

The Power to Surprise

NEW
SORENTO
DRIVE THE NEXT LEVEL

— An SUV designed for every adventure.

The sleek and agile Sorento brings luxury, technology and practicality to the street with ideally balanced proportions. Advanced handling dynamics, forward-thinking safety features, and truly empowering connectivity come together in a sophisticated package that helps you navigate the demands of modern life in style.

Equipped to get you right where you want to be.

The rugged new KIA Sorento takes you to exciting new places, and offers you the equipment needed to make the journey with style and confidence.

With its newly elevated headlamps and bonnet, the Sorento cuts a bold and substantial figure on arrival. At the rear, bright LED stop lamps integrated into the tail lamps communicate instantly with following traffic.

■ HMSL integrated rear spoiler

A handsomely contoured rear spoiler helps to manage airflow over the rear of the vehicle and incorporates a High-Mounted Stop Lamp (HMSL).

■ LED tail lamps and stop lamps

LED tail lamps and stop lamps are integrated into the tail lamp clusters. LEDs illuminate faster, last longer, and are more energy efficient than conventional bulbs. (Only on LX, EX and SX models)

■ Outside door handles

Body colour grip-type handles come as standard on the LS and LX models, while the EX and SX models feature chrome-finished handles.

Body colour (LS & LX)

Chrome (EX & SX)

■ Radiator grilles

The new grille designs feature the famed KIA look, while bringing out the confident character of the Sorento.

Surround yourself with intelligent contours.

With its fine craftsmanship, sleek instrumentation and powerful, targeted ventilation, the roomy Sorento interior is a refuge of sophistication.

4.3" TFT-LCD touch-screen audio

The 4.3" touch-screen audio system adds to the standard system's capabilities, with a large colour touch screen and an integrated backup camera display. (EX and SX only)

3.8" mono-TFT-LCD audio

The standard 3.8" LCD audio system offers radio and CD player control, Bluetooth Handsfree, MP3 storage/playback functions and more. (LS and LX only)

7" TFT-LCD supervision cluster

The high-visibility display in the centre gauge reports outside temperature, audio information, distance to empty and overall fuel consumption. (EX and SX only)

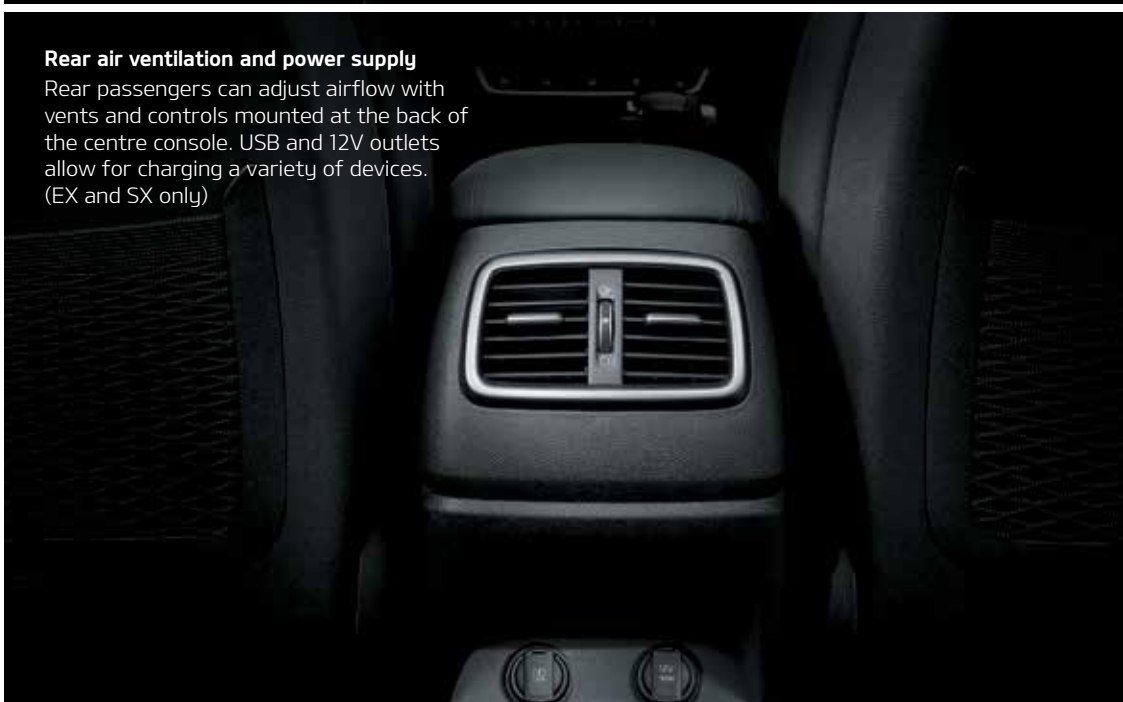

Satin-chrome finish

The inner door handles, air vent surrounds and other interior design features have satin-chrome finishes. (EX and SX only)

