

The all-new KIA  
**picanto**

The Power to Surprise

The city belongs  
to the young

If the city makes you feel young and alive, and you're eager to explore new places, you've found a soulmate in the Picanto. Compact on the outside, roomy on the inside, and full of big ideas.

**picanto**

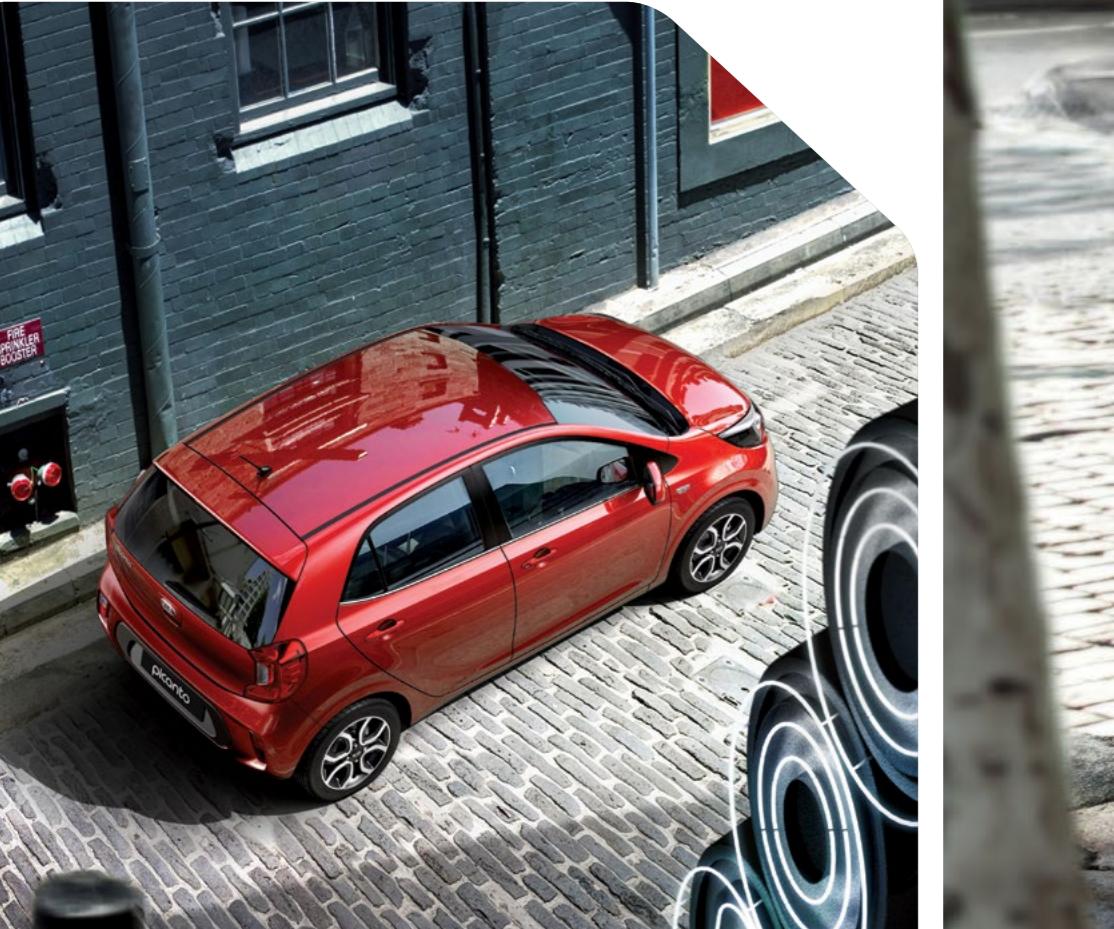

## At home in the urban jungle

With its dynamic performance and agile manoeuvrability, the Picanto turns a neighbourhood of hilly, winding, narrow streets into its very own playground.

## The centre of attention

When pulling onto a fashionable street, the Picanto immediately becomes part of the scene. With striking curves and colours that pop, it makes a statement that catches eyes and wins hearts.

True style  
lies within

The Picanto's stylish dashboard groups driving, entertainment and climate controls with logical ingenuity. It feels spacious, wide-open and impressively modern.

