective action can be taken.

CHILD SAFETY. The LATCH child-seat system — Lower Anchors and Tethers for Children — comes standard in the second and third rows to help hold child seats more securely.

THEFT DETERRENT. Standard on all Sedona, the Engine Immobilizer helps prevent theft by cutting off the engine's power if someone tries to start the vehicle without a properly programmed ignition key.

* For maximum protection, always wear your seat belt.

COMFORT AND SPACE. THE KEYS TO FAMILY TOGETHERNESS.

COMFORT FOR ALL

When designing the all-new Sedona, we thought long and hard about how to keep everyone happy and decided to start with tri-zone air conditioning with separate controls for the driver, passenger and rear passengers. Other comfort-enhancing standard features include an 8-way power adjustable driver's seat with lumbar support and a leather-wrapped steering wheel and gear shift knob on the EX. And both trims feature adjustable rear headrests for improved driver visibility, plus lots of cup holders throughout the cabin.

REDESIGNED FOR ROOMINESS

The Sedona's longer wheelbase and generous length and width provide ample passenger space. Which means everyone can stretch out and relax.

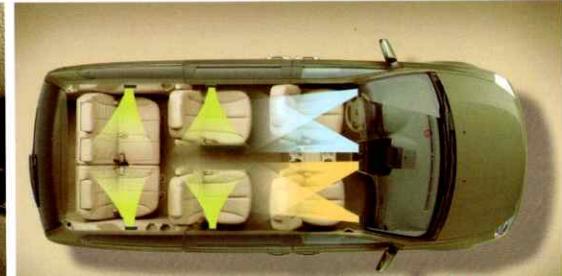

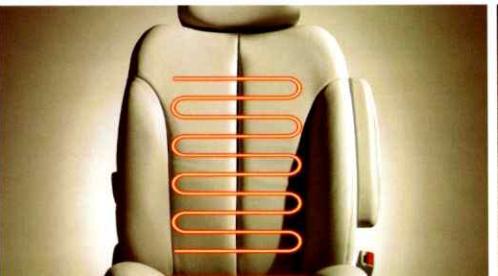

SEATING FOR SEVEN

With both 1st- and 2nd-row captain's chairs and roomy seating for 3 more in the 3rd row, every seat is a good one.

