

# FAMILY MATTERS

THERE ARE CERTAIN THINGS I REALLY CARE ABOUT: BEING WITH MY FAMILY, KEEPING THEM SAFE.  
AND FINDING A MINIVAN THAT KEEPS THEM SO CONTENT, THE PHRASE "ARE WE THERE YET?" BECOMES OBSOLETE.

SEDONA

THE 2005 KIA SEDONA

# BEING TOGETHER

WHETHER WE'RE CAMPING, CAR POOLING OR CRUISING AROUND, ALL WE NEED IS EACH OTHER TO MAKE IT FUN. OF COURSE, HAVING COMFORTABLE SEATS, TONS OF SPACE, GREAT MUSIC, 10 CUP HOLDERS AND A LITTLE FOLDING TRAY TABLE TO KEEP THE KIDS OCCUPIED DOESN'T HURT EITHER.

## SEDONA LX ANNIVERSARY EDITION

With its powerful V6 engine, 5-speed automatic transmission with overdrive and versatile seating for seven, the LX Anniversary Edition has everything you need. Plus amazing standard features like ABS, front and rear air conditioning, cruise control, power locks with remote keyless entry, power front windows, heated side mirrors, front wiper de-icer, anti-theft immobilizer, rear sensor with sonar that allows you to be safe while in reverse, 10 cup holders and an AM/FM/CD stereo system with 6 speakers to make every ride a pleasant one.

Grocery shopping. Soccer practice. Summer vacations. Families log a lot more kilometres than they used to. So at Kia, we set out to make all that time on the road quality time, with the 2005 Kia Sedona. A minivan with all the power, comfort and features you could possibly need. The National Highway Traffic Safety Administration's (NHTSA) highest safety rating.\* Canada's Best Ownership Coverage.\*\* And a price you can actually afford. No wonder Sedona won AutoPacific's "Best in Class Vehicle Satisfaction" award for best minivan® in 2002. So meet this year's Sedona. And don't forget to bring the family.

#### SEDONA EX

CUSTOM COMFORT

It's like a family room on wheels. The Sedona EX has everything you need to feel right at home. Like an 8-way power-adjustable driver's seat with power lumbar support and a 4-way power-adjustable passenger seat. Front row tilt-adjustable headrests. And available leather seat trim\* for extra comfort. You can also get a power sunroof\* with tilt, for a little fresh air and sunshine. And when you've had enough of the great outdoors, standard front and rear air conditioning with rear controls let everyone control their very own micro-climate. To keep your personal space tidy, there's a front console CD storage box, dual glove boxes and a front passenger lockable under-seat storage tray. And for a little extra style, there's a leather-wrapped steering wheel and gear-shift knob plus attractive wood grain accents. Hmm. Come to think of it, the Sedona might be way better than your family room.

# THE COMFORTS OF HOME

AFTER YEARS OF FIGHTING OVER THE GOOD SPOT ON THE COUCH, THE TOP BUNK IN THE BEDROOM AND THE FAVOURITE LOUNGE CHAIR IN THE BACKYARD, THERE'S FINALLY A PLACE WHERE WE CAN ALL BE KING.

"HOW CAN YOU BE HOT WHEN I'M SO COLD?" "GOOSEBUMPS DON'T LIE." "IT'S LIKE AN IGLOO IN HERE!" NOW THESE PHRASES NEED NEVER BE UTTERED AGAIN. WITH THE SEDONA'S FRONT, 2<sup>ND</sup> AND 3<sup>RD</sup> ROW AIR-FLOW VENTS WITH FRONT AND REAR CONTROLS, EVERYONE'S IN CHARGE OF THEIR OWN PERSONAL COMFORT.

A photograph of the interior of a car, specifically the driver's side. The steering wheel is leather-wrapped with the Kia logo in the center and 'SPS AIRBAG' text below it. Behind the wheel are three analog gauges: a tachometer on the left, a speedometer in the center, and a fuel/temperature gauge on the right. The dashboard and center console are finished with a light-colored wood grain. The center console features a radio with a digital display showing 'cd03', various control buttons, and three circular climate controls. A gear shift lever is visible below the center console. The car is parked on a sandy beach with the ocean in the background.