## 7" colour touchscreen audio

A vivid 7" colour LCD screen is shared by the rearview camera and the audio system. The large screen makes it simple to select radio stations and operate other audio system controls with the touch of a finger.

## Ready for modern life

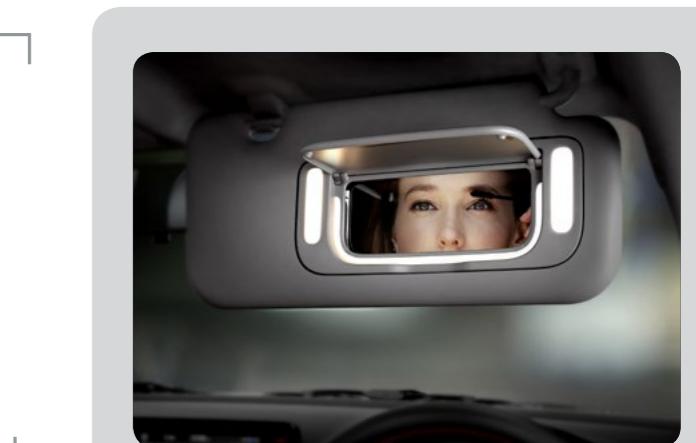

Getting through a typical day of finding your way, staying informed, meeting people, and staying connected takes a certain level of skill and ingenuity. The Picanto helps you handle all the demands of urban living.

**2.6-inch mono-LCD** Get tyre pressure alerts and other essential vehicle and trip information at a glance with the mono LCD located between the instrument dials.

**Bluetooth Handsfree** Built-in Bluetooth® connects paired and compatible mobile devices seamlessly, giving you easy access to music streaming and hands-free calls.

**Survisor® illumination lamp** Don't miss a spot when you're preparing for a meeting. Pull down the sun visor and open the mirror to activate lights at each side of the glass, as well as a U-shaped hood light strip around the sides and bottom of the glass. S-MART models only.

**Rear-view camera with graphic guidelines** Using a waterproof rear camera and the 7-inch dash display, the rearview camera projects graphic guidelines onto the image to recommend a path as the driver reverses. S-MART models only.

Give yourself  
roomtobreathe

It's a compact car, but you get it all: headroom, shoulder room, plenty of legroom, and even a comfy front center console armrest.

## City life requires real flexibility

You always have choices with the Picanto, whether moving people, cargo, or a mix of the two. Enjoy a day out shopping, a road trip, or have the space all to yourself.

**60:40 split folding rear seats** For maximum flexibility, the rear seatbacks split 60:40 and fold flat, allowing several combinations of people and cargo.

**Double tray** Located just below the temperature controls, the double tray provides a convenient space for sunglasses, smart phones or audio devices.

**Glove box** With separate sections to keep all your favorite accessories organised, the glove box stores items out of sight yet easily within reach.

**Front cup holder** At the front of the console, dual cup holders keep drinks secure and close at hand.

**Centre console armrest** The floor-mounted centre console offers convenient storage and a place to rest your arm.

## Truly reliable performance

Reliable, efficient and fun when you need them to be, the Picanto's engines and transmissions offer you a boost of confidence as you drive through life.

**Kappa 1.0 MPI Engine**  
The smooth-running 49 kW, 1.0-litre MPI engine combines efficiency, power and fun performance.

**Kappa 1.2 MPI Engine**  
The 61 kW, 1.2-litre dual-CVVT MPI engine with piston-cooling jets and coated piston rings is feisty and capable, yet also quiet and efficient.

**Automatic Transmission**  
The 4-speed automatic transmission offers quiet operation and shift points that are set to maximize smoothness even in stop-and-go city traffic. Select models only.

**Manual Transmission**  
The 5-speed manual transmission features friction-reduction measures for lasting performance, and lets you select gears quickly with confidence.

