

2017 LINCOLN
MKT

EXPRESS YOUR
AUTHENTIC SELF

PROCEED CONFIDENTLY IN MKT.

A sophisticated fusion of design and function, Lincoln MKT entices you with an alluring exterior. Then it charms with an exquisitely tailored and blissfully quiet interior. On the road, MKT delivers a responsively exhilarating and remarkably smooth ride courtesy of sophisticated technologies like Torque Vectoring Control and Electric Power-Assisted Steering (EPAS). Lincoln Drive Control featuring Continuously Controlled Damping (CCD) even lets you switch between 3 drive modes – Comfort, Normal or Sport – for a personalized experience.

BY EMBRACING YOUR OPTIMISM AND DRIVE

3.5-LITRE GTDI FOR A SPIRITED RIDE.

Turbocharge your travels. MKT matches your fast-paced life with its standard 365-hp¹ twin-turbocharged, direct-injection engine. You'll especially enjoy its substantial low-end torque when you accelerate to pass other vehicles or to enter a highway. The 3.5-litre engine is combined with standard Intelligent all-wheel drive (AWD) for a dynamic driving experience – rain or shine.

¹Horsepower rating achieved with 93-octane fuel.

SPACIOUS SERENITY FOR UP TO 7

Living well and travelling well naturally go together in MKT. Bridge of Weir™ leather, created using an organic tanning process, trims the comfortably contoured seats in the 1st and 2nd rows. You'll find this premium leather on fine furniture, ocean liners and jets, too. Those in the 1st row will also enjoy 12-way power, heated and cooled bucket seats including power lumbar support and a driver's seat memory feature.

MKT treats your passengers to best-in-class¹ 2nd-row leg room, with your choice of heated and cooled bucket seats,² or the standard 60/40 split bench with heated outboard seats. For chilled snacks and beverages, you can pair a 2nd-row refrigerated console² with the bucket seats. Plus, there's a PowerFold® 3rd-row 50/50 split bench seat that lets you switch between carrying people and cargo with the push of a button.

To help keep MKT quiet inside, an acoustic-laminate windshield and front-door glass are standard. Enjoy the views through its standard panoramic fixed-glass Vista Roof®, or choose the power panoramic Vista Roof² to welcome in fresh breezes.

In order to provide this tranquil environment, the Lincoln Luxury Validation Centre meticulously inspects the materials, craftsmanship, fit and finish, and function of each MKT that leaves our facility. Ensuring that it meets Lincoln standards in every way, before you see that it meets yours.

¹Class is Luxury Large Utilities based on Lincoln segmentation. ²Available feature.

In the same way an artist's style draws you to their work, gracefully arranged controls draw you toward MKT. Slide behind your leather-wrapped heated steering wheel and take in the richness of the genuine wood accents. Paddle shifters discreetly mounted to the back side of the steering wheel allow you to take control of the standard 6-speed SelectShift® automatic transmission with ease. The position of the driver's seat, tilt/telescoping steering column, sideview mirrors, and even the brake and accelerator pedals can be adjusted with power controls, then saved to a memory setting for MKT to recall at the touch of a button.

| SYNC

Staying connected should be second nature. That's why our SYNC® 3 enhanced voice-activated technology¹ concisely presents your audio, phone, navigation and other features on a responsive touchscreen. Steering wheel-mounted controls and simple voice commands let you place and answer calls, plus control music from your devices. SYNC AppLink™² allows you to control select compatible mobile apps by voice, too. Voice-Activated Touchscreen Navigation System maps feature pinch-to-zoom capability. Plus, seamless integration with Siri® Eyes Free brings the power of your paired iPhone® into your vehicle. SYNC 3 also brings you the options of Apple CarPlay™³ and Android Auto.™⁴ Automatic updates over Wi-Fi®⁵ provide you with the latest software as new updates become available.

THX

The 14-speaker THX® II Certified Audio System with patented THX Slot Speaker™ technology and specialized digital sound processing fills the cabin with studio-quality sound, ensuring you experience music exactly as the artist intended.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC 3 voice recognition and screens available in English, French and Spanish. ²SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ³Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁴Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. ⁵Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

BE ALERT.

Some vehicles may be out of your line of sight, but they can be detected by BLIS® (Blind Spot Information System) with cross-traffic alert. If the system's radar sensors detect a vehicle in either blind spot while you're driving forward, the system can alert you with a light in the corresponding sideview mirror. While backing up, it can also detect a vehicle approaching from either side, then notify you with a warning light and an audible tone.

STAY CENTERED.

If you start to drift out of your lane, the Lane-Keeping System^{1,2} is there to help. Using a forward-facing camera to detect road lane markings, it can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane. If it detects that you've crossed the line or repeatedly drifted, it can prompt the Driver Alert System¹ to chime and display a coffee cup image to remind you that it's break time.

PLAN AHEAD.

