New Territories in Luxury.

LINCOLN  
MARK LT

Rule luxury with an iron fist.

Lavish luxury. Unyielding strength. Other automakers have tried to bring these disparate elements together. Leave it to Lincoln to be the first to succeed. Long synonymous with the ultimate in luxury, the Lincoln star is now emblazoned on a shining suit of armor that takes luxury as far as you want to go. In this new territory, incredible refinement and exceptional power coexist in complete harmony. On the streets of New York. The vineyards of California. The fields of Texas. And all places in between. The confidence to go wherever you choose is now being served – on a silver platter. Introducing the all-new 2006 Lincoln Mark LT.

TRAVEL WELL... ANYWHERE

Lincoln Mark LT in Black with available 18" chrome-aluminum wheels, running boards and chromed bed-rail bars.

SOPHISTICATED STRENGTH

All that glitters is bold.

Massive waterfall grille. Brilliant chrome stretching as far as the eye can see. Available sparkling 18" chrome-aluminum wheels. From every angle, there's a polished perfection to the rich, visual presence of the 2006 Lincoln Mark LT. Most striking is the distinct chromed lower band that runs front to rear, adding style and sizzle to the Mark LT profile. Wide taillamps and a chrome roll-tip exhaust complete the look from the rear. Available chromed bed-rail bars add even more eye-catching distinction, announcing your arrival in true Lincoln style.

YOUR SHINING ARMOR ARRIVES

Lincoln Mark LT in Black with available 18" chrome-aluminum wheels, chromed bed-rail bars and chromed step bars.

Luxury is defined not by the way something feels, but by the way it makes you feel. Get used to feeling complete satisfaction in an interior as inviting as Lincoln Mark LT. With 4 full-size doors that open wide for easy entry and exit, up to 5 people can enjoy leather-trimmed seats and luxurious accommodations. Dual reclining seats cradle front-row occupants, while a 60/40 split flip-up seat with folding armrest brings up the rear. There are power windows for front- and rear-seat passengers, while an available power moonroof lets the sun in. In Mark LT, everyone travels in the unparalleled luxury and comfort of all that is Lincoln.

Material wealth.

Real Ebony wood and warm steel accents add richness to Mark LT's instrument panel, while two-tone leather wraps the steering wheel.

At Lincoln, only the finest materials and finishes are selected, like the warm steel accents, rich Ebony wood and premium leather trim that fill Mark LT's interior with sophistication and elegance. For the ultimate in comfort, front-row seats are heated, while duplicate controls for the audio and climate control systems can be operated from the steering wheel. A flow-through center console [shown at right] houses covered storage, a leather-wrapped floor shifter and front and rear cupholders.

The height of luxury.

LINCOLN

# Make your mark.

Lincoln Mark LT sets a new benchmark for luxurious, capable style. Enter through any of its 4 full-size doors and your refuge awaits, crafted of only the finest materials. The embossed Lincoln star on the carpeted floor mats and firm, supportive front-row seats ensure that your every sense will be more than satisfied. Heated front seats that melt away the chill only confirm it. Elegant stitching graces the Light Parchment (shown below) or Dove leather-trimmed seats, which are accented by contrasting piping – an international symbol of luxury. It's a theme carried over to the lid of the flow-through center console, which features covered storage and front and rear cupholders. For your listening pleasure, an Audiophile Sound System with 6-disc in-dash CD changer is MP3-compatible.

Up above, Mark LT's class-exclusive\* Overhead Rail Storage System houses front and rear reading lights and a storage bin module. Its innovative design allows for snap-in accessories that help you configure and customize it to meet your every need. Rear-seat passengers would appreciate it if you started with the available Rear-Seat DVD Entertainment System, which includes a DVD player, 7" flip-down LCD screen, rear-seat audio controls, handheld remote control and 2 wireless headphones. Video and audio jacks even allow rear-seat passengers to connect gaming systems and other electronic equipment.

Wherever you're sitting, Mark LT sets new standards in function – and comfort. So whether you tow, haul or take some less-traveled roads, you can relax, enjoy and revel in Mark LT's powerful performance and true Lincoln luxury.

1 POWERFUL, LUXURIOUS CAPABILITY

Lincoln Mark LT in Black with available 18" chrome/diamond wheels, running boards, chrome hood rail bars, Trailer Tow Package and 1941 Lincoln Zephyr in tow.

## The absolute power of 8 figures.

At the core of Mark LT capability is the effortless strength of a 5.4L 3-valve V-8 engine. An impressive 300 hp and 365 lb.-ft. of torque give you the luxury of passing with confidence and the capability of towing your most precious cargo. Thanks to its free-breathing 3-valve head design, Mark LT's V-8 delivers optimal horsepower and outstanding low-end torque. The only engine in its class\* to employ efficient 3-valve technology, it's mated to an electronic 4-speed automatic transmission with overdrive and Electronic Throttle Control (ETC). Drive-by-wire ETC responds accurately to your throttle inputs to provide smooth, seamless acceleration.

Lincoln Mark LT takes luxury as far as you want to go. To the water with up to 8900 lbs. of towing capacity (4x2 models, when properly equipped). Over the trail with available 4x4 capability. And around the corner with a cargo bed and available extender that let you transport anything from an antique armoire to an oversized sculpture. Whatever the situation, Mark LT is rich in the things that matter to you.

