

2019 | GUIDEBOOK SERIES

STINGER

A simple guide to help you decide

The Power to Surprise

From
DREAMS
to
REALITY

Some dreams remain in the realm of fantasy.

At Kia, our dream of building an authentic fastback sport sedan was nothing short of an obsession. The result took seven years to create, but only takes an instant to appreciate.

Born on the **TEST TRACK**

Tamed for the road

Rigorous testing in some of the world's harshest proving grounds has culminated in every detail being engineered for incredible stability at higher speeds. But it's also made for the long journey, so you can take your time.

NÜRBURGRING, GERMANY

Ride and handling precision were fine-tuned during more than 10,000 kilometres of testing on this legendary track.

ARJEPLOG, SWEDEN

Extreme weather and low-grip testing were conducted on an ice circuit just outside the arctic circle, where temperatures fall below -40°C.

DEATH VALLEY, CALIFORNIA

Long distance and durability trials were performed in one of the world's hottest locations, where temperatures can reach 56°C.

One **POWERFUL** argument

Power alone only takes you so far. Stinger's balanced approach to performance enables it to respond to your every command with both refinement and authority.

TWO POWERFUL ENGINE CHOICES*

including a 2.0 L turbocharged 4-cylinder with 255 horsepower or step up to the 3.3 L twin-turbocharged V6 that delivers an inspiring 365 horsepower and 376 lb.-ft. of torque

PADDLE SHIFTERS

offer the selectability and added control of manual shifting

DRIVE MODE SELECT

lets you choose between drive modes to adjust steering sensitivity, shift points and throttle mapping

Go where you want,

WHEN YOU WANT

The more demanding the road, the more impressive is Stinger's ability to inspire you with its exceptionally refined ride and handling. That feeling never gets old, no matter how long your journey.

ALL-WHEEL DRIVE

for maximum traction and control in any condition

DYNAMIC TORQUE VECTORIZATION CONTROL

automatically adjusts power and braking force to maintain course in adverse conditions

SPORT VARIABLE GEAR RATIO STEERING*

increases Stinger's steering responsiveness during spirited driving to elevate your driving experience

DYNAMIC SUSPENSION*

is electronically controlled and features adaptive damping that automatically adjusts to different driving conditions

IT STOPS

as well as it goes

Confidence is the by-product of one of the most sophisticated braking systems on the road today.

AUTONOMOUS EMERGENCY BRAKING SYSTEM*

This system is designed to detect and alert you if a potential front collision is imminent, and can also automatically apply the brakes, if necessary.

BREMBO BRAKES*

These high-performance brakes feature signature red, fixed quad-piston front calipers and dual-piston rear calipers for superior braking.

BRAKE FADE COMPENSATION

This feature automatically increases hydraulic pressure in the braking system as the temperature rises, for a more consistent and confident braking feel.

Helping you
**REMAIN
CENTRED**
amid the chaos of life

Vehicles in your blind spot, changing lanes in traffic and unintentional drifting are just a few of the hazards that are part of everyday driving. Thankfully, these advanced features are up to the challenge, providing you with alerts and assistance as you make your way down the road.

**ADVANCED SMART
CRUISE CONTROL^{*1}**

maintains a safe distance from vehicles in front by automatically adjusting acceleration and braking – even in stop and go traffic

LANE KEEPING ASSIST^{*1}

detects your vehicle getting close to lane markers, and can apply corrective adjustments to help prevent you from drifting into another lane

**DRIVER
ATTENTION ALERT^{*1}**

monitors for driving abnormalities and provides fatigued drivers with an alert

**BLIND SPOT
DETECTION SYSTEM^{*1}**

uses radar to detect vehicles in your blind spot and can give visual and audible alerts to help you avoid hazardous lane-changes

Safety covered from **EVERY ANGLE**

Stinger has you covered with features that help alert you to potential hazards that are behind and in front of you — as well as those heading your way.