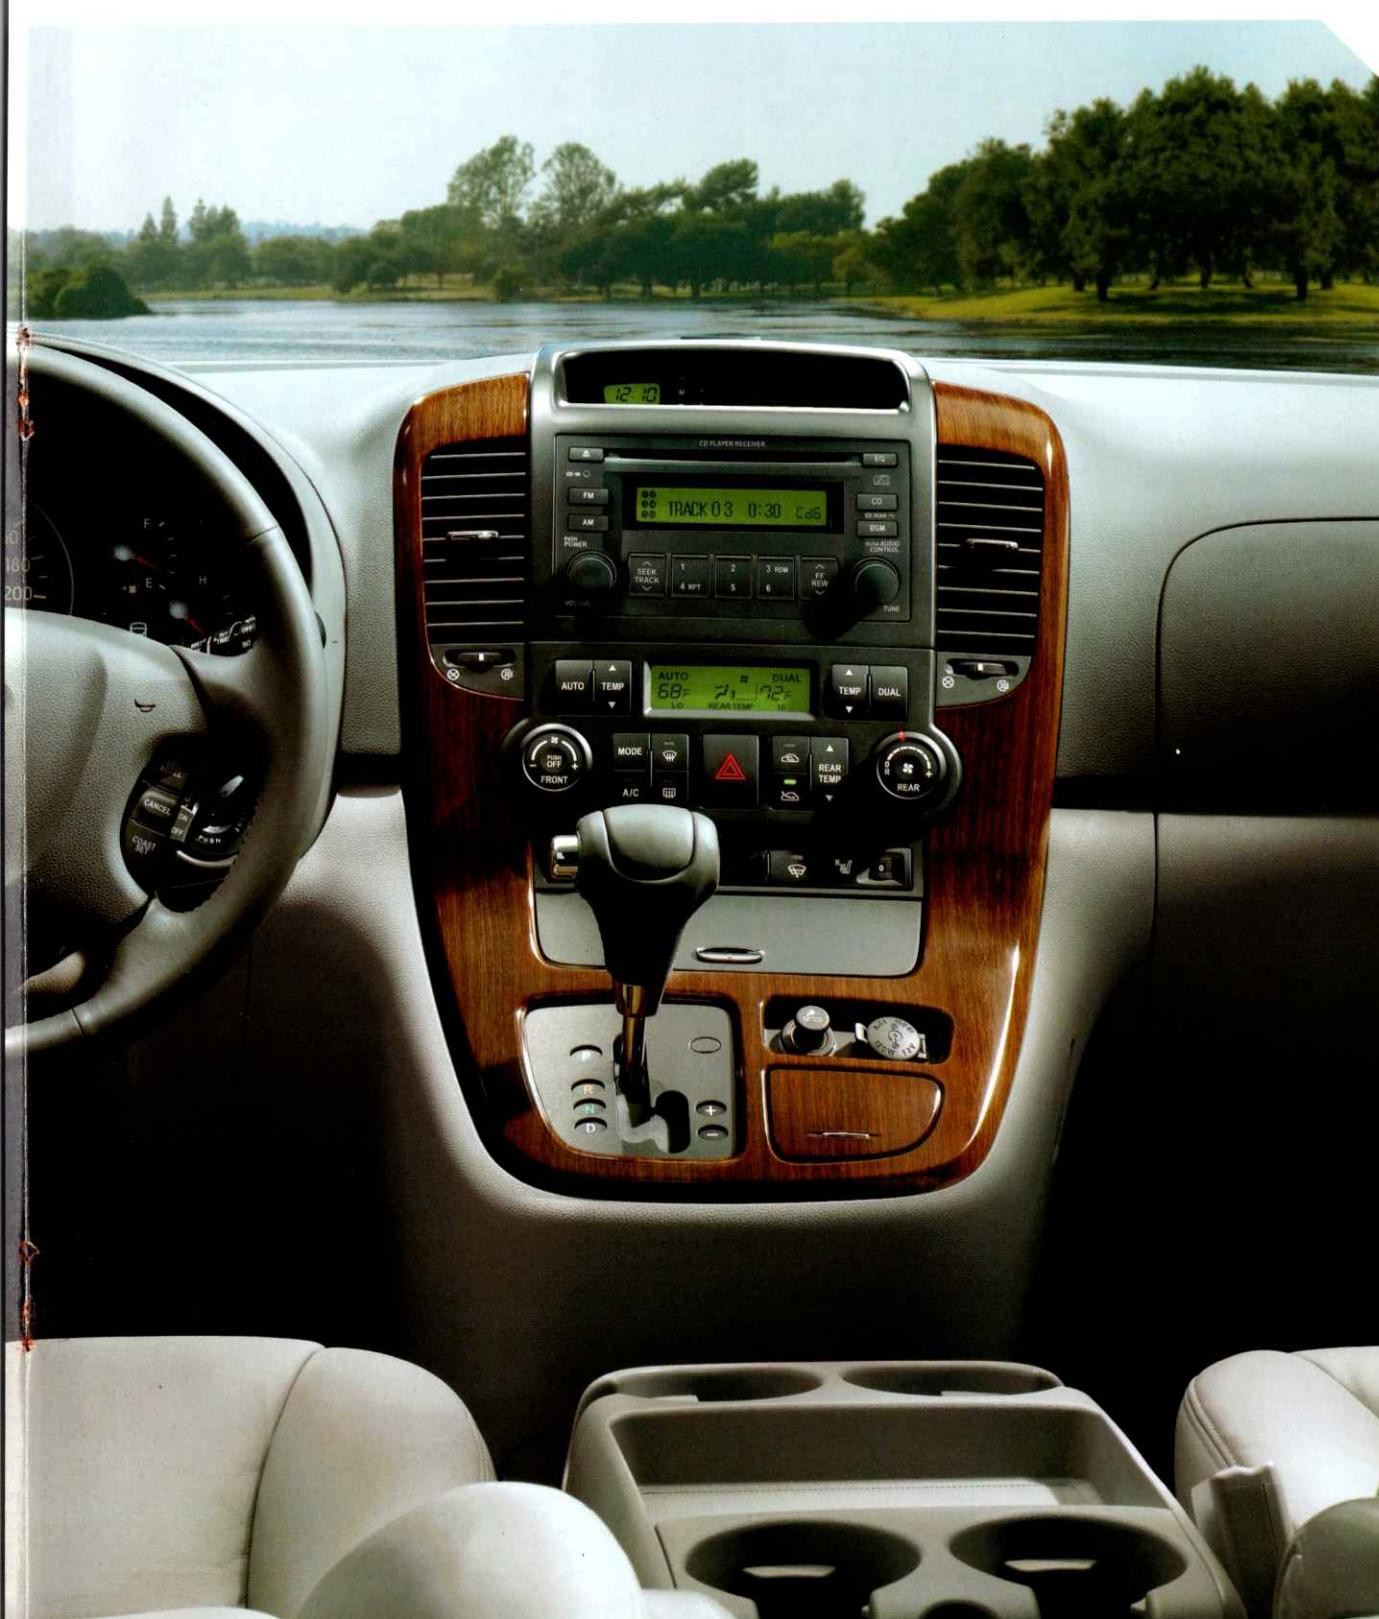

ADD A LITTLE LUXURY

For the ultimate in style and comfort, the available Luxury Package has it all: high-quality leather seat trim, steering-wheel mounted audio controls and more. Climate-enhancing features like heated front seats are perfect for chilly weather, while automatic air conditioning keeps you and your passengers cool. Other well-deserved features for the driver include power-adjustable pedals, mirrors and driver's seat, all with a built-in memory function.

