Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.⁶ The table below shows the bands (A–M) created by the DVLA, and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical specifications opposite, and the relevant Excise Duty is reflected in the on-the-road prices on page 7.
