

LINCOLN

2002 LS

	02	An Invitation.
	04	Desire.
Design.	06	
	10	Indulge.
Command.	12	
	14	Protect.
	16	The Features.
The Facts.	20	
	21	The Palette.

It invites you to indulge in the pleasures and

possibilities of driving. And why not accept without regret?

After all, the 2002 Lincoln LS was created not merely

to celebrate technology, but to celebrate your senses.

A Lincoln LS car is shown from a high-angle, front-quarter perspective, parked on a dark, rocky shore. The car is a light gold or champagne color. The background features a dramatic sunset or sunrise over the ocean, with warm orange and yellow light reflecting on the water and sky. The car's design is sleek, with a prominent front grille and large alloy wheels. The overall mood is sophisticated and adventurous.

It asks only that you

be open to what

you desire. Power?

Lincoln LS offers up

to 252 hp. Control?

Rear-wheel drive is

your constant ally.

Lincoln LS in Light Parchment Gold Clearcoat. Shown with available equipment.

It rewards you with a

level of craftsmanship

that's been a Lincoln

hallmark for 80 years.

And with a design

that is simply timeless.

Lincoln LSE in Black Clearcoat. Shown with the available Lincoln LSE Appearance Package (late availability), which includes standard 17-inch two-tone Blade Grey wheels.

