AMANTI

THE 2005 KIA AMANTI

KIA MOTORS

THE ULTIMATE FORM OF SELF-EXPRESSION

In your personal and professional life, success manifests itself many ways. By the way you think. By the way you establish and achieve your goals. In the Amanti, the mantle of success is reflected through over half a century of technological and artistic expression. The most advanced safety systems. The simplicity of beautifully sculpted lines. The finest materials and craftsmanship. Exhilarating performance and handling. The 2005 Amanti. Revered by automotive enthusiasts with a refined appreciation for luxury... as well as an unbridled passion for life.

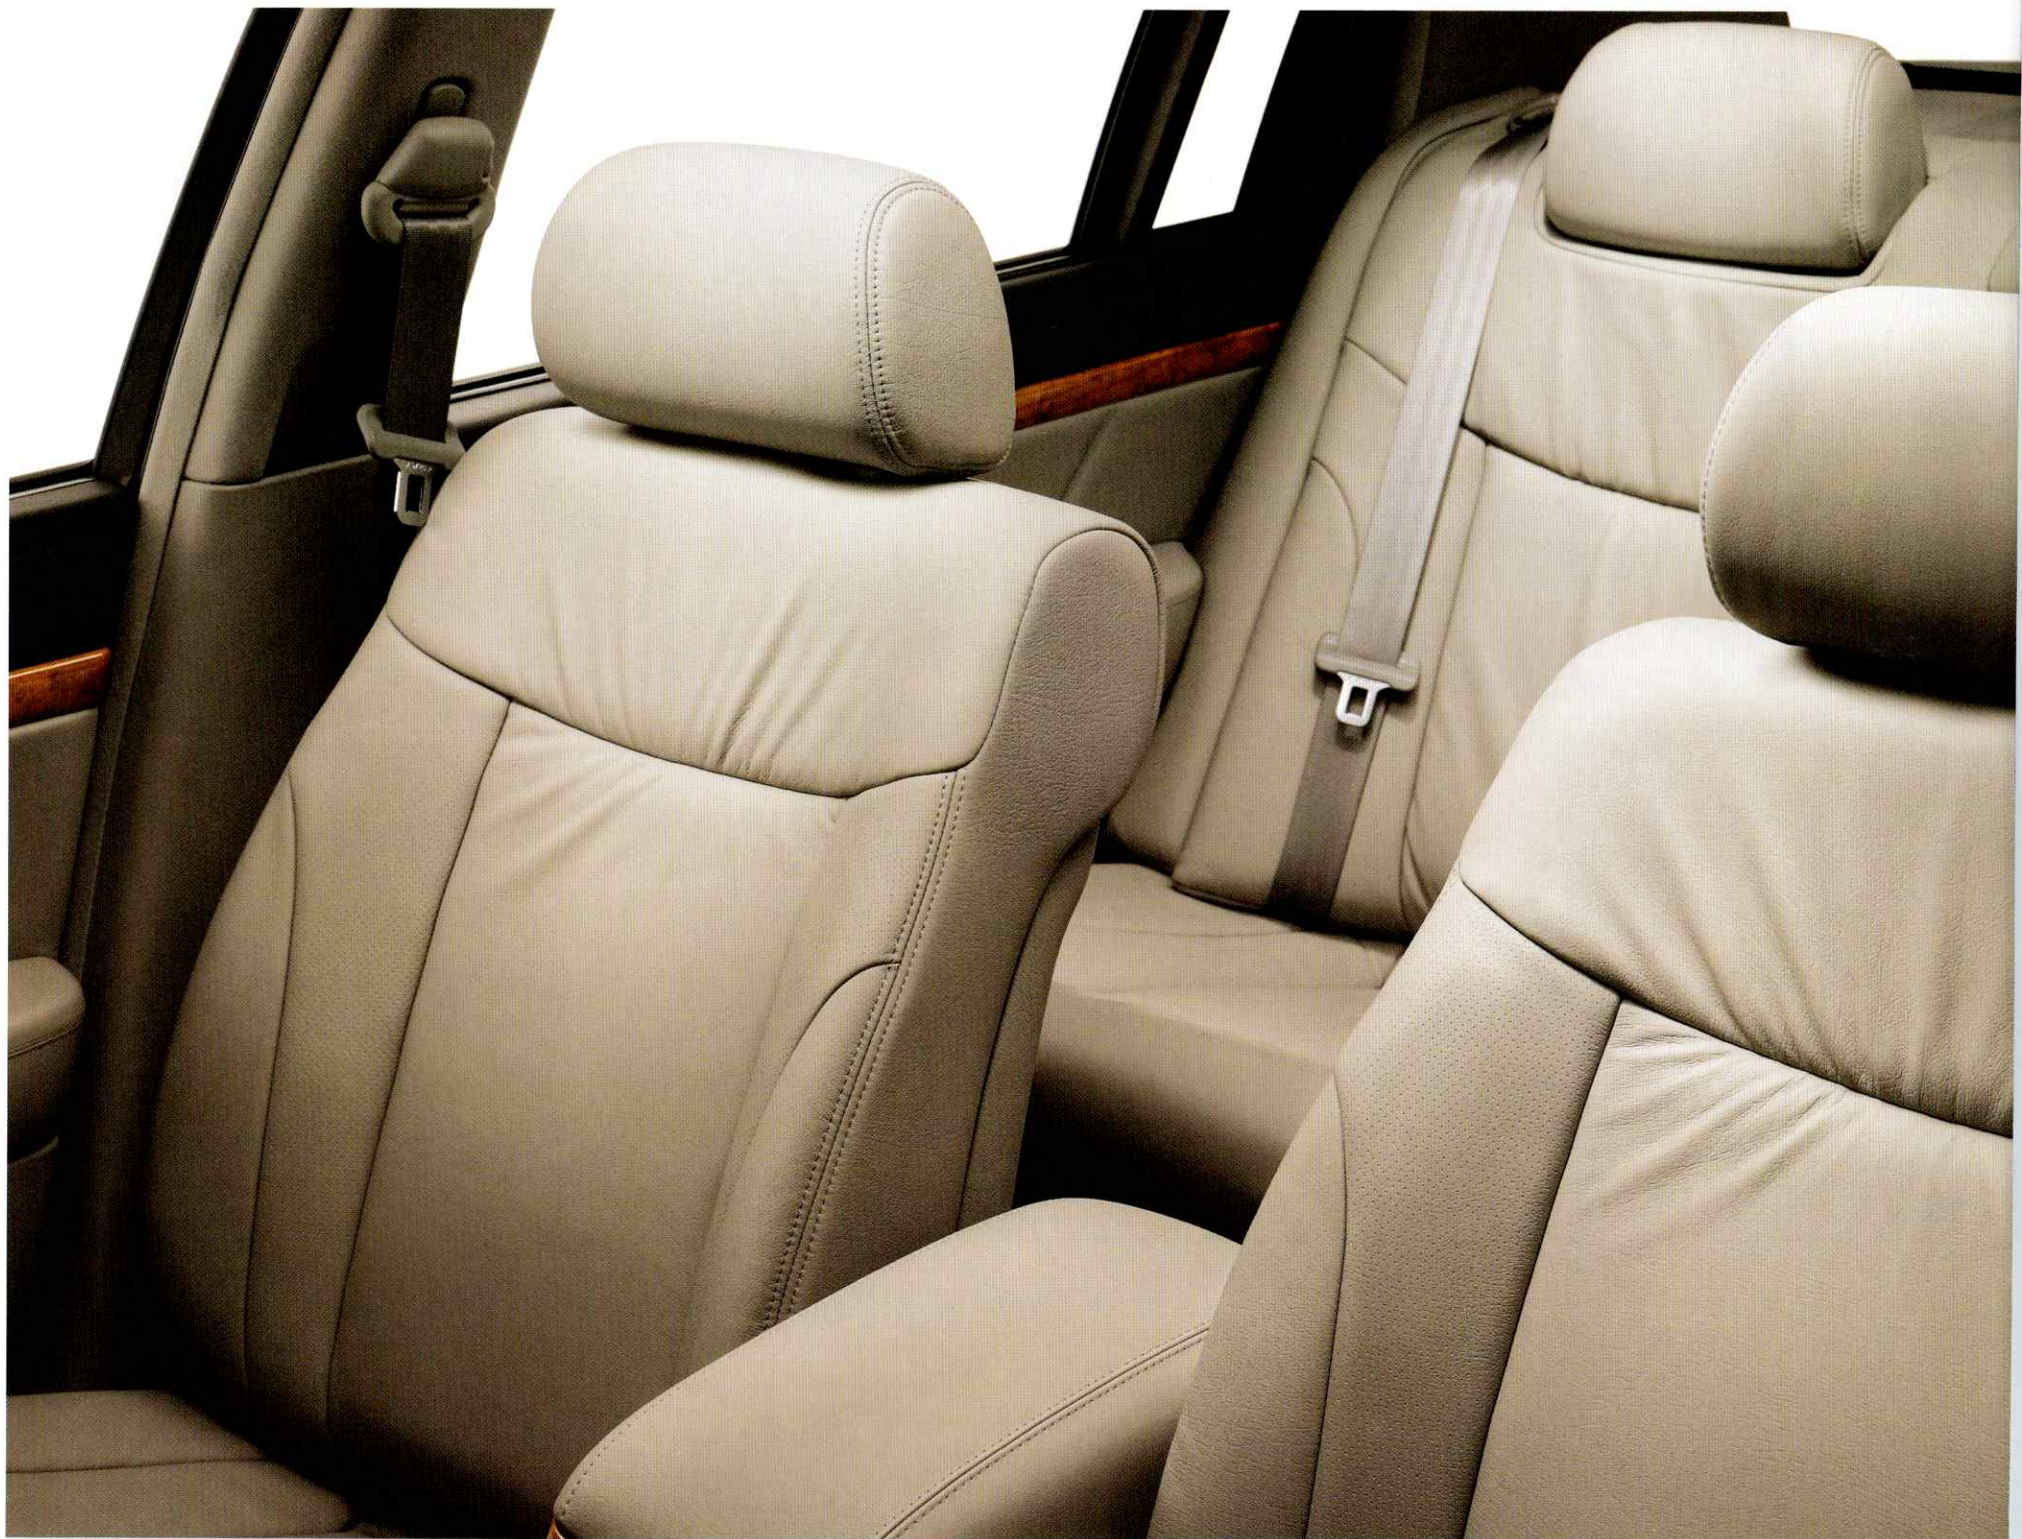

With its powerful 3.5-litre, 24-valve V6, the Amanti is every bit as exhilarating as it is distinguished. Light-weight alloys provide exceptional power-to-weight ratio. A Variable Intake System (VIS) ensures optimum performance and efficiency. For your further driving comfort and enjoyment, you'll find the Amanti equipped with an advanced, intelligent, 5-speed automatic transmission, with Steptronic function. Its acceleration is smooth, powerful and confident. The mere flick of your wrist switches into manual Steptronic. A hands-on experience more reminiscent of a sports coupe than a high-end luxury sedan.

THE POWER TO PLEASE

THE SPACE TO RELAX

The cares of the day are behind you. Now comes the time to reflect on the elegance, the comfort and the sophistication of your surroundings. You'll be delighted to discover the interior cabin is not only sumptuous but spacious, offering generous headroom and legroom, in both front and back. Throughout, the accessibility, design and visual display of each control and each gauge has been carefully thought out and crafted. The stunning beauty of Amanti's "waterfall" centre console has a flowing appearance, featuring controls that are large, illuminated and can be operated easily and safely. Both you and your passengers will be delighted to discover Amanti's dual zone automatic climate controls with individual temperature settings. To accommodate our ever-changing Canadian climate, both front and rear seats are heated as well, allowing you to precisely control the temperature. Adding to the overall soothing atmosphere is the natural warmth of woodgrain trim, chrome details and the richness of a full leather interior. Sit back. Relax. Enjoy.