MORE FEATURES. MORE SATISFIED PASSENGERS.

A. POWER CONTROLS

For your convenience, the Sedona also comes standard with power windows, door locks and heated outside mirrors.

B. 2ND & 3RD ROW POWER WINDOWS

Power sliding 2nd row windows & power quarter 3rd row windows provide easy access to fresh air.

C. OVERHEAD CONSOLE

The EX Power Package features a HomeLink[®] programmable garage-door opener, an LCD compass, trip computer and outside-temperature display.

D. POWER SUNROOF

Let the sun shine in with a power sunroof with sliding sunshade. It's part of the available EX Luxury Package.

E. AUDIO SYSTEM WITH ELECTRONIC EQUALIZER

An AM/FM/CD audio system with 6 speakers, including front tweeters and electronic equalizer, comes standard.

F. CONVERSATION MIRROR

Keep an eye safely on everyone seated behind you with this convenient mirror.

SEATING CONFIGURATIONS.

The Sedona's versatile 2nd and 3rd row seating and cargo options are nearly endless.

2ND ROW SEATS.

Two captain's chairs in the 2nd row are spaced apart to give each passenger individual room, plus easy access to the 3rd row. The one-touch flip-and-fold action provides even better access to the 3rd row, and they can be easily removed as well. The seats in the 2nd row slide forward, recline and fold over flat or for extra space in the back.

3RD ROW SEAT.

The 60/40 split-folding-into-the-floor 3rd row seat creates a large flat cargo area when folded down, while allowing ample rear cargo area when up and in place. The 3rd row seat also fold-in-the-floor individually for greater versatility.

- A. EASY ACCESS 3RD ROW SEATING
- B. FLAT-FOLDING 3RD ROW SEATS
- C. FLAT-FOLDING 2ND ROW SEATS WITH TRAYS
- D. ALL SEATS RECLINE
- E. STOWABLE 3RD & FLIP/FOLD 2ND ROW
- F. 3RD ROW DOWN/2ND ROW REMOVED

EASY IN. EASY OUT.

Dual sliding doors on both trims make getting in and out from either side a snap. And with the available EX Power Package, you can automatically open the sliding doors and lift gate at the touch of a button located inside the vehicle, or from the outside with the remote keyless entry control.

TOTAL FLEXIBILITY.
BECAUSE NO TWO
DAYS ARE ALIKE.