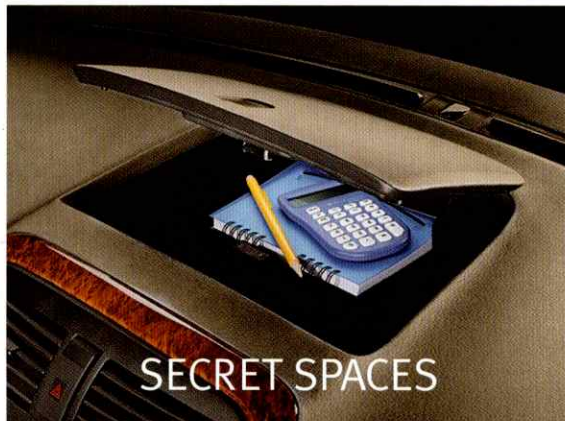

# LIFE'S LITTLE LUXURIES

WE NEED A CUTE FOLDOUT SIDE TABLE WITH CUP HOLDERS. WE NEED THREE POWER OUTLETS TO PLUG IN OUR TOYS AND GADGETS. WE NEED GREAT MUSIC AND A SPECIAL PLACE TO PUT SUNGLASSES. THE FUNNY THING IS, WE NEVER KNEW WE NEEDED THEM UNTIL NOW.

POWER TO GO

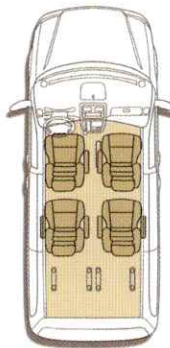

In reality, you could probably live without some of these features. But what on earth for? The Sedona makes it easy to get everything you want, including some stuff you don't even know about yet. Like an overhead console with a digital clock, trip computer and sunglasses holder. A covered storage box in the upper dash to stash those emergency candy bars. A front row folding, extendable side table with four cup holders to turn your journey into a fine dining experience. And six more strategically located cup holders throughout the vehicle. Plug-in power? You've got it with three 12-volt power outlets located in the dash, third row and cargo area. Dual sliding doors with safety reflector edge make coming and going easy. And for your entertainment, a premium AM/FM/Cassette/CD\* stereo system with 6 speakers is at your command. Should you require further entertainment, who among us can resist the push-button allure of power windows, mirrors and door locks?

\*LX Anniversary Edition features AM/FM/CD stereo.

# SPACE FOR OUR STUFF

OUR SEDONA HAS MANAGED A SIX-FOOT PIÑATA, A GIANT CLAY REPLICA OF MT. KILIMANJARO, AND A SAINT BERNARD. SO FITTING IN A MOUNTAIN OF COTTAGE GEAR IS A PIECE OF CAKE.

