

LINCOLN

2002 TOWN CAR

	02	Timeless Luxury.
	04	Unhurried Pleasures.
Power and Poise.	06	
Splendid Isolation.	10	
	12	Complete Peace of Mind.
The Features.	16	
	20	The Facts.
	21	The Palette.

A silver Lincoln Town Car is parked on a brick driveway, viewed through a black wrought-iron fence. The car is positioned horizontally across the frame, with its front on the left and rear on the right. The fence's vertical bars and decorative scrollwork create a grid-like pattern over the car. In the background, a brick wall and some greenery are visible. The lighting is soft, suggesting an overcast day or shaded area.

At first glance, Lincoln Town Car's sophistication

seems classic. On the second, incredibly

modern. Each is correct. Of course, timeless design

has that effect. Now presented for 2002.

With Town Car, there's no such thing as "rush hour."

Why, after all, would you ever want to be

in a hurry? For this is the time to simply sit back, relax

and enjoy the taste of true American luxury.

Town Car's 4.6-liter

V8 engine stands ready

to deliver its powerful

message via a 4-speed

electronic transmission.

Lincoln Town Car Cartier L in Ivory Parchment Clearcoat. Shown with available equipment.

its suspension system

helps Town Car remain

composed and poised

even over the most

challenging of roads

Relax. Because for the next 3 years or 36,000 miles, you'll

receive the Lincoln Complimentary Maintenance service.

After all, isn't an automobile like Town Car here to

isolate you from the countless hassles of the world?

14

Lincoln Town Car Signature Series in Midnight Grey Clearcoat Metallic. Shown with available equipment.

Town Car is quite sophisticated, thanks to the **programmable keypad** located on the driver's side door. Keyless entry is possible with your personalized identification number or with your key fob.

The Executive L and Cartier L models come equipped with illuminated **rear passenger vanity mirrors**—proving Town Car's luxury isn't just for the driver.