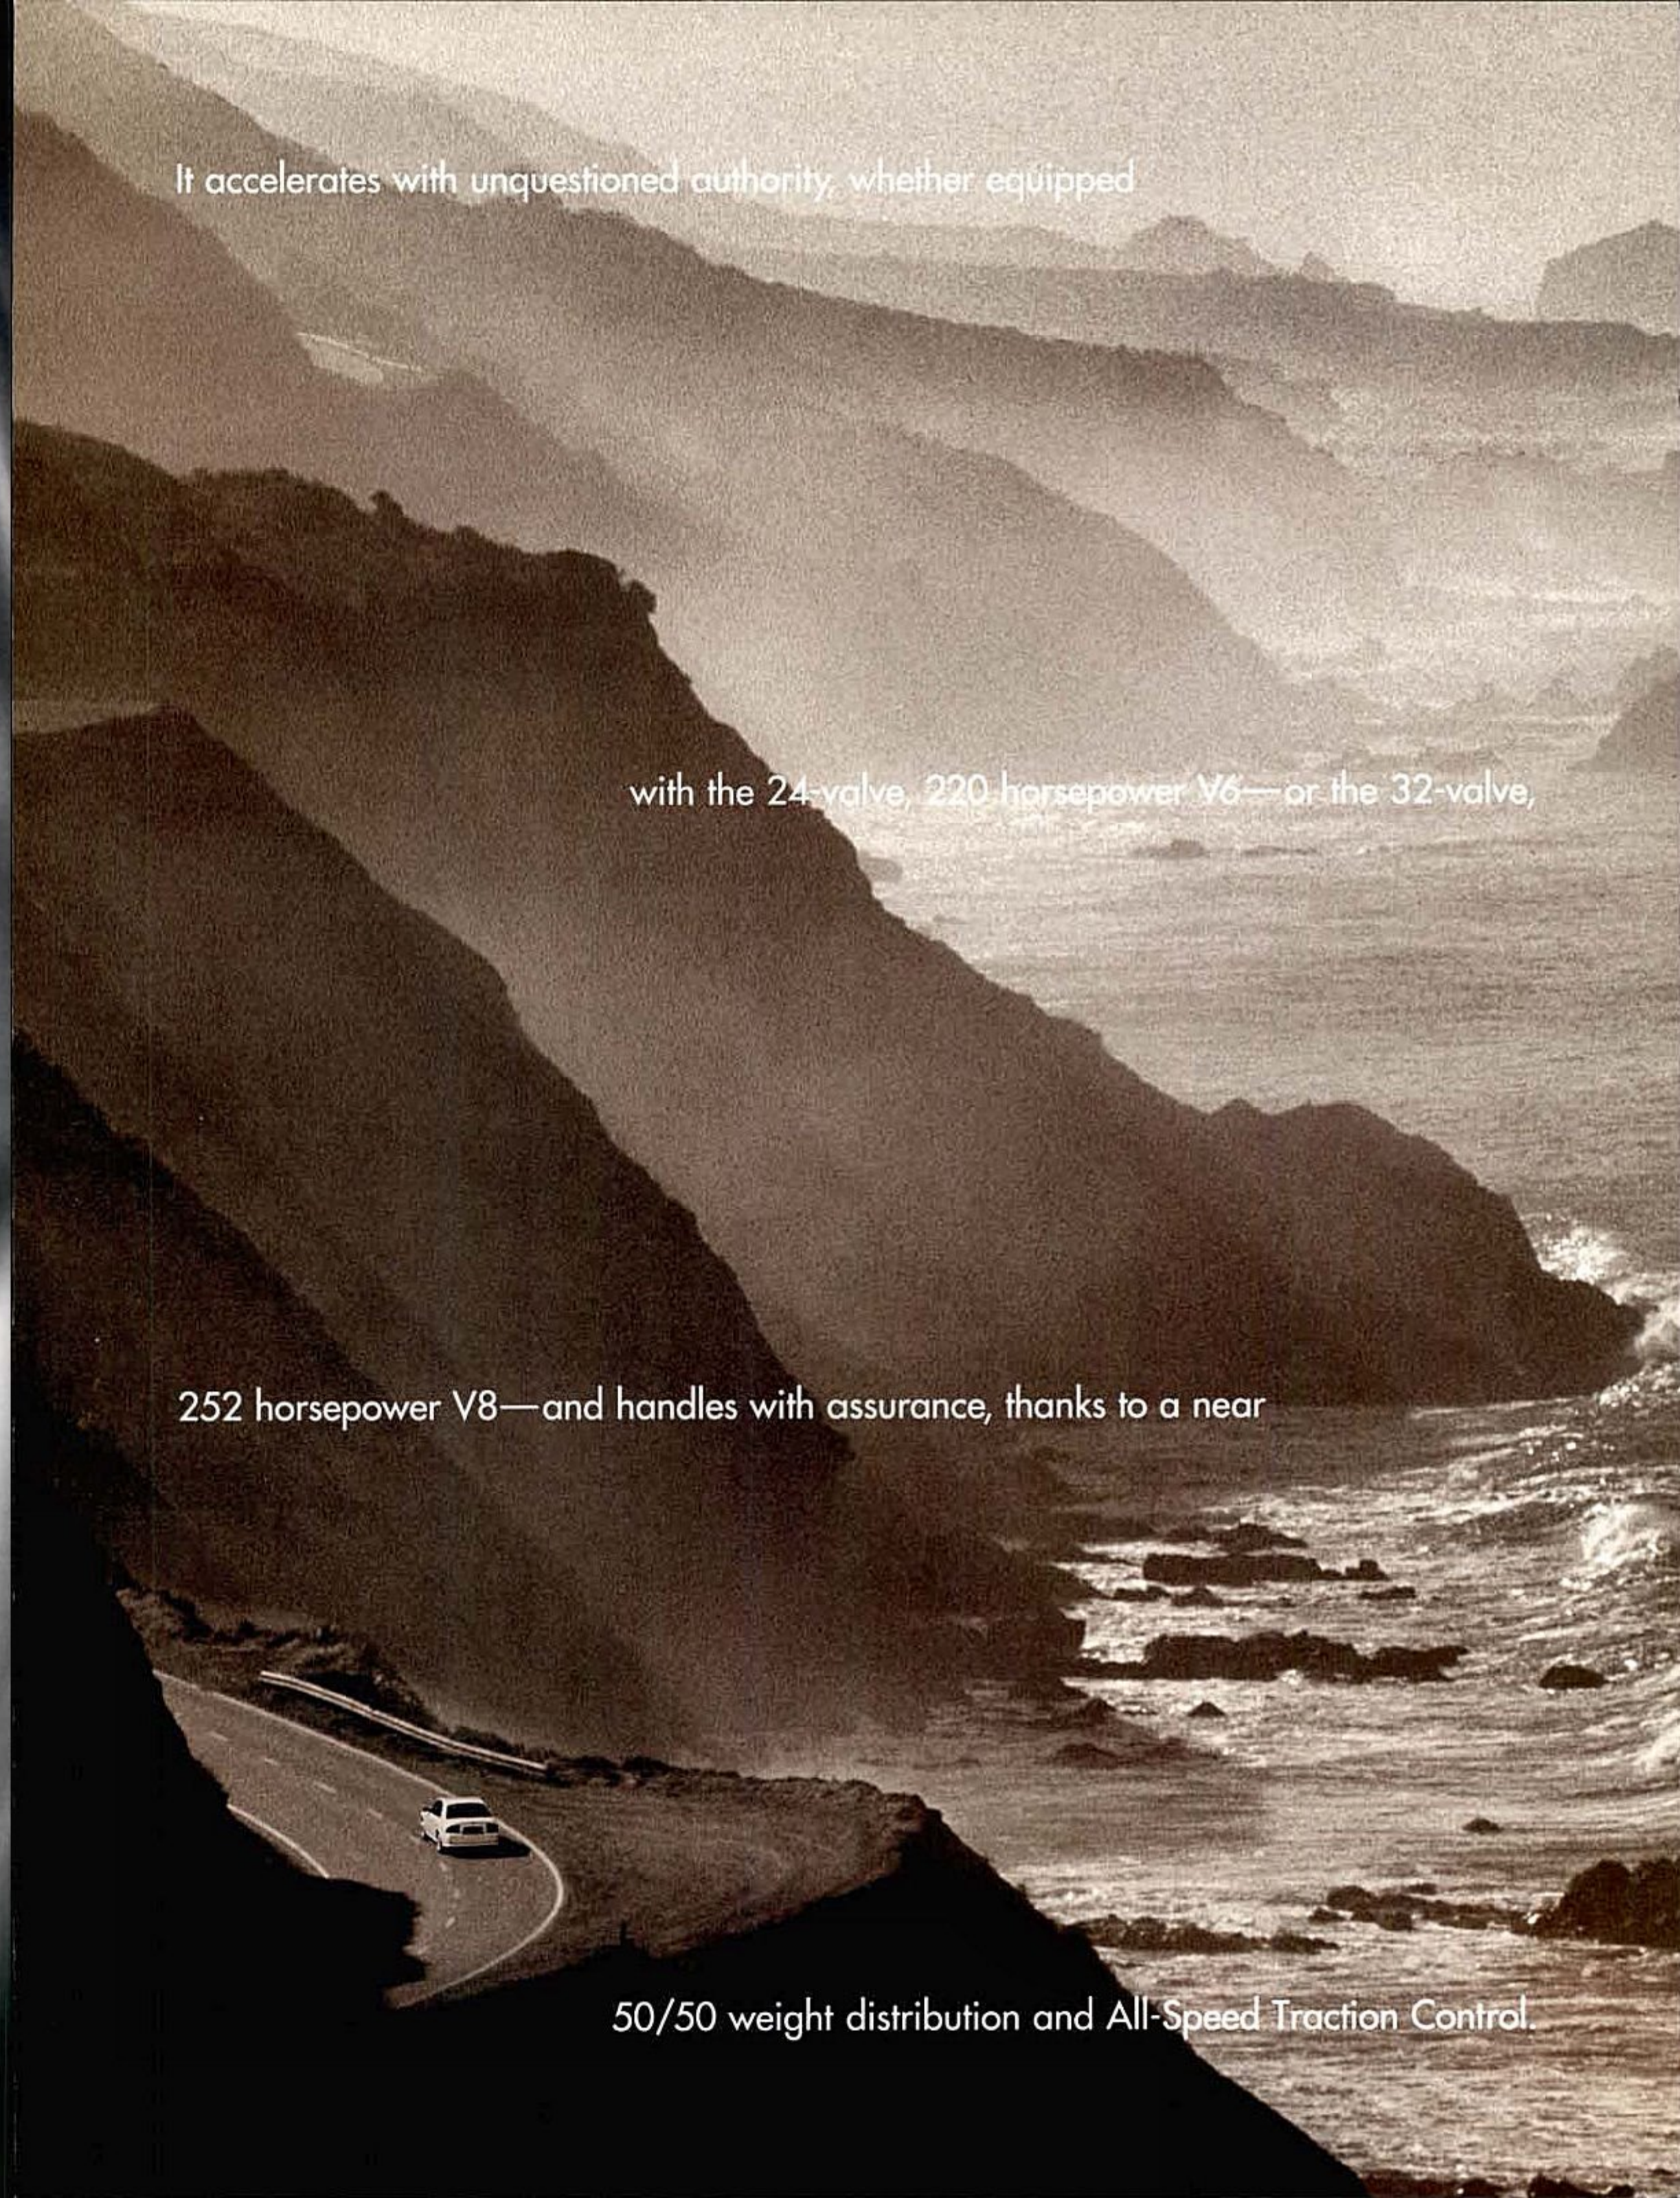

It accelerates with unquestioned authority, whether equipped

with the 24-valve, 220-horsepower V6—or the 32-valve,

252-horsepower V8—and handles with assurance, thanks to a near

50/50 weight distribution and All-Speed Traction Control.

It protects you with safety engineering so advanced that the

National Highway Traffic Safety Administration gave Lincoln LS

a dual five-star frontal crash test rating. And it further reassures you

with our 3-year/36,000-mile Lincoln Complimentary Maintenance.