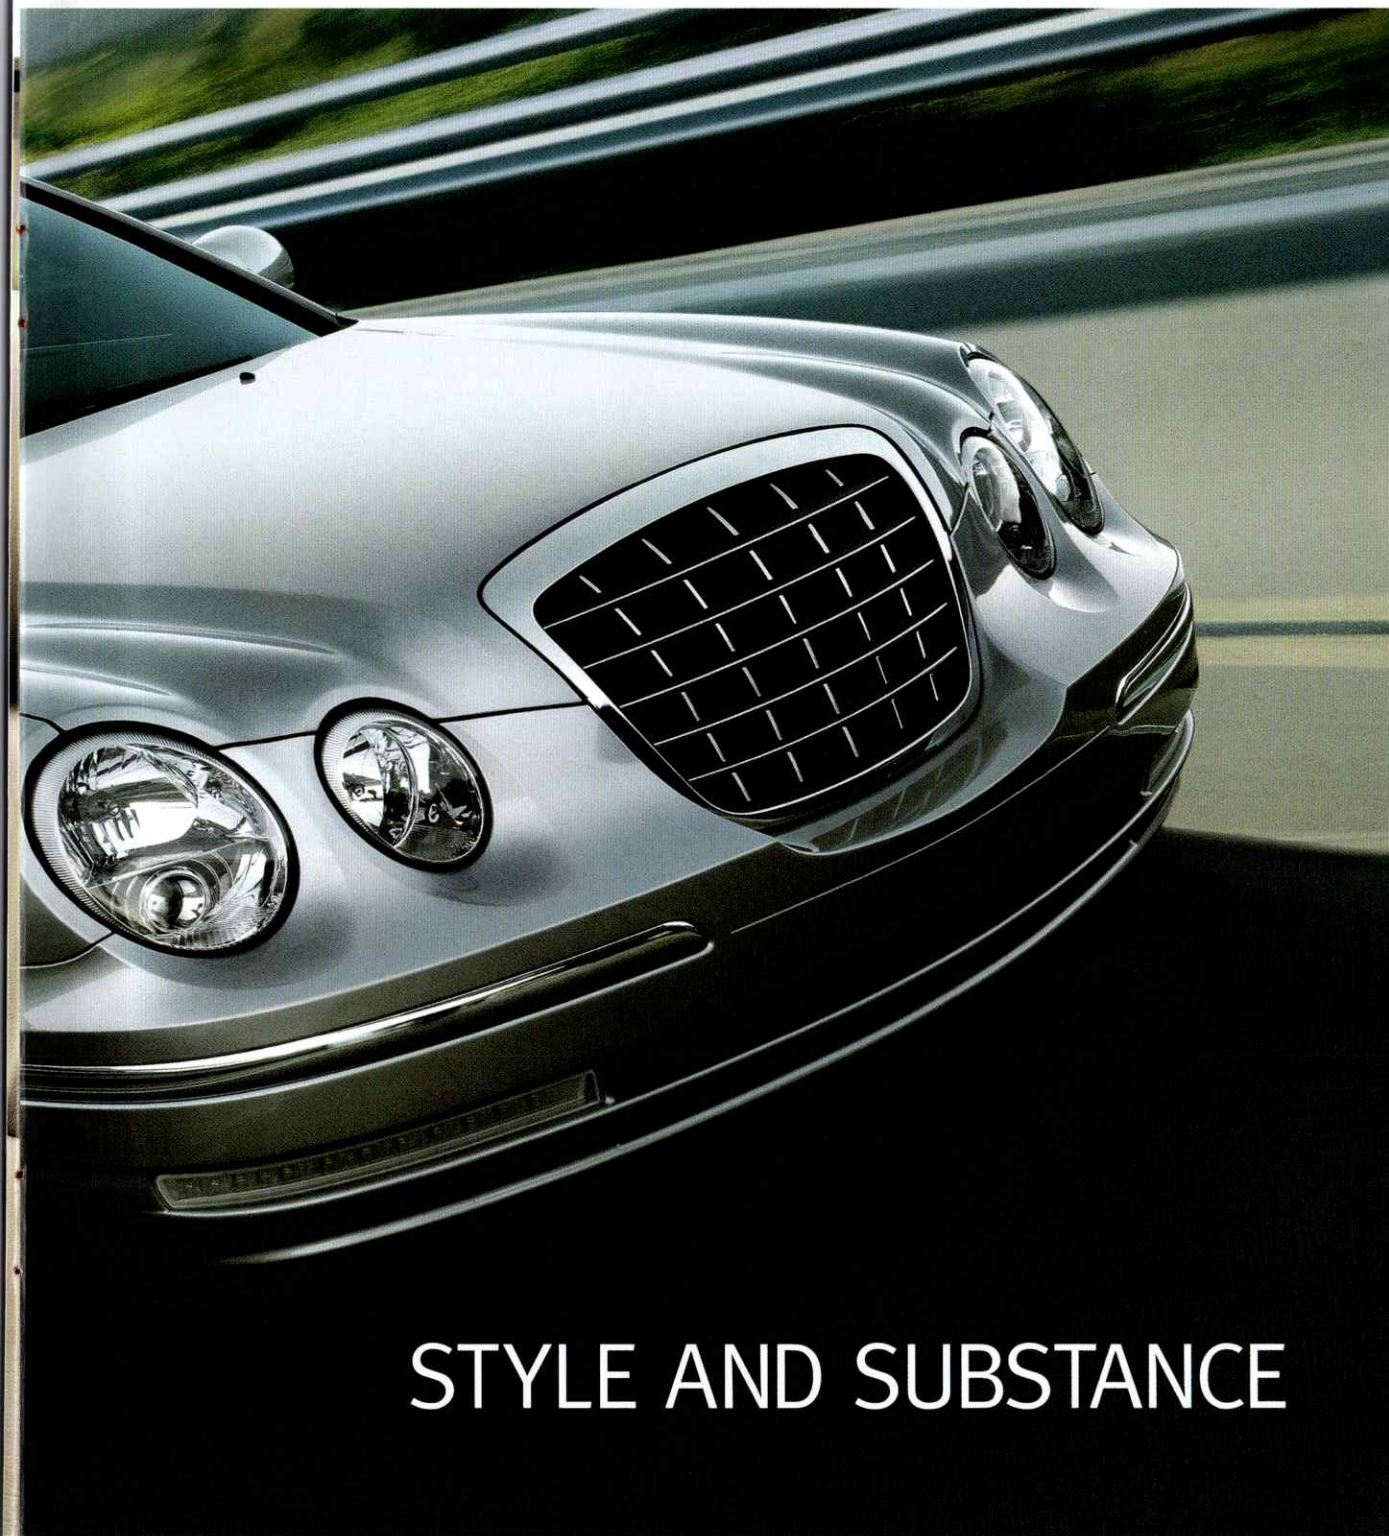

DISTINCT BY DESIGN

In design and display, the Amanti offers the ultimate expression of both form and function. The dash, by way of its bold, horizontal presentation, is dramatically accentuated by easy-to-read Super Vision electroluminescent instruments. The driver's seat can be adjusted no less than eight ways and features an Integrated Memory System (IMS) that recalls your custom seating arrangement with the touch of a button. And for your listening pleasure, there's a 270-watt AM/FM/CD/Cassette stereo equipped with an in-dash 6-disc CD changer and 9 Infinity speakers. For maps, CDs, coffee mugs and various other necessities of travel, Amanti features an abundance of discrete storage space, tastefully eliminating 'clutter' and maintaining the elegant atmosphere. The beauty, the comfort, the luxury that you so richly deserve.