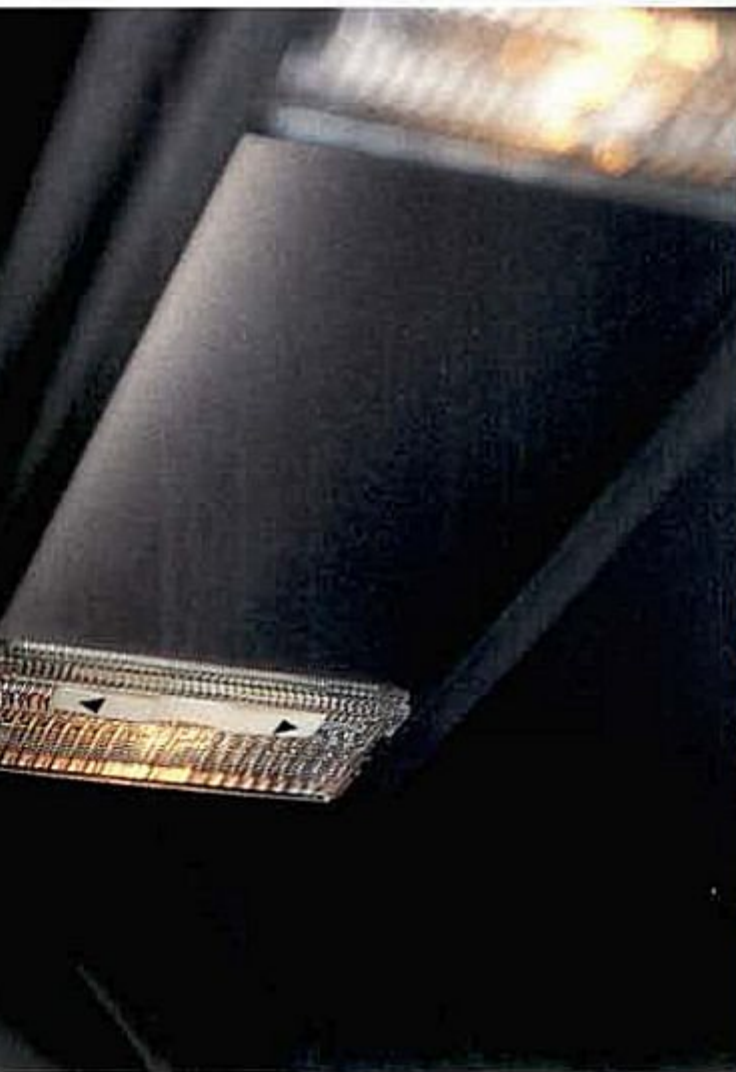

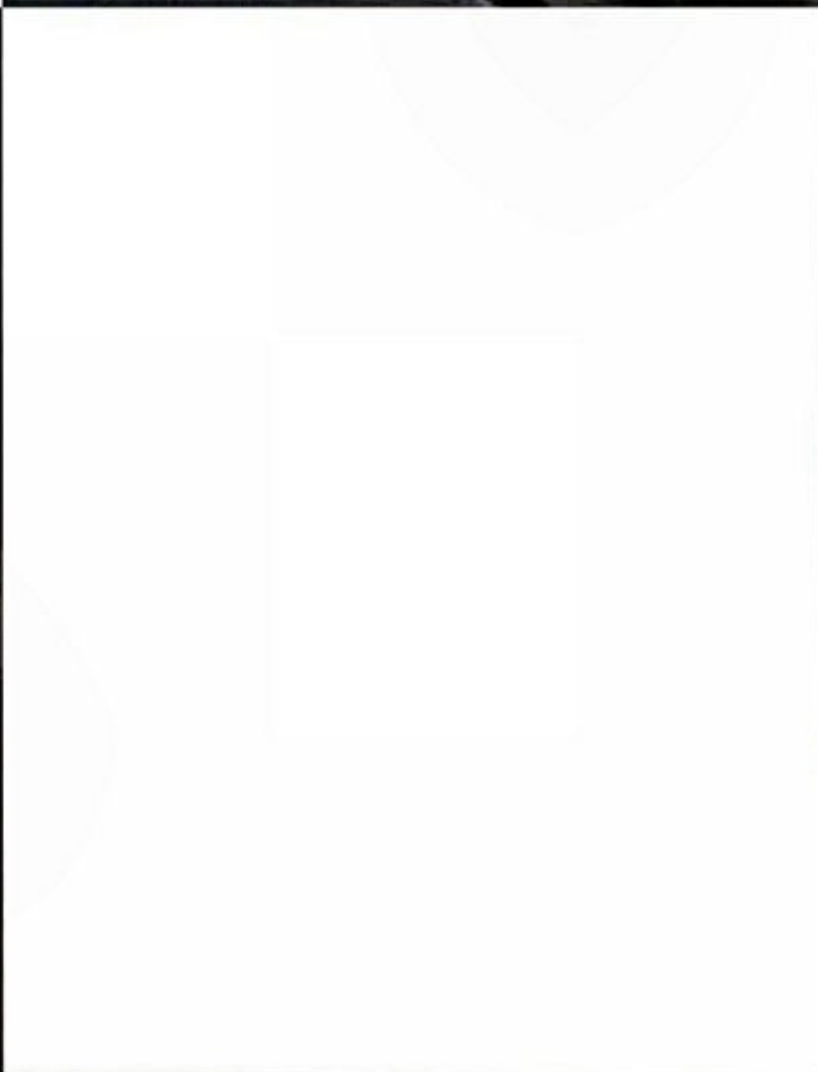

Set off the elegant good looks of your Town Car with a set of our sixteen-inch **wheels**. Each series offers an aluminum spoke design to match the car's personality. Clockwise from top left: Snowflake; Gear Tooth; eight-spoke and Cartier Chrome.

An **Electronic Automatic Temperature Control** and message center provide comfort, and it conveniently allows the driver to monitor data such as outside temperature, average fuel economy, miles-to-empty and average trip speed.

