ULTIMATE IN QUALITY

For over forty years now we have been leaders in our profession, motivated by our quest for the ultimate in quality. Being perfectionists, second best has never been good enough for us. We have therefore created an integrated production system where all stages of our work are carried out in house, undergoing a strict quality control during each phase right through to the delivery of the finished product. Our constant search for unparalleled quality has become our corporate culture because...

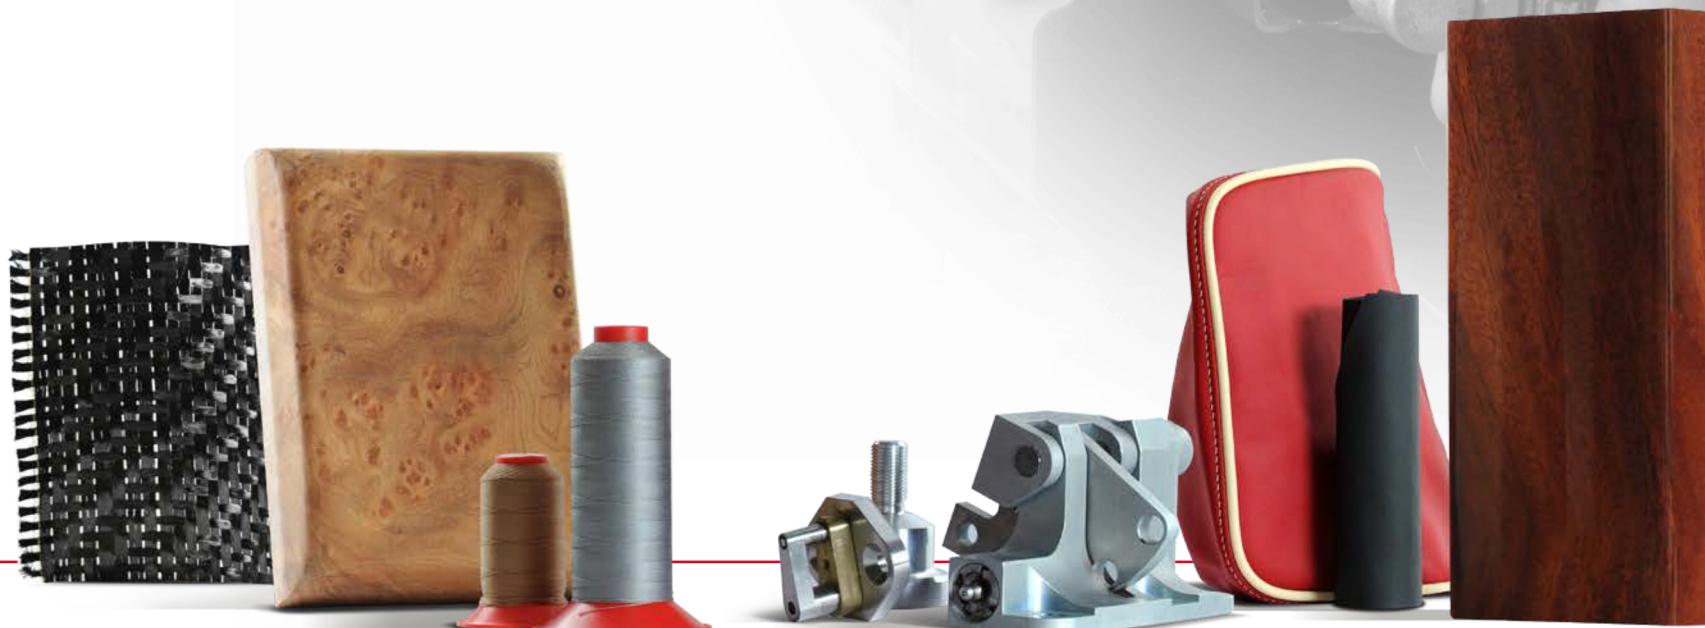

YOU ARE UNIQUE AND ONLY
DESERVE THE VERY BEST.

OUR KNOW-HOW FOR EXCELLENCE

Our 13 specialized workshops, each expert in its own field, work hand in hand to provide you with the very best in terms of quality and perfection. CARAT DUCHATELET is renowned for its level of excellence as it places a great emphasis on hand finished craftsmanship, using the finest and most prestigious materials.

