CLS-Class Sport Sedan

It's always difficult to control the emotions. Especially when looking at the CLS-Class Sport Sedan. A design object which has just one aim: to seduce you. Yet for all its expressive looks, there are just as many rational reasons for choosing the four-door coupé. After all, seduction begins in the mind.

Sensuality and sense have never been closer.

Looks that take your breath away.

There's no shame in yielding to temptation as strong as the interior design of the CLS-Class Sport Sedan. The successful blend of high-quality wood, fine leather and a trim with an elegant silver-chrome surface appeals to all the senses and will satisfy even the most exacting of design and comfort requirements. In fact, not getting in would be unforgivable.

Increases testosterone levels. But reduces CO₂ emissions.

Under the exciting exterior beats a powerful heart. Optimised engines extract even more zest from every drop of fuel. The CLS-Class Sport Sedan lets you feel it every step of the way. But you'll have no inkling that it emits far less CO₂ than its predecessor.