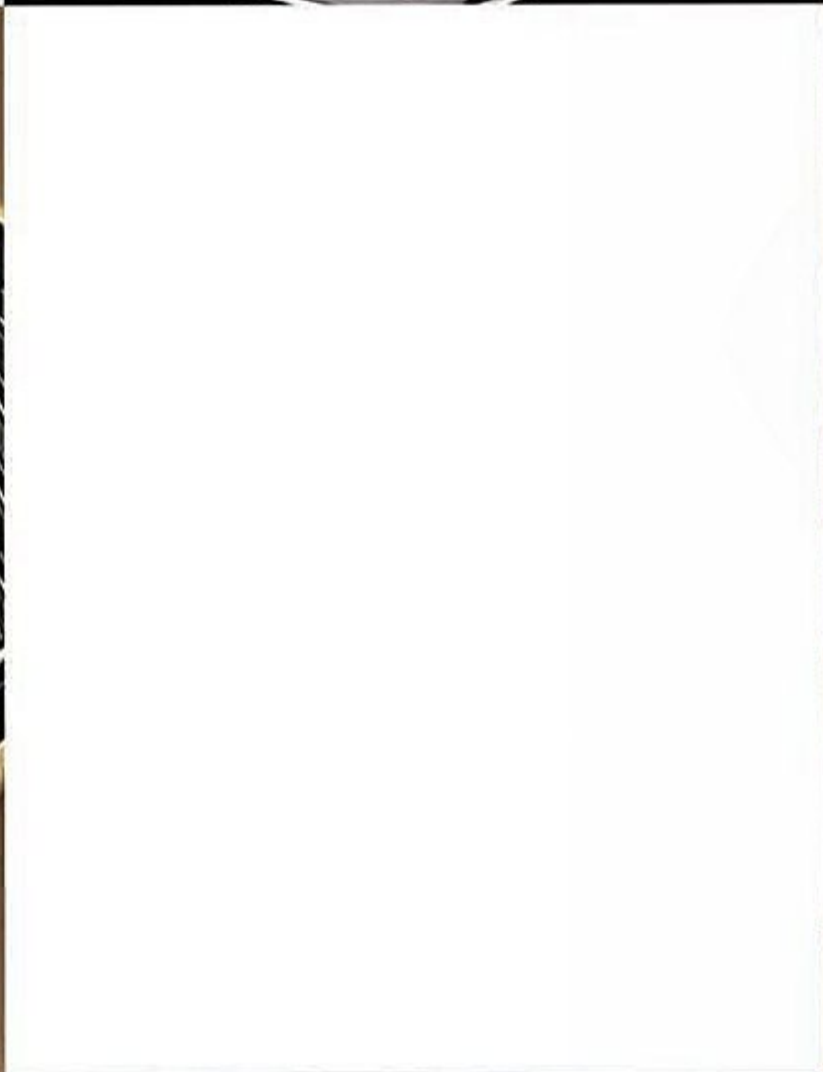

Town Car's **power-adjustable brake and accelerator pedals** allow drivers of varying heights and stature to assume the most comfortable driving positions. Pedals can travel over two inches, and the driver's preferred positions are retained in the available memory system.

The electronic fingertip speed control on Lincoln Town Car's available **wood- and leather-trimmed steering wheel** allows you to set your preferred speed without taking your eyes off the road.

An available power **moonroof** lets in the sun, moon and stars. Or, if you prefer, just a pleasant touch of breeze.

Available on all 2002 Town Car models, the **Vehicle Communication System** includes a Motorola Timeport™ wireless phone. The required Sprint PCS® service plan features voice-activated name or digit dialing for hands-free use. It also enables the satellite-based Global Positioning System, which offers Safety and Security services, Route Guidance and Point of Interest Location information.

Town Car offers drivers a choice of two levels of powerful V8 engines. A **4.6-liter V8** with 220 horsepower is standard on Executive, Signature and Premium Signature models. Or for those driving enthusiasts who require a little more power under the hood, a 4.6-liter V8 with a potent 235 horsepower and dual exhaust is available.

All-Speed Traction Control helps improve Lincoln Town Car's handling and traction on a variety of slippery surfaces by electronically and automatically distributing brake pressure between the rear wheels, modulating engine torque and adjusting the ignition.