When highway cruising, Adaptive Cruise Control & Forward Collision Warning with Brake Support¹ is designed to eliminate the need for constant adjustments. You simply activate the feature, set the speed, and it can automatically adjust your vehicle's speed to maintain your choice of 4 preset gaps from the vehicle in front of you. If a potential collision is detected, it can alert you with visible and audible warnings and, if needed, precharge the brakes and increase brake sensitivity to help you reach full braking, faster.

BRIGHTEN YOUR OUTLOOK.

To provide more visibility when driving around curves, Adaptive HID Headlights feature beams that move in the same direction as the steering wheel. Paired with the convenience of auto high beams, their bright-white light also provides better visibility than conventional halogen lights.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Lane-Keeping System does not control steering.

EASE INTO PRIME POSITION.

When parallel parking, turn to Active Park Assist.¹ The system uses ultrasonic sensors to help you locate an appropriate space, then steers MKT into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. For additional guidance during parking manoeuvres, a Reverse Sensing System and rear view camera are both standard on every MKT.

STANDARD FEATURES
Power and Handling
3.5-litre 24-valve GTDI V6 twin-turbocharged, direct-injection engine
365 hp @ 5,700 rpm ¹ 350 lb.-ft. of torque @ 3,500 rpm ¹
Estimated Fuel Consumption ²
AWD 15.7L/100 km city and 11.2L/100 km hwy (18 mpg city/25 hwy) (70.4-litre fuel tank capacity)
6-speed SelectShift® automatic transmission with paddle activation
Battery Management System
Electric power-assisted steering (EPAS)
Heavy-duty alternator (220-amp)
Intelligent all-wheel drive (AWD)
Lincoln Drive Control featuring Continuously Controlled Damping (CCD)
Power, ventilated disc brakes with Anti-Lock Brake System (ABS) and electronic brakeforce distribution (EBD)
Suspension: front, MacPherson strut, rear-facing L-shaped lower control arms; rear, multilink independent with stamped-steel lower control arms
Torque Vectoring Control
Driver-Assist Technology
Automatic on/off headlights
BLIS® (Blind Spot Information System) with cross-traffic alert
Reverse Sensing System
SYNC® 3 with 8" colour LCD capacitive touchscreen in centre stack with swiping capability, 911 Assist,® AppLink™ and 2 smart-charging USB ports
Windshield wipers – Rain-sensing with automatic headlights
Exterior
Acoustic-laminate windshield and front-door glass
Adaptive high-intensity discharge (HID) headlights with auto high beams
Chrome inserts on door handles
Dual exhaust with bright tips
Easy Fuel® capless fuel filler
Foglights
LED tail lights
Power glass, manually folding, heated sideview mirrors with LED turn signal indicators, security approach lights, memory and auto-dimming driver's side
Power-open and -close liftgate with spoiler
Reverse Sensing System
Wipers: rain-sensing, speed-sensitive intermittent (front); 2-speed (rear)

Driver Controls
Intelligent Access with push-button start (2 key fob transmitters)
Power-adjustable brake and accelerator pedals with memory
Remote Start System
Tri-zone electronic automatic temperature control
Universal garage door opener

Audio and Navigation Systems
THX® II Certified Audio System with AM/FM stereo/single-CD player, HD Radio Technology, ³ MP3 capability and 14 speakers
SiriusXM® with 6-month prepaid subscription
Voice-Activated Touchscreen Navigation System with pinch-to-zoom capability

Interior
1st-row centre floor console with armrest and 2 cupholders
2nd-row manual side-window sunshades
12-volt powerpoints (4)
110-volt power outlet in rear of 1st-row centre floor console
Ambient lighting
Auto-dimming rearview mirror
Cabin particulate air filter
Cargo net
Front door-sill scuff plates backlit with Lincoln script
Genuine wood trim accents on instrument panel and doors (Prussian Burl or Brown Swirl Walnut)
Heated steering wheel
Leather-wrapped shift knob with chrome accents
Leather-wrapped steering wheel with genuine wood accent
Panoramic fixed-glass Vista Roof®
Power front and rear sunshades for fixed-glass roof
Power-tilt/-telescoping steering column with memory
Power windows with one-touch-up/-down and global open/close

Seating
1st-row heated and cooled bucket seats with 12-way power adjustments, including power lumbar, 4-way adjustable head restraints, and driver's side memory
2nd-row 60/40 split fold-flat bench seat with heated outboard seating and fold-down armrest with dual cupholders (power release on 40 side)
3rd-row 50/50 split one-touch PowerFold® bench seat with tailgate feature ⁴
7-passenger seating
Bridge of Weir™ leather-trimmed seats for 1st and 2nd rows

Safety
Personal Safety System™ for driver and front passenger with dual-stage front airbags, ⁵ safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
Front-seat side airbags ⁵
Safety Canopy® System with 3-row side-curtain airbags, ⁵ roll-fold technology and rollover sensor
AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
Belt-Minder™ front safety belt reminder
Child-safety rear door locks
LATCH (Lower Anchors and Tether Anchors for Children) for outboard seating positions in 2nd row, 1 in 3rd row
MyKey®
Perimeter alarm
Power door locks with autolock
Rear view camera

EXCEEDING EXPECTATIONS

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Lincoln Automotive Financial Services. Visit your local Lincoln Dealer, call the Customer Service Centre at 1.855.768.8909 or go to LincolnAFS.ca for details.

