# GLA 45 AMG 4MATIC

# The all new GLA 45 AMG 4MATIC. Turning night into day.

Proud SUV or thoroughbred sports car? Discover the thrilling best of both worlds. The world's most powerful series production 4-cylinder car engine, a high-performance brake system, a sports transmission, performance-oriented 4MATIC all-wheel drive, speed-sensitive sports steering and a sports suspension, both from AMG, propel the all new GLA 45 AMG 4MATIC into a league of its own.

# Activate your sportive instincts.

High-performance sport is at home inside the all new GLA 45 AMG 4MATIC. All controls and displays are in performance-oriented design. The AMG DRIVE UNIT in the centre console and the AMG instrument cluster, for example. The trim also plays its part in conjuring up a tangible motorsport atmosphere.

The stuff of dreams.  
But it won't let you sleep.

First encounter: a walk around the all new GLA 45 AMG 4MATIC reveals the characteristic features, such as the large AMG light-alloy wheels, the specific rear apron or the sporty tailpipes. And the AMG Performance Studio is able to fulfil a whole range of additional sporty wishes on request.