Cartier L, a long wheelbase version with 7.8 more cubic feet of passenger volume, helps improve ride characteristics. In addition to its larger interior area, Cartier L includes rear illuminated vanity mirrors, heated rear seats, a folding rear armrest with storage bin, rear seat 4-way head restraints, an electrochromic mirror with compass and other fine luxuries.

In the unlikely event of a complete coolant loss, the **fail-safe cooling system** will still allow Town Car to be driven for a short distance¹ by invoking a reduced cylinder firing sequence.

¹Depending on load, ambient temperature and speed.

Even in bad weather, Town Car's **four-wheel disc Anti-lock Brake System** contributes to improved control during hard braking on a surprisingly wide variety of road surfaces.

Town Car is built on a **full-length ladder-type frame**. This type of construction, along with rear load-leveling air suspension, provides Town Car with additional rigidity and stability.

One of the more unexpected luxuries on Lincoln Town Car are **heated exterior mirrors**, which quickly melt away bothersome ice and snow for better visibility and enhanced safety.

Another amenity that makes Cartier Town Car so luxurious is standard **heated front seats**, which allow the driver and passenger to adjust their individual seat cushion temperature to any of five settings—an absolute must for those living in colder climates.

The available **HomeLink® Universal Transceiver** allows the Town Car driver to quickly and easily program the universal remote (engineered right into Town Car's visor) to activate a garage door plus two additional home-based devices, such as patio or driveway lights.

The highly intelligent coil-on-plug integrated **ignition system** provides dependable spark sequences while also eliminating the need for spark plug wires. Combined with platinum-tipped spark plugs, this helps make Town Car's 100,000-mile tune-up¹ interval possible.

¹Under normal driving conditions with routine fluid and filter changes.

To ensure we're offering our customers the best service possible, we proudly offer the **Lincoln Personal Consultant**. Just visit our Web site at lincolnvehicles.com/pc and one of our manufacturer's representatives will help with anything from price quotes to product features to arranging a test drive at your local dealer—at no cost or obligation.

A standard, **Remote Keyless Entry system** provides both fingertip lock activation as well as a panic button, which sets off the horn and marker lamps in case of an emergency. In addition, Town Car's autolamp feature keeps headlamps lit after the vehicle is shut off.

The **SecuriLock™** passive anti-theft system uses a specially encoded key to help protect the 2002 Lincoln Town Car against theft. If a nonencoded key or ignition bypass is detected, the ignition automatically disables itself—helping to further thwart any unsavory behavior.