The front and rear bucket seats of the Lincoln LS Premium feature a unique combination of Nudo leather trim and **basket-weave leather inserts**. All to enhance its performance personality. ▶

The Lincoln LS offers **audio options** that include a standard 4-speaker premium sound system with an AM/FM stereo/6-disc in-dash CD changer. Or choose the available 12-speaker, 180-watt Alpine® Audiophile Sound System—available either with an AM/FM stereo/6-disc in-dash CD changer or with a combination of an AM/FM stereo/cassette and a 6-disc glove box-mounted CD changer. ▼

In addition to the driver and front-passenger airbags, the Lincoln LS also offers **side-impact head/chest airbags.**¹ Concealed in the front seatback side bolsters, the airbags' deployment is governed by sensors mounted on each side of the vehicle. ▶

¹Always wear your safety belt and secure children in the rear seat.

Available on all Lincoln LS models, the **Vehicle Communication System** includes a Motorola Timeport™ wireless phone. The required Sprint PCS® service plan features voice-activated name or digit dialing for hands-free use. It also enables the satellite-based Global Positioning System, which offers Safety and Security services, Route Guidance and Point of Interest Location information. ▼

▶ The Lincoln LS offers two unique **wheel styles**, each available in two finishes. Automatics come standard with sixteen-inch brushed satin aluminum seven-spoke wheels, and are available in a highly polished finish. The Lincoln LS Sport comes standard with bold seventeen-inch five-spoke aluminum wheels with a Super Silver finish, and is also available with a bright chrome finish.

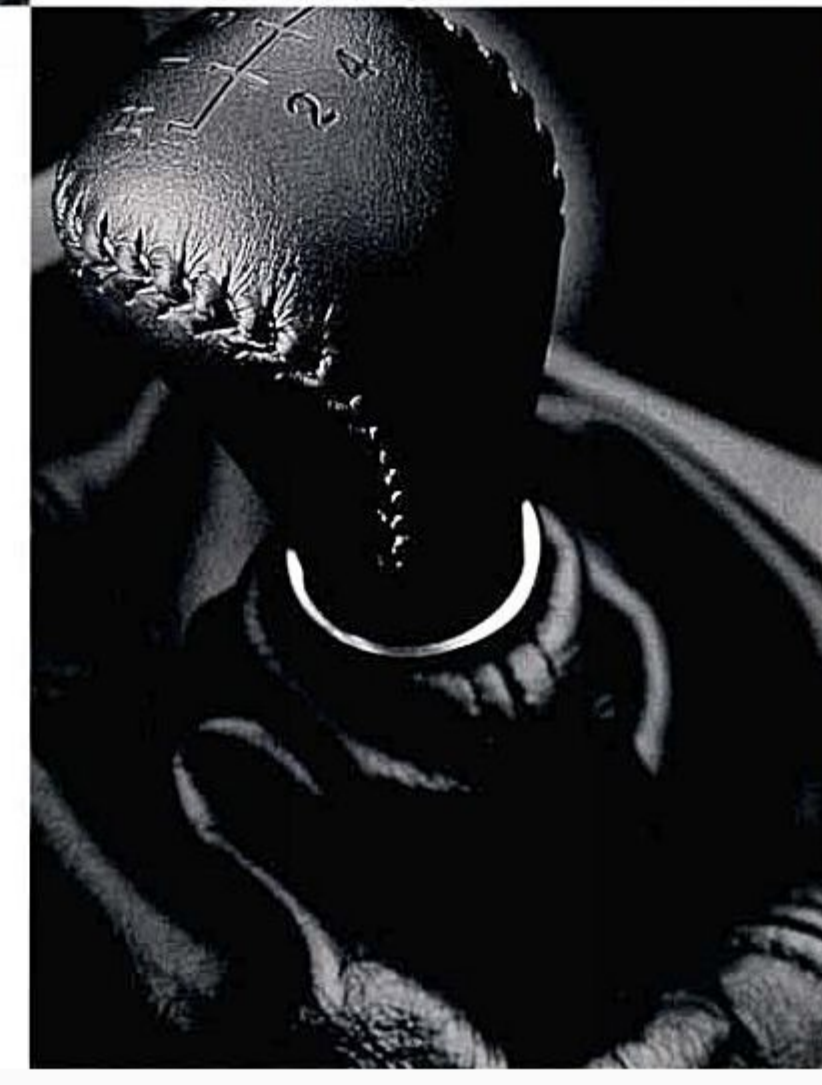

▶ To make the driving experience as pleasant as possible, Lincoln LS for 2002 is equipped with a handsome, wood-grained,¹ **steering wheel**. It features a power-adjustable column, which tilts and telescopes to conform to the driver's own shape and stature. ▼

¹Leather wrapped on Lincoln LS Sport.

▶ For those automotive enthusiasts who demand the highest performance, there's a 3.9-liter **DOHC 32-valve V8** with 252 horsepower. The Lincoln LS is also available with a responsive DOHC 24-valve, 220 horsepower V6.

