

The All-New Kia

XCEED

The Power to Surprise

The Thrill Ahead...

If embracing new experiences excites you and stepping out of your comfort zone drives you, then let us introduce the All-New Kia XCeed. The crossover with a difference. Take a closer look at the daring lower front grille and subtle satin chrome skid plate. On top of that, the bold body shape and playful persona making the All-New Kia XCeed designed for drivers who live for the journey ahead.

Discover... New Horizons

In the All-New Kia XCeed the possibilities are endless. From its sporty coupé crossover silhouette, highlighted by a fast-sloping roofline and SUV-styled wheel arches and side sill, down to the bold 18" wheel design, it's obvious that the All-New Kia XCeed stands proudly away from the crowd. Add generous ground clearance with an elevated yet sporty seating position for maximum visibility as well as sheer driving pleasure and you have the perfect partner for discovering new horizons both inside and out of the city.

Redefining Style...

The All-New Kia XCeed sets new benchmarks in quality, comfort, technology and connectivity. From the moment you sit inside, you'll discover a striking combination of style and substance, from the sleek dashboard to the sophisticated seating and from the highly visible 12.3" full digital cluster display to the 10.25" navigation system. What's more, you'll find Kia's exclusive UVO Connect telematics system - all designed to put you in complete control for whatever adventures lie ahead. For added fun, the First Edition features our yellow interior pack with yellow accents on the dashboard, door panel and seats and yellow stitching with a unique honeycomb pattern design.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Convenience and Comfort...

This is a crossover that combines bold design for bold thinkers, a spacious interior for intrepid adventurers, exceptional comfort for those who appreciate luxury and a level of convenience that will constantly delight. Open it up with your Kia Smart Key, pack it up using the Smart Power Tailgate, fire it up with the engine start/stop button and get ready for the excitement.

The All-New Kia XCeed is the perfect travel companion. With its dynamic yet spacious new body type you never need to sacrifice style or versatility. The 40:20:40 rear folding seats and 426 litres of luggage space make for a crossover designed for you.

Heated front and rear seats

Whatever the weather has in store, the All-New Kia XCeed is always ready for it. The front and rear seats can be heated on cold days. Using three adjustable settings, they warm up quickly and then level off after the desired temperature is reached.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Connect... Your World

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Works with
Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your All-New Kia XCeed's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Infotainment

Wireless phone charger

Forget cables, just place your smartphone with Qi technology on the convenient wireless phone charger. Only available on the First Edition.

JBL® Premium Sound System

For great sound, the All-New Kia XCeed offers a high-performance JBL Premium Sound System. It features eight speakers and advanced Clari-Fi music restoration technology to improve the quality of MP3s and provide high-definition sound. Only available on the First Edition models.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Stay Connected...

KIA UVO CONNECT

Created exclusively by Kia, UVO CONNECT brings driving into the digital era in two distinct ways. Firstly, our All-New Kia Live service delivers real-time information to your navigation system with a range of information for your journey, and secondly, our new UVO app offers a range of data and information about your car through your Android or Apple smartphone. What's more, this exciting new technology has been developed to comply with the latest EU Data Protection Directive, ensuring the highest levels of data privacy, transparency and protection.

UVO[®]

Connect

Kia Live

Once activated, Kia Live makes use of the SIM card included in the infotainment system to retrieve and update live data for its services, so you have access to seamless information displayed directly on the navigation screen.

UVO App

Designed for both Android and Apple smartphones, the UVO app offers complete peace of mind with a whole range of features dedicated to providing diagnostic data about the status of your car and the trips you take. The app can also activate a range of remote functions and features when you are away from the car. UVO App connectivity available on '3' grade and 'First Edition' models.

Live traffic information

The navigation system delivers highly accurate live traffic information from TomTom® that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Camera/danger zones

Be alerted to a whole range of fixed and stationary speed cameras as well as restricted access zones. The system also alerts you to areas where accidents are particularly common.

Weather forecast

With an up to four-day forecast available, you can simply type in your destination to view a complete summary, including minimum and maximum temperatures, wind speed and chances of sun or rain.

Points of interest

Looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible with the live, regularly updated POI directory.

Parking

Kia Live shows available parking locations before you arrive at your destination. It will show potential **on-street parking** and **off-street parking**, including locations, details, prices and availability.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

Vehicle Information

Find my car

tells you the last known location of your vehicle – ideal if you are parked in a large car park.

Vehicle status

offers an overview of key elements of your car's status such as door locks and ignition.

My trips

gives a summary of your previous journeys including average speed, distance driven and time in transit.

Remote Service

Send to car

allows you to pre-plan and set your journey through the app for seamless use in the navigation system.

Notifications

Notifications will notify you whenever the car alarm is triggered; share **Diagnostic Notifications** with you about the current status of your car; and supply you with a **Monthly Vehicle Report** giving an overview of your car usage.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia partner and on kia.com. Smartphone with iOS or Android operating system and mobile phone contract with data option necessary incurring additional cost.

Advanced Technologies...

Whilst the thrill of the road ahead and the excitement of new experiences drive you, it's good to know that you're constantly being protected, too. That's why the All-New Kia XCeed comes with Kia's ADAS (Advanced Driver Assistance Systems) – a range of innovative features and sophisticated technology to keep you and your passengers as safe as possible.

Safety and assistance

Forward Collision-Avoidance Assist (FCA)

The FCA system can detect preceding vehicles as standard and, as an option, pedestrians crossing the road. Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with optional pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

Smart Cruise Control (SCC) with Stop and Go

Using a camera and radar, Smart Cruise Control can regulate both the All-New Kia XCeed's speed and the distance to the car in front. The system maintains the distance to the preceding vehicle by automatically modulating your car's speed. If the vehicle ahead picks up the pace, the All-New Kia XCeed accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in heavy traffic.