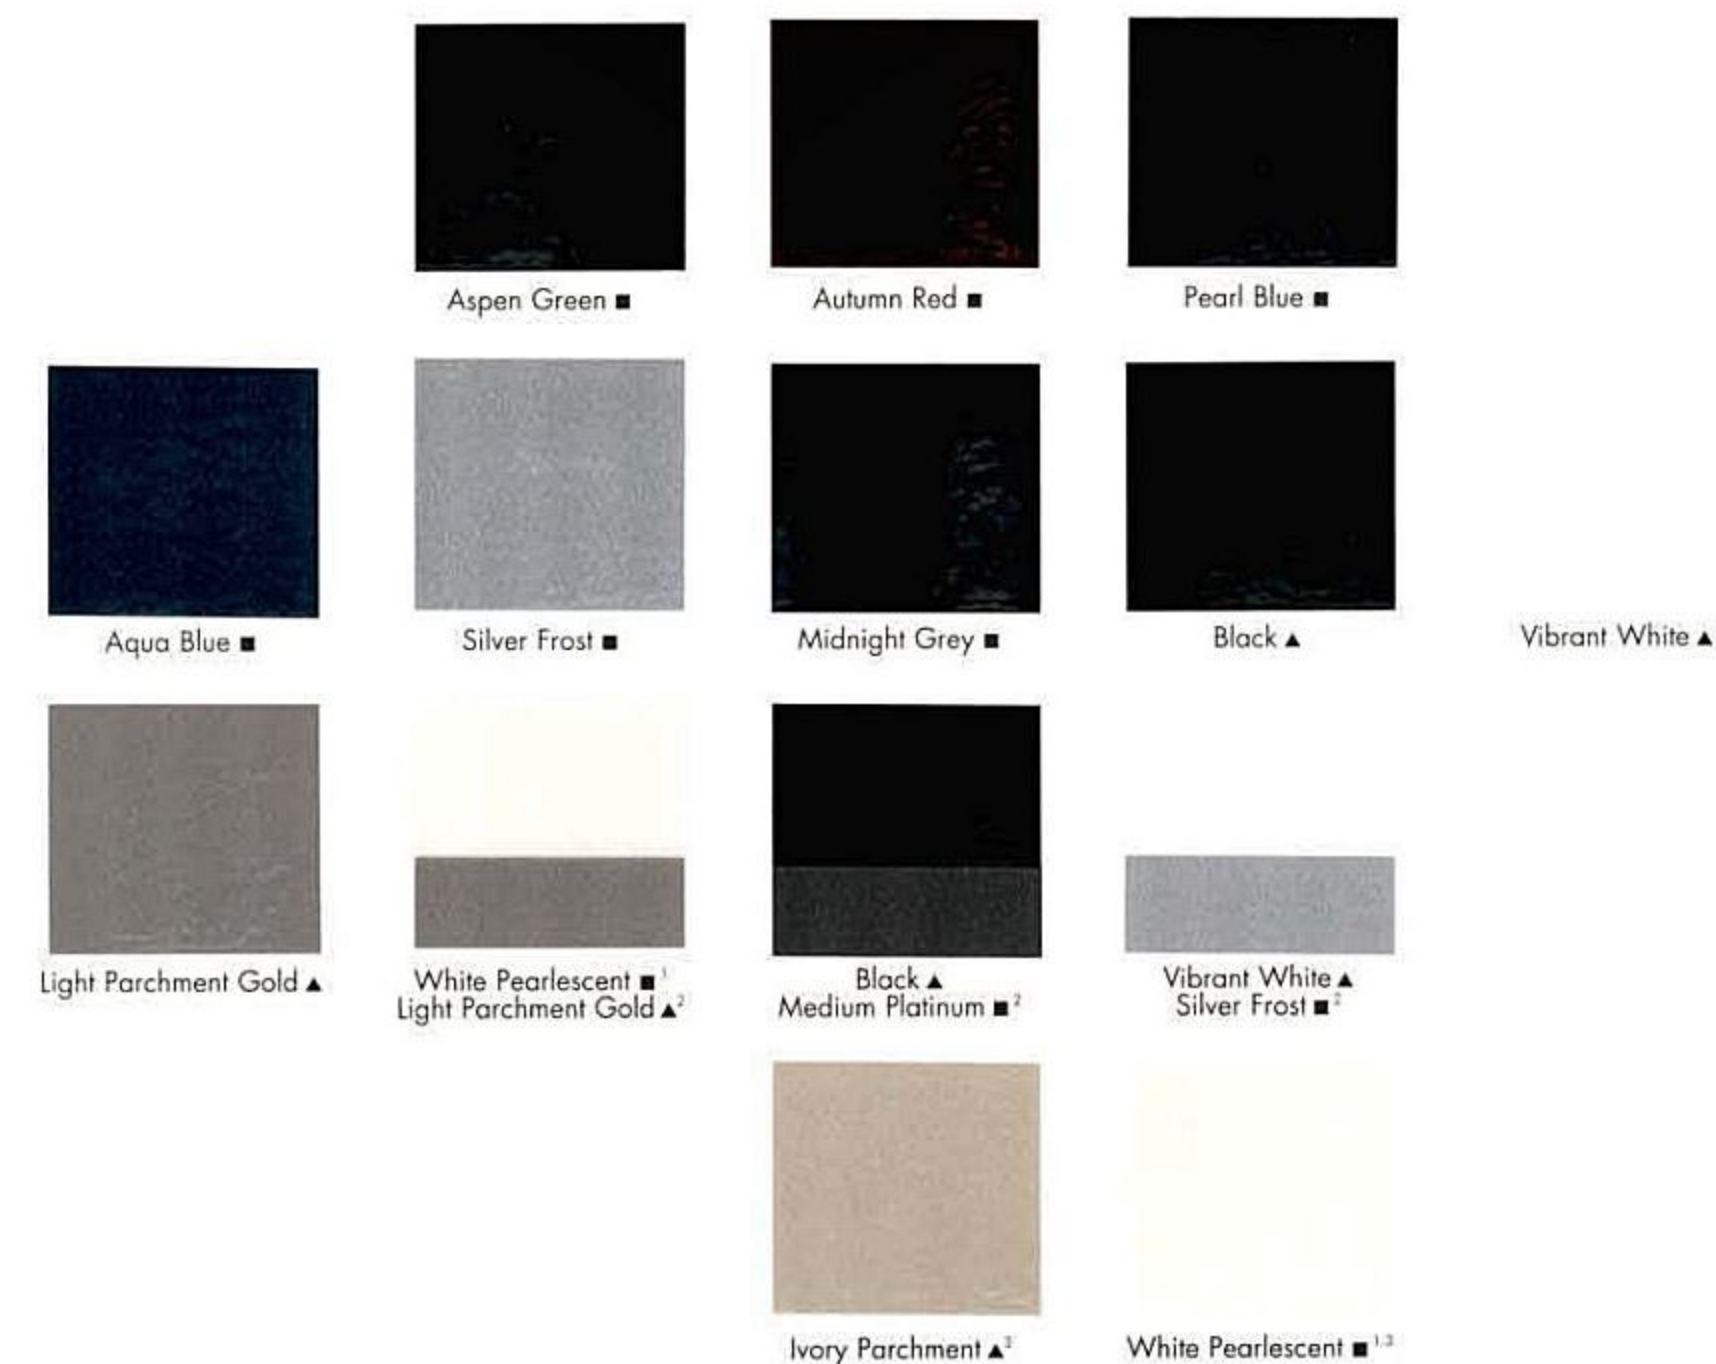

Front and rear nitrogen-pressurized shock absorbers—precisely tuned to compliment the **Short- and Long-Arm front suspension**—deliver a quiet, comfortable ride, in spite of many road imperfections you might encounter while driving the 2002 Lincoln Town Car.

A wonderful match for Town Car's powerful engine, the **Watt's linkage rear suspension** improves straight-line tracking and handling. This, along with the many other fine Lincoln luxuries, makes Town Car an absolute pleasure to drive—especially over long distances.

Interior

Signature Touring Sedan	
<i>In addition to or in place of the Signature Series standard equipment, the Signature Touring Sedan is equipped with the following:</i>	
■ BADGE —unique	■ STEERING WHEEL —2-spoke leather wrapped with tilt steering column and duplicate audio and climate controls
■ BUMPERS —monochromatic bumpers and lower bodyside cladding and fascias	■ TIRES —P235/60SR16 black sidewall all-season
■ FLOOR MATS —front and rear carpeted with embroidered logo	■ WHEELS —16-inch 8-spoke aluminum
■ GRILLE —argent with chrome surround	■ WOOD TRIM —black bird's-eye wood grain on instrument panel and door
■ RADIO —Lincoln Signature audio system	
