DRIVING PERFORMANCE

Mercedes-Benz

# 507 reasons for thrilling performance.

The Edition 507 is an even more dynamic, expressive and exclusive version of the C 63 AMG. The excellent performance and agility of the AMG 6.3-litre V8 engine have been uprated by 37 kW (50 hp) to 373 kW (507 hp). This results in acceleration from 0 to 100 km/h in 4.2 seconds representing an improvement of 0.2 second in each case. The standard-fit AMG Driver's Package enables a top speed of 280 km/h. At the same time, the AMG high-performance composite brake system with red-painted brake callipers provides for even more effective deceleration and more precise dosing of brake power. The special dynamism of the Edition 507 is also reflected in emphatically sporty exterior and interior highlights—from the AMG bonnet with air outlets in high-gloss black through the exclusive 48.3 cm (19-inch) AMG cross-spoke forged wheels to the AMG performance steering wheel in Alcantara® with 12 o'clock marking.

# C 63 AMG Coupé Edition 507

# A demonstration of exclusivity and strength.

The Edition 507 demonstrates a devotion to high-performance from every angle. The emphatically sporty differentiating features include the AMG bonnet with high-gloss black air outlets and the high-gloss black finish for the exterior mirror housings and the AMG spoiler lip. The AMG sports stripes on the sides in matt graphite grey above the AMG side sill panels, the exclusive 48.3 cm (19-inch) AMG cross-spoke forged wheels and the red-painted brake callipers also hint at the vehicle's exceptionally dynamic character.