Simpler floor console design

The floor console design is more efficient thanks to the adoption of an electronic parking brake and the elimination of the manual handbrake lever. (AT only)

Rear air ventilation and power supply

Rear passengers can adjust airflow with vents and controls mounted at the back of the centre console. USB and 12V outlets allow for charging a variety of devices. (EX and SX only)

Luxurious interior flexibility.

The Sorento interior offers a high standard of comfort and luxury featuring finely crafted seats. A dual-pane panoramic sunroof, standard on SX models, adds an even more roomy feel. On 7-passenger models, the 2nd row seat auto-folds and slides 270 mm to let rearmost occupants in and out, while the 3rd row seat back splits and folds 50:50.

Ease of entry and exit On 7-passenger models, the 2nd row seat auto-folds and slides 270 mm to let rearmost occupants in and out.

Heated and ventilated seats For all-weather comfort, EX and SX models offer heated 1st row seat cushions and seat backs. On warm days, the driver and passenger can enjoy soothing airflow through the seat cushions and seat backs.

Driver's seat thigh extension To offer support and comfort for long-legged drivers, the cushion of the driver's seat can be extended up and forward at the push of a button on the seat base. (SX only)

One-button adjustable headrest The 1st row seat headrests offer up, down and sliding adjustment with the simple push of a button. (7 seater only)

Cargo underfloor storage compartment (5-seater)

Cargo screen storage compartment (EX and SX only)

2nd row seatback lever (7-seater)

3rd row partially folded

2nd row partially folded (ski-through mode)

3rd row folded fully flat

2nd row partially folded

3rd row folded fully flat & 2nd row partially folded

2nd row folded fully flat

■ 7-seater _____

■ 5-seater _____

5 or 7 seats for maximum flexibility Partial and full folding of rear seat rows give Sorento numerous seating and cargo combinations for a perfect balance of passenger comfort and practicality, including convenient loading of long or odd-shaped cargo and leisure equipment.

Making the most of the space inside.

A modern sport utility vehicle should accommodate a wide range of scenarios that come up through the years. The Sorento transforms quickly from a 7-seat commuter, to a miniature removal truck, to an adventure facilitator for travelers and their equipment. No matter the configuration, comfort and sophistication rule the day.

Maintain your position on the road.

Tapping into the power of the latest sensing technology and intelligent processing, the Sorento helps you stay aware of your position on the road as well as the movement of the vehicles around you, enhancing your comfort and peace of mind.

Blind Spot Detection (BSD)

The system uses radar sensors to monitor approaching vehicles from the rear in the lanes flanking the driver. If a vehicle is detected, a visual alert appears on the sideview mirrors. (SX only)

Images shown may contain vehicles, specifications or colours that are model specific, that may not be available in this country, or may be fitted with optional extras. For exact information, please consult your nearest KIA dealership.

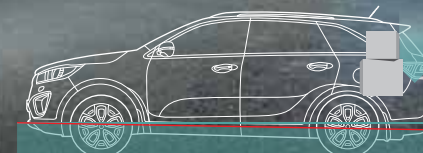

Smart power tailgate

The rear tailgate opens automatically when the Smart Key is detected nearby for 3 seconds or more. (SX only)

