

LINCOLN

CLAIM YOUR EMPOWERMENT ZONE.

FIRST IMPRESSIONS ARE LASTING. MAKE YOURS COUNT.  
THEY WILL, EVERY TIME, WITH THE MEMORABLE LINCOLN NAVIGATOR.  
A GLISTENING LINCOLN STAR CENTERS ITS INSPIRING CHROME GRILLE.  
ELEGANT CHROME ACCENTS GLEAM FROM FRONT TO REAR.  
STRONG. REFINED. AND DISTINCTLY AMERICAN. NAVIGATOR.

PURE POWER AND POISE THAT NEVER TIRES.

IN NAVIGATOR, EACH OUTING IS A COMMAND PERFORMANCE.  
FILLED WITH RESPONSIVE POWER, ELEGANT LUXURY AND  
A FEW '09 SURPRISES. LIKE NEW RAIN-SENSING WIPERS.  
A NEW FRONT SENSING SYSTEM. AND MORE. ENCORE, ANYONE?

**MAXIMIZE YOUR POSSIBILITIES.** An additional 15.8" of length behind the PowerFold™ 3rd-row seat gives you 24.5 more cu. ft. of cargo space in Lincoln Navigator L. Outside, power-deployable running boards extend automatically whenever you open a door. Inside, you'll be treated to all the chrome, satin-nickel, leather and real wood trim of Navigator. Plus a Cargo Management System to help you organize all that space. Go large with Navigator L.

RELAXATION ACHIEVED ON A GRAND SCALE.  
UP TO EIGHT PEOPLE CAN REACH THAT STATE IN NAVIGATOR.  
HEATED AND COOLED SEATS CODDLER THOSE IN FRONT.  
HEATED REAR SEATS WARM THOSE IN THE 2ND ROW.  
EVEN THOSE IN THE 3RD ROW ARE TREATED TO LEG  
ROOM THAT'S BEST IN CLASS.<sup>1</sup> BREATHE DEEP. EXHALE.

<sup>1</sup>Full-size Luxury SUV class.

Balancing the firmness you need for longer trips with an appropriate level of cushioning comfort, the premium leather-trimmed seats in Navigator are available in hues of Camel, Charcoal Black or Stone. For the driver and front passenger, heated and cooled seats provide three levels of warm and cool luxury, as well as 10-way power controls to help them find their perfect positions. Power-adjustable pedals and a leather- and wood-trimmed, power-tilt steering wheel, both with memory feature, get the driver ready for action. In the 2nd row, outboard heated seats keep the chill from settling in.

To up the ante even further, choose the available Monochrome Limited Edition Package, which includes a monochromatic exterior in one of four colors, a Limited Edition badge, Black carpeting and floor mats, Camel or Stone leather-trimmed seats with Black leather inserts and piping, Ebony wood trim and an embroidered Lincoln Star on all head restraints.

**NAVIGATOR SEATING.** Standard 7-passenger seating (shown) gives 2nd-row passengers dual reclining leather-trimmed, heated seats and a large center floor console. For pass-through access to the 3rd row, a 2nd-row option without the center console is available. An available 8-passenger configuration features a 2nd-row 40/20/40 split-folding bench seat. And with a best-in-class 37.7" of leg room, adult passengers ride in comfort in Navigator's 3rd row. To reveal 103.3 cu. ft. of cargo space<sup>2</sup> just fold the 2nd- and 3rd-row seats down.

**NAVIGATOR L CAPABILITY.** An extra 15.8" in length behind the PowerFold™ 3rd-row seat in Navigator L provides an additional 24.5 cu. ft. of cargo space<sup>2</sup> to fill. Even if all the seats are taken, you can still bring home that specialty-store find. To create a flat loadfloor with an amazing 128.2 cu. ft. of space<sup>2</sup> just fold the 2nd- and 3rd-row seats down.

COMFORT AND CAPABILITY THAT ARE LARGER THAN LIFE.  
MAXIMUM CAPACITY. ABSOLUTELY NO COMPROMISES.  
WELCOME TO NAVIGATOR L. WITH ROOM FOR UP TO EIGHT,  
AS WELL AS ALL THEIR GEAR. AND ALL THE LUXURY OF NAVIGATOR.  
MAKE LIVING LARGE EFFORTLESS. EXPERIENCE THE POWER OF L.