LIKE EVERY LINCOLN, MARK LT IS BUILT ON ROCK-SOLID UNDERPINNINGS. BENEATH ITS GLEAMING EXTERIOR IS A MARVEL OF STRUCTURAL STEEL. A FULLY BOXED FRAME WITH HYDROFORMED FRONT SECTION, THROUGH-RAIL JOINT WELDS ON THE REAR FRAME CROSMEMBERS AND STRONG BODY MOUNTS PROVIDE THE ARCHITECTURE FOR EXTRAORDINARY STIFFNESS AND TORSIONAL RIGIDITY. THE COIL-OVER-SHOCK FRONT-SUSPENSION DESIGN COMBINES WITH UNIQUE, OUTBOARD-MOUNTED REAR SHOCK ABSORBERS TO HELP DELIVER OUTSTANDING CONTROL AND A PLEASANT RIDE WITHOUT COMPROMISING CAPABILITY. LINCOLN MARK LT ENSURES THAT YOU TRAVEL WELL – WHEREVER YOU MAY CHOOSE TO GO.

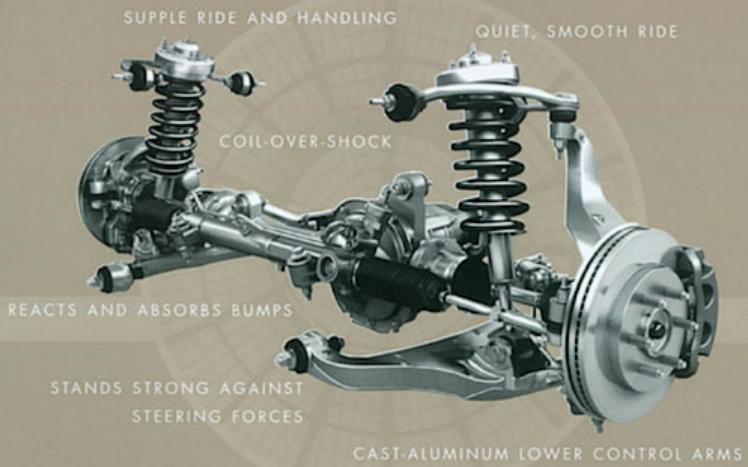

FULLY BOXED FRAME WITH HYDROFORMED FRONT SECTION  
CRADLES THE FRONT SUSPENSION AND POWERTRAIN  
OFFERS EXTRAORDINARY STIFFNESS AND TORSIONAL RIGIDITY

A diamond  
for the rough.

1] DOUBLE-WISHBONE FRONT SUSPENSION

2] POWER RACK-AND-PINION STEERING

IN LINCOLN MARK LT, LUXURY IS SERVED ON ALL ROADS – PAVEMENT AS WELL AS COBBLESTONE. WHEREVER YOU FIND YOURSELF, POWER RACK-AND-PINION STEERING MAKES IT EASY TO MANEUVER MARK LT INTO TIGHT SPACES.

### 3] OUTBOARD-MOUNTED REAR SHOCKS

PLACING THE REAR SHOCK ABSORBERS OUTSIDE THE FRAME RAILS IS AN ENGINEERING DESIGN ELEMENT THAT CONTRIBUTES TO MARK LT'S IMPECCABLE ROAD MANNERS. WHILE IT'S MORE THAN CAPABLE OF TAKING YOU TO NEW TERRITORIES OF LUXURY, THE PLACEMENT OF THESE SHOCK ABSORBERS IS A SMALL BUT SUBSTANTIVE REMINDER THAT, AT HEART, MARK LT IS 100-PERCENT LINCOLN.

### 4] 4-WHEEL DISC BRAKES WITH ABS

As a Lincoln, only the finest materials are to be found. At all 4 corners, high-friction, semi-metallic lining material helps Mark LT's brakes provide smooth control and precise stopping power. An Anti-lock Brake System (ABS) is essential for control under emergency or heavy braking conditions. Electronic Brake Force Distribution (EBD) manages the rear brakes to help ensure maximum capability under heavy load conditions. When it comes to transporting your finest possessions, you know that Lincoln will see you through.

- EXEMPLARY AXLE MOVEMENT CONTROL
- MINIMAL BODY LEAN
- REMAINS ON TRACK
- EXCELLENT CORNERING CONTROL
- SURE-FOOTED STANCE

## Put your valuables in a strongbox.

The all-new Lincoln Mark LT boasts a host of safety and security features that help ensure your perimeter is more than covered. Up front, the Personal Safety System™ and Front-Passenger Sensing System (FPSS) offer enhanced protection for the driver and front passenger in certain frontal collisions. Utilizing a network of smart sensors, the systems deploy the front airbags in just the right manner, at just the right time. In all 4 doors, side-impact door beams help enhance the safety of the driver and occupants in certain side-impact collisions. Even in the event of a complete coolant loss, Mark LT can be driven a short distance on reduced power. It may mean the difference between sitting on the shoulder of a busy road or sitting in your dealership service area. Which would you prefer?

### SAFETY AND SECURITY – MARK LT STYLE

**POWER-ADJUSTABLE BRAKE AND ACCELERATOR PEDALS** With up to 3" of movement and a convenient memory feature for 2 different drivers, it's easy to move these available pedals where you'd like them.

**REVERSE SENSING SYSTEM** This available feature alerts you with a beeping tone if an object comes within 8' of the rear bumper when backing up, giving you time to stop.

**KEYLESS-ENTRY KEYPAD** For your convenience, you can unlock Mark LT without your key by entering your personalized code in the driver's door-mounted keyless-entry keypad. Other keypad functions include locking and unlocking all doors as well. For added security at night, it's illuminated for ease of use.