LINCOLN PROTECT PLANS

Help protect your investment and add to your peace of mind by complementing your Lincoln purchase or lease with a Lincoln Protect plan. Lincoln Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Lincoln Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus six wear items. See your Dealer for details.

LINCOLN ORIGINAL ACCESSORIES COVERAGE

Lincoln Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 4-year/80,000-km New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Lincoln Dealer for details and/or a copy of all limited warranties.

WE'RE HERE FOR YOU

It's the collective promise of everyone at Lincoln – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be here for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES¹

Drive confidently – the Basic coverage of the New Vehicle Limited Warranty protects you for 4 years/80,000 km. The Powertrain Warranty, Safety Restraint System coverage and Corrosion coverage last even longer.

ROADSIDE ASSISTANCE FOR LIFE¹

Whether you're at home or out on the road, we're here for you with 24/7 nationwide assistance. If you lock yourself out of the vehicle, run out of fuel, or need a tow – just contact us through the Lincoln Way™ app² or give us a call at 1.800.387.9333. As the original owner, you can receive Roadside Assistance at no charge for as long as you own the vehicle.

COMPLIMENTARY CAR WASH³

After completing service on your Lincoln vehicle, we'll return it to you freshly washed – another shining example of our commitment to you.

LINCOLN CONCIERGE

As the owner of a Lincoln, you can take comfort in knowing we're always by your side. You can contact our caring agents at 1.888.658.6554. They're empowered to answer your owner benefit questions and help you with new vehicle features, as well as any other vehicle-related concerns.

COURTESY VEHICLE³

Should your Lincoln require service, you can count on us to be there for you with a courtesy vehicle.

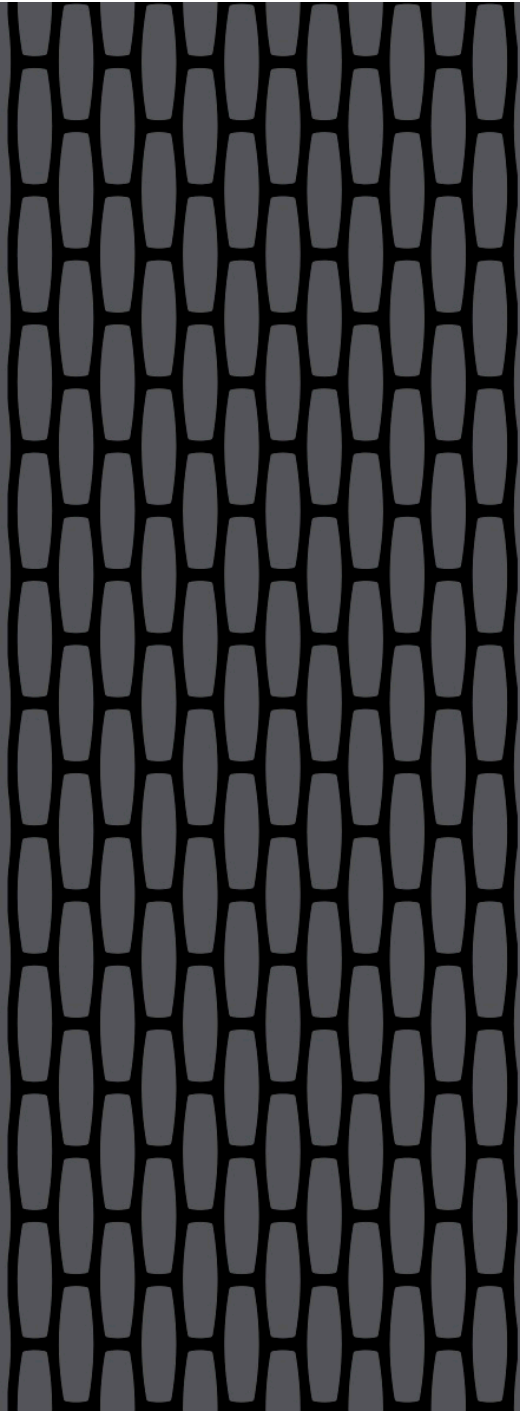

LINCOLN WAY APP²

Available as a download to your iPhone® or Android™ device, the Lincoln Way app provides easy access to Roadside Assistance, your Lincoln Concierge and other premium Lincoln owner services.

¹Lincoln reserves the right to change program details at any time without obligations. See your dealer for limited warranties and complete details. ²Lincoln Way, compatible with select smartphone platforms, is available to download. Message and data rates may apply. Available late 2016. ³Availability depends on dealer participation. See your dealer for details.