■ SEATS —perforated leather seat trim	

Premium Touring Sedan	
<i>In addition to or in place of the Signature Touring Sedan standard equipment, the Premium Touring Sedan is equipped with the following:</i>	
■ MOONROOF —power	■ RADIO —Alpine® Audiophile Sound System with Digital Signal Processing, subwoofer and Audiophile speakers/6-disc trunk-mounted radio-controlled CD changer

Cartier	
<i>In addition to or in place of the Premium Touring Sedan standard equipment, the Cartier is equipped with the following:</i>	
■ CLOCK —analog	■ RADIO —6-disc trunk-mounted radio-controlled CD changer ¹ (Premium Cartier)
■ FLOOR MATS —carpeted with monogrammed Cartier logo	■ SEATS —premium leather seat trim and heated front seats with 5 temperature settings
■ GOLD PACKAGE —gold Cartier badges on C-pillar, gold Town Car badges on front fender and gold Lincoln Star ornamentation on center wheel caps	■ STEERING WHEEL —wood and leather trimmed with tilt steering column and duplicate audio and climate controls
■ MOONROOF —power (Premium Cartier)	■ TIRES —P225/60SR16 black sidewall all-season
■ RADIO —Alpine® Audiophile Sound System with Digital Signal Processing, subwoofer and Audiophile speakers	■ WHEELS —16-inch Cartier Chrome aluminum