ELEGANCE & REFINEMENT

ELEGANCE & DISCRETION

S CLASS STRETCHED BY 40 CM AND RAISED BY 10 CM

During more than forty years of expertise in research, development and the "one off" production of first-class customized and armoured vehicles, our philosophy has always been twofold; to pursue an unparalleled quality for our products and assure the full satisfaction of our clients. Thanks to those principles we have achieved international renown. For years our pride has been to deliver vehicles to members of Royal Families, heads-of-state, ministers, ambassadors, prominent businessmen and famous stars.

OPTIMAL USE FOR COMFORT AND ERGONOMY

This armoured vehicle is stretched both at door and roof levels. Raising the roof offers unequalled comfort both in terms of ease of access and an impressive interior space.

BECAUSE OUR PASSION IS YOUR SATISFACTION

NOBLESSE & ELEGANCE

S CLASS MAYBACH STRETCHED BY 50 CM

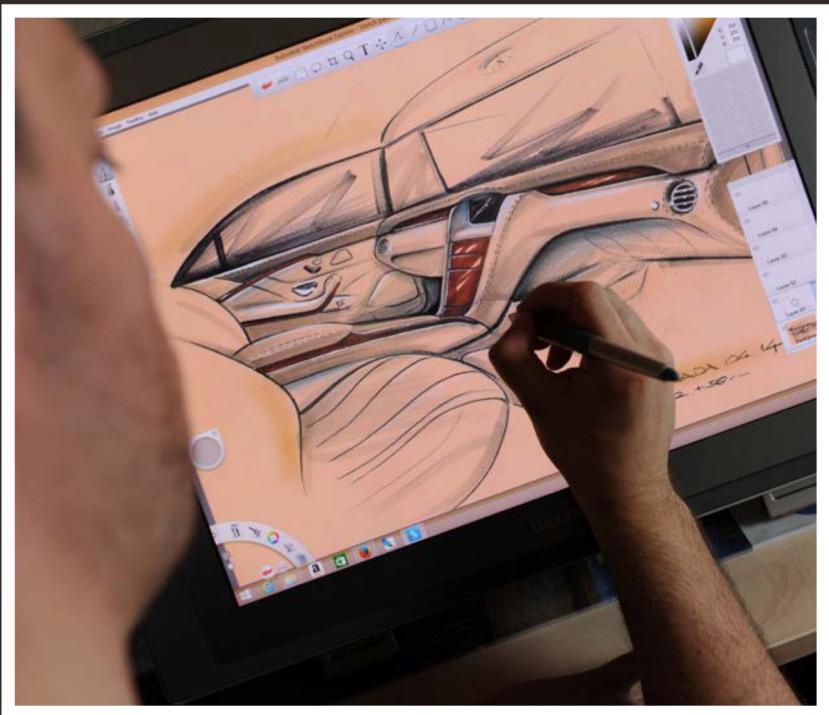

+50 cm

Far away from the series productions, CARAT retains an accurate individual approach, developing prestige limousines blending the highest level of safety and security with a unique atmosphere of luxury, comfort, beauty, technical brilliance, craftsmanship and last but not least an extreme degree of exclusivity. Stretched by 50 cm whilst retaining its original lines in order to add a touch of class, discretion and refinement in your travels.

BECAUSE YOU ARE
UNIQUE AND DESERVE
ONLY THE BEST

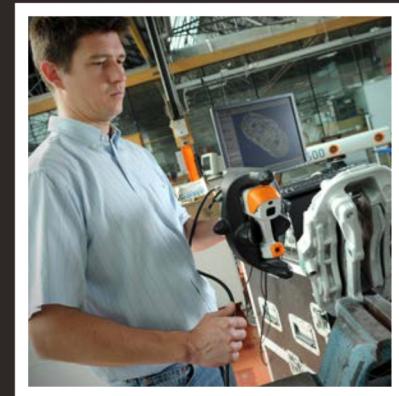

UNLIMITED REFINEMENT

Working in this atmosphere of luxurious relaxation is a pure delight. Its refinement and perfect ergonomics belong to a new concept, dedicated to time and space. Every single ride in this unique limousine is a smooth and silent experience.

WHEN EXCLUSIVITY MEETS
EXCELLENCE: YOU CAN EXPECT
THE VERY BEST

THE ART OF LIVING... PASSIONATELY !

As the leader in customized vehicle manufacturing, we pay attention to every single detail. Our aim is to integrate the newest technologies into the best of traditional, hand-built production methods in order to meet your highest requirements in line with your lifestyle.

