

2008 Lincoln Navigator / Navigator L

LINCOLN

*Reach Higher*

2008 Lincoln Navigator in Light French Silk Metallic.  
Shown with available equipment, including 20" 7-spoke chrome-aluminum wheels.

Understated elegance. Clean, uncluttered lines.  
Purity of form. To elevate your driving experience,  
reserve a 2008 Lincoln. Life's calling. Where to next?

Real Figured Maple wood trims each door panel, the steering wheel and the flow-through center console, while satin-nickel and chrome accents create an engaging environment, mile after mile.

Balancing the firmness you need for longer trips with an appropriate level of cushioning comfort, the premium leather-trimmed seats in Lincoln Navigator are available in hues of Camel, Charcoal Black or Stone. For the driver and front passenger, heated and cooled seats provide three levels of warm and cool luxury, as well as 10-way power controls to help them find their perfect positions. Power-adjustable pedals and a leather- and wood-trimmed, power-tilt steering wheel get the driver ready for action.

To up the ante even further, choose the optional Monochrome Limited Edition Appearance Package, which includes a monochromatic exterior in one of four colors, a Limited Edition badge, Black carpet and floor mats, Camel or Stone seats with Black leather inserts, Ebony wood trim and a stitched Lincoln Star on all head restraints.

#### NAVIGATOR SEATING

Navigator's standard 7-passenger seating (shown) gives 2nd-row passengers dual reclining leather-trimmed seats and a large center floor console. An available 8-passenger configuration features a 2nd-row 40/20/40 split-folding bench seat. And with a best-in-class 37.7" of leg room, adult passengers ride in comfort in Navigator's 3rd row.

#### NAVIGATOR L CAPABILITY

An extra 15.8" in length behind the class-exclusive PowerFold™ 3rd-row seat in Navigator L provides an additional 24.5 cu. ft. of cargo space\* to fill. Even if the seats are taken, you can still take home that specialty-store find. To create a flat loadfloor with an amazing 128.2 cu. ft. of space, just fold down the 2nd- and 3rd-row seats.

## The Art of Entertaining.

### STATE-OF-THE-ART TECHNOLOGY

For 2008, a THX® II Certified Audio System is standard on all Lincoln Navigators. This 600-watt audio wonder utilizes 14 strategically placed speakers to deliver a surround-sound experience worthy of the THX name. A sophisticated processor provides spectral balance, wide dynamic range and superior acoustic performance. Rich, deep bass emanates from an 8" rear subwoofer, while acoustical depth pulses from the patented THX Configurable Speaker Array (CSA) centered on the instrument panel. An MP3-compatible 6-disc in-dash CD changer handles your prerecorded or burned CDs, while an audio input jack in the front center console broadcasts your MP3 player through the speakers. If that's not enough, SIRIUS Satellite Radio<sup>1</sup> provides over 130 channels of news, sports, personalities and 100% commercial-free music. It's yours to try with a courtesy 6-month subscription.

To make your Navigator the envy of any cul de sac, select the optional Elite Package. Along with other amenities, you'll have a voice-activated, DVD-based Navigation System to help you find your way. With a brilliant 6.5" color screen (shown) and two million points of interest on a single DVD, the Navigation System will be your trusted advisor as it effortlessly guides you to your destination.

<sup>1</sup>See your Lincoln Mercury Dealer or contact SIRIUS at 1-888-539-7474 for more information.

True Strength Doesn't Flaunt It.

#### MASTER YOUR SURROUNDINGS

With Navigator's authoritative 5.4L 3-valve V-8 engine leading the way, you'll confidently call any road your own. These tenacious 8-cylinders produce a commanding 300 hp, plus 365 lb.-ft. of torque, empowering you to pass without hesitation and tow heavy loads with ease. In fact, properly equipped 4x2 models allow you to tow up to 9050 lbs.<sup>1</sup>; 4x4 models, up to 8800 lbs.<sup>1</sup> The fact that it achieves these numbers on 87 octane fuel is all the more impressive. A wide-ratio 6-speed automatic transmission makes the perfect mate for Navigator's V-8, improving shift quality through the transmission's small steps between gears.

#### A FOUNDATION OF STRENGTH

A firm foundation contributes greatly to the 2008 Navigator's impressive ride and smooth handling characteristics. Featuring a tube-through-tube design, Navigator's stiff frame works in tandem with monotube shocks at all four corners and a multilink Independent Rear Suspension (IRS). Since the IRS allows each rear wheel to react independently, Navigator delivers a refined ride with outstanding handling while easily maintaining its composure over bumpy cobblestone or uneven road surfaces. Bringing everything to a halt are large brakes and rotors that slow Navigator's standard 18" aluminum or available 20" chrome-aluminum wheels.