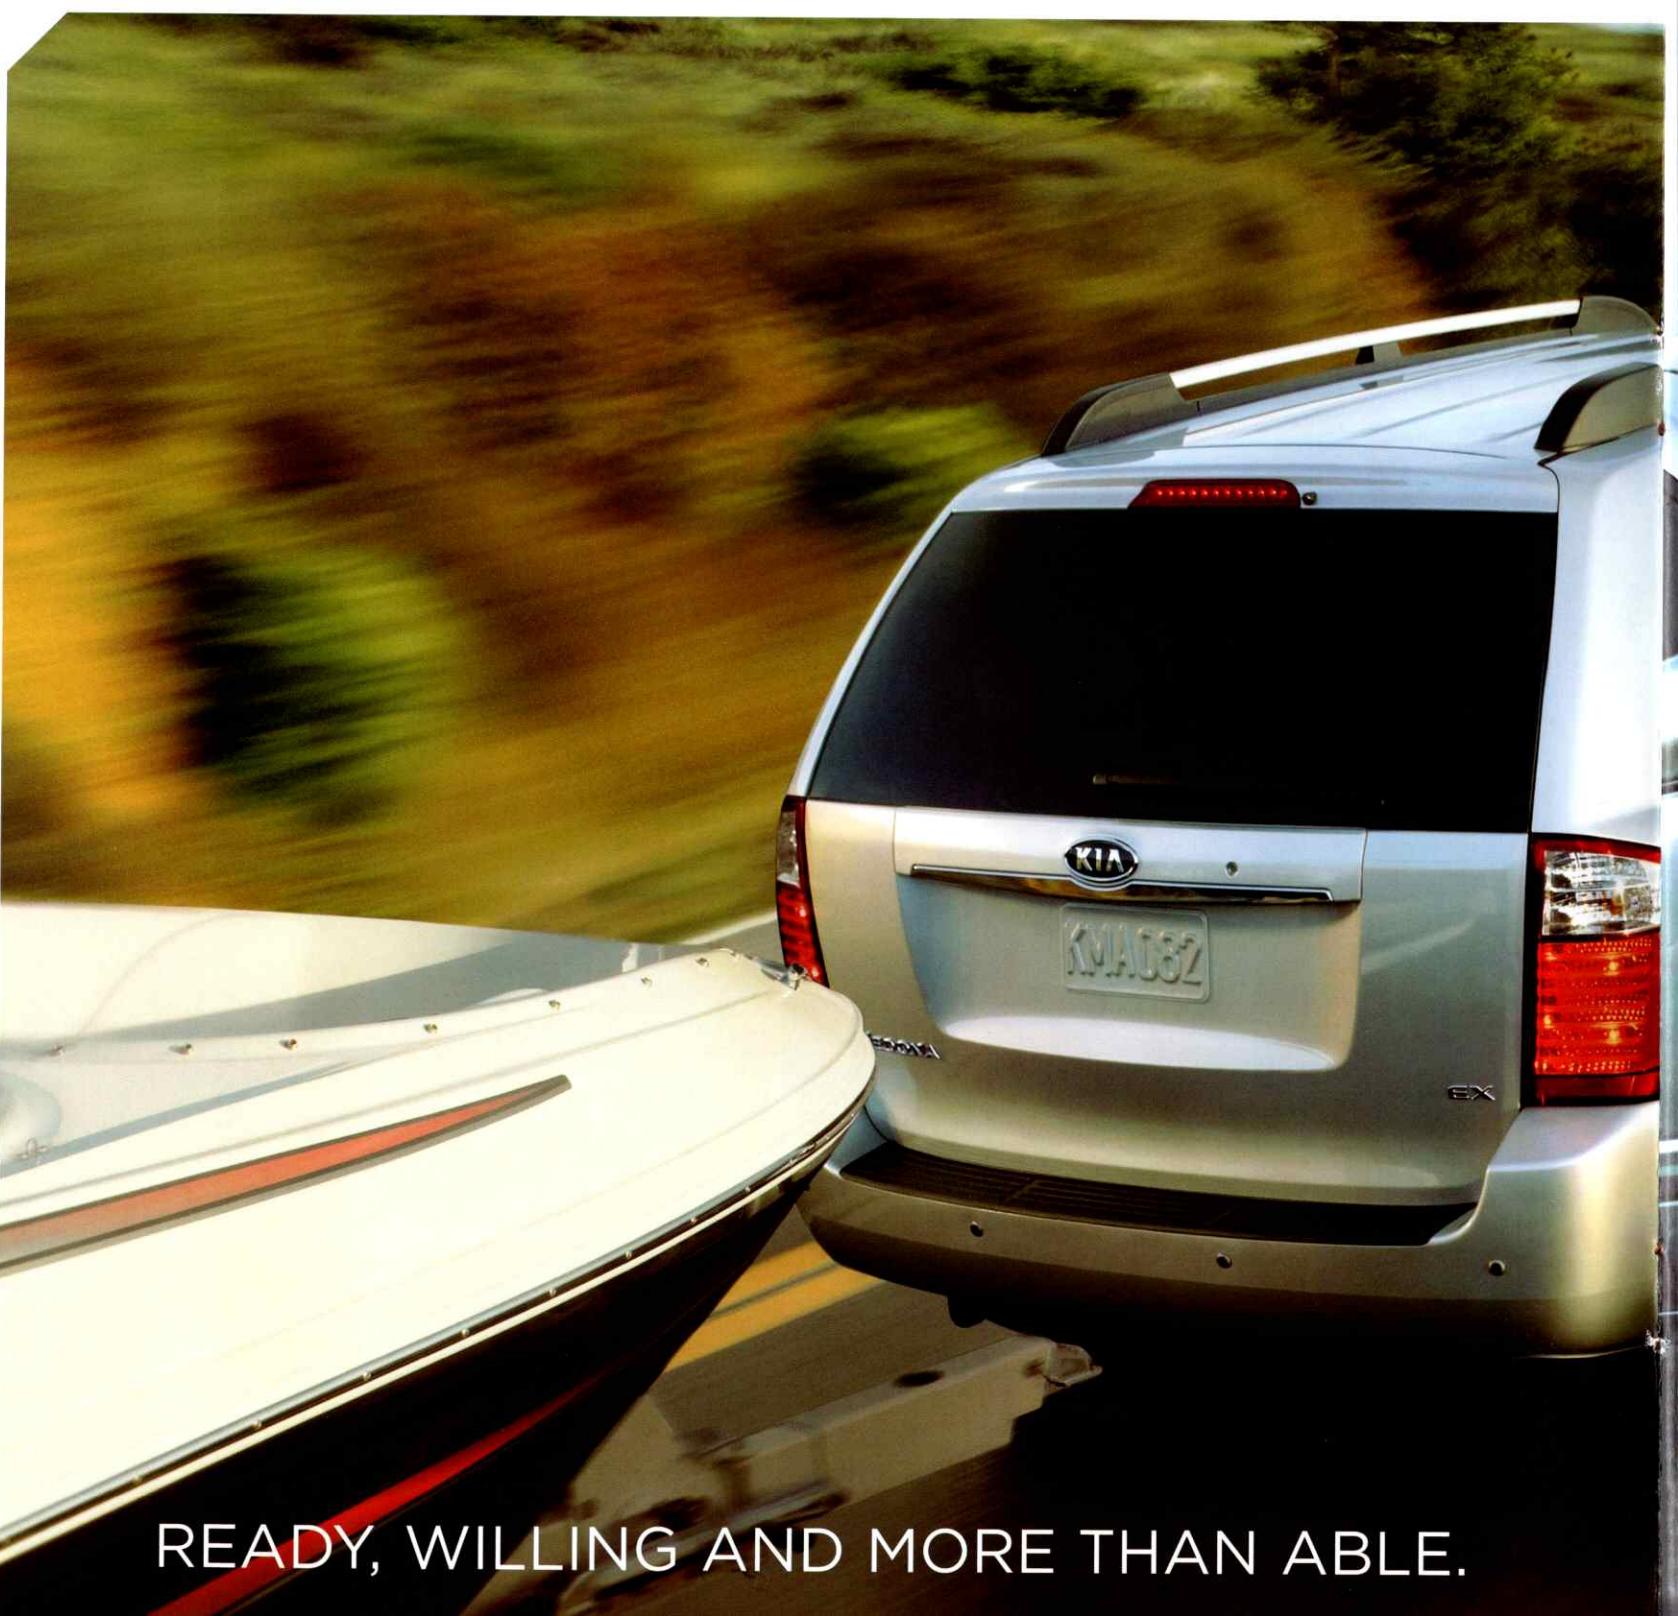

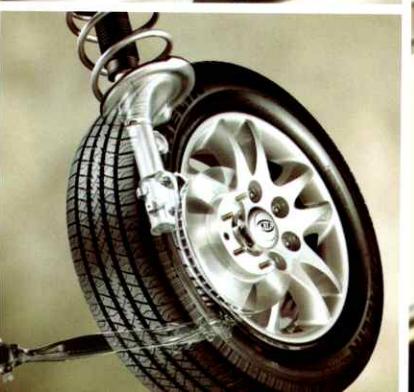

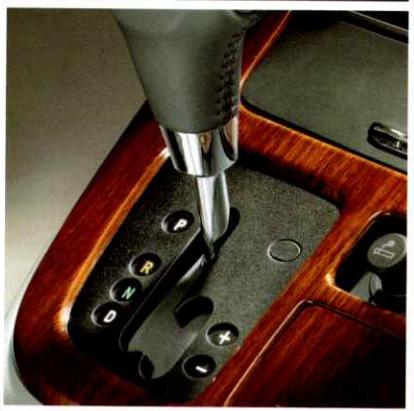

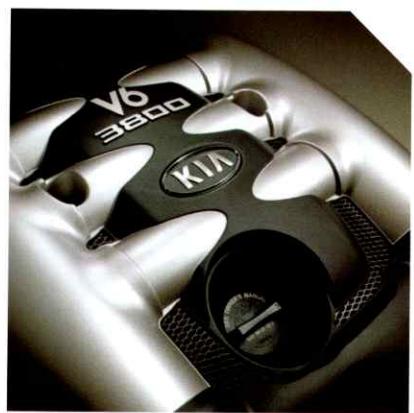

MANY SPACES FOR YOUR MANY THINGS.

CONVENIENT STORAGE. The Sedona boasts a variety of clever and useful storage areas throughout the cabin. There are custom spaces for sunglasses and CDs, a dual-storage glove box, a centre tray with cup holders and more.

REAR CARGO AREA. When the 3rd row seats are up, an in-floor storage compartment is easily accessible for storing a variety of items which might be used on longer trips. For larger items, simply remove the 2nd row seats and fold the 3rd row seats into the floor. No matter what the occasion, you'll soon discover the Sedona can handle whatever you and your family have in mind.

- A. PASSENGER STORAGE BIN
- B. SUNGLASSES HOLDER
- C. CD STORAGE
- D. DUAL-STORAGE GLOVE BOX
- E. FOLD-INTO-FLOOR 3RD ROW SEATS
- F. IN-FLOOR STORAGE COMPARTMENT
- G. 3RD ROW FOLDED DOWN FLAT
- H. CENTRE-FOLDING TRAY

READY, WILLING AND MORE THAN ABLE.

THE POWER YOU NEED. With increased horsepower and torque, the Sedona boasts a completely new 3.8-litre 24-valve DOHC V6 engine that generates more than 240 horsepower, 250 lb.-ft. of torque and 3,500 lbs. of towing capacity for dependable performance no matter where you're heading.