▶ The Lincoln LS is powered by a smooth V6 that boasts an available five-speed **manual transmission**. The engine's block and cylinder head are cast with the patented Cosworth-casting process, yielding a lightweight, durable and efficient powerplant that creates a truly impressive performance.

Standard with all 2002 model year vehicles is our **3-year/36,000-mile Lincoln Complimentary Maintenance** — a no charge, scheduled maintenance service at 5,000 mile or 6-month intervals, whichever occurs first, in accordance with your vehicle's scheduled maintenance guide. Six additional wear items will also be covered: spark plugs (except in California), shock absorbers, clutch disc, engine belts and hoses, brake pads and linings and wiper blades. Available in the U.S.¹ See your dealer for more details.

¹May be available in other countries.

The near **50/50 weight distribution** in the Lincoln LS is responsible for the vehicle's excellent front-to-rear balance, contributing to agility, traction and, therefore, improved driver confidence. It's a secure feeling that should be experienced to be believed.

Part of the available All Season Package, the **AdvanceTrac™** Interactive Vehicle Dynamics control system is a highly intelligent traction technology. AdvanceTrac™ monitors everything from speed to road conditions to vehicle yaw and steering—controlling the torque at each wheel to help Lincoln LS achieve near maximum handling.

All models include a standard **Anti-lock Brake System (ABS)**. This system is enhanced by Electronic Brake Force Distribution, which provides ABS-derived electronic proportioning of brake action—further adding to the awesome performance of the Lincoln LS.

Standard **All-Speed Traction Control** on the 2002 Lincoln LS helps maintain traction on a wide variety of slippery surfaces by electronically modulating engine torque and brake behavior to limit wheel spin, while ABS detects and prevents wheel lockup.

Dual **driver's seat memory** settings allow you to choose one of two different preset positions. For further comfort and convenience, the driver's seat moves back while the steering column moves up—significantly contributing to seamless entries and exits.

The 2002 Lincoln LS features a coil-on-plug **electronic ignition**, which provides dependable spark sequences, while also eliminating the need for spark plug wires.

Standard on V8 models, the **Electronic Message Center** allows the driver a quick, convenient way to obtain information on vital engine systems, maintenance requirements and fuel availability—helping to create the best driving experience possible.

To ensure we're offering our customers the best service possible, we proudly offer the **Lincoln Personal Consultant**. Just visit our Web site at lincolnvehicles.com/pc and one of our manufacturer's representatives will help with anything from price quotes to product features to arranging a test drive at your local dealer—at no cost or obligation.

Special advanced sensors on the 2002 Lincoln LS detect moisture accumulation on the windshield and automatically activate slow or fast wiper motion accordingly. These **moisture-sensitive windshield wipers**¹ will work in virtually any kind of weather.

¹Not available on standard V6 models.

Every Lincoln LS model is equipped with a standard **Remote Keyless Entry system**, which unlocks the doors, the trunk and opens the moonroof. And, in an emergency, the "panic" button will activate both the horn and marker lamps for added protection.