STYLE AND SUBSTANCE

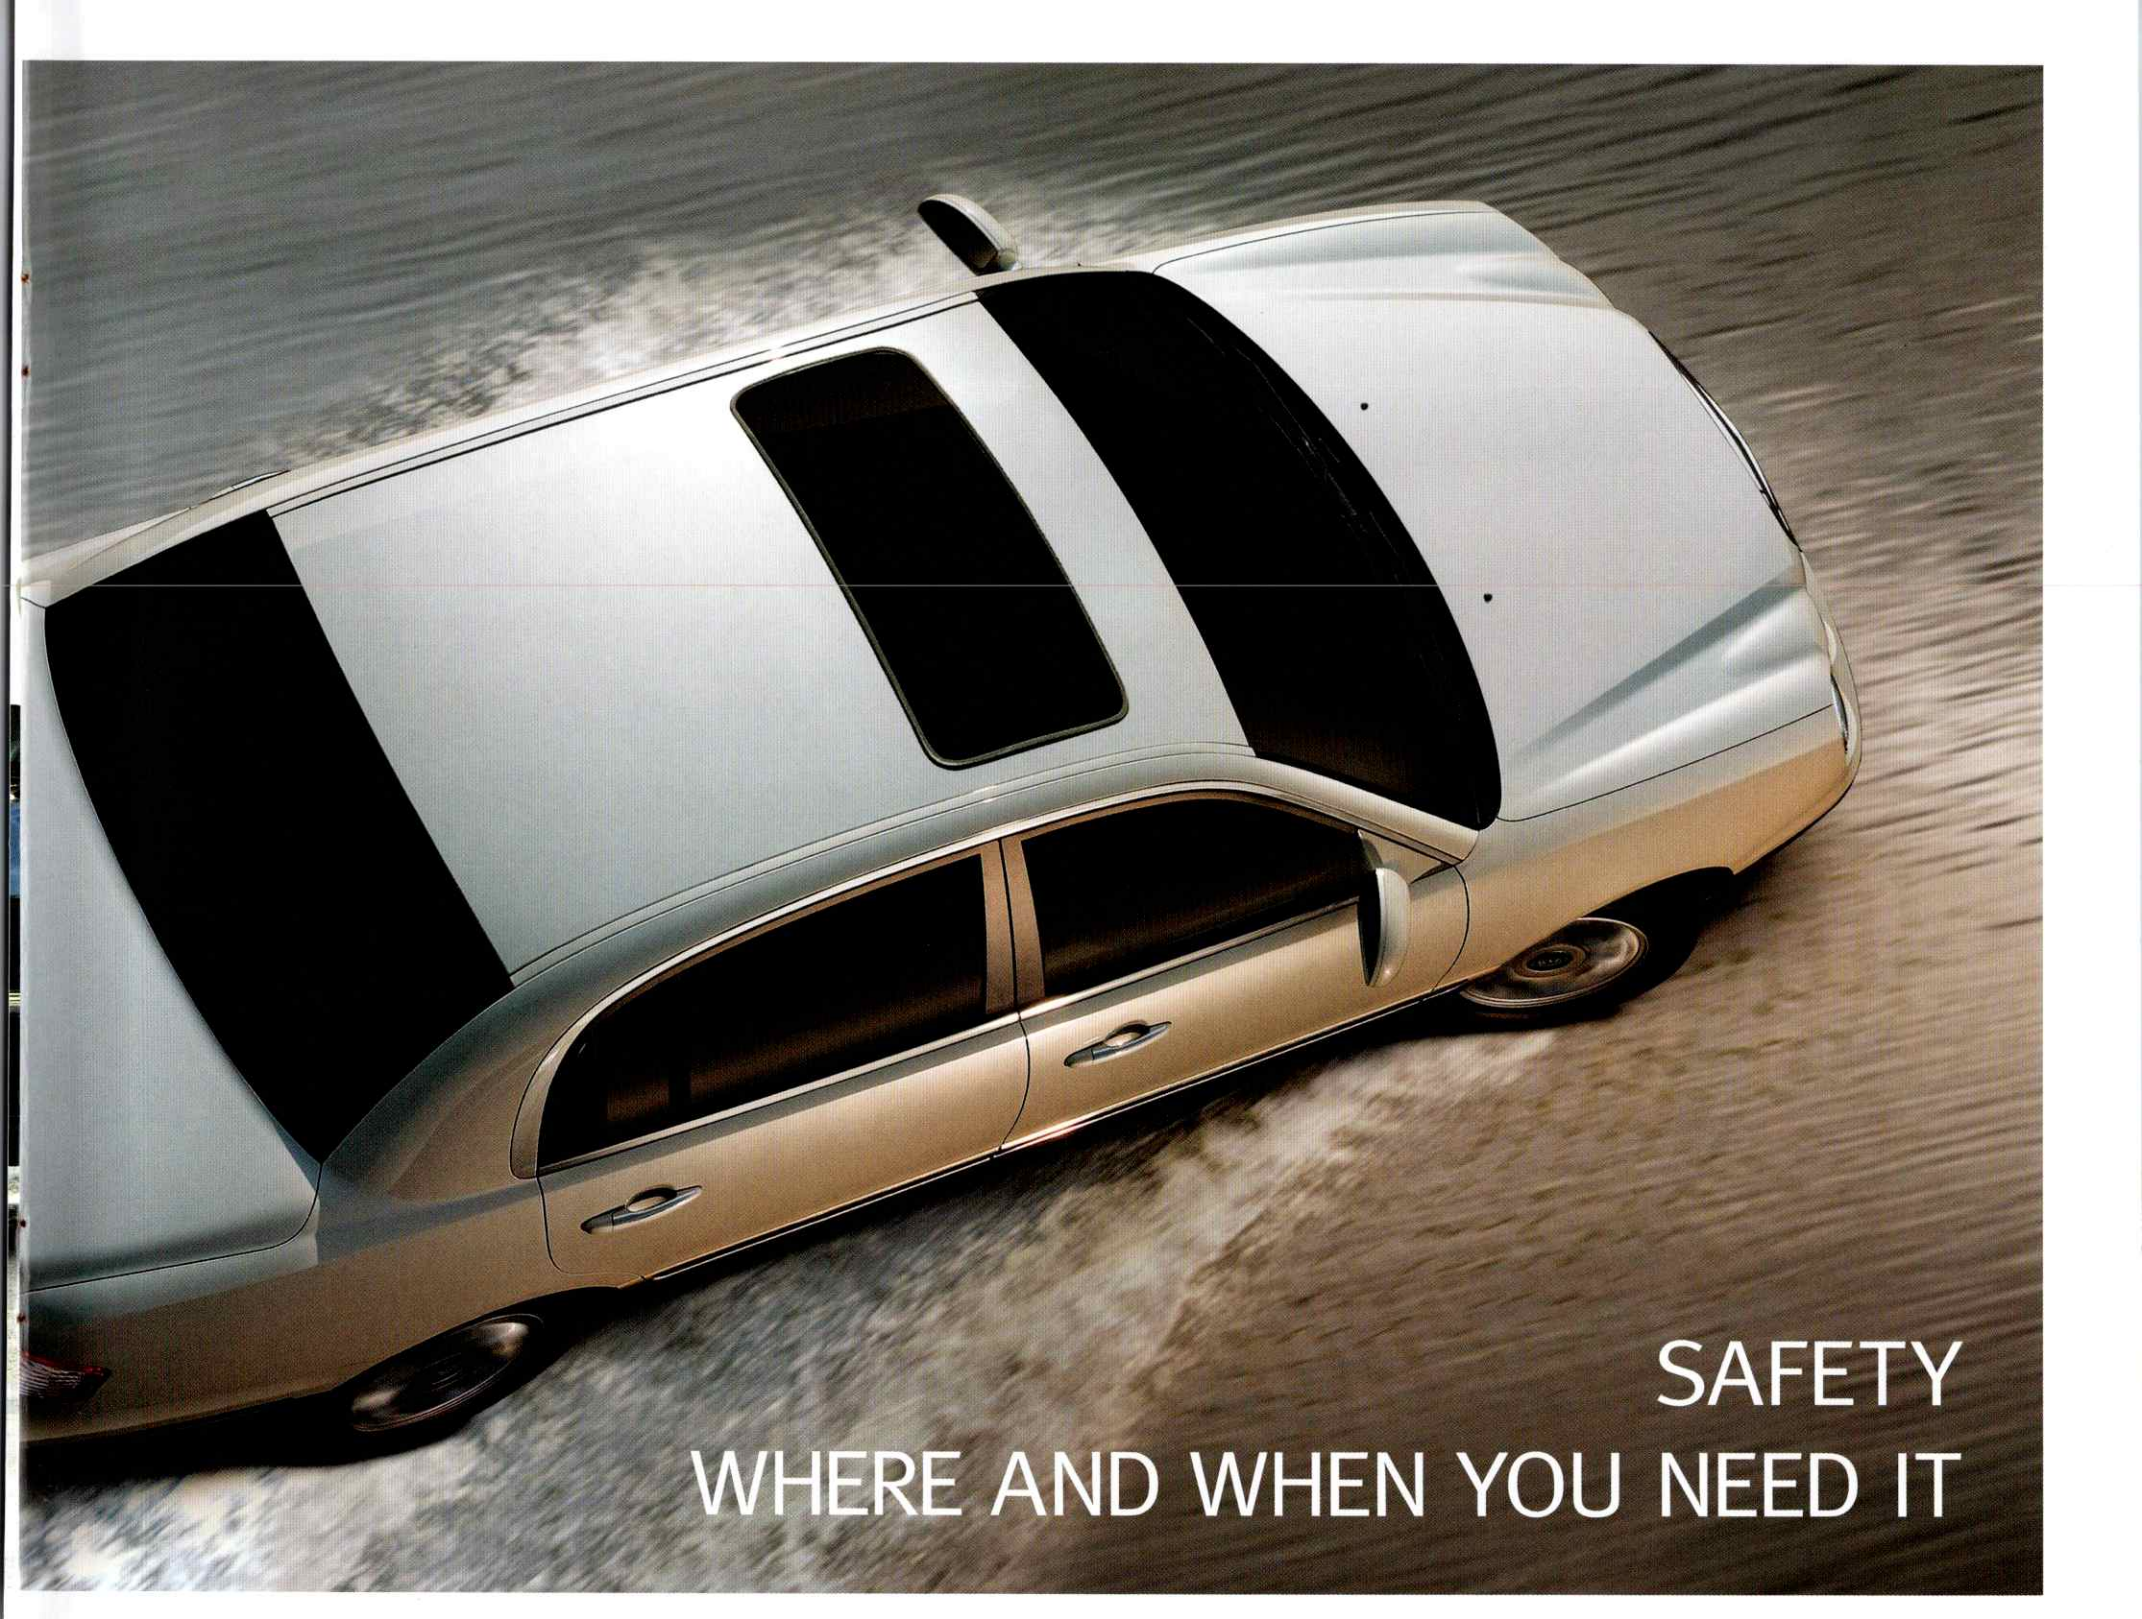

With Kia's proven expertise, acquired by over a half-century of evolutionary design and advanced technology, Amanti stands as a proud testament of contemporary European styling. There is a boldness to its lines that reflects a muscular, yet elegantly refined appearance. The visual impact created by dual circle High Intensity Discharge (Xenon) headlamps and distinct grillwork brilliantly sets Amanti apart from everything else on the road. Finishing touches such as alloy wheels, circular combination rear lamps and wraparound front LED turn signals confirm Amanti's credentials as a prestige automobile that will command a following of admirers for years to come.

In a world of superhighways, bumper-to-bumper traffic and ever-changing weather conditions, nothing has been left to chance. To protect its occupants under the most extreme conditions, Amanti comes with a host of advanced safety features. A total of 8 airbags, including front and rear side curtains, surround the cabin on impact. An Electronic Stability Program (ESP) monitors key vehicle functions, virtually eliminating the possibility of oversteer or understeer. To maintain full traction under any road or weather condition, Amanti also features a Traction Control System (TCS). In order to keep you out of harm's way, where at all possible, standard Anti-Lock Brakes (ABS) and the Brake Assist System ensure optimal braking under all road conditions. "Peace of Mind" is as much a part of the Amanti ownership coverage as it is the Amanti experience: Kia's 5•5•5+ Canada's Best Ownership Coverage* – Bumper to Bumper coverage of 5 years/100,000 kilometres. **The 2005 Amanti.** Where else would you find this level of luxury, prestige and safety under one roof?

*See back of brochure for further details regarding Canada's Best Ownership Coverage.