Cartier L	
<i>In addition to or in place of the Cartier standard equipment, the Cartier L is equipped with the following:</i>	
■ ARMRESTS —storage pocket on rear doors	■ SEATS —rear seat amenities package which includes: folding armrest with storage bin, 2 cupholders, 2 auxiliary 12-volt power point outlets, carpeted 1-piece luxury seat floor mat and duplicate audio and climate controls
■ ASHTRAY —cigar size with illuminated lighter in rear doors	■ TIRES —P225/70TR16 white sidewall all-season
■ HEADRESTS —rear seat 4-way head restraints	■ WHEELS —16-inch Cartier Chrome aluminum
■ LIGHTS —orientation lighting	
■ MIRRORS —rear illuminated vanity mirrors conveniently stow away in headliner	

¹Cartier L and Executive L dimensions. ²Always wear your safety belt and secure children in the rear seat. ³Available option. Please see your dealer for details.

Web Site
For additional information on Town Car or other fine Lincoln automobiles, find us on the Web at lincolnvehicles.com

Standard with all 2002 model year vehicles is 3-year/36,000-mile Lincoln Complimentary Maintenance—a no charge, scheduled maintenance service at 5,000 mile or 6 month intervals, whichever occurs first, in accordance with your vehicle's scheduled maintenance guide. Six additional wear items will also be covered: spark plugs (except in California), shock absorbers, clutch disc, engine belts and hoses, brake pads and linings, and wiper blades. Available in the U.S. (may be available in other countries). See your dealer for more details.

	Ford Credit provides the convenience of one-stop shopping with a variety of simple-to-understand purchase or Red Carpet Lease programs available right at the dealership. SHOULDER ROOM (in.)	60.6 front; 60.3 rear (60.6 front; 59.9 rear ¹)	CARGO VOLUME (cu ft)	20.6