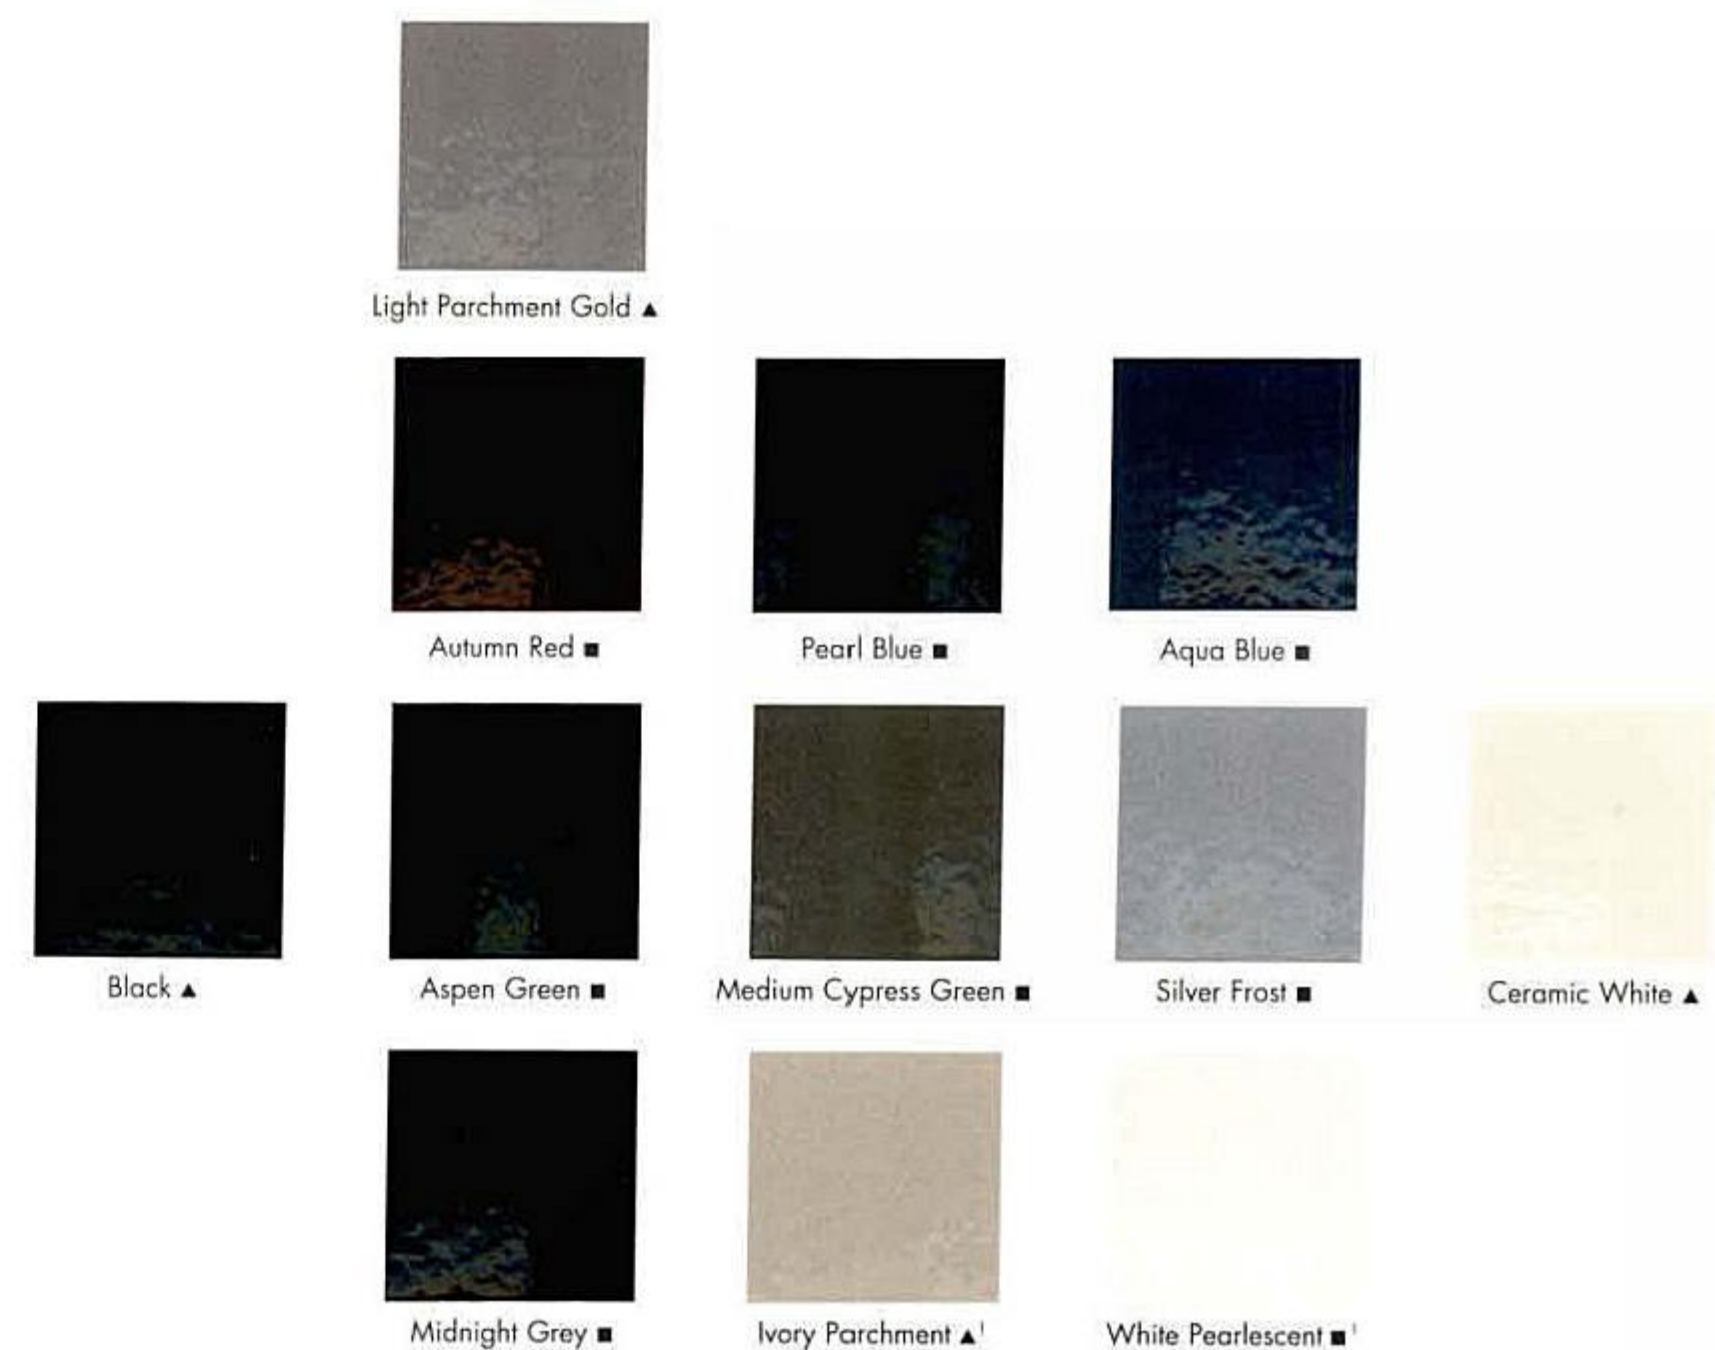

The **SelectShift Automatic™** transmission is included with Lincoln LS Sport automatic models. The five-speed Getrag™ manual transmission is available with the V6 engine.

Short- and Long-Arm **suspension with anti-dive/anti-lift geometry** allows Lincoln LS to stay close to the road while braking or accelerating for added driver confidence.

Interior

Lincoln LS Sport Equipment

- BUMPERS—color keyed
- HOMELINK® UNIVERSAL TRANSCEIVER—includes garage door opener
- MEMORY FEATURE—for driver's seat, steering column and exterior mirrors
- MIRROR—electrochromic *(auto-dimming)* rearview mirror with compass
- RADIO—Alpine® Audiophile Sound System with AM/FM stereo/6-disc in-dash CD changer, 12 premium speakers, subwoofer and speed-compensating volume control
- SEATS—front bucket seats with leather seating surfaces, 8-way power driver and 6-way power front passenger with power lumbar support
- STEERING WHEEL—leather-wrapped steering wheel and shifter knob
- SUSPENSION—sport tuned
- TIRES—P235/50R17 95V black sidewall all-season
- TRANSMISSION—5-speed electronic SelectShift Automatic™ (V6, V8)
- TRANSMISSION—5-speed Getrag™ manual (V6)
- WHEELS—17-inch 5-spoke Super Silver aluminum
- WINDSHIELD WIPERS—with moisture-sensitive feature

Lincoln LSE Appearance Package¹

- EXHAUST TIPS—dual, stainless steel
- FASCIA—unique front fascia with round fog lamps
- FLOOR MATS—unique carpeted LSE floor mats
- GRILLE—Blade Grey with color-keyed upper trim