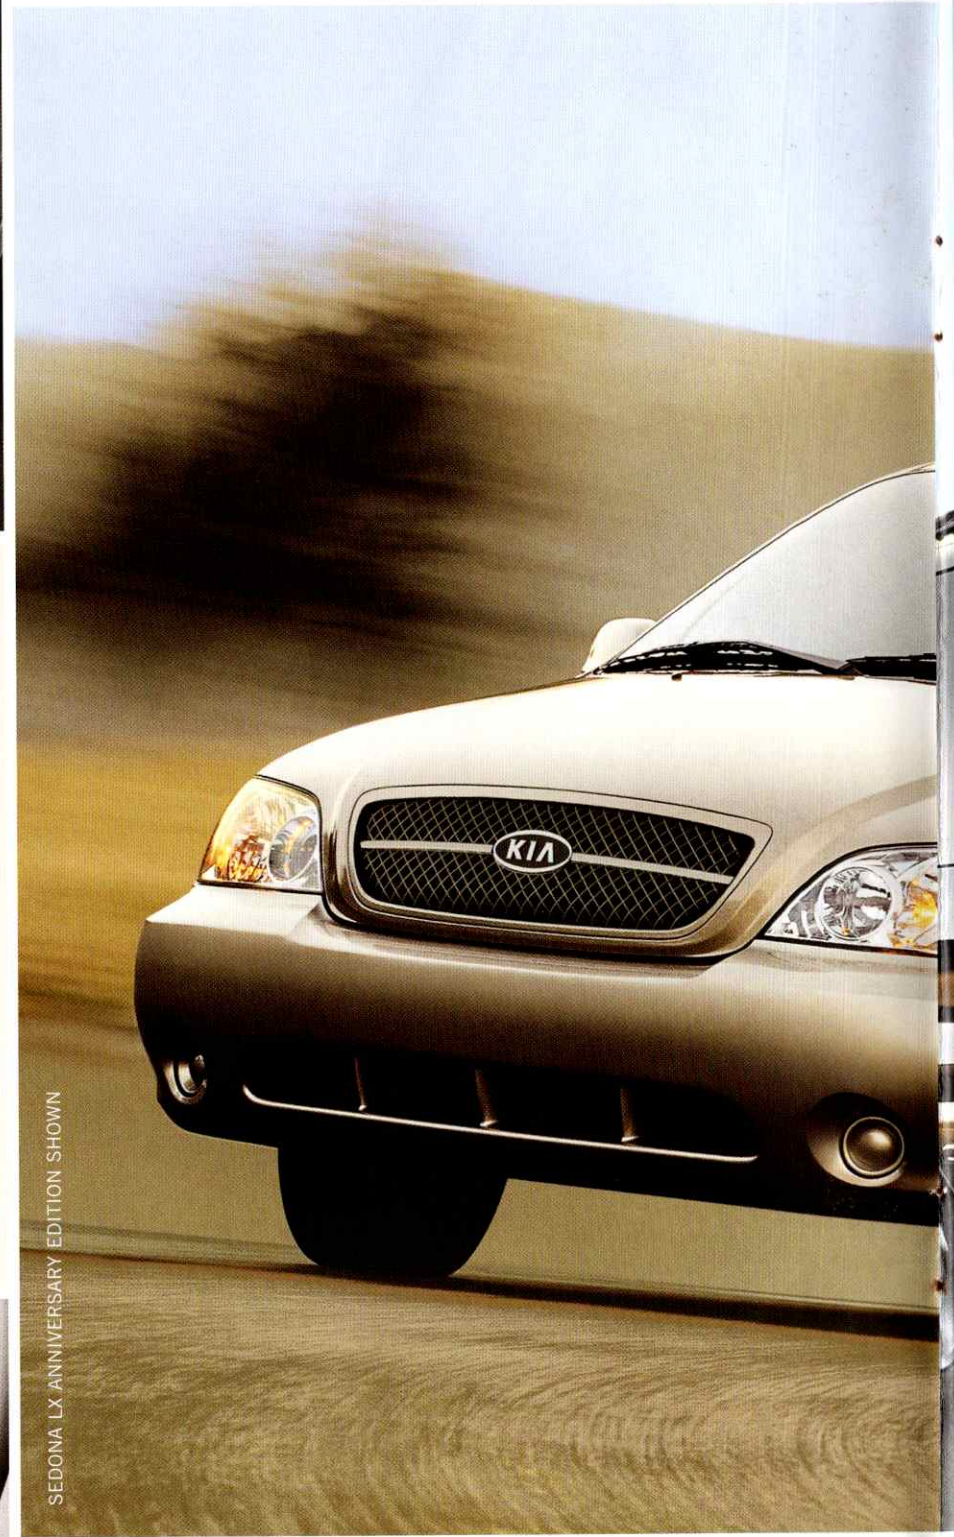

We've all got stuff. And at some point, we need to take it with us. With this in mind, we designed the Sedona to have all the versatile cargo space you need – 3,610 litres of it to be exact. And with eight different seating configurations, you can arrange all that space any way you like. There's standard seven-passenger seating, removable 2<sup>nd</sup> row bucket seats and split double-folding removable 3<sup>rd</sup> row bench seats that easily roll out and are light enough for one person to handle. Other handy storage features include a roof rack\* for your bikes and sporting gear and a rear cargo area with shopping bag holder.\* And if you still have more things to store after all that, a covered storage box in the 3<sup>rd</sup> row is ready and willing to serve.

Is everybody ready? Then hop in and let's hit the road. With the Sedona's 3.5-litre 195 horsepower V6 dual overhead cam engine and 1,587 kg (3,500 lb.)\* of towing capacity, you've got plenty of power to make it up those hills or wherever else you're going. The Sedona's engine speed-sensing rack-and-pinion steering gives you a firm command of the wheel, and its high-performance roller-rocker valve train enhances performance efficiency and reduces wear. For a smooth ride, the independent MacPherson-strut front suspension and five-link coil rear suspension handle all the bumps in the road. And cruise control comes in handy on those long open stretches. You'll also be happy to know that Sedona was the first minivan to give you a 5-speed automatic transmission instead of 4, giving you smoother gear-shifting and more power in any gear. So what's stopping you? Oh. There's a rest stop just up ahead on your left.