You are the only one who can supply the most important component of your new CARAT limousine: your WISH LIST.

For moments of relaxation, the top of the range hi-fi system and large LCD screens, coupled with all the latest digital media players are all integrated in your first class vehicle. One could ever wish for such MP3 player, digital movie player, digital terrestrial television, as well as the more traditional multi disc DVD / CD player, will be on hand for entertainment.

Everything here is integrated in perfect harmony, thanks to the

built in ergonomic touch control panel, turning the shortest journey into an important moment for you and your guests.

Refinement is everything and the ambient coloured lights, mini-bar, refrigerator, glass-holders, cigar humidor compartment, not forgetting the special climate control, will provide you the sensation of being unique.

In the stretched 50 configuration the additional space allows you to fully extend your legs and relax in the greatest comfort thanks to the unique automatic footrest.

The question of where you might be going fades into irrelevance, all that matters is travelling to your destination in your CARAT limousine.

BECAUSE YOU ARE
LOOKING FOR
PERFECTION !

A MASTERPIECE OF ART AND FUNCTIONALITY

ACARAT limousine always reflects the skills of our talented engineers, designers and craftsmen as well as your very own personality and style. Every single CARAT limousine is exclusively designed and built to meet your particular wishes.

During the production process, the toughest steels, the softest leathers, the most exquisite

woods and the finest gold are brought into play by our elite craftsmen to perpetuate our tradition of quality and exclusivity.

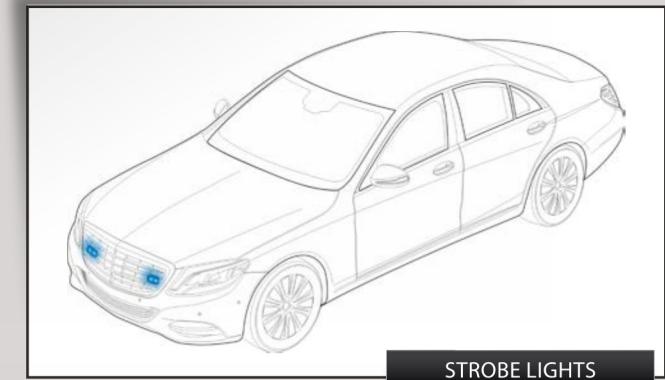

This vehicle is foreseen to transport 4 persons comfortably installed in the rear compartment. All the interior elements are customised both in terms of ergonomics and technology based on a client's individual requirements.

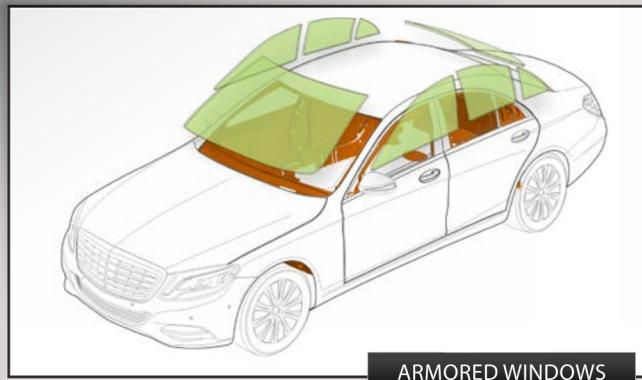

PROTECTION ARMORING SHELL IN THE SHELL TECHNOLOGY

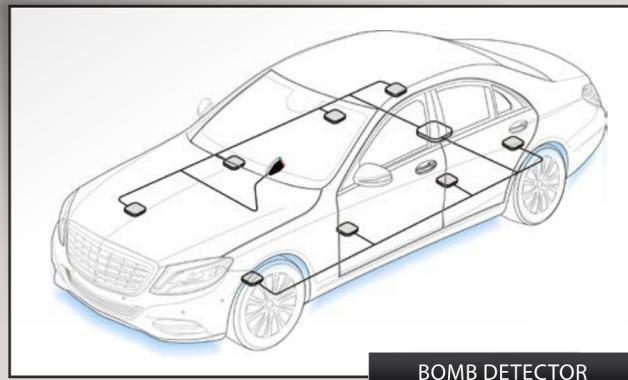

Carat Duchatelet has more than 40 years of know-how in armoured vehicles offering you a high ballistic protection. Our cars are rigorously tested in order to provide them with the best road handling combined with advanced bullet-proof materials. In addition to this level of security, Carat Duchatelet retains an uncompromised level of luxury and refinement.