Tailgate memory function

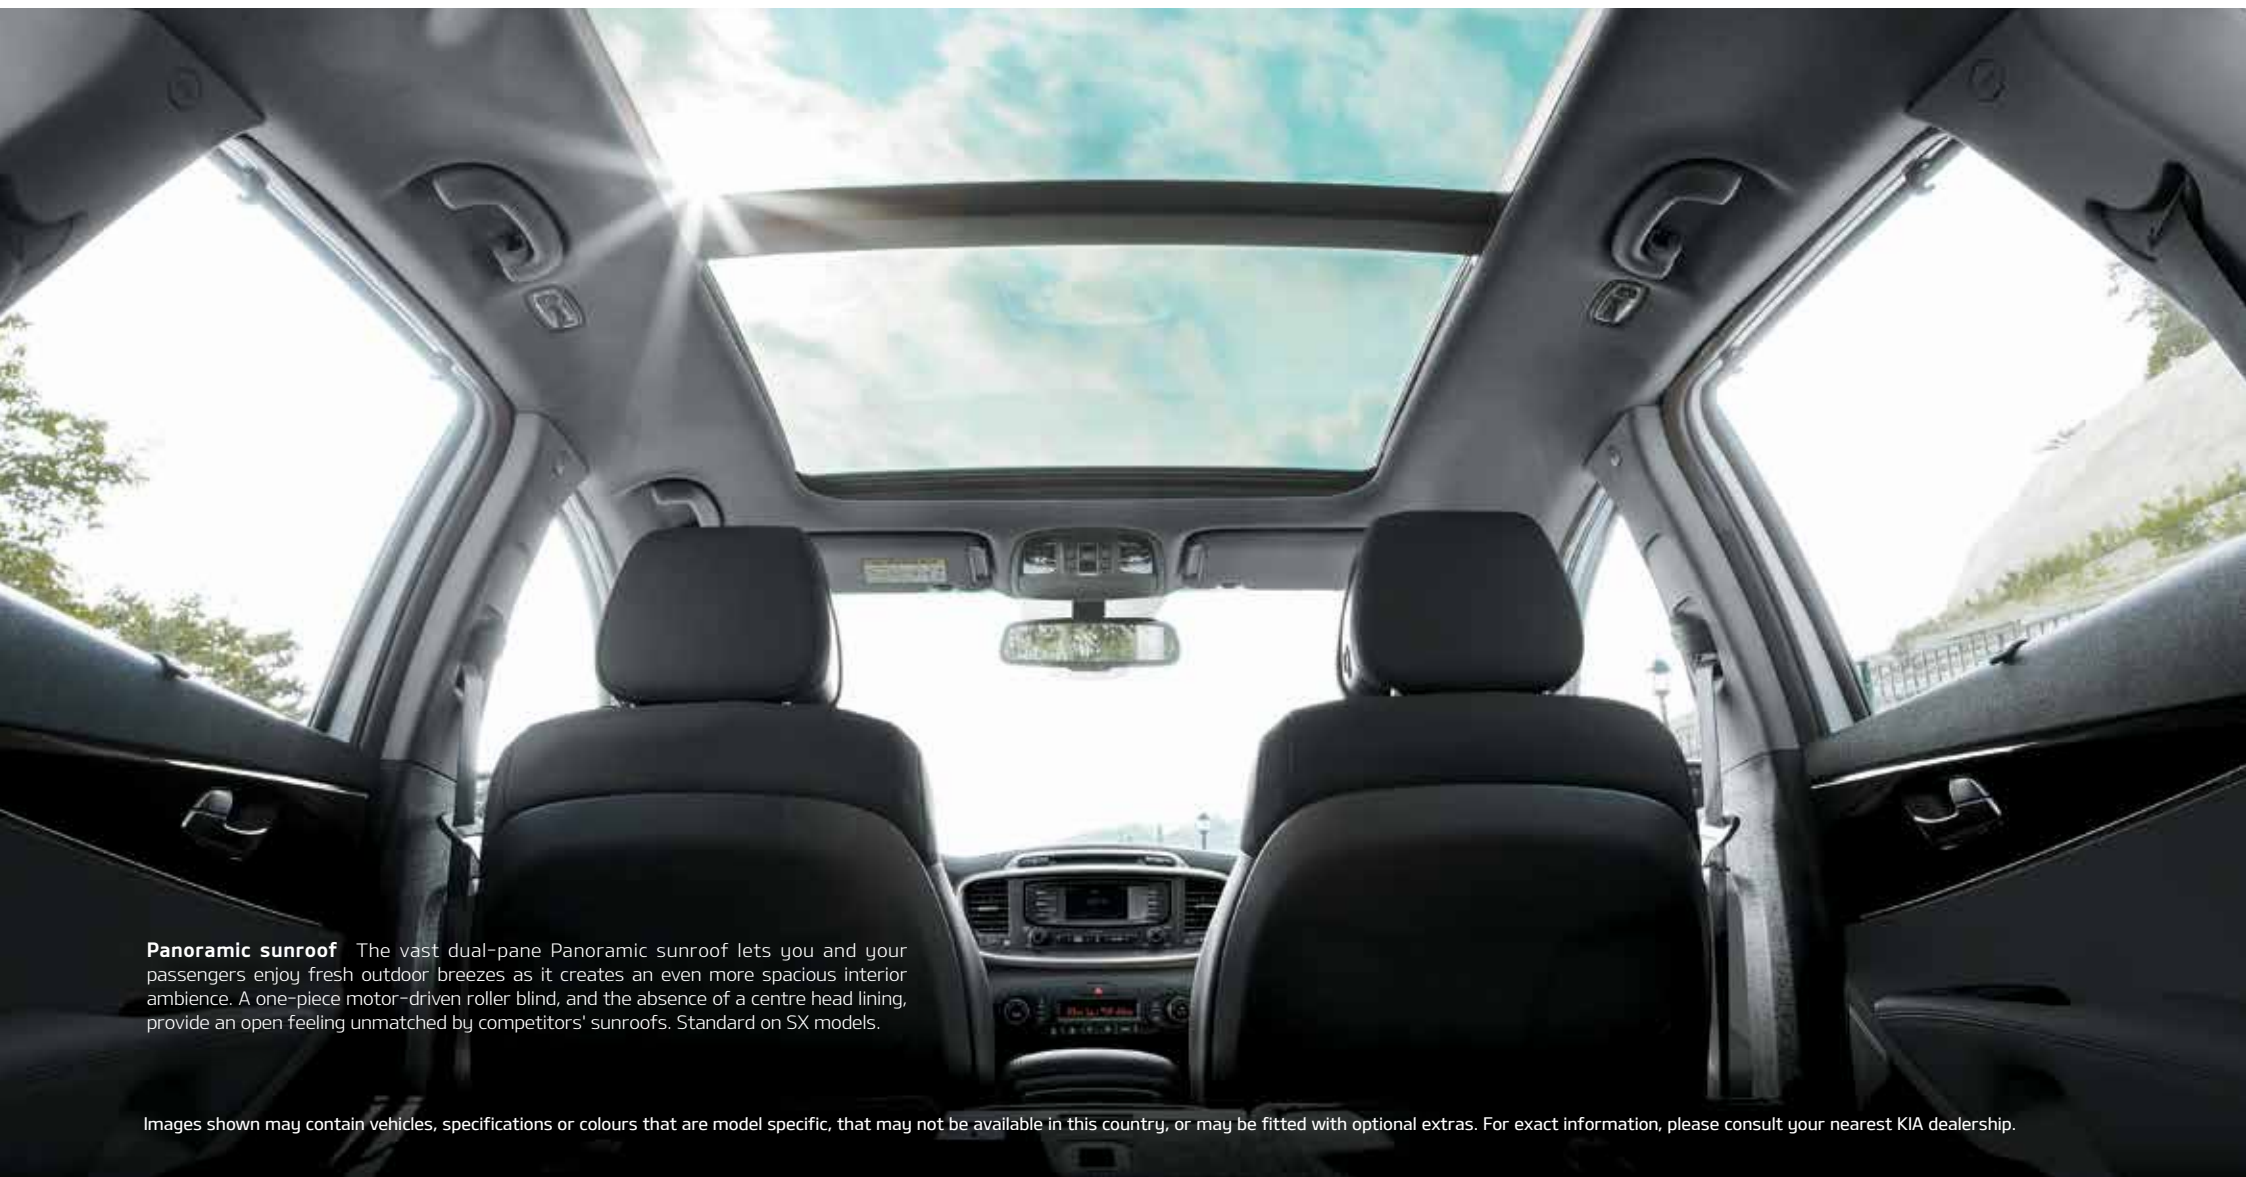

Opening angles for the tailgate can be stored in memory by pressing and holding a button under the tailgate for 3 seconds. (SX only)

Self-leveling suspension When a heavy load is placed in the cargo area, the self-leveling suspension raises the ride level to maintain appropriate ride height, stability and clearance. (EX and SX only)

Inspired, relaxed and firmly in control.

With its fine craftsmanship, simple and appealing instrumentation, the roomy Sorento interior is a refuge of sophistication and calm when life gets busy.

Panoramic sunroof The vast dual-pane Panoramic sunroof lets you and your passengers enjoy fresh outdoor breezes as it creates an even more spacious interior ambience. A one-piece motor-driven roller blind, and the absence of a centre head lining, provide an open feeling unmatched by competitors' sunroofs. Standard on SX models.

Images shown may contain vehicles, specifications or colours that are model specific, that may not be available in this country, or may be fitted with optional extras. For exact information, please consult your nearest KIA dealership.

LED illuminated door step

Bright, low-energy LED lighting illuminates the lower door sill to help you get in and out of the Sorento gracefully at night. (EX and SX only)

Bluetooth Handsfree

Enables wireless connectivity between your Bluetooth-compatible devices and the vehicle sound system via the built in microphone.