Blind-Spot Collision Warning (BCW)

The Blind-Spot Collision Warning system has radar sensors that monitor your blind spots and warn you of oncoming cars with a symbol in the side-view mirror.

Lane Keeping Assist (LKA)

No need to worry about drifting out of your lane. Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even steer the car back into your lane.

Rear-View Monitor (RVM) with Dynamic Parking Guidance

The Rear-View Monitor, available on the 8" or 10.25" multimedia and navigation screens, gives you the full picture when reversing into a parking spot by displaying dynamic guidelines to help guide you into place.

Driver Attention Warning (DAW)

The system detects whether you're losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you and recommends taking a break.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Safety and Assistance...

The All-New Kia XCeed is all about giving you the freedom to experience the unexpected whilst making everyday driving hassle-free, with innovative features that enable you to drive more safely. Negotiating traffic jams, help with parking or shining a brighter light at night? The All-New Kia XCeed takes care of it so you can avoid any potential danger.

Lane Following Assist (LFA)

LFA controls acceleration, braking and steering depending on the vehicles in front. This makes driving in traffic jams easier and safer. The system uses camera and radar sensors to maintain a safe distance to the preceding vehicle and monitors road markings to keep your car in the centre of your lane.

Rear Cross Traffic Collision Warning (RCCW)

When reversing out of a parking space or driveway, the radar-based Rear Cross Traffic Collision Warning system alerts you to potential traffic crossing your path.

Smart Parking Assist (SPA)

Smart Parking Assist makes parking a breeze. It uses front, side and rear sensors to locate a parking spot and assist you with parallel and perpendicular parking. All you need to do is control the brake, accelerator and gears – the system takes care of the steering. It can even help you pull out of parallel parking spaces.

High Beam Assist (HBA)

When conditions allow, the All-New Kia XCeed will turn on its high beams automatically. When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers.

Intelligent Speed Limit Warning (ISLW)

The Intelligent Speed Limit Warning gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster.

Powerful engine design

For dynamic driving in the city and on the open road, the All-New Kia XCeed comes with 3 powerful engine sizes and 4 power outputs ranging from 118 to 138bhp. Backed by expert engineering at every level, all powertrains have been refined to meet the latest European emissions regulations.

Performance...

Dynamic driving, agility and outright power are at the very heart of what sets the All-New Kia XCeed apart from the rest of the crossover crowd. The powertrains can be configured to maximise performance with 6-speed manual or 7-speed dual-clutch transmission to add a sense of responsiveness to every road trip, plus with extra drive mode options every journey becomes a memorable experience.

Manual transmission

The manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

7-speed dual-clutch transmission (DCT)

The latest-generation 7-speed dual-clutch transmission ensures a sporty drive and excellent fuel efficiency.

Drive Mode Selection (DMS)*

Designed to push your driving pleasure to the next level, Drive Mode Select can be operated via a sport button next to the gearstick. Working with the DCT, it increases driving dynamics by providing an improved throttle response and acceleration from idle, as well as optimising performance while overtaking. DMS also offers a sporty steering response and perfectly complements the 18" alloy wheels for a thoroughly dynamic drive.

Delight...

Your Senses

The fun starts here with stylish interior options, carefully selected materials and bold trims; you'll want to get behind the wheel instantly.

'2' grade

The '2' grade features all-black fabric seat upholstery and striking satin chrome finishes.

'3' grade

Black cloth and artificial leather-trim seats, featuring high-gloss centre fascia and eye-catching satin chrome dashboard accents.

'First Edition'

This yellow colour pack comes with black artificial leather and cloth fabric seats with yellow stitching and honeycomb pattern design, coupled with a high-gloss centre fascia and eye-catching yellow metal dashboard accents.

Interior grades / Accessories

Personalised...

Our range of accessories covers all your needs including handy extras to personalise your experience. It also includes many stylish solutions to emphasise the dynamic looks of your All-New Kia XCeed. Whatever you're looking for, we've got you sorted.

Cross bars, aluminium

Light and easy to install, these strong and perfectly fitting aluminium cross bars help you transport all you could possibly need on your next adventure.

Rear bumper trim line, chrome optic

A small detail, with a sophisticated touch. Introduce this refined surface finish to your rear bumper in delicate dark stainless steel, for a sleek accent along your rear bumper. Also available in brushed aluminium finish.

Trunk sill trim line, chrome optic

These glossy stainless steel shields are ideal for adding a refined horizontal detail to the inner sill and rear bumper of your All-New Kia XCeed's load area. Also available in brushed stainless steel finish.

Roof box

You'll probably need more luggage space than usual. Before you start cramming things into your cabin, enjoy the comfort of this sleek and durable roof box. Easy to install and with dual side opening for extra-fast access.

Door mirror caps, chrome optic

Attention to detail can make all the difference. Raise the overall visual impact of your All-New Kia XCeed by complementing its exterior styling with these high-gloss stainless steel caps. Also available in brushed stainless steel finish.

Care

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your All-New Kia XCeed which is called Kia Care. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. **Log onto www.kia.com/uk for details.**

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your New Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. **Log onto www.kia.com/uk for more details**

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise – 7 great owner benefits when you buy your Kia and register at MyKia.

7 more reasons to join our Kia family

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

If you've taken our complimentary 7 day insurance, we've got you covered from the minute you leave one of our dealers. We'll also give you a £250 excess return voucher which pays you back regardless of who you're insured with if you call Kia first. We will also provide you with a competitive quote for your annual cover.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.