## Advanced High-Strength Steel (AHSS) and Hot-Stamped Steel

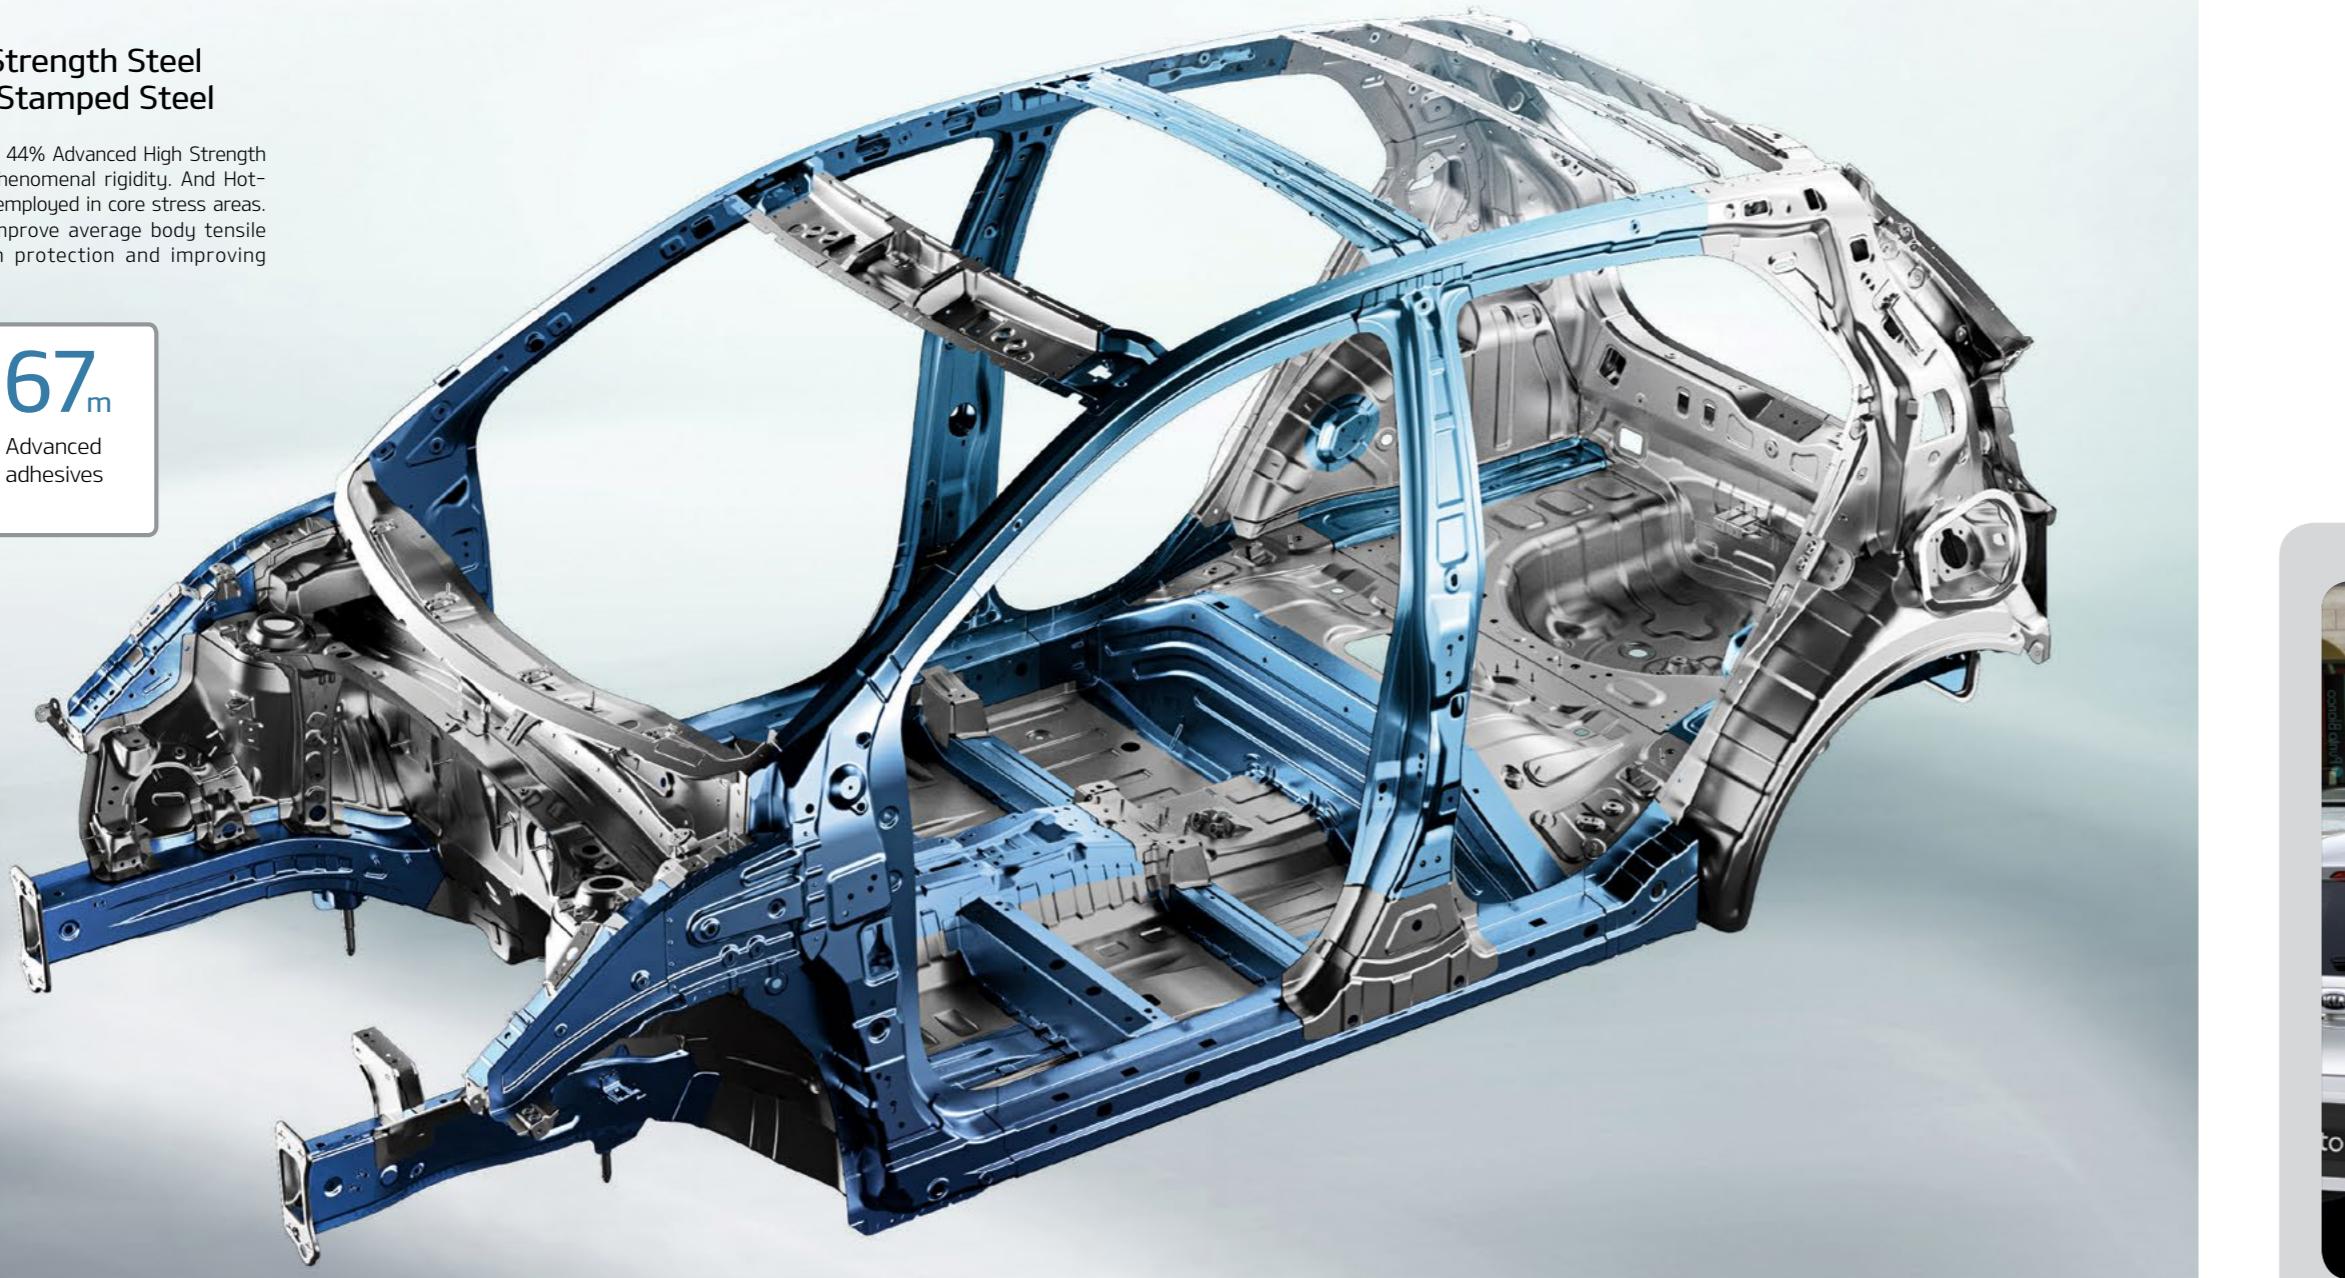

The Picanto uses more than 44% Advanced High Strength Steel (AHSS), resulting in phenomenal rigidity. And Hot-stamping of components is employed in core stress areas. These measures greatly improve average body tensile strength, enhancing cabin protection and improving dynamic performance.

**Braking System** The brakes are tuned to work with the ABS and tyres to reduce stopping distance, while maximising stopping power and directional control while braking.

**Rear Park Distance Control** You're lucky to find a parking spot in the city, and rear park distance control can help you reverse in with confidence. Using sensors, it beeps faster, the continuously, as you get closer to an obstruction.

## Obsessed with peace of mind

From its sturdy frame to the latest in sensor technology, the Picanto is dedicated to protecting you when trouble happens and helps you avoid tricky situations in the first place.

An expression of  
your individuality

The Picanto comes with a wide range of colour options allowing you to custom create your perfect car.

## Created to fulfill your needs

The Picanto comes with an array of features across its range that are focused on making your driving experience comfortable and more convenient.