Stainless steel pedals

Sturdy, lightweight stainless steel pedals add a performance-inspiring accent. (SX only)

Steering wheel audio remote control

Intuitively placed steering wheel-mounted controls let you adjust volume and change stations without taking your hands from the wheel.

Auxiliary, USB and iPod® connections

Play audio from iPods, flash drives and other compatible multimedia devices through the integrated 3.5 mm (analogue) and USB connectors.

Electronic Parking Brake (EPB)

Engage the parking brake simply by operating a button and be certain of whether it's properly engaged or not. (AT only)

Powerful and efficient.

The petrol and diesel engines available on the Sorento offer middle and low range torque with smooth, quiet operation. Their enviable fuel economy is aided by ingeniously precise transmissions that balance power and efficiency, whether you're in town or out on the open road.

2.4 Petrol MPI

Max. power
127 kW @ 6000 rpm

2.2 Diesel CRDi

Max. power
147 kW @ 3800 rpm
(Euro-4, 5, 6)

6-speed automatic transmission An electronically controlled 6-speed automatic transmission provides smooth, seamless shifting and improved fuel efficiency.

6-speed manual transmission The Sorento's 6-speed manual gearbox offers high torque on demand for acceleration and sporty performance, along with smooth, fuel efficient gear changes.

Drive mode select system Choose Normal, Eco, or Sport mode to suit your preferences. Standard on automatic transmission models.

Flex Steer system Users can switch between the 2 steering modes: Normal and Sport. Standard on manual transmission models.

Cd **0.33** Coefficient of drag

Witness graceful economy in motion.

With its aerodynamic 0.33 coefficient of drag, the Sorento leads the class in low air resistance, making the exterior all the more attractive from the driver's seat.

Every road can present new challenges.

The Sorento is engineered to use its own reflexes to keep you in control when tricky surfaces, inclines, twisting roads, and unexpected moves by other drivers put you to the test.

Safety above all else.

Feel protected inside the Sorento cabin where you are surrounded by a safety cage design fortified with ultra-high-tension steel and a 6-airbag SRS system (LX, EX and SX only). Thoroughly tested in countless crash simulations and actual collision tests, we've given the unthinkable quite a bit of thought so you don't have to.

Experience precise control of every wheel.

An innovative, continuously active AWD coupling system helps the AWD-equipped Sorento maintain the utmost traction on rough, loose or slippery surfaces, and helps improve lateral stability when cornering. (EX and SX only)

DYNAmax AWD

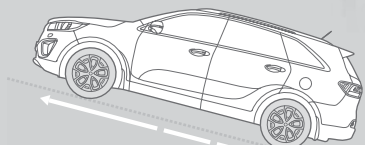

True AWD. Continuously thinking forward.

Dynamax™ AWD Coupling The intelligent Dynamax All-Wheel-Drive (AWD) system, developed in conjunction with Magna Powertrain, continuously monitors driving conditions and anticipates AWD system requirements, sending torque to the wheels that have traction. The system also adds stability in corners, helps eliminate unintended over- and understeer by reducing unwanted traction forces at the front and rear axle, and helps reduce fuel consumption and emissions.

Images shown may contain vehicles, specifications or colours that are model specific, that may not be available in this country, or may be fitted with optional extras. For exact information, please consult your nearest KIA dealership.

53% AHSS* used

HAC

Hill-start Assist Control (HAC)

HAC prevents the vehicle from rolling backward when at a standstill on an incline by gently applying the brakes for up to two seconds while you move your foot from the brake pedal to the accelerator. (Not available on LS models)

VSM

Vehicle Stability Management (VSM)

The system enhances the directional stability of the vehicle by automatically controlling MDPS and brakes on each wheel. In case of braking on a non-homogeneous surface (e.g. right wheel on ice and left wheel on the asphalt), it helps to stabilise the vehicle and maintain the vehicle path. (Not available on LS models)

Rack-type Motor-Driven Power Steering (R-MDPS) A firm, solid feel and unprecedented steering response are simultaneously achieved with optional R-MDPS.

Rear sub-frame Even 2WD models now feature the sturdy rear sub-frame that AWD models are famous for, further improving driving stability.

Upright rear shock-absorber A vertically oriented rear shock absorber system helps to control wheel travel on uneven ground and better isolates occupants from bumps.

Six airbags The Sorento offers driver, front passenger, two front-side, and two side-curtain airbags to help protect occupants and potentially reduce injuries, in the event of a collision. (Only driver and passenger on LS models)

***Advanced High Strength Steel (AHSS)** The Sorento uses more than 53% Advanced High Strength Steel. This exceptional steel reinforces the front, rear and sides, as well as high stress points throughout the body.
