2017 LINCOLN
MKX

THE FEELING
STAYS WITH YOU

When elegance and intensity converge, remarkable ideas take shape. Lincoln MKX exemplifies this progressive way of thinking. From the moment you slip behind the wheel, a feeling of quiet confidence washes over you. With its effortlessly engaging drive, the 2017 Lincoln MKX influences you in ways that are truly empowering. Ways designed to inspire extraordinary drives and exceptional experiences.

REJUVENATING YOU IN EXHILARATING WAYS

2.7-LITRE GTDI IS WELL BALANCED.

Get impressive power – 335 horsepower and 380 lb.-ft. of torque¹ – when you opt for the twin-turbocharged direct-injected 2.7-litre GTDI engine.² Its two turbochargers pump air quickly into the combustion chambers to generate a virtually instantaneous surge of power on demand. Plus, it has excellent fuel efficiency.³

3.7-LITRE Ti-VCT SETS THE STANDARD.

With a substantial 303 horsepower and 278 lb.-ft. of torque, the standard 3.7-litre Ti-VCT engine offers you smooth, responsive passing and merging. It also features twin independent variable camshaft timing that precisely controls when the intake and exhaust valves open and close to help optimize fuel combustion.

¹Horsepower and torque ratings achieved with 93-octane fuel. ²Available feature. ³14.1L/100 km city and 9.8L/100 km hwy (20 mpg city/29 hwy). Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.

TAKE THE TURNS ON YOUR TERMS

Lincoln MKX adapts so you don't have to. Torque Vectoring Control¹ and Electric Power-Assisted Steering (EPAS) adjust to enhance agility in different driving situations. Adaptive HID headlights² swivel as you steer. Adaptive Steering² helps your vehicle feel taut and stable at higher speeds, yet very agile and fluid at lower speeds.

Personalize your experience by switching between 3 drive modes – Comfort, Normal or Sport – with Lincoln Drive Control featuring Continuously Controlled Damping (CCD). You can also allow the fully automatic Intelligent all-wheel drive (AWD) to adjust torque as needed – typically before wheelslip can even occur – so your Lincoln MKX performs at its best in various conditions.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

WHERE INSTINCT AND INTELLIGENCE INTERSECT

BE ALERT.

Some vehicles may be out of your line of sight, but they can be detected by BLIS® (Blind Spot Information System) with cross-traffic alert. If the system's radar sensors detect a vehicle in either blind spot while you're driving forward, the system can alert you with a light in the corresponding sideview mirror. While backing up, it can also detect a vehicle approaching from either side, then notify you with a warning light and an audible tone.

REDUCE CONFLICT.

Sometimes you can't see it coming. A sudden turn in front of you. Unexpected brake lights. Get help from our Pre-Collision Assist with Pedestrian Detection.¹ Using camera and radar technology, it can monitor the front of your vehicle's proximity to other vehicles and pedestrians. If a potential collision is detected, it can alert you with visible and audible warnings and, if needed, precharge the brakes and increase brake sensitivity to help provide full responsiveness when you brake. If the system determines a collision is imminent, active braking may automatically apply full braking.²

STAY CENTERED.

If you start to drift out of your lane, the Lane-Keeping System^{1,3} is there to help. Using a forward-facing camera to detect road lane markings, it can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane. If it detects that you've crossed the line or repeatedly drifted, it can prompt the Driver Alert System¹ to chime and display a coffee cup image to remind you that it's break time.

PLAN AHEAD.

There's no need to hold down the brake pedal for a long stoplight or extended wait. Just activate the Auto Hold feature, then come to a complete stop. Even on a hill, the system will hold your vehicle in place until you press the accelerator. When highway cruising, activate Adaptive Cruise Control,¹ set the vehicle's speed, and it can automatically adjust to maintain your choice of 4 preset gaps from the vehicle in front of you.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ³Lane-Keeping System does not control steering.

EASE INTO PRIME POSITION.

When parallel parking or backing into a perpendicular spot, turn to the Enhanced Active Park Assist System.¹ Using ultrasonic sensors, the system not only helps you locate an appropriate space, it steers Lincoln MKX into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. It can steer while you pull out of a parallel spot, as well. For additional guidance during parking manoeuvres, the Forward¹ and Reverse Sensing Systems can emit beeping tones to alert you to objects near the front or rear of your vehicle.

MAKE INFORMED DECISIONS.

