# The art of uniqueness.

The G-Class is not just any cross-country vehicle. The G-Class is the unique cross-country vehicle. Not only is it an exceptionally assured off-roader, it also passes with flying colours when it comes to another type of difficult terrain: design. Its form and its aura are unique. Now you can make your G-Class even more unique with a wealth of all-new designo manufaktur options exclusively for the G-Class. With stunningly beautiful colours and materials, you can make the G-Class your G-Class.

# The art of haute couture.

The G-Class is all about contrasts rather than contradictions. It is an accomplished blend of cross-country vehicle and luxury saloon. There's no entry-level here: style and comfort abound in every model. Plus you can now make your G-Class as individual as your home. With a wealth of variants in which everything matches perfectly. Look forward to your bespoke G-Class finished to the very highest level. The one thing you will still have in common with other G-Class drivers is impeccable taste.

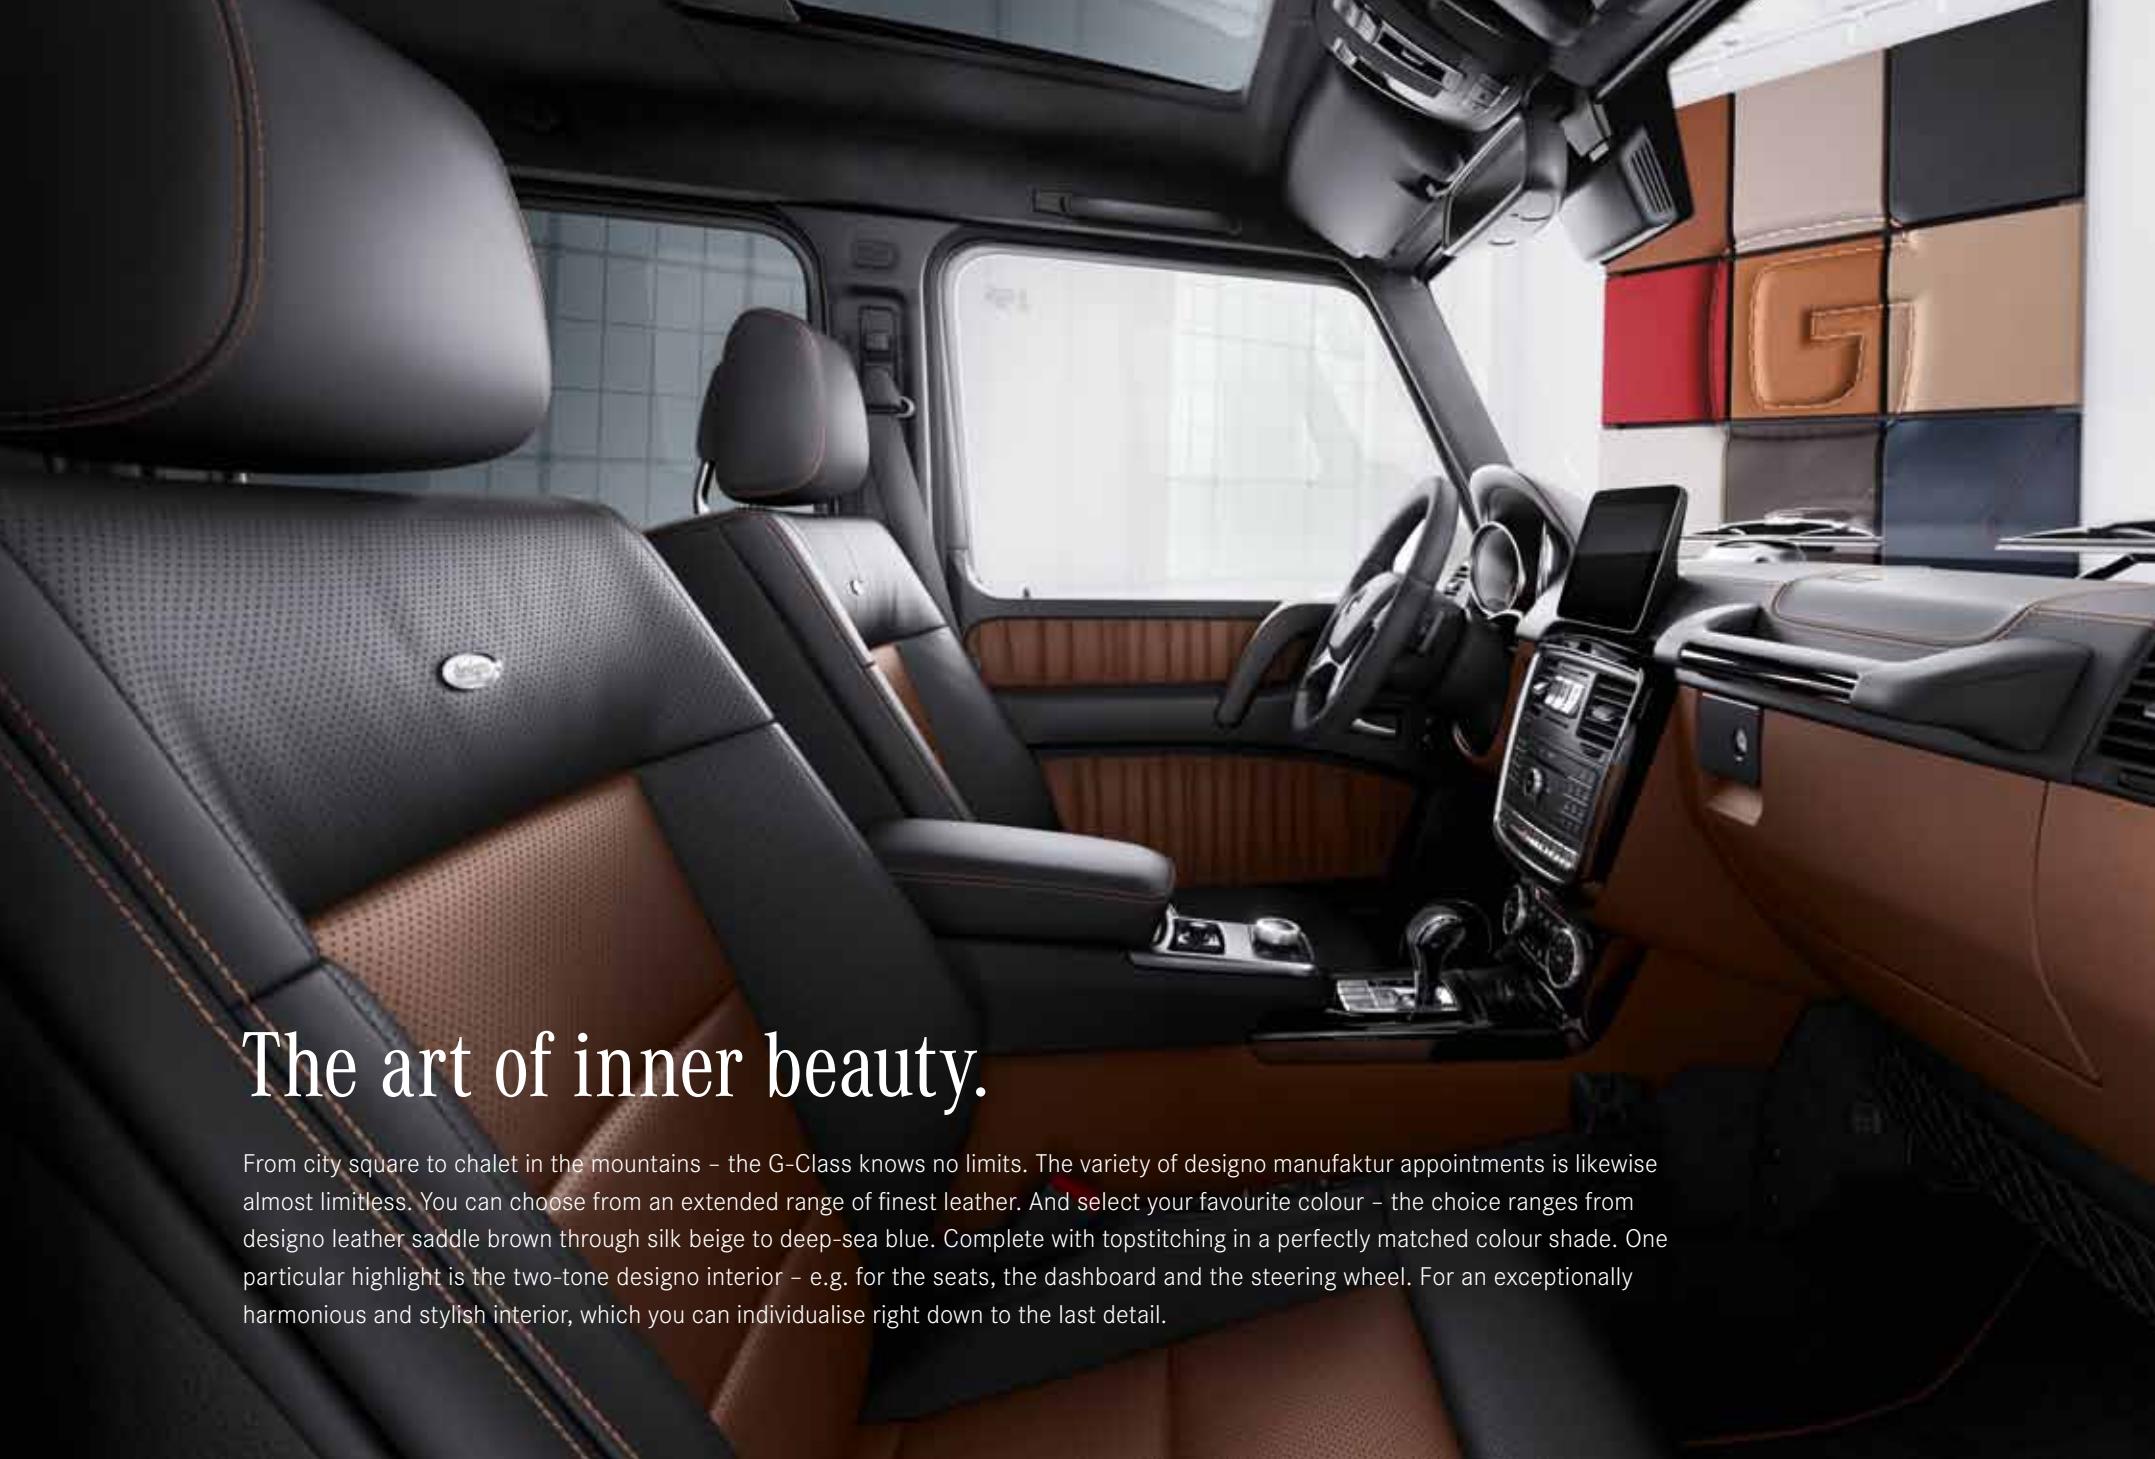

## The art of manufactured perfection.