STEPTRONIC® SHIFTING. For greater driving pleasure, both trims come standard with a 5-speed automatic Steptronic transmission, which gives you a choice between traditional automatic mode and manual, sport-style shifting when you tap the gearshift lever forward and back to change gears.

BRAKING CONTROL. The Sedona's standard 4-wheel disc brakes with ABS provides you greater stopping control for added confidence on the road.

SUPERIOR MANOEUVRABILITY. A comfortable ride comes standard. The Sedona's MacPherson strut front suspension with stabilizer bar offers optimal tire grip, improved traction and enhanced lateral rigidity while reducing road noise. The multi-link rear suspension also includes coil springs and a stabilizer bar. A combination that offers exceptional handling and directional stability.

PEDAL-FREE CONVENIENCE. For those welcome stretches of open road, the Sedona comes standard with cruise control to make driving a breeze.

FEATURES

LX

- ◆ 3.8 L, 244 HP*, V6 with Continually Variable Valve Timing (CVVT)
- ◆ Steptronic 5-speed automatic transmission
- ◆ Engine speed-sensing power steering
- ◆ Dual front advanced airbags (driver & front passenger)
- ◆ Dual side airbags (driver & front passenger)
- ◆ Dual curtain airbags (protecting 3 rows of seats)
- ◆ Anti-whiplash front headrests
- ◆ Tire Pressure Monitoring System (high line) with warning indicator
- ◆ Back-up warning system (engaged while in reverse)
- ◆ Anti-theft electronic immobilizer
- ◆ ABS with 4-wheel disc brakes
- ◆ Front seat belt pretensioner with load limiter
- ◆ Heated front windshield (for de-icing front wipers)
- ◆ Heated side mirrors
- ◆ Tri-zone air conditioning with separate controls for driver, front passenger and rear passengers
- ◆ AM/FM/CD stereo with 6 speakers
- ◆ Power windows: Front, sliding doors and rear
- ◆ Remote keyless entry
- ◆ Cruise control
- ◆ Tilt steering column
- ◆ Conversation mirror
- ◆ Low washer fluid warning indicator
- ◆ Locking glove box
- ◆ Dual glove box with map holder
- ◆ Overhead console with map lamps
- ◆ Front side-folding table
- ◆ Full cloth front bucket seats with foldable armrests
- ◆ Driver's seat with height adjuster and lumbar support
- ◆ 2nd row bucket seats with 1-touch folding and fix
- ◆ 3rd row sinking, reclining, and split folding rear seats
- ◆ Map lamps: 2 (front), 4 (rear)
- ◆ 16" all-season tires with full wheel covers
- ◆ Body coloured body side mouldings
- ◆ Deeply tinted privacy glass plus tinted windshield with sunband
- ◆ Body coloured outer door handles and mirrors
- ◆ Front and rear mudguards
- ◆ Illuminated keyhole and cabin courtesy lamp
- ◆ Battery saver
- ◆ Deluxe glass antenna
- ◆ Remote opening fuel door
- ◆ 12v power outlets (2 in front, 1 in rear)

EX

(IN ADDITION TO LX FEATURES)

- ◆ 17" alloy wheels with Michelin all-season tires
- ◆ Power 8-way adjustable driver seat
- ◆ Leather-wrapped steering wheel and gear shift knob
- ◆ Deluxe seat cloth
- ◆ Audio controls on steering wheel
- ◆ Compass and trip computer
- ◆ Solar control windshield and front-door windows
- ◆ Step illumination for easy entry
- ◆ Illumination on vanity mirrors
- ◆ Chrome exterior accents on front grille and rear garnish
- ◆ Front fog lamps
- ◆ Roof rack
- ◆ Deluxe door scuff plates
- ◆ Additional 12v power outlet located in rear (total of 2 in rear)
- ◆ Tilt function on 1st row headrests
- ◆ Height adjustability on 1st row armrest
- ◆ Retractable shopping bag hooks in cargo area

EX WITH POWER PACKAGE

(IN ADDITION TO EX FEATURES)

- ◆ Power dual sliding doors and power tailgate with remote control function
- ◆ Power adjustable pedals
- ◆ Power garage door and gate opener (HomeLink®)
- ◆ Automatic rain-sensing windshield wipers
- ◆ Automatic dimming rear view mirror (electro-chromatic)

EX WITH LUXURY PACKAGE

(IN ADDITION TO THE POWER PACKAGE FEATURES)

- ◆ Electronic Stability Control (ESC) with Traction Control System (TCS) and Brake Assist System (BAS)
- ◆ Luxurious leather seats
- ◆ Heated front seats with temperature controls
- ◆ Fully automatic climate control system with temperature setting
- ◆ Deluxe memory setting for power seats, power adjustable pedals and power mirrors
- ◆ Sunroof with 1-touch power sliding and tilting function
- ◆ Fine wood-grain interior accents

