<sup>4</sup>EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116

The figures on pages 30-33 are correct at time of going to print. Please refer to the government website for latest data - <http://www.dft.gov.uk/vca>

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.<sup>1</sup> The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions are listed in the technical specifications on page 32, and the relevant Excise Duty is reflected in the on-the-road prices on page 5.

Band	CO <sub>2</sub> emissions	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00

# Mercedes-Benz Finance and Insurance

## Choosing the colour of your Mercedes-Benz can be difficult. Fortunately, financing it isn't

So you've chosen your new Mercedes-Benz and you've finally settled on a colour. The good news is you've done the hard part. Now simply sit down with one of our Business Managers and they'll be happy to guide you through our range of finance packages, service options and insurance cover.

At Mercedes-Benz Finance, we're not in the business of simply providing a loan to fund the purchase of your dream car. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

You should find our finance packages are more convenient than a traditional personal loan. They are:

- **Quick and easy to arrange.** On average, approved credit applications are processed within 18 minutes.<sup>1</sup>
- **Immediately available.** With no waiting for cheques or loans to clear.
- **No security on your home required.** You will not be required to provide us with any security against your house as a condition of taking out the finance agreement.

- **Clear and transparent.** Other lenders may offer you a higher APR to the one you applied for based on your credit status. With Mercedes-Benz Finance, where we advertise an APR this is the APR you will receive if your credit application is successful.

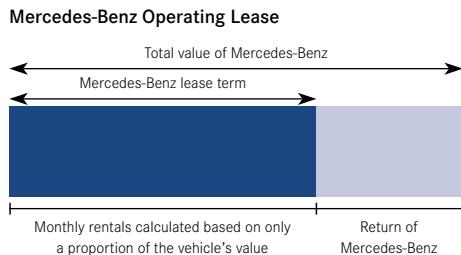

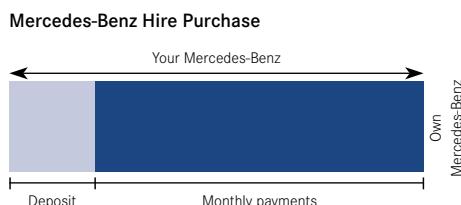

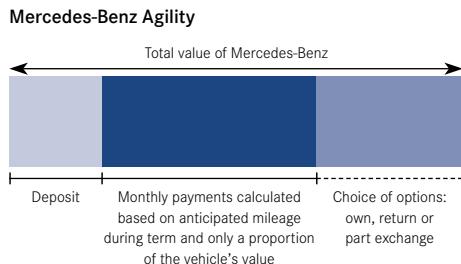

- **Guarantee the future value of your car.** Our Personal Contract Purchase plan, Mercedes-Benz Agility, features a future guaranteed value, which provides you with protection against the risk of depreciation and also makes your payments more affordable.

<sup>1</sup>Based on all credit applications received January–November 2012