<sup>1</sup>Towing capacity for Navigator L: 4x2 - 8800 lbs.; 4x4 - 8550 lbs.

2008 Lincoln Navigator Monochrome Limited Edition Appearance Package in Black. Shown with available equipment, including 20" 7-spoke chrome-aluminum wheels.

With Navigator, You've Got the Power.

#### HELPING YOU ON YOUR UPWARD CLIMB

Thanks to its abundant use of power features, Lincoln Navigator gives you the freedom to live your life to the fullest. And it starts the moment you get behind the wheel. Power-adjustable brake and accelerator pedals help you find your optimum driving position, while the power liftgate makes loading and unloading a breeze. For longer items, a press of the buttons in Navigator's ample cargo area folds down each side of the 60/40 split PowerFold™ 3rd-row seat, creating a flat loadfloor with 54.4 cu. ft. of space to fill (86.3 cu. ft. in Navigator L). New this year, an available Reverse Camera System helps you see what's behind you when backing up. Just check the rearview mirror for an accurate view.

On Navigator L, streamlined power-deployable running boards extend automatically whenever you open a door. After you're comfortably seated and the doors are shut, the running boards retract perfectly into the lower bodyside. To provide clearance in tight spaces, Navigator's power-folding, heated sideview mirrors can fold in and out. Built-in turn-signal indicators announce your lane-change intentions, while security approach lamps underneath cast a warm glow as you return to your vehicle in the dark. Finally, a power-tilt steering wheel helps you easily position it to your liking.

To make any 2008 Navigator or Navigator L truly your own, personalized settings for the power-adjustable pedals, power sideview mirrors, power driver seat and power-tilt steering wheel can be programmed for and recalled by two different drivers by simply pressing the "unlock" button on their respective key fobs.

Quiet Confidence. With an Emphasis on Quiet.

With all the schedules to keep and deadlines to meet, there's no better place to spend your "quiet time" than in Navigator's hushed interior. Its acoustic laminated windshield; thick side-window glass; layers of sound-deadening material in the roof headliner, instrument panel and within the door panels; advanced door seals; and aerodynamically "tuned" sideview mirrors make Navigator a sanctuary of quiet

quality. Class-exclusive use of Quiet Steel® technology helps to eliminate the transfer of engine compartment sound and resonance into the passenger cabin, so that the sounds you hear are the ones you want. Like your favorite musical score, courtesy of the THX® II Certified Audio System with 600 watts and 14 speakers, or the voices of all your passengers — even those in the 3rd row.

## In Your Defense.

An array of six standard airbags offers enhanced protection for all outboard passengers in Navigator and Navigator L. Driver and front passenger coverage includes dual-stage front airbags and front-seat side airbags, while all outboard passengers benefit from the side-curtain airbags and rollover sensor in the Safety Canopy™ System. In certain types of side-impact or rollover events, these airbags deploy from the headliner to cover all three rows. Additional protection for the driver comes from a stroking steering column, which functions similarly to a shock absorber to help reduce the impact to the chest in the event of a frontal crash.

Navigator's standard AdvanceTrac® with class-exclusive RSC® (Roll Stability Control) is an electronic stability enhancement system that actually measures what competitors' systems ignore or estimate. In addition to AdvanceTrac's Anti-lock Brake System, traction control and yaw control, RSC features a vehicle-roll motion sensor to directly measure the vehicle's roll rate at least 100 times every second — which helps determine when and how the system will apply individual brakes and modify engine power to help keep all four wheels firmly planted.

## NAVIGATOR

## Performance

- 5.4L SOHC 3-valve V-8 engine with 300 hp @ 5000 rpm and 365 lb.-ft. of torque @ 3750 rpm
- 6-speed automatic transmission with overdrive
- Front and rear stabilizer bars
- Independent front and rear suspensions
- Variable-assist power steering
- Power 4-wheel disc brakes with Anti-lock Brake System (ABS)