- LICENSE PLATE—color keyed rear surround
- ROCKER MOLDINGS—unique side panels
- SPOILER—low profile
- VALANCE—unique rear valance
- WHEELS—17-inch 5-spoke 2-tone Blade Grey

Available Equipment

- ALL SEASON PACKAGE—includes AdvanceTrac™ stability enhancement system, and heated front seat cushions and seatbacks
- MOONROOF—power²
- RADIO—Alpine® Audiophile Sound System with AM/FM stereo/6-disc in-dash CD changer, 12 premium speakers, subwoofer and speed-compensating volume control³
- RADIO—Alpine® Audiophile Sound System with AM/FM stereo/cassette/6-disc glove box-mounted CD changer, 12 premium speakers, subwoofer and speed-compensating volume control¹
- VEHICLE COMMUNICATION SYSTEM—Motorola Timeport™ hands-free, voice-activated, digital/analog mobile phone
- WHEELS—16-inch 7-spoke polished aluminum⁴
- WHEELS—17-inch 5-spoke chrome aluminum⁴

¹With available moonroof. ²Always wear your safety belt and secure children in the rear seat. ³Available on Lincoln LS Sport models. Late availability. ⁴Available on V6 Convenience and base V8 and Lincoln LS Sport models. ⁵Available on V6 Convenience and base V8 models. ⁶Available on Lincoln LS Sport models and the LSE Appearance Package.

Lincoln reserves the right to change product specifications at any time without incurring obligations. 2002 EPA mileage estimates were unavailable when this brochure was printed. Options shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations. Information based on AAMA specifications.