Executive Series	
■ ACCESSORY DELAY —power, provides up to 10 minutes for operating windows and radio after ignition is turned off or until any door is opened	■ LIGHTS —courtesy lamps and integral reflectors on front and rear doors, no-dim daytime dash lamps, rear compartment reading lamps, dual beam dome map lamps, engine compartment lamp and luggage compartment lamp
■ AIRBAGS —driver and front passenger front and side-impact ²	■ LOCKS —power door locks with valet key, single key entry/ignition
■ AIR CONDITIONING —Electronic Automatic Temperature Control with automatic blower control and sunload sensors that monitor interior temperature	■ MAP POCKETS —located on front seatbacks with umbrella holder
■ ALL-SPEED TRACTION CONTROL	■ MIRRORS —electrochromic (auto-dimming) rearview mirror with compass, and dual power heated exterior mirrors with driver's side electrochromic mirror
■ ANTENNA —concealed radio antenna	■ MOLDINGS —bodyside protection, color keyed with chrome inserts
■ ANTI-THEFT SYSTEM —perimeter anti-theft device sounds the horn and flashes the headlamps and taillamps when the doors or trunk are tampered with; LED indicator flashes when active	■ POWER POINT —auxiliary 12-volt outlet
■ ARMRESTS —full-length door trim with driver and front passenger seat storage, front seat center fold-down storage and rear seat center fold-down with cupholders	■ RADIO —AM/FM stereo/cassette with premium sound system
■ BATTERY SAVER —turns off interior lights and headlamps to save battery life	■ REMOTE KEYLESS ENTRY SYSTEM —with illuminated entry, theater dimming feature, keyless entry keypad and exterior lighting when autolamp system is engaged
■ BRAKE SHIFT INTERLOCK	■ SAFETY BELTS —front outboard 3-point restraints with height-adjustable D-rings and pretensioners; 3-point safety belts for all outboard rear passengers
■ BRAKES —power, 4-wheel disc Anti-lock Brake System (ABS)	■ SEATS —40/20/40 front seat system with leather seating surfaces, driver and front passenger 8-way power seats, 2-way front head restraints, dual power recliners and power lumbar support
■ BUMPERS —color keyed front and rear 5 mph impact with bright inserts	■ SECURILOCK™ —passive anti-theft system
■ CHILD-SAFETY LOCKS —on rear doors	■ SMARTLOCK™ —anti-lockout system
■ CHILD-SAFETY SEAT TETHER ANCHORS —3 upper anchors	■ SPEED CONTROL —fingertip controls with tap-up/tap-down feature
■ CLOCK —electronic digital clock integrated in radio	■ STEERING WHEEL —2-spoke leather wrapped with tilt steering column
■ CUPHOLDERS —front and rear dual cupholders	■ TAILLAMPS —complex reflector with large reverse lamps
■ DECKLID —remote release button on driver's door trim panel	■ TIRE —conventional spare ³
■ DEFROSTER —rear window	■ TIRES —P225/60SR16 black sidewall all-season
■ DOOR BEAMS —heavy-gauge steel anti-intrusion beams with front and rear crumple zones	■ TIRES —P225/60SR16 white sidewall all-season ³
■ DUCTS —rear heat and air conditioning	■ VEHICLE COMMUNICATION SYSTEM —Motorola Timeport™ wireless phone with required Sprint PCS® service plan for hands-free use ³
■ EXTENSIVE CORROSION PROTECTION	■ VISORS —with dual illuminated vanity mirrors
■ FLOOR MATS —carpeted front and rear	■ WARNING LIGHT SYSTEM —door ajar, EEC-V malfunction alert, brake pressure alert, check engine, low oil pressure, airbags ¹ , safety belt reminder, high beams on, ABS, charge system, engine coolant temperature, anti-theft alarm and low fuel gauge
■ FOOT PEDALS —power-adjustable brake and accelerator pedals	■ WHEELS —16-inch Gear Tooth aluminum
■ FUEL DOOR —remote fuel filler door release button on driver's door trim panel	■ WINDOWS —power with illuminated switches and express-down driver's window
■ GLASS —solar tinted	■ WINDSHIELD WIPERS —2-speed variable intermittent setting; with auto headlamps on
■ GLOVE BOX —lockable and illuminated	
■ GRILLE —trademark Lincoln grille with chrome accents	
■ HEADLAMPS —wraparound complex reflector with clear lenses, cornering lamps and autolamp on/delay off lighting system	
■ INSTRUMENT PANEL —analog cluster and electronic message center with Tripminder®	

Executive L	
<i>In addition to the Executive Series standard equipment, the Executive L is equipped with the following:</i>	
■ ARMRESTS —storage pocket on rear doors	■ SEATS —rear seat amenities package which includes: folding armrest with storage bin, 2 cupholders, 2 auxiliary 12-volt power point outlets, carpeted 1-piece luxury seat floor mat, and duplicate audio and climate controls
■ ASHTRAY —cigar size with illuminated lighter in rear doors	■ TIRES —P225/70TR16 white sidewall all-season
■ HEAD RESTS —rear seat 4-way head restraints	■ TIRES —conventional spare and mini-spare
■ LIGHTS —orientation lighting	
■ MIRRORS —rear illuminated vanity mirrors conveniently stow away in headliner	

Signature Series	
<i>In addition to or in place of the Executive Series standard equipment, the Signature Series is equipped with the following:</i>	
■ HOMELINK® UNIVERSAL TRANSCEIVER —located in driver's visor	■ SEAT —memory settings and easy entry/exit driver's seat
■ MEMORY SYSTEM —for driver's seat, exterior mirrors and adjustable pedals	■ SEATS —heated front seats with 5 temperature settings ³
■ MOONROOF —power (Premium Signature)	■ STEERING WHEEL —wood and leather trimmed with tilt steering column and duplicate audio and climate controls
■ RADIO —Lincoln Signature audio system	■ WHEELS —16-inch Snowflake aluminum
■ RADIO —Alpine® Audiophile Sound System with Digital Signal Processing, subwoofer and Audiophile speakers/6-disc trunk-mounted radio-controlled CD changer (Premium Signature) ³