SPECIFICATIONS

COLOURS

ENGINE

Horsepower	244 HP* @ 6,000 rpm
Torque	253 lb.ft.* @ 3,500 rpm
Type	3.8 L V6, aluminum heads and aluminum block
Valve gear	DOHC, 4 valves per cylinder, CVVT
Displacement	3,778 cc (230.56 cu. in.)
Compression ratio	10.4:1
Fuel tank capacity	80 L (21.1 gal.)
Transmission	Automatic 5-speed with overdrive and Steptronic mode

DIMENSIONS (EXTERIOR AND INTERIOR)

Wheelbase	3,020 mm (118.9 in.)
Track (front/rear)	1,685/1,685 mm (66.3/66.3 in.)
Exterior height	LX: 1,760 (69.3 in.); EX: 1,830 (71.5 in.)
Exterior length	5,130 mm (202.0 in.)
Exterior width	1,985 mm (78.1 in.)
Ground clearance	167 mm (6.57 in.)
Turning diameter (curb to curb)	12.1 m (39.6 ft.)
Head room (front/middle/rear)	1,041/1,010/973 mm (40.9/39.8/38.3 in.)
Hip room (front/middle/rear)	1,504/1,673/1,273 mm (59.2/65.9/50.1 in.)
Leg room (front/middle/rear)	1,059/1,040/864 mm (41.7/40.9/34.0 in.)
Shoulder room (front/middle/rear)	1,606/1,660/1,537 mm (63.2/65.3/60.5 in.)
Interior Volume (passenger volume)	4,879.0 L (172.3 cu. ft.)
Cargo capacity – behind 3 rd row	911.8 L (32.2 cu. ft.)
Cargo capacity – 3 rd row seats stowed	2,268.2 L (80.1 cu. ft.)
Cargo capacity – 3 rd row stowed & 2 nd row removed	4,006.8 L (141.5 cu. ft.)

CURB WEIGHT

LX	1,989.9 kg (4,387 lb.)
EX	2,107.4 kg (4,646 lb.)

BODY AND CHASSIS

Layout	Front engine, front-wheel drive
Body type	Steel unibody
Front suspension	MacPherson strut, coil springs, anti-roll bar
Rear suspension	Multi-link with struts, coil springs
Steering type	Rack-and-pinion, power assisted

BRAKES

Type	4-wheel ABS, 4-wheel disc
Front	297.2 mm (11.7 in.) vented disc
Rear	302.3 mm (11.9 in.) solid disc

TIRES

LX	All-season P225/70 R16
EX	Michelin P235/60 R17

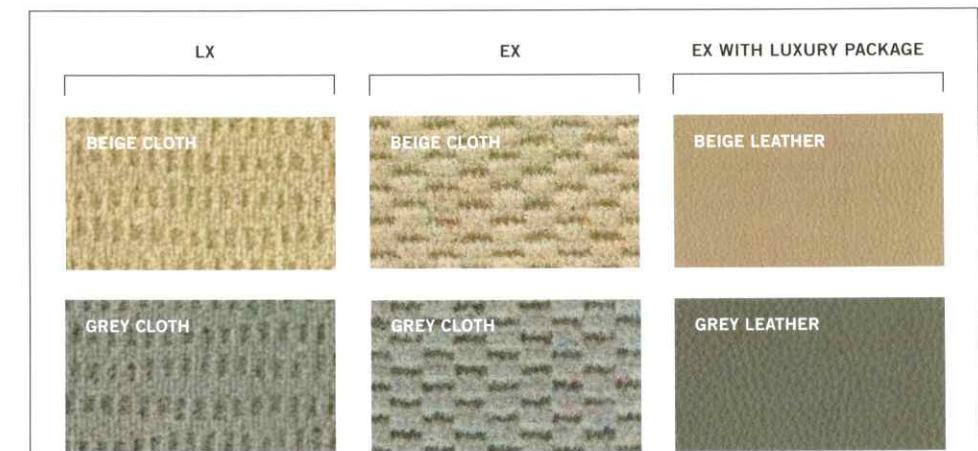

FUEL ECONOMY (CITY/HIGHWAY L/100 KM)

5-speed automatic	8.8/13.2 L (32.1/21.4 mpg)
-------------------	----------------------------