By merging the views from 4 cameras – 1 in the front, 1 on each sideview mirror and 1 in the back – the 360-Degree Camera¹ creates a bird's-eye view of your vehicle and its surroundings. Displayed on the 8" colour screen, it offers visual guides to help you gauge the distance to objects while the vehicle is in Reverse and includes a front washer. You can also switch to a 180-degree view from either the front or the rear camera. The wide-angle view lets you see around corners and other vehicles to check for approaching cross traffic.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

DETAILS ATTENTION TO

QUIET SPACE FOR CONTEMPLATION.

From the acoustic-laminate glass in its windshield and front doors to the tuning of its tires, the serenity is in the details. The artisans of Lincoln even utilized the vehicle's speakers in their quest for quiet. By sending precisely chosen sound waves through the speakers, Active Noise Control¹ cancels out unwanted noise and refines engine sounds. The result is a thoroughly calming ambience.

The finest Bridge of Weir Deepsoft™ leather trims the heated and cooled, 22-way multicontour front seats with Active Motion^{®1} massage functionality that can help reduce muscle fatigue in your upper legs and lower back. Heated rear outboard seats¹ pamper those in back, while the power panoramic Vista Roof^{®1} ushers in fresh air for all.

With the foot-activated hands-free power liftgate, your key fob can stay tucked away while you simply kick your foot beneath the rear bumper. The liftgate effortlessly opens to reveal a flat load floor, abundant space, and the flexibility of a 60/40 split-fold rear seat. Once you've loaded your cargo, close the liftgate with the press of a button, or by gently kicking your foot under the rear bumper again.

¹Available feature.

SUPPORTIVE SURROUNDINGS

Take your place at the leather-wrapped, heated¹ steering wheel, and allow this stunning environment to warmly envelop you. With its convenient memory feature, Lincoln MKX recalls your preferred placement of the driver's seat, heated sideview mirrors and more, each time you return. Enjoy the harmony of its graceful interior lines accented by genuine wood or aluminum¹ trim. Enhance the atmosphere with ambient lighting in your choice of 7 hues.

The creation of the dramatic, flowing suspension bridge between the instrument panel and the centre console was enabled by the placement of the easy-to-use push-button shift transmission controls. This design also provides plenty of space for your travel accessories – the essentials that personalize your experience.

In order to provide this highly refined environment, the Lincoln Luxury Validation Centre meticulously inspects the materials, craftsmanship, fit and finish, and function of each Lincoln MKX that leaves our facility. This process ensures that it meets Lincoln standards in every way, before you see that it meets yours.

¹Available feature.

Music has the power to calm and soothe... invigorate and liberate. Whatever your preference, our expertly engineered Revel® and Revel Ultima® audio systems¹ can deliver it with a level of precision and musical accuracy you will not just hear – you will feel it, too – as if you are seated in the “Audience” or right up “On Stage” when you use the personalized listening modes. Enjoy outstanding, multidimensional sound in every seat courtesy of Revel Waveguides, QuantumLogic® Surround Sound technology and advanced cabin correction tuning. The 19-speaker Revel Ultima audio system uses patented Clari-Fi™ music reconstruction technology to enhance satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

Staying connected should be second nature. That’s why our SYNC® 3 enhanced voice-activated technology² concisely presents your audio, phone, navigation and other features on a responsive touchscreen. Steering wheel-mounted controls and simple voice commands let you place and answer calls, plus control music from your devices. SYNC AppLink™³ allows you to control select compatible mobile apps by voice, too. Voice-Activated Touchscreen Navigation System maps feature pinch-to-zoom capability. Plus, seamless integration with Siri® Eyes Free brings the power of your paired iPhone® into your vehicle. SYNC 3 also brings you the options of Apple CarPlay™⁴ and Android Auto™⁵. Automatic updates over Wi-Fi®⁶ provide you with the latest software as new updates become available.

¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ³SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁴Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁵Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

EACH GREETING IS LIKE
A WARM EMBRACE

When you're away, your Lincoln MKX patiently awaits your return, to welcome you, invite you in, and even illuminate your path in the darkness.

As you approach, it senses your key fob from about 3 metres away and slowly raises its exterior LED lights and signature lighting. It also graciously casts a luminous welcome mat with the Lincoln logo on the ground beneath each sideview mirror.

LED lights in the door handle pockets glow with an intensity that's fine-tuned to the exterior colour. Inside, the cabin puts on a show with ambient lighting. Once you close the door and relax into your seat, Lincoln MKX deploys the autofold sideview mirrors with memory according to your personalized settings. It's been expecting you.

START IT SMARTER.