360° CAMERA MONITORING SYSTEM¹

uses cameras to provide a real-time overhead view to ease your manoeuvring in and out of parking spaces

REAR CROSS TRAFFIC ALERT¹

gives you visual and audible alerts to help warn of traffic coming toward you from either side while backing up

REAR PARKING SENSORS¹

give you audible alerts when you're getting too close to obstacles while parking

Keep your
HEAD UP
Eyes on the road and
hands on the wheel

The less time you need to glance down while driving,
the more you're able to stay focused on the road ahead.
Stinger offers innovative and driver-centric features
designed to help you do just that.

HEADS-UP DISPLAY (HUD)*

lets you keep your eyes on the road by subtly projecting
key driving information onto the windshield

7" SUPERVISION INSTRUMENT CLUSTER*

allows you to manage settings and display helpful vehicle information,
including turbo boost levels and g-forces

*Available feature. See features page or visit kia.ca/stinger for full details.

UVO | Intelligence™

Access a world of
connected car services
from the convenience of your smartphone^{2,4}

NOW THAT'S INTELLIGENT

REMOTE SERVICES

Start/Stop your car and set the climate control remotely from your smartphone.
Other services include: Remote Door Lock/Unlock and Find My Car.

SAFETY AND SECURITY

Automatic Collision Notification sends out an emergency call automatically if
you're in an accident. Enhanced Roadside Assistance and S.O.S. Emergency
Assistance are both available at the touch of a button.

VEHICLE HEALTH

Monitor the status of your vehicle with Maintenance Alerts, Monthly Vehicle
Health Reports and On-Demand Diagnostics.

LOCATION-BASED SERVICES

Use voice-activated Destination Search to find an address, or points
of interest by category, quickly and easily.

CONNECTED

to more than just the road

Stinger invites you to experience a more connected form of driving with features that make your life on the road more comfortable and convenient.

SMART KEY
lets you unlock and start your vehicle with your key in your pocket

8" MULTIMEDIA INTERFACE*³
with integrated touch screen navigation

HARMAN KARDON PREMIUM AUDIO*⁹
delivers crystal clear and balanced sound through 15 speakers

WIRELESS CHARGING²
keeps your smartphone fully charged while you're on the road

APPLE® AND ANDROID™ SMARTPHONE INTEGRATION^{2,7,8}
keep you connected through voice commands

Sit back and enjoy

THE PERFORMANCE

Stinger's cockpit echoes classic '70s Gran Turismo style, featuring stitched leather finishes, turbine-inspired air vents and metal-ringed gauges. Combined with the latest in technology, Stinger will indulge you with comfort and confidence.

PREMIUM NAPPA LEATHER*

perfectly complements the deeply contoured seating

AIR-COOLED SEATS*

help you stay cool with three fan levels

DRIVER'S SEAT MEMORY SYSTEM*

remembers two individual seat-adjustment preferences

DRIVER'S SEAT CUSHION EXTENSION*

extends and pivots up and down for customized comfort

FULL-WIDTH PREMIUM SUNROOF*

for that wide-open, blue sky feeling

Designed for an **ELEGANT ESCAPE**

Stinger delivers another key component to its definition of a true Gran Turismo sport sedan – an abundance of space for passengers and cargo alike.

**SMART HATCH***

can automatically open when it senses your Smart Key

60/40 SPLIT-FOLDING REAR SEATS

can fold down to provide up to 1,158 litres (40.9 cu. ft.) of cargo space

HIDDEN UNDER-FLOOR STORAGE*

lets you conceal smaller valuables to maintain privacy

AHEAD OF THE CURVE, even in the dark

Stinger's advanced visibility enhancing technologies are each designed to combat the rigors of nighttime driving and boost visibility in various conditions.

