The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of a C-Class. Choose from a number of attractive finance offers. Please see pages 12-15 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. It includes Active Blind Spot Assist, Active Lane Keeping Assist, BAS PLUS with Cross-Traffic Assist, DISTRONIC PLUS with Steering Assist and Stop&Go Pilot, and the PRE-SAFE® anticipatory safety system.

Driving Assistance package – designed and priced as a package, including items as listed.

Sport and AMG Line: only available with automatic transmission

Total incl. VAT £1,695.00

DISTRONIC PLUS

Driving Assistance package (code DP2)

Active Blind Spot Assist

Displays a warning light in the exterior mirrors if another vehicle is detected in the blind spot. If a lane change is attempted with another vehicle in the blind spot, the system warns the driver and helps prevent an imminent collision by one-sided braking intervention

Active Lane Keeping Assist

Detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, triggers one-sided braking intervention

BAS PLUS with Cross-Traffic Assist

If a critical situation is recognised and the driver applies the brakes, BAS PLUS can increase the brake pressure according to the situation, ideally preventing a collision with other vehicles or pedestrians

DISTRONIC PLUS with Steering Assist and Stop&Go Pilot

DISTRONIC PLUS is a radar assisted cruise control that helps the driver to maintain a safe distance from the vehicle ahead, even when braking to a stand-still. Steering Assist tracks road markings and the path of the vehicle ahead to keep the vehicle on track

PRE-SAFE® Brake with pedestrian detection

When the danger of a collision with another vehicle or a pedestrian is recognised, PRE-SAFE® Brake gives the driver a visual and acoustic warning. If there is no reaction, the system can reduce the vehicle speed autonomously – right up to full emergency braking

PRE-SAFE® PLUS

Initiates occupant prevention measures if a rear-end collision is imminent, including activating the hazard lights, reversible belt tensioning, adjustment of passenger seat positions and closure of windows

Exclusive driver training for Mercedes-AMG owners.

All Mercedes-AMG customers are invited to a complimentary AMG Driving Academy Training Experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed and adrenaline-fuelled exercises you'll experience oversteer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG.

TERMS AND CONDITIONS: Only the first purchaser/registered keeper of a newly registered Mercedes-AMG is eligible for this complimentary AMG Driving Academy Training experience which is the AMG BASIC-Training as detailed above. Training experience must be booked and taken within six months of delivery of your Mercedes-AMG; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to full Terms and Conditions, which are available on request.

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. It includes Active Blind Spot Assist, Active Lane Keeping Assist, BAS PLUS with Cross-Traffic Assist, DISTRONIC PLUS with Steering Assist and Stop&Go Pilot, and the PRE-SAFE® anticipatory safety system.

Driving Assistance package – designed and priced as a package, including items as listed.

Mercedes-AMG C 63/S

Total incl. VAT £1,695.00

DISTRONIC PLUS

Driving Assistance package (code DP2)

Active Blind Spot Assist

Displays a warning light in the exterior mirrors if another vehicle is detected in the blind spot. If a lane change is attempted with another vehicle in the blind spot, the system warns the driver and helps prevent an imminent collision by one-sided braking intervention

Active Lane Keeping Assist

Detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, triggers one-sided braking intervention

BAS PLUS with Cross-Traffic Assist

If a critical situation is recognised and the driver applies the brakes, BAS PLUS can increase the brake pressure according to the situation, ideally preventing a collision with other vehicles or pedestrians

DISTRONIC PLUS with Steering Assist and Stop&Go Pilot

DISTRONIC PLUS is a radar assisted cruise control that helps the driver to maintain a safe distance from the vehicle ahead, even when braking to a stand-still. Steering Assist tracks road markings and the path of the vehicle ahead to keep the vehicle on track

PRE-SAFE® Brake with pedestrian detection

When the danger of a collision with another vehicle or a pedestrian is recognised, PRE-SAFE® Brake gives the driver a visual and acoustic warning. If there is no reaction, the system can reduce the vehicle speed autonomously – right up to full emergency braking

PRE-SAFE® PLUS

Initiates occupant prevention measures if a rear-end collision is imminent, including activating the hazard lights, reversible belt tensioning, adjustment of passenger seat positions and closure of windows

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on pages 77 and 82, and the relevant Excise Duty is reflected in the on-the-road prices on pages 10-13.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00
D	121 to 130 g/km	0.00	110.00
E	131 to 140 g/km	130.00	130.00
F	141 to 150 g/km	145.00	145.00
G	151 to 165 g/km	180.00	180.00
H	166 to 175 g/km	295.00	205.00
I	176 to 185 g/km	350.00	225.00
J	186 to 200 g/km	490.00	265.00
K	201 to 225 g/km	640.00	290.00
L	226 to 255 g/km	870.00	490.00
M	over 255 g/km	1,100.00	505.00

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your C-Class, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at www.mercedes-benz.co.uk/servicecare

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180.***

The Mercedes that thinks and acts for you.

Imagine if...

...you could connect with your Mercedes-Benz?

With Mercedes connect me, you can; with Remote Online services¹ that include trip planning, maintenance management and vehicle tracking, plus more.

Getting connected is easy. Just set up your Mercedes me account and get in touch with your Mercedes-Benz Retailer to connect your vehicle to your profile to access your Mercedes connect me services.

...you knew beforehand that you need to stop for fuel?

Simply check the fuel level and mileage range from your phone wherever you are. You can also check tyre pressure and washer fluid level. (For electric cars, you can check battery charge state.)

...your Mercedes could tell you where it's parked?

You no longer need to ask yourself where you left your car; with Mercedes connect me you can locate your car from your smartphone or tablet within a mile radius.

1. PARKED VEHICLE LOCATOR
2. VEHICLE TRACKER

3. REMOTE RETRIEVAL OF VEHICLE STATUS

...you could lock your Mercedes, even if you're miles away?

The uncertainty of whether you've forgotten to lock the car is only human. To make sure your Mercedes-Benz is safe and secure, you can simply lock the car remotely via your PC/Mac, tablet or smartphone.

...your Mercedes told you when your service is due?

Being connected means essential data is constantly sent to your Mercedes-Benz Retailer so they know when it is time for a service. Your Retailer can then contact you with a tailor-made service quote.

...your Retailer already knows which parts need replacing?

As surprising as this sounds, with telediagnostics your Retailer can recognise remotely if certain parts are due for replacement, contacting you to book an appointment and making sure the relevant parts are in stock when you arrive, getting you back on the road as quickly as possible.

...you could just push a button to deal with a breakdown?

Should your car break down, with a simple press of the button everything is taken care of – from breakdown assistance to vehicle recovery.

...your Mercedes called for help?

Your Mercedes comes with an SOS button. Press it if you need urgent help and you will be contacted by the emergency response centre.² In the event of an accident where airbags or seatbelt tensioners have been activated, a call is placed automatically. Your GPS position is sent to the response teams to initiate rescue efforts.³

The Mercedes that thinks and acts for you.

Contact your Retailer to get connected, or go to www.mercedes.me for more details.

¹This is available as an option in conjunction with Audio 20 CD, and standard with COMAND Online. Remote Online is standard with electric drive and plug-in hybrid.
Use of the Remote Online equipment option is limited to three years from first registration of the vehicle and can then be extended at extra cost.

²A call is placed via the car's sim card, rather than the customer relying on their mobile phone.

³This feature is still available to customers without Mercedes connect me services. The customer is not required to accept the terms and conditions on the portal to activate this feature. For all other features the customer will have to accept terms and conditions on the portal to activate them.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.

- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account