Beauty created by hand. The 'Manufaktur' hand-finishing section that turns a G-Class into your G-Class is located in Graz. Be it exterior or interior, topstitching or model badge: almost every detail is lovingly crafted by hand. Here masterpieces that meet the definition of exclusivity are created with devotion, passion and artisanal perfection – each one a unique specimen underpinned by outstanding Mercedes-Benz quality. Take your pick. The possibilities are almost endless.

## The art of inner beauty.

From city square to chalet in the mountains – the G-Class knows no limits. The variety of designo manufaktur appointments is likewise almost limitless. You can choose from an extended range of finest leather. And select your favourite colour – the choice ranges from designo leather saddle brown through silk beige to deep-sea blue. Complete with topstitching in a perfectly matched colour shade. One particular highlight is the two-tone designo interior – e.g. for the seats, the dashboard and the steering wheel. For an exceptionally harmonious and stylish interior, which you can individualise right down to the last detail.

**Outstanding harmony – the DINAMICA Interior package.** designo manufaktur also offers you perfectly coordinated compositions, one example being the DINAMICA Interior package with seats and door centre panels in black. The seats, head restraints, dashboard, door handles, armrest and handbrake feature white topstitching. Together with the AMG performance steering wheel in DINAMICA / black nappa leather and the designo black DINAMICA microfibre roof liner, the result is an extremely harmonious combination.

## The art of stylish expression.

It has always been possible to drive the G-Class on desert sand. Now this colour is available as a resplendent paint finish. But perhaps you prefer designo mystic white bright to desert sand. Or designo mauritius blue metallic? These are just three of the many exclusive paint finishes. All of them – whether metallic or matt – are of the highest quality and applied by hand in Graz. So that, even after numerous trips in rough terrain, the colours lose none of their beauty and vitality.

**Take-back of end-of-life vehicles.** You can return your G-Class to us for environment-friendly disposal in accordance with the European Union (EU) End-Of-Life Vehicle Directive. But that day lies a long way off.

A network of vehicle take-back depots and dismantlers has been established to make it as easy as possible for you to return your vehicle. You can leave it at any of these points free of charge and, by doing so, make an important contribution to completing the recycling process and conserving resources.

For further information about the recycling and disposal of end-of-life vehicles and take-back conditions, please visit your national Mercedes-Benz website.