DYNAMIC HEADLIGHTS*

adjust headlight angle based on steering input to illuminate the curve ahead

LED LIGHTING

is more energy efficient than halogen lights and produces a pure, clear quality of light

AUTO-DIMMING REARVIEW MIRROR

automatically cuts the glare from the headlights of the vehicle behind you

RAIN SENSING WIPERS*

detect precipitation on the windshield and automatically activate the wipers

**ADVANCED AIRBAG SYSTEM**

includes dual front, front seat-mounted side, driver's knee and side curtain airbags

HIGH-STRENGTH STEEL

helps absorb impact energy in certain collisions to protect the passenger compartment

ELECTRONIC STABILITY CONTROL (ESC)

monitors throttle, brake and steering inputs, and restores stability if the responses are out of sync

VEHICLE STABILITY MANAGEMENT (VSM)

controls brake force, engine torque and steering torque to improve stability on slippery surfaces or when cornering

TIRE PRESSURE MONITORING SYSTEM (TPMS)

provides a warning if it detects low pressure in any tire

Enhanced protection for more
PEACE OF MIND

Advanced sensor systems, strategically placed airbags and breakthroughs in material design, that have led to stronger body construction, are just a few of the ways Kia never stops working to help maximize your protection.

Three ways to MAKE IT YOURS

Which Stinger is right for you?

GT-LINE

EXTERIOR	SAFETY	TECHNOLOGY	COMFORT
• 18" machined-finish alloy wheels	• All-wheel drive (AWD)	• Air conditioning	• Leather seats
• P225/45R18 tires (Bridgestone)	• 7 airbags (driver knee, dual advanced front, dual side curtain, dual front side seat)	• Dual-zone automatic climate control	• 8-way power adjustable driver's seat
• Temporary spare tire	• Electronic stability control (ESC)	• 7" Display audio	• 4-way driver's seat lumbar support
• High-performance shocks	• Vehicle stability management (VSM)	• 9-speaker audio	• 8-way power adjustable passenger seat
• Automatic headlights	• 4-wheel anti-lock braking system (ABS)	• AM/FM/MP3/satellite radio ⁵	• 4-way passenger seat lumbar support
• Dual-function LED headlights	• Hill-assist control (HAC)	• AUX audio input port	• 60:40 split-folding rear seats
• LED daytime running lights	• Tire pressure monitoring system (TPMS)	• USB audio input and charging port	• Heated front seats
• LED positioning lights	• Low washer fluid warning indicator	• Bluetooth® hands-free cell phone connectivity ^{2,6}	• Heated steering wheel
• LED taillights (bar type)	• Blind spot detection system (BSD) ¹	• Apple CarPlay® and Android Auto™ smartphone integration ^{2,7,8}	• Sport steering wheel (D-shaped) with metal accent
• Headlight escort function	• Rear parking sensors ¹	• Wireless phone charger ²	• Leather and chrome wrapped gear shift knob
• Welcome lighting system	• Rear cross traffic alert (RCTA) ¹	• Dual 12V cabin power outlets	• Sunglasses holder
• Aeroblade wipers	• Rearview camera ¹	• Steering wheel-mounted audio controls	• Piano black interior trim
• Solar glass		• Steering wheel mounted paddle shifters	
• Dark chrome sideview mirrors		• Cruise control	
• Heated sideview mirrors		• Shift-by-cable transmission control	
• Sideview mirror signal repeaters		• Electronic parking brake	
• Automatic power folding sideview mirrors		• Drive Mode Select (Eco/Comfort/Smart/Sport/Custom)	
• Body coloured door handles		• Smart key with push-button start	
• Dark chrome exterior accents		• UV0 Intelligence™ connected car services ^{2,4}	
• Integrated dual exhaust		• Auto-dimming rearview mirror

1. Please note that your vehicle may not be equipped with all features described. This also applies to safety-related systems and functions. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 2. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 3. When equipped with the navigation system, French voice commands may be limited. 4. UVO Intelligence only available on select models and trims. Specific functionality may vary between models and trims. Destination Search is only available on vehicles with a navigation head unit. Certain functions are only accessible on the smartphone app and/or customer web portal and/or in-vehicle head unit. Service is free for the first five years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Please consult your dealer for details. 5. SiriusXM satellite radio service includes a 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 6. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. 7. Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 8. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. 9. Harman Kardon and Infinity are registered trademarks of Harman International Industries, Inc. Lexicon, the Lexicon logo, Logic 7 and the Logic 7 logo are registered trademarks of Lexicon, Inc., a Harman International company. All rights reserved. 10. HomeLink is a registered trademark of Johnson Controls, Inc.