## Interior

- Authentic wood and satin-nickel accents on instrument panel and door-trim panels
- Dual-zone Electronic Automatic Temperature Control with secondary steering wheel-mounted controls
- Auxiliary Climate Control with 2 overhead vents for 2nd and 3rd rows, plus controls in overhead console and back of 1st-row floor console
- THX® II Certified Audio System with AM/FM stereo and 6-disc in-dash CD changer; driver-adjustable, speed-compensated volume control; 14 speakers, including a subwoofer and rear-door speakers; rear-seat controller; MP3 capability and auxiliary audio input jack (located in 1st-row floor console)
- SIRIUS Satellite Radio<sup>1</sup> including SIRIUS Satellite Radio receiver, SIRIUS Satellite Radio low-profile antenna, and a 6-month courtesy subscription to SIRIUS
- 1st-row leather-trimmed, heated and cooled, low-back bucket seats with 10-way power adjustments, including power lumbar and recline, 2-way adjustable head restraints and driver-side memory feature
- 2nd-row leather-trimmed, low-back fold-down bucket seats with recline and easy entry to 3rd row
- PowerFold<sup>TM</sup> 3rd-row 60/40 split bench seat
- 1st-row center console with floor shifter, covered storage bin with chrome handle, 2 front cupholders, auxiliary audio input jack, rear audio/climate controls, 2 headphone jacks and 2 rear cupholders
- 2nd-row floor console with padded armrest, covered storage and 2 cupholders
- Power points located in 1st, 2nd and 3rd rows

Instrumentation  
Driver Controls

- Accessory timed delays with theater-dimming lighting
- Auto-dimming rearview mirror
- White LED backlit instrument cluster with speedometer, tachometer, odometer, fuel level gauge, coolant temperature gauge and message center
- Message center with compass display, distance-to-empty, average fuel economy, odometer and trip odometer
- Overhead console with 1st-row map lights, sunglasses storage, power rear quarter window switches and conversation mirror
- Memory settings for driver-seat position, sideview mirrors, power-adjustable pedals and power-tilt steering wheel
- Leather- and wood-trimmed power-tilt steering wheel with memory, secondary audio and climate controls, cruise control and navigation controls (if equipped)
- Power-adjustable brake and accelerator pedals with memory
- Power windows with one-touch-up/-down driver and passenger-side feature
- Universal Garage Door Opener

## Exterior

- 18" 7-spoke aluminum wheels with 17" steel spare
- Projector-style High-Intensity Discharge (HID) headlamps
- Fog lamps
- Bodyside cladding with chrome accents
- Tow hooks integrated into front fascia
- Privacy glass
- Power flip-out rear quarter windows
- Power-folding heated sideview mirrors with chrome caps, security approach lamps, integrated turn signals and memory feature
- Fixed running boards
- Luggage rack with chrome accents and black crossbars
- Speed-sensitive intermittent windshield wipers
- 2-speed intermittent rear-window wiper with washer
- Power liftgate
- Reverse Sensing System integrated in rear bumper
- Class III/IV Standard-Duty Trailer Tow Package with frame-mounted trailer hitch receiver integrated into rear fascia, and 4-pin wiring harness

Security  
Safety

- Personal Safety System<sup>®</sup> for driver and front passenger, with dual-stage front airbags,<sup>2</sup> safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver-seat position sensor, crash severity sensor and restraint control module
- Adaptive stroking steering column
- AdvanceTrac<sup>®</sup> with RSC<sup>®</sup> (Roll Stability Control)
- Tire Pressure Monitoring System<sup>3</sup>
- Safety Canopy<sup>TM</sup> System with 1st-, 2nd- and 3rd-row side-curtain airbags and rollover sensor
- 3-point safety belt restraints for all seating positions; height-adjustable in 1st row
- Front-seat side airbags
- LATCH provides lower anchors and tether anchors for child-safety seats in all 2nd-row seating positions; tether anchor only in 3rd-row center
- Child-safety rear door locks
- Remote keyless-entry system with illuminated entry and keyless-entry keypad mounted on driver door, and security approach lamps
- SecuriLock<sup>®</sup> passive anti-theft ignition system
- Autolamp automatic on/off headlamps with delay

## NAVIGATOR L

In addition to equipment on Navigator:

- 24.5 cu. ft. of additional cargo space behind 3rd-row seat
- Power-deployable running boards
- Cargo Management System
- 33.5-gallon fuel tank

Power-folding heated sideview mirrors feature security approach lamps that activate when your key fob is pressed.

Navigator's available ceiling-mounted Rear-Seat DVD Entertainment System makes long trips seem much shorter for those in the 2nd and 3rd rows.

A Cargo Management System on Navigator L features a panel divider that lets you create shelf-like storage or two distinct storage areas.