YOU ARE HERE. WHERE EVERYTHING IS POSSIBLE.

THIS IS THE PLACE. LEATHER-TRIMMED DRIVER SEAT. LINCOLN NAVIGATOR. FIGURED MAPLE OR EBONY WOOD TRIMS EACH DOOR, THE STEERING WHEEL AND THE CENTER CONSOLE, WHILE SATIN-NICKEL AND CHROME ACCENTS CREATE AN ENGAGING ENVIRONMENT, MILE AFTER CAPTIVATING MILE.

INTRODUCING YOUR MOBILE DOCKING STATION.  
FOR BLUETOOTH®-ENABLED MOBILE PHONES. DIGITAL MEDIA PLAYERS.  
PORTABLE FLASH DRIVES. AND UP TO EIGHT PASSENGERS, OF COURSE.  
NAVIGATOR IS YOUR LEATHER-TRIMMED HUB FOR A DIGITAL LIFE.  
ONE WITH HEATED AND COOLED FRONT SEATS. AND 310 HORSEPOWER.

LINCOLN SYNC.® Once your Bluetooth-enabled mobile phone is paired, and your MP3 player or flash drive is connected to SYNC's USB port, you'll have seamless integration of your in-vehicle communications and entertainment system. Tell SYNC to call Vanessa. Ask it to play a specific artist or tune. No problem. You talk. SYNC listens.™ All without taking your hands off the steering wheel. Developed in concert with Microsoft,® be sure to visit SyncMyRide.com for the latest information about exciting new features.

THX® II CERTIFIED 5.1 SURROUND AUDIO SYSTEM. Included as part of Navigator's available new Navigation system, this 600-watt audio wonder features a sophisticated processor that provides spectral balance, wide dynamic range, and superior acoustic performance. Rich, deep bass emanates from an 8" rear subwoofer, while acoustical depth pulses from the patented THX Configurable Speaker Array™ (CSA). An MP3-compatible single-CD/DVD/Jukebox player<sup>2</sup> handles your prerecorded or ripped CDs, while an audio input jack broadcasts your MP3 player through 14 strategically placed speakers. True surround sound meets the open road. Enjoy it from any seat in the 2009 Lincoln Navigator.

VOICE-ACTIVATED NAVIGATION WITH SIRIUS TRAVEL LINK.™<sup>3</sup> New for 2009, the available voice-activated Navigation System (shown at right) responds to your simple voice commands and, thanks to new SIRIUS Travel Link, it can even detect a traffic incident ahead and offer alternate routes. Travel Link also serves up everything from lowest fuel prices, real-time traffic, current and forecasted weather, sports scores and schedules, to local movie listings and showtimes. And with nearly 10 gigabytes of hard drive storage, the Navigation System allows you to store photos for your "Home" page and rip entire CDs or just your favorite tracks (up to 2400 songs). This multifunctional system even lets you watch DVDs in full THX II Certified 5.1 Surround sound when Navigator is in "Park."

<sup>1</sup>Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. THE BEST RADIO ON RADIO™

CAPABLE OF CARRYING YOU ON YOUR UPWARD CLIMB. WITH NAVIGATOR AND NAVIGATOR L, YOU'VE TRULY GOT THE POWER. POWER-FOLDING MIRRORS. POWER LIFTGATE. POWER-ADJUSTABLE PEDALS. POWERFOLD™ 3RD-ROW SEAT. POWER-DEPLOYABLE RUNNING BOARDS.<sup>1</sup> THANKS TO THIS ABUNDANT USE OF POWER FEATURES, ACHIEVING YOUR GOALS IS AS EFFORTLESS AS SETTING THEM.

It all starts the moment you get behind the leather- and wood-trimmed steering wheel. A power tilt feature helps you easily position the wheel to your liking, while a convenient memory setting makes it easy to recall each time you enter. A power liftgate makes loading and unloading a breeze, while Navigator's power-folding, heated sideview mirrors can fold in and out to provide clearance in tight spaces. Built-in turn-signal indicators announce your lane-change intentions, while security approach lamps underneath cast a warm glow as you return to your vehicle in the dark.