**Sunroof** Power controls let you open or close the sunroof with the press of a button, letting in sunlight and a refreshing breeze. Its wide opening gives the Picanto's interior a feeling of added space and airiness. SMART Models only.

**Audio Remote Controls** Buttons mounted on the steering wheel let you adjust audio functions while your eyes stay on the road.

**Tweeters** Tweeter speakers at each end of the dash help bring out the high frequencies of the audio signal.

**Manual Temperature Control** Simple graphics let you choose your temperature and airflow preferences and you can adjust them quickly whenever you like. Illuminated icons clearly display the current settings when it's dark.

**MDPS with Tilt Steering Wheel** Motor-driven power steering simplifies turning, while a tilt steering column lets you find the most comfortable driving position.

**Apple CarPlay/Android Auto** Make the most of your apps with our built in Apple CarPlay/Android Auto feature, giving you all the convenience without any of the hassle.

**Audio System** The optional five-speaker 3.0 audio system with RDS includes a monochrome TFT LCD screen. In addition to radio, it offers connectivity with portable devices through its AUX and USB inputs.

**AUX and USB Ports** Connect audio players and mobile devices via USB or mini-RCA cables for instant playback.

**Aluminium Pedals** Racing-inspired aluminium pedals add to the fun of driving. Raised rubber grips help ensure confident footwork. SMART Models only.

**ISO FIX Child Seat Anchor** The all-new Picanto is equipped with the ISO Fix points to secure child car seats quickly and safely without using seat belts.

**Leather Upholstery** SMART models feature stylish, two-toned leather upholstery.

**Segmented Cluster LCD** A segmented cluster between the instrument dials keeps vital information front-and-center.

**Auto Light Control** Set the stalk ring to 'Auto' and the front and rear lights will turn on or off automatically depending on lighting conditions.

**Black Cloth Upholstery** Patterned black cloth upholstery is both stylish and practical.

**Side Indicators** Enjoy a more luxurious look with body-colour outside mirrors that are available with side indicators, heating function.

**Electric Outside Mirrors** In extremely tight situations, a handy one-touch mechanism folds and unfolds mirrors to facilitate safe passage.

**High-mounted Stop Lamp** Located on the subtle spoiler above the rear window, the lamp safely alerts drivers behind you when you're braking.