No need to bear the cold or heat when you get inside your Lincoln MKX. The Lincoln Way™ app¹ – enabled by an embedded modem² – lets you use your smartphone to start your vehicle remotely so it can adjust to your preselected climate settings. You can even schedule a daily or weekly start time. Locate your vehicle, remotely lock or unlock its doors and more, with just a few taps.

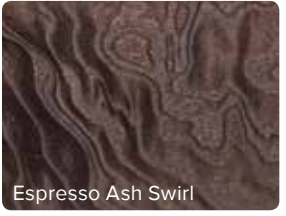

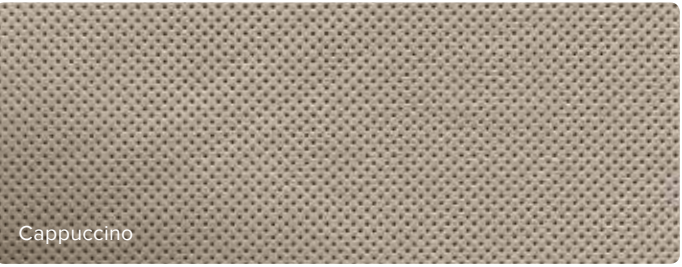

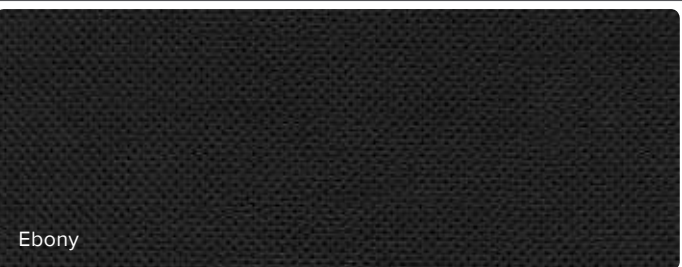

The Lincoln Way app is available as a download for most smartphone platforms. Every new Lincoln owner can use it to access Roadside Assistance, the Lincoln Concierge and other premium services.

¹Lincoln Way, compatible with select smartphone platforms, is available to download. Message and data rates may apply. Available late 2016. ²SYNC® Connect (embedded modem), an optional feature on select 2015 through 2017 MY vehicles, is required for certain features and includes SYNC Connect service for four years; after which fees apply.

WHEEL AVAILABILITY

EXCEEDING EXPECTATIONS

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Lincoln Automotive Financial Services. Visit your local Lincoln Dealer, call the Customer Service Centre at 1.855.768.8909 or go to LincolnAFS.ca for details.

LINCOLN PROTECT PLANS

Help protect your investment and add to your peace of mind by complementing your Lincoln purchase or lease with a Lincoln Protect plan. Lincoln Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Lincoln Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus six wear items. See your Dealer for details.

LINCOLN ORIGINAL ACCESSORIES COVERAGE

Lincoln Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 4-year/80,000-km New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Lincoln Dealer for details and/or a copy of all limited warranties.

LINCOLN ACCESSORIES

WE'RE HERE FOR YOU

It's the collective promise of everyone at Lincoln – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be here for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES¹

Drive confidently – the Basic coverage of the New Vehicle Limited Warranty protects you for 4 years/80,000 km. The Powertrain Warranty, Safety Restraint System coverage and Corrosion coverage last even longer.

ROADSIDE ASSISTANCE FOR LIFE¹

Whether you're at home or out on the road, we're here for you with 24/7 nationwide assistance. If you lock yourself out of the vehicle, run out of fuel, or need a tow – just contact us through the Lincoln Way™ app² or give us a call at 1.800.387.9333. As the original owner, you can receive Roadside Assistance at no charge for as long as you own the vehicle.

COMPLIMENTARY CAR WASH³

After completing service on your Lincoln vehicle, we'll return it to you freshly washed – another shining example of our commitment to you.

LINCOLN CONCIERGE

As the owner of a Lincoln, you can take comfort in knowing we're always by your side. You can contact our caring agents at 1.888.658.6554. They're empowered to answer your owner benefit questions and help you with new vehicle features, as well as any other vehicle-related concerns.

COURTESY VEHICLE³

Should your Lincoln require service, you can count on us to be there for you with a courtesy vehicle.

LINCOLN WAY APP²

Available as a download to your iPhone® or Android™ device, the Lincoln Way app provides easy access to Roadside Assistance, your Lincoln Concierge and other premium Lincoln owner services.

¹Lincoln reserves the right to change program details at any time without obligations. See your dealer for limited warranties and complete details. ²Lincoln Way, compatible with select smartphone platforms, is available to download. Message and data rates may apply. Available late 2016. ³Availability depends on dealer participation. See your dealer for details.
