

S 63 L AMG 4MATIC

AMG
DRIVING PERFORMANCE

Mercedes-Benz

Impressive speed and impressive appearance.

Its fast speed and elegant appearance make it all that you desire. The S 63 L AMG 4MATIC, with its biturbo 5.5-liter V8 engine, AMG lightweight body, full-time all-wheel drive system, 585 horsepower, can hit 100 km/h within just 4 seconds. The unique AMG emblem, the fine Nappa leather sports seats, the specially designed IWC clock, the advanced 360-degree camera, and the multi-screen display, they all manifest its elegance and luxury. You can enjoy your ride with supreme speed and glamour.

S 63 L AMG 4MATIC

Muscular and elegant.

The dynamism and agility of the S 63 L AMG 4MATIC are evident during every driving manoeuvre, and in the striking details of the exterior. These include the expressive, AMG-specific design of the front apron with flics in high-gloss black, and the side sill panels and rear apron with high-quality inserts in silver-chrome. The 48.3 cm (19-inch) AMG multi-spoke forged wheels and the AMG sports exhaust system with twin tailpipes in a striking V8 design add further sporty highlights.

Emphatically sporty.

The interior of the S 63 L AMG 4MATIC combines a luxurious ambience with sporty functionality, and passion for performance with fine attention to detail. This is reflected in the AMG instrument cluster with a 330 km/h scale including AMG main menu and AMG start-up display, as well as in the AMG sports seats in Nappa leather with contrasting topstitching or the embossed AMG emblem in the centre console armrest. Other refinements include the AMG-specific door panels with V8 design layout, the AMG-specific analogue clock in an IWC design and the AMG door sills.