On Navigator L, streamlined power-deployable running boards extend automatically whenever you open a door. After you're comfortably

seated and the doors are shut, they retract perfectly into the lower bodyside. To load longer items, a press of the buttons in Navigator's ample cargo area folds down each side of the 60/40 split PowerFold 3rd-row seat, creating a flat loadfloor with 54.4 cu. ft. of space to fill (86.3 cu. ft. in Navigator L).

A Rear View Camera helps you see what's behind you when backing up. Just check the rearview mirror for an accurate perspective. And new this year in the available Elite Package, the camera image is displayed on the 6.5" screen of the voice-activated Navigation System that's included in the package. Finally, power-adjustable brake and accelerator pedals help you find your optimum driving position.

**A POWERFUL CHOICE.** With 310 hp<sup>1</sup> and 365 lb.-ft. of torque leading the way, Lincoln Navigator's authoritative 5.4L 3-valve V-8 FFV engine is a powerful ally. The fact that it achieves these numbers on regular unleaded (87 octane) fuel is all the more impressive. This year, a new Flex Fuel capability makes this powerful V-8 even more significant by giving you a choice: E85 or gasoline. The 2009 Navigator can operate on E85 (85% ethanol/15% gasoline), gasoline, or any combination of the two. As you drive, an advanced Powertrain Control Module determines the ethanol/gas mixture and automatically adjusts for optimum performance. So whatever your fuel of choice,

Navigator's tenacious V-8 empowers you to pass without hesitation and tow heavy loads with ease. In fact, properly equipped Navigator 4x2 models allow you to tow up to 9000 lbs.;<sup>2</sup> 4x4 models, up to 8700 lbs.<sup>2</sup> A new Tow/Haul Mode in Navigator's 6-speed automatic transmission automatically adjusts transmission response to improve all-around performance while towing. When going downhill, Tow/Haul Mode helps keep the vehicle from gaining too much speed. When going uphill, it helps the engine stay in its power band by holding a transmission gear for a longer time. Adapting to changing needs is just another facet of Navigator's power.

**TIME FOR REFLECTION.** With all the family schedules to keep and deadlines to meet, there's no better place to spend your "quiet time" than in Navigator's hushed interior. Its acoustic-laminate windshield; thick side-window glass; layers of sound-deadening material in the roof headliner, instrument panel and within the door panels; advanced door seals; and aerodynamically "tuned" sideview mirrors make Navigator a sanctuary of quiet quality. Class-exclusive use of Quiet Steel® technology helps eliminate the transfer of engine compartment sound and resonance into the passenger cabin, so that the sounds you hear are the ones you want. Like your favorite musical score, courtesy of the THX® II Certified Audio System with 600 watts and 14 speakers, or the voices of all your passengers – even those in the 3rd row.

ENGINEERED FOR SAFETY, ONE ADVANCED SENSOR AT A TIME.

MICROTECHNOLOGY SURROUNDS YOU IN LINCOLN NAVIGATOR.

SOPHISTICATED SENSORS CAN DIRECT SOME OR ALL OF THE AIRBAGS TO DEPLOY IN A COLLISION, OR SENSE A ROLLOVER.

EVEN ON A SMALL SCALE, THE BIG PICTURE IS KEEPING YOU SAFE.

Six standard airbags offer enhanced protection in Navigator. Driver and front-passenger coverage includes dual-stage front airbags and front-seat side airbags, while all outboard passengers benefit from the side-curtain airbags and rollover sensor in the Safety Canopy® System. In certain types of side-impact or rollover events, side-curtain airbags deploy from the headliner to cover all three rows. Additional peace of mind comes from a new SOS Post-Crash Alert System, designed to signal for help after an accident where an airbag has deployed or safety belt pretensioner has activated. Sensors direct the horn to sound and lights to flash so that

you and your passengers may be easily located.<sup>1</sup> Navigator's standard AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™) is the industry's only electronic stability control system with two gyroscopic sensors, one of which is a unique vehicle-roll motion sensor that directly measures the roll rate 100 times every second. Working in conjunction with the Anti-lock Brake System (ABS), traction control and yaw control, AdvanceTrac with RSC uses the roll rate and other information to determine when and how the system will apply individual brakes and modify engine power to help keep all four wheels firmly planted.

<sup>1</sup>SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
