

2016 LINCOLN NAVIGATOR

There's a certain, quiet power to which many of us aspire. It's a stalwart strength that radiates outward, silently encircling those around you. This type of power inspired the design of Navigator. From its signature Lincoln grille to its graceful wraparound taillamps, it embraces you and your passengers, surrounding each of you in exquisitely crafted, luxurious comfort. A spacious sanctuary where responsive technologies elevate your travels and understated confidence guides you through each day – the 2016 Lincoln Navigator.

YOU KNOW HOW IT FEELS TO REFLECT ON LIFE'S RICHES AND REALIZE YOU EARNED EVERY BIT OF IT? ADD THIS TO YOUR LIST.

Navigator commends your efforts and rewards your accomplishments with a luxurious interior designed to enhance every drive. Relax into your **premium leather-trimmed, 10-way power, heated and cooled driver's seat** and take in the beautiful strength of the leather-trimmed steering wheel and instrument panel! Precise stitching and **genuine wood inlays**, including exotic Zircote on Reserve, satisfy your penchant for attention to detail.

The position of the driver's seat, the sideview mirrors, the brake and accelerator pedals, and even the tilt/telescoping steering column can be adjusted using power controls, then saved to a **memory setting** for Navigator to recall at the touch of a button.

Providing personalized comfort for you and your front passenger, **dual-zone electronic automatic temperature control** allows each of you to set your own preferred temperature. This convenient feature is just one of the many ways Navigator helps you rise above compromise.

ADAPTIVE HID HEADLAMPS

To provide more visibility when driving around curves, adaptive HID headlamps feature beams that move in the same direction as the steering wheel. Their bright, white light also provides better visibility than conventional halogen lamps. Together with the LED signature lamps and LED daytime running lamps, they further enhance the beautiful face of every 2016 Navigator.

¹Available feature.

**SOME ARE NATURALLY ADEPT AT CARING FOR THE PEOPLE IN THEIR LIVES.
LINCOLN NAVIGATOR RAISES IT TO AN ART FORM.**

Plenty of personal space for everyone. That's what you'll find inside this luxuriously appointed interior. In addition to its 3 rows of premium seating designed to pamper **up to 8 people**,¹ you'll also find plenty of conveniences and an abundance of cargo room. After all, life is so much fuller when everybody comes along for the ride. The standard leather-trimmed, **heated 2nd-row bucket seats** feature reclining seat backs. Add a roomy 2nd-row center floor console¹ and dual headrest DVD players^{1,2} to help your passengers stay organized and entertained on long trips. Those in back will also enjoy **best-in-class**³ **3rd-row leg room**, an added benefit of the independent rear suspension. Plus, the standard **PowerFold® 3rd-row 60/40 split bench seat** folds flat in a single smooth motion, at just the touch of a button. If an extra-spacious interior is your desire, the long-wheelbase Lincoln Navigator L fulfills it with **42.6 cu. ft. of cargo space** behind its 3rd row – as well as a Cargo Management System to help you keep everything in its place.

¹Available feature. ²Lincoln Licensed Accessory. ³Class is Luxury Premium Utilities.

What could be easier than speaking your mind? Our next generation of voice-activated technology – **SYNC® 3** – connects you to the world around you with its straightforward new design and features.¹ Audio, phone, navigation and other functions are concisely presented on the full-color LCD screen. Whether you command it using simple, everyday language, or swipe its capacitive touch screen, SYNC 3 delivers high-speed performance. Plus, automatic updates over Wi-Fi^{®2} help keep it running at its best, so you can keep your eyes on the road and hands on the wheel.

SYNC 3

Place and answer calls, and control music from your USB device or smartphone, all with simple voice commands. New seamless integration with Siri® Eyes Free brings the power of your iPhone® into your vehicle. Navigation lets you pinch to zoom maps and makes it easy to enter your destination, find the closest ski resort or golf course, and so much more. SYNC AppLink™³ lets you control compatible mobile apps by voice too.

SIRIUSXM

Welcome to the World of SiriusXM.⁴ Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You can also listen online and on the SiriusXM app.⁴ The Navigation System includes a 6-year prepaid SiriusXM Traffic and Travel Link^{®4} subscription – the longest of any automobile manufacturer⁵ – that gives you detailed traffic and weather information, gas station locations and prices, sports scores and much more.

THX II CERTIFIED AUDIO SYSTEM

The 14-speaker THX® II Certified Audio System with patented THX Slot Speaker™ technology and specialized digital sound processing fills the cabin with studio-quality sound, ensuring you experience music exactly as the artist intended.

HD RADIO TECHNOLOGY

Get more of your favorite music with HD Radio™ Technology. By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. Plus, it can display on-screen information such as artist, song title, album name and more. And it delivers it all without the need for a subscription.