Safety and Security

- AIRBAGS—driver and front passenger, and front seat-mounted side-impact head/chest¹
- ALARM—perimeter with LED indicator
- ALL-SPEED TRACTION CONTROL
- BRAKE SHIFT INTERLOCK
- BRAKES—power 4-wheel ventilated disc Anti-lock Brake System (ABS)
- KEYS—valet key, single key for door/ignition
- LOWER ANCHORS AND TETHER ANCHORS FOR CHILDREN *(LATCH)* — rear, 2 outboard lower and 3 upper tether anchors
- REMOTE KEYLESS ENTRY SYSTEM—2 key fobs with panic alarm and illuminated entry
- SAFETY BELTS—3-point restraints for all seating positions; height-adjustable D-rings for driver and front passenger
- SECURILOCK™—passive anti-theft system
- TRUNK—phosphorescent manual emergency trunk release inside trunk

Interior Amenities

- ACCESSORY DELAY—for power windows and moonroof *(if equipped)*
- AIR CONDITIONING—dual-zone Electronic Automatic Temperature Control with driver and front passenger controls
- ARMRESTS—full-length door trim, front center, rear seat center fold-down with 2 cupholders
- ASHTRAY—illuminated front ashtray with lighter
- BATTERY SAVER
- CARPETING—18-ounce cut-pile floor, rear window package tray and lower door trim
- CONSOLE—front center with storage bin and 2 cupholders
- DEFROSTER—rear window
- DUCTS—rear heat and air conditioning
- ELECTRONIC MESSAGE CENTER *(V8)*
- FLOOR MATS—carpeted front and rear
- GLOVE BOX—illuminated with lock
- GRAB HANDLES—4 interior with rear coat hooks
- HOMELINK® UNIVERSAL TRANSCEIVER—includes garage door opener *(V8)*
- ILLUMINATED SWITCHES—steering wheel, instrument panel and front door switches
- INSTRUMENT CLUSTER—analog speedometer, tachometer, dual trip odometers, check fuel capacity lamp *(V6)*, low oil pressure warning lamp, and engine temperature and fuel gauges
- LIGHTS—courtesy front door lamps, 2 front map lamps, rear dome lamp and luggage compartment lamp
- LOCKS—power door, SmartLock™ anti-lockout system and child-safety locks on rear doors
- MAP POCKETS—located on front doors and front seatbacks
- MIRROR—day/night rearview *(V6)*
- MIRROR—electrochromic *(auto-dimming)* rearview mirror with compass *(V8)*
- PARTICULATE AIR FILTER
- POWER POINTS—12 volt outlets on front and rear of center console
- RADIO—premium sound system with AM/FM stereo/6-disc in-dash CD changer, 4 speakers, speed-compensating volume control and digital clock
- SEATS—60/40 split-fold rear seat
- SEATS—front bucket seats with leather seating surfaces, 8-way power driver and 6-way power front passenger with manual lumbar support *(V6)*
- SEATS—front bucket seats with leather seating surfaces, 8-way power driver and 6-way power front passenger with power lumbar support and memory feature *(V8)*
- SHIFTER KNOB—wood
- SPEED CONTROL—fingertip controls with tap-up/tap-down feature
- STEERING COLUMN—power tilt and telescoping; memory feature *(V8)*
- STEERING WHEEL—4-spoke wood- and leather-trimmed with audio controls
- VISORS—with dual illuminated vanity mirrors
- WINDOWS—power with express-down driver's window and Global Open/Close on all windows and moonroof *(if equipped)*; may be opened with the key or key fob and closed with the key
- WOOD TRIM—appliqué on doors, instrument panel and front ashtray door

Exterior Features

- ANTENNA—concealed
- BATTERY—trunk mounted
- BUMPERS—color keyed 5 mph impact absorbing with chrome inserts
- DECKLID—remote release
- DOOR HANDLES—body color
- EXHAUST SYSTEM—dual
- FOG LAMPS—in lower front fascia
- GLASS—solar tinted
- GRILLE—chrome with molded black vertical ribs
- HEADLAMPS—complex reflector with clear lens and automatic on/delay off feature
- MIRRORS—dual power heated exterior; memory feature *(V8)*
- TAILLAMPS—complex reflector
- TIRES—P215/60R16 94H black sidewall all-season and mini-spare with cover
- TRANSMISSION—5-speed electronic automatic overdrive
- WHEELS—16-inch 7-spoke brushed satin aluminum
- WINDSHIELD WIPERS—2-speed with variable intermittent setting and heated park position
- WINDSHIELD WIPERS—with moisture sensitive feature *(V8)*

Lincoln LS V6 Convenience Equipment

- HOMELINK® UNIVERSAL TRANSCEIVER—includes garage door opener
- MEMORY FEATURE—for driver's seat, steering column and exterior mirrors