SAFETY
WHERE AND WHEN YOU NEED IT

FEATURES

AMANTI FEATURES

- Dual advanced front airbags
- Front & rear side-impact airbags
- Side curtain airbags
- Active front seat headrests
- Front seat belt pretensioners with load limiters
- Height adjustable front seat belts
- Emergency trunk release handle
- Height & tilt adjustable front seat headrests
- Height & tilt adjustable rear seat headrests
- Childproof rear door locks
- 3 child seat safety anchors
- 3.5 L DOHC 6-cylinder engine, 200 HP
- 5-speed Steptronic transmission
- Front engine, front wheel drive
- Electronic Stability Program (ESP)
- Traction Control System (TCS)
- Independent double wishbone front suspension
- Independent multi-link rear suspension
- Vehicle speed sensing power steering
- Front & rear anti-roll bars
- Front & rear gas-charged shocks
- Four-wheel disc brakes
- Four-wheel anti-lock brakes (ABS)
- Automatic climate control with dual zone function
- Air quality filter
- Rear heater control
- Super Vision electroluminescent instrument cluster
- AM/FM/CD/Cassette stereo with in-dash 6-disc CD changer and equalizer, 270W
- 9-speaker Infinity sound system, including subwoofer
- Multi-function display with trip computer and audio system readout
- Power windows with express up/down feature
- Central door locks
- Power sunroof with one-touch open feature
- Cruise control
- Steering wheel mounted cruise and audio controls
- Remote keyless entry with alarm
- Remote trunk and fuel door releases – electric
- Tilt steering column
- Electro-chromic rearview mirror
- Centre console with armrest and dual storage compartment
- Dual front concealed cup holders
- Brushed aluminum door scuff plates
- Delay-out room lamp
- Map lamps with sunglass case
- Driver's seat lumbar adjuster – electric

- Dual preset driver seat memory function
- 4-way power adjustable front passenger seat
- Leather seats
- Heated front and rear seats with temperature control
- Rear centre armrest with cup holders & storage
- Centre armrest ski pass-through
- Dual illuminated vanity mirrors
- High Intensity Discharge headlamps (HID)
- Integrated projector fog lamps
- Power heated mirrors
- Reverse dipping outside mirrors
- Chrome body accents
- Front & rear mudguards
- 16" alloy wheels
- P225/60R16 all-season tires
- Full-size alloy spare wheel
- Tinted glass
- Solar control glass
- Variable intermittent wipers
- Rain-sensing wipers
- Windshield wiper de-icer

SPECIFICATIONS

ENGINE

Type	V6, iron block and aluminum head DOHC, 4 valves per cylinder
Displacement	3,497 cc
Horsepower	200 hp @ 5,500 rpm
Torque	220 lb.ft. @ 3,500 rpm
Fuel tank capacity	70 L (18.5 gal.)
Transmission	5-speed electronically controlled overdrive with Steptronic function

DIMENSIONS (EXTERIOR AND INTERIOR)

Wheelbase	2,800 mm (110.2 in.)
Track (front/rear)	1,570/1,560 mm (61.8 in./61.4 in.)
Length	4,979 mm (196.0 in.)
Width	1,850 mm (72.8 in.)
Height	1,486 mm (58.5 in.)
Ground clearance	175 mm (6.9 in.)
Head room (front/rear)	1,015/975 mm (40.0/38.4 in.)
Shoulder room (front/rear)	1,475/1,460 mm (58.1/57.5 in.)
Leg room (front/rear)	1,110/945 mm (43.7/37.2 in.)
Hip room (front/rear)	1,402/1,386 mm (55.2/54.6 in.)
Trunk	440 L (15.5 cu. ft.)

CURB WEIGHT

5-speed automatic	1,855 kg (4,090 lb.)
-------------------	----------------------

BODY AND CHASSIS

Layout	Front engine, front-wheel drive
Body type	Unibody
Front suspension	Independent, double-wishbone, coil springs, stabilizer bar
Rear suspension	Independent, multi-link, coil springs, stabilizer bar
Steering type	Rack-and-pinion, power assisted, vehicle speed sensing

BRAKES

Type	Hydraulic, power-assisted vacuum; 4-sensor, 4-channel ABS
Front	302 mm (11.9 in.) vented discs
Rear	284 mm (11.2 in.) discs

TIRES

Size	P225/60R16 all-season tires
------	-----------------------------

FUEL ECONOMY (CITY/HIGHWAY L/100 KM)

5-speed automatic	13.9/8.7 L (20/32 mpg)
-------------------	------------------------

REFINEMENT IN MOTION

RESPONSIVE PERFORMANCE. REMARKABLY QUIET RIDE.
AND EFFORTLESS CONTROL. IT'LL MOVE YOU BEFORE YOU
LEAVE YOUR DRIVEWAY.