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Navigation System map updates cannot be received via Wi-Fi and require a separate update. ³SYNC AppLink is compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ⁴SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com. ⁵Source: February 2015 analysis of satellite data service offers by SiriusXM to full-line luxury brand vehicles offered in the U.S.A.

It's important to have a sense of what's happening around you. A **Reverse Sensing System**¹ and rear view camera¹ are both standard equipment on every Navigator. The audible alerts and full-color visuals are helpful when you're backing into or out of tight spaces, and the visual guidelines will come in handy when you need to line up your boat trailer.

We could all benefit from a little forward thinking. Thankfully, when you're pulling into a space, the **Forward Sensing System**¹ on Navigator sounds an audible tone if its sensors on the front bumper detect an object in front of your vehicle.

It can be easy to miss when a vehicle has entered your blind spot. Just as its name suggests, **BLIS**[®] (**Blind Spot Information System**)¹ helps keep you aware of things that may be out of your line of sight. The system alerts you with a light in the corresponding sideview mirror if its radar sensors detect a vehicle. **Cross-traffic alert**¹ notifies you with an audible beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you're slowly backing out of a space.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

POWERFUL PRESENCE

A responsive ride – with an independent side. **Lincoln Drive Control¹** featuring **continuously controlled damping (CCD)** uses sensors to read the road – and your driving input – every 2 milliseconds, then quickly adjusts the firmness and damping at all 4 wheels to help your Navigator remain in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. **Electric power-assisted steering (EPAS)** automatically adjusts the steering sensitivity for different driving situations. The **rear load-leveling suspension¹** helps Navigator maintain its ride height for consistent handling, while riding on a fully independent front and rear suspension helps it keep all your travels as smooth as possible.

¹Available feature.

3.5L ECOBOOST

Turbocharge your travels. Navigator gets you where you want to go with a 3.5L EcoBoost® twin-turbocharged, direct-injection engine that provides smooth power on demand – 380 hp.¹ It also gives you plenty of low-end torque for on-ramps and passing – 460 lb.-ft.¹ Plus, an EPA-estimated rating of **22 hwy mpg**.² To help you get through rough terrain, Navigator also offers a Control Trac® 4-Wheel Drive (4WD) System.³

POWERFUL PULL

Proceed with poise. Navigator makes towing look easy with a **best-in-class 9,000-lb. towing capacity**.⁴ Standard **trailer sway control** helps by monitoring the motions of the vehicle to detect trailer sway and selectively braking individual wheels as needed,⁵ so you can confidently maintain control of your Navigator and trailer while towing.

¹Tested with 93-octane fuel. ²EPA-estimated rating of 16 city/22 hwy/18 combined mpg, RWD. Actual mileage will vary. ³Available feature. ⁴When properly equipped. ⁵Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Give them a sense of security – from every angle. Navigator surrounds you and your loved ones with its structural safety cage, **dual-stage front airbags** and **front-seat side airbags** for the driver and front passenger, plus **side-curtain airbags** for outboard passengers in all 3 rows. In addition, the **SOS Post-Crash Alert System™** can unlock doors and flash lights to let others know you may need help.¹

Slippery surfaces and emergency maneuvers often require a bit more from your vehicle. Fortunately, Navigator provides just the help you need. **AdvanceTrac® with RSC® (Roll Stability Control™)** can selectively apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.²

¹SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

EVEN BEFORE YOU OPEN THE DOOR, NAVIGATOR EXTENDS A GRACIOUS WELCOME.

A luminous welcome mat featuring the Lincoln logo is cast upon the ground on each side of the vehicle as it unlocks.

Keyless entry with push-button start makes entering, starting, exiting and securing your vehicle a breeze.

As you take your seat inside the cabin, the warmth of ambient lighting welcomes you back to your home away from home.

You'll be riding in high style thanks to the standard **power-deployable running boards** on every Navigator. Any time a door is opened, they lower themselves to facilitate each passenger's entry and exit from the vehicle. When the doors are closed, they stow themselves beneath the vehicle to maintain its streamlined appearance. A standard **power liftgate** provides one-touch access to your spacious rear cargo area. Activate it using a button on your key fob, on the liftgate handle, on the instrument panel, or inside the rear cargo area. Navigator is filled with thoughtful features designed to help make life easy for you.

THE LINCOLN PLEDGE

It's the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES²

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE³

We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation, scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE³

Help is only a phone call away, should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH⁴

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It's just another shining example of our commitment to you.

COURTESY VEHICLE⁴

Should your Lincoln require warranty service, you can count on us to be there for you with a courtesy vehicle. It's just one more way to let you know that we'll be here for you.

SERVICE PARTS WARRANTY

We'll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

LINCOLN CLIENT RELATIONSHIP CENTER

As the owner of a Lincoln, you can take comfort in knowing that we're always by your side. Our caring agents are empowered to handle your concerns – no matter how big or small they may seem.