EXTERIOR

INTERIOR

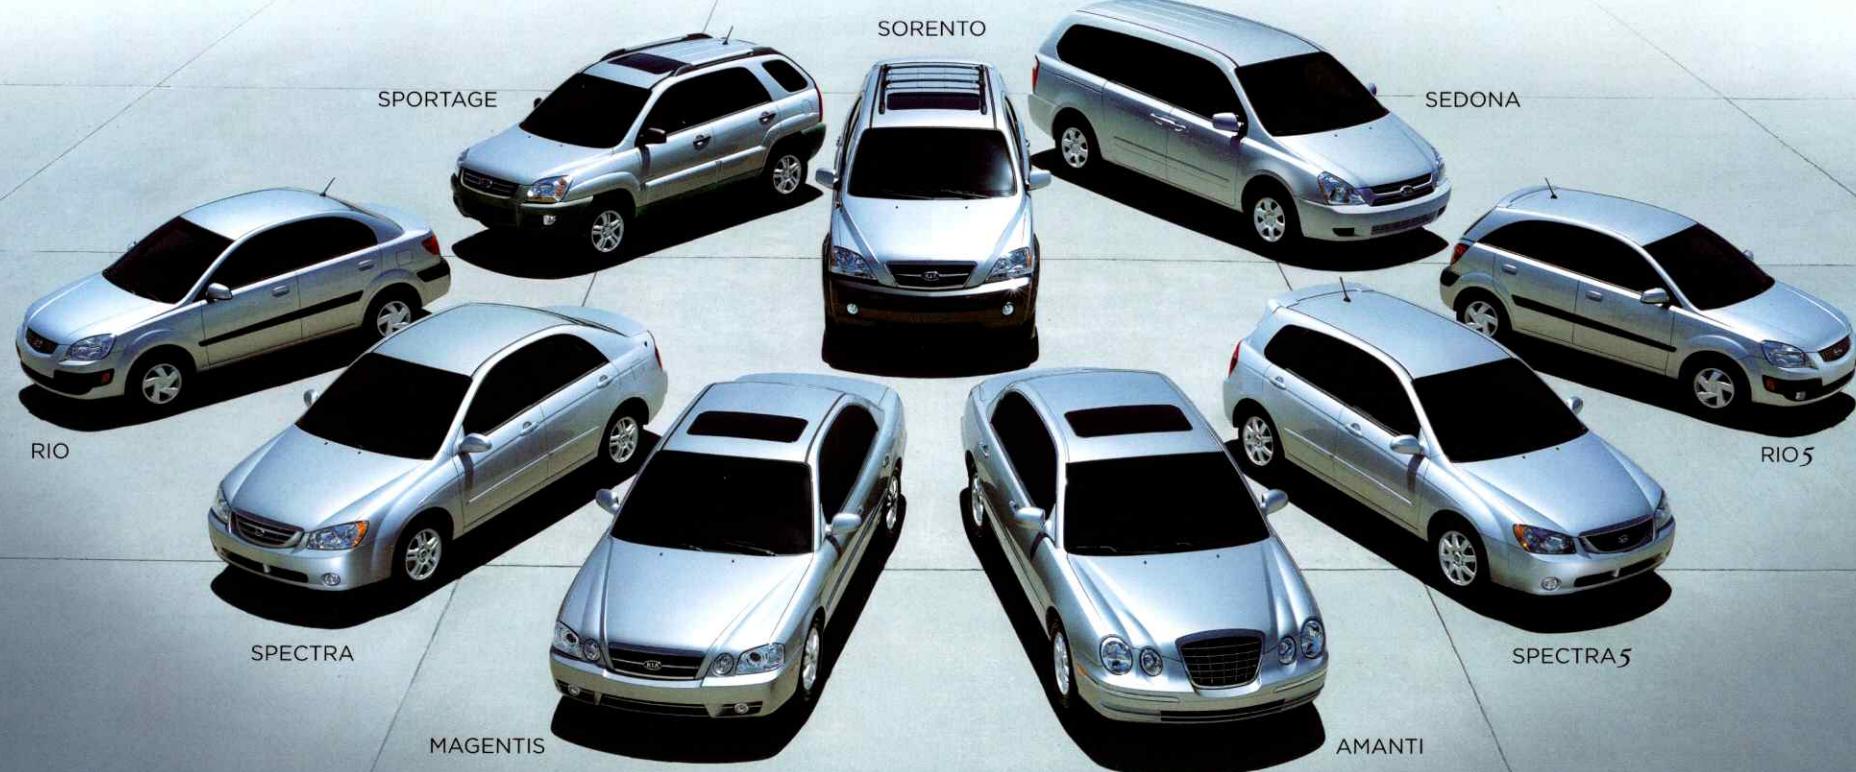

INTERIOR FABRIC COMBINATIONS ARE INDICATED BY: B = BEIGE INTERIOR, G = GREY INTERIOR
ACTUAL VEHICLE COLORS MAY VARY FROM PRINTED BROCHURE.

PEACE OF MIND.

TOTAL CARE OWNERSHIP COVERAGE

- 5 YEAR/100,000 KM WORRY-FREE COMPREHENSIVE WARRANTY
- 5 YEAR/100,000 KM POWERTRAIN WARRANTY
- 5 YEAR/100,000 KM EXTRA CARE ROADSIDE ASSISTANCE
